A proxy may be revoked, prior to its exercise, by executing and delivering a later dated proxy, by delivering written notice of the revocation of the proxy to the Secretary of Wuhan General prior to the Annual Meeting or by attending and voting at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Unless previously revoked, the shares represented by the enclosed proxy will be voted in accordance with the stockholder's directions if the proxy card is duly executed and returned prior to the Annual Meeting. If no directions are specified, the shares will be voted **FOR ALL NOMINEES** recommended by the Board of Directors and in accordance with the discretion of the named proxies on other matters brought before the Annual Meeting.

Wuhan General will bear the expense of preparing, printing and mailing this Proxy Statement and soliciting the proxies it is seeking. In addition to the use of the mails, proxies may be solicited by officers, directors and employees of Wuhan General, in person or by telephone, e-mail or facsimile transmission. Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held on December 28, 2011:

**This Proxy Statement and the 2010 Annual Report to Stockholders are available at
www.wuhangeneral.com/2011AnnualMeeting.html.**

Voting Rights

Wuhan General's Common Stock is the only class of securities entitled to vote at the Annual Meeting. The close of business on November 14, 2011 has been fixed as the Record Date for the determination of our stockholders entitled to notice of, and to vote at, the 2011 Annual Meeting. Only stockholders of record at the close of business on the

Record Date will be entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, we had outstanding 32,505,000 shares of Common Stock. Each outstanding share of Common Stock entitles the holder to one vote on all matters submitted to the stockholders.

Quorum and Voting Requirements

For each proposal to be considered at the Annual Meeting, the holders of a majority of the number of shares entitled to vote on such matter at the meeting, present in person or by proxy, will constitute a quorum. Both abstentions and broker non-votes will be treated as present for purposes of determining a quorum. A broker non-vote, however, does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. Broker non-votes are votes that brokers holding shares of record for their customers (i.e., in street name) are not permitted to cast under applicable stock market regulations because the brokers have not received instructions (or have received incomplete instructions) from their customers as to certain proposals, and, therefore, the brokers have advised us that they lack voting authority.

With regard to Proposal One (Election of Directors), votes may be cast for the nominees or may be withheld. Each director nominee was recommended by the Board of Directors, and all nominees are current directors, standing for re-election. The election of directors requires a plurality of the votes cast, and the six nominees receiving the greatest number of votes will be elected. Votes that are withheld, abstentions and broker non-votes are not considered votes cast and therefore will have no effect on the outcome of Proposal One.

Proposal One: Election of Directors

Action will be taken at the Annual Meeting for the election of six directors. Each director elected at the Annual Meeting will serve until the 2012 Annual Meeting or until his successor is elected and qualified. Proxies can be voted for only six nominees.

The Board of Directors has no reason to believe that any of the nominees for director will not be available to stand for election as director. However, if some unexpected occurrence should require the substitution by the Board of Directors of some other person or persons for any one or more of the nominees, the proxies may be voted in accordance with the discretion of the named proxies FOR such substitute nominees.

The term of David K. Karnes expires at this year's Annual Meeting and he has decided not to stand for re-election. Because of Mr. Karnes's decision not to stand for re-election, there will be a vacant seat on the Board of Directors that will not be filled at the Annual Meeting. Following the Annual Meeting, Wuhan General will not be in compliance with NASDAQ Rule 5605(b)(1), which requires that a majority of the Board of Directors be independent. Under NASDAQ Rule 5605(b)(1)(A), we believe that Wuhan General will be required to regain compliance with this requirement by the earlier of our next annual meeting of stockholders or December 28, 2012. We intend to regain compliance with this requirement prior to the expiration of the cure period provided by NASDAQ.

Corporate Governance

We have established corporate governance practices designed to serve the best interests of Wuhan General and our stockholders. We are in compliance with the current corporate governance requirements imposed by the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC and the listing standards of The Nasdaq Stock Market, except for NASDAQ's minimum bid price requirement. Our current Code of Business Conduct and Ethics and charters for certain committees of the Board of Directors are available on our corporate website at www.wuhangeneral.com under the heading Investor Relations.

Set forth below is information regarding the meetings of the Board of Directors during 2010, a description of the Board's standing committees and additional highlights of our corporate governance policies and procedures.

Committees and Meetings of the Board of Directors

Board Composition. The Board of Directors presently consists of seven members. The current members of the Board of Directors are Huang Zhaoqi, David K. Karnes, Brian Lin, Qi Ruilong, Shi Yu, Xu Jie and Zheng Qingsong. The term of David K. Karnes expires at this year's Annual Meeting and he has decided not to stand for re-election. The Board has determined that the following directors, who constitute a majority of the Board (four), are independent in accordance with the Nasdaq and SEC rules governing director independence: David K. Karnes, Brian Lin, Shi Yu and Zheng Qingsong.

Meetings of the Board of Directors. During 2010, the Board of Directors met two times. During that period, each of the incumbent directors attended at least 75% of the aggregate number of meetings held by the Board and by each of the committees on which such director served, except for Messrs. Huang, Karnes and Yu.

Board Committees. Our Board of Directors currently has two standing committees: the Audit Committee and the Compensation Committee. The principal functions and the names of the directors currently serving as members of each of those committees are set forth below. In accordance with applicable Nasdaq and SEC requirements, the Board of Directors has determined that each director serving on the Audit and Compensation committees is an independent director.

Audit Committee. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to our financial matters. The Audit Committee operates under a written charter, a copy of which is available on our website at www.wuhangeneral.com under the heading Investor Relations. Under the charter, the committee's principal responsibilities include reviewing our financial statements, reports and releases; reviewing with the independent auditor all critical accounting policies and alternative treatments of financial information under generally accepted accounting principles; and appointing, compensating, retaining and overseeing the work of the independent auditor.

The Audit Committee met four times during 2010. The current members of the Audit Committee are Brian Lin (Chairman), David K. Karnes and Shi Yu. The Board of Directors has determined that Mr. Lin is an audit committee financial expert, as that term is defined in SEC rules.

Compensation Committee. The Compensation Committee has the primary authority to determine our compensation philosophy and to establish compensation for our executive officers. The Compensation Committee operates under a written charter, a copy of which is available on our website at www.wuhangeneral.com under the heading Investor Relations. Under the charter, the committee's principal responsibilities include making recommendations to the Board on the Company's compensation policies, determining the compensation of senior management, making

recommendations to the Board on the compensation of independent directors and approving performance-based compensation.

The Compensation Committee met three times during 2010. The current members of the Compensation Committee are Shi Yu (Chairman), David K. Karnes and Brian Lin.

Director Nominations

We do not have a formally constituted nominating committee or charter. Instead, our Board of Directors adopted a Director Nomination Policy, which provides for the nomination of persons to serve on our Board upon the approval of a majority of our independent directors. The qualifications of recommended candidates also will be reviewed and approved by the full Board. Our Board, through the adoption of the Director Nomination Policy, has indicated its preference for this approach. Under the Director Nomination Policy, the independent directors consider the following factors when qualifying candidates: current composition of the Board and the characteristics of each candidate under consideration, including that candidate's competencies, experience, reputation, integrity, independence, potential for conflicts of interest and other appropriate qualities. When considering a director standing for re-election, in addition to the factors described above, the independent directors consider that individual's past contribution and future commitment to the Company. The independent directors evaluate all candidates, regardless of the source from which the candidate was first identified, based upon the totality of the merits of each candidate and not based upon minimum qualifications or attributes.

The Board of Directors has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the independent directors consider and discuss diversity, among other factors, with a view toward the needs of the Board of Directors as a whole. The independent directors generally conceptualize diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities or attributes that contribute to Board heterogeneity, when identifying and recommending director nominees. The independent directors believe that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board of Directors that best serves the needs of the Company and the interest of its stockholders.

For information regarding director nominations by security holders, see [Corporate Governance](#) [Corporate Governance Policies](#) [Policy for Consideration of Director Candidates Recommended by Security Holders](#).

Corporate Governance Policies

In addition to corporate governance matters described throughout this Proxy Statement, some additional highlights of our corporate governance policies and procedures are set forth below:

Board Leadership Structure. Our Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board of Directors believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board. In April 2010, Mr. Xu resigned as our Chief Executive Officer, but retains the position of Chairman of the Board. Upon Mr. Xu's resignation, our Board of Directors appointed Mr. Qi as Chief Executive Officer. Although the positions of Chairman and Chief Executive Officer are currently held by two individuals, in the future we may allow one individual to hold these two positions if the Board of Directors believes that it is in the best interests of the Company and its stockholders.

Risk Management. The Company's management is responsible for day-to-day risk management of the company. Management reports to the Board of Directors on the material risks the Company faces when management determines that the Company's risk profile materially changes. The Board of Directors uses management's reports to evaluate the Company's exposure to risks in light of the Company's business plan and growth strategies. The Board of Directors primarily focuses on risks in the areas of operations, liquidity and regulatory changes and compliance, which the Board of Directors believes are the areas most likely to have a potential impact on the Company in a material way.

Consideration and Determination of Executive Compensation. The Compensation Committee has the primary authority to determine our compensation philosophy and to establish compensation for our executive officers. In establishing executive officer compensation, the Compensation Committee uses its subjective evaluation of the executives' performance and responsibilities, our overall performance and the Chief Executive Officer's recommendations. The Compensation Committee has not used any compensation

consultant in setting executive salaries, or in determining other components of executive compensation, nor does it seek formally to benchmark the compensation of our executive officers against compensation paid by other companies to their executives.

Management plays a significant role in the compensation-setting process. The most significant aspects of management's role are:

- evaluating employee performance;
- preparing information for Compensation Committee meetings;
- establishing business performance targets and objectives;
- providing background information regarding the Company's strategic objectives; and
- recommending salary levels and equity awards.

Risk Management related to Compensation Policies and Practices. We do not believe that our compensation policies and practices encourage excessive and unnecessary risk-taking, and that the level of risk that they do encourage is not reasonably likely to have a material adverse effect on the Company. The design of our compensation policies and practices encourages our employees to remain focused on both our short- and long-term goals.

Code of Ethics. Our Code of Business Conduct and Ethics (the "Code of Ethics") applies to all of our directors, executive officers and employees. The Code of Ethics is available on our website at www.wuhangeneral.com under the heading "Investor Relations." We intend to disclose any amendments to our Code of Ethics, and any waiver from a provision of the Code of Ethics granted to our Chief Executive Officer, Chief Financial Officer or Controller, on our website within four business days following such amendment or waiver.

Executive Sessions of Independent Directors. The Board of Directors is responsible for scheduling regular executive sessions of our independent directors. At executive sessions, our independent directors meet without management or any non-independent directors present. The independent directors are responsible for establishing the agenda at executive sessions. The Board believes that executive sessions foster open and frank communication among the independent directors, which will ultimately add to the effectiveness of the Board, as a whole.

Committee Authority to Retain Independent Advisors. Each of the Audit Committee and the Compensation Committee has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by Wuhan General.

Accounting Complaint Policy. The Audit Committee has established procedures for the treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for confidential and anonymous submission by our employees of concerns regarding questionable accounting, internal accounting controls or auditing matters.

No Executive Loans. We do not extend loans to executive officers or directors, and we have no such loans outstanding.

Policy for Director Attendance at Annual Meetings. It is the policy of Wuhan General and our Board of Directors that all directors attend the Annual Meeting of Stockholders and be available for questions from stockholders, except in the case of unavoidable conflicts. All of our directors attended our 2010 Annual Meeting of Stockholders.

Process for Security Holders to Send Communications to the Board. We encourage security holder communication with the Board of Directors. Any security holder who wishes to communicate with the Board or with any particular director, including any independent director, may send a letter to the Secretary of Wuhan General at our principal executive offices. Any communication should indicate that you are a Wuhan General security holder and clearly specify whether it is intended to be made to the entire Board or to one or more particular director(s).

Policy for Consideration of Director Candidates Recommended by Security Holders. We welcome recommendations for director candidates from security holders. In order to make a recommendation, a security holder should submit the following information to the Board of Directors:

a resume for the candidate detailing the candidate's work experience and academic credentials;
written confirmation from the candidate that he or she (1) would like to be considered as a candidate and would serve if nominated and elected, (2) consents to the disclosure of his or her name, (3) has read our Code of Ethics and that during the prior three years has not engaged in any conduct that, had he or she been a director, would have violated the Code of Ethics or required a waiver, (4) is, or is not, independent as that term is defined by Nasdaq and SEC rules, and (5) has no plans to change or influence the control of Wuhan General;
the name of the recommending stockholder as it appears in our books, the number of shares of Common Stock that is owned by the stockholder and written confirmation that the stockholder consents to the disclosure of his or her name (if the recommending person is not a stockholder of record, he or she should provide proof of share ownership);
personal and professional references, including contact information; and
any other information relating to the candidate required to be disclosed in a proxy statement for election of directors under Regulation 14A of the Securities Exchange Act of 1934, as amended.

This information should be sent to the Board of Directors, c/o Secretary at our principal executive offices, who will forward it to the Board of Directors. The Board of Directors does not necessarily respond to security holder recommendations.

Report of Audit Committee

Notwithstanding anything to the contrary set forth in any of Wuhan General's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate by reference this Proxy Statement, in whole or in part, the following report shall not be incorporated by reference into any such filings.

The Audit Committee of the Board of Directors is composed of three directors and operates under a written charter adopted by the Board of Directors, a copy of which is available on our website at www.wuhangeneral.com under the heading Investor Relations. The members of the committee meet the independence requirements of SEC rules and Nasdaq listing standards.

Management is responsible for Wuhan General's internal controls, financial reporting process and compliance with laws, regulations and ethical business standards. The independent auditors are responsible for performing an independent audit of Wuhan General's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to report its findings to the Board of Directors. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the committee certify that the independent auditor is independent under applicable rules. The committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the committee's members in business, financial and accounting matters.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that Wuhan General's audited consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380) as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T.

Wuhan General's independent auditors also provided to the Audit Committee the written disclosures and letter required by applicable requirements of the PCAOB, and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Wuhan General's Annual Report on Form 10-K for the year ended December 31, 2010, filed with the SEC.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who beneficially own more than 10% of any class of our equity securities, who collectively we generally refer to as insiders, to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Common Stock and other equity securities of Wuhan General. Our insiders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely upon a review of the copies of the forms furnished to us, we believe that during the 2010 fiscal year our insiders complied with all applicable filing requirements, except that Mr. Qi made a single late filing reporting his initial statement of beneficial ownership.
