What is the purpose of the Annual Meeting?

The matters to be voted upon at the Annual Meeting are:

- (2) To ratify the appointment of KMJ Corbin & Company LLP as the independent registered public accounting firm of the Company and its subsidiary for the fiscal year ending March 31, 2015;

- (5) To transact such other business as may properly come before the meeting or any adjournment thereof.

Why am I being provided with these materials?

As a stockholder, you are requested to vote on the Proposals described in this Proxy Statement. This Proxy Statement describes the Proposals presented for stockholder action at our Annual Meeting and includes information required to be disclosed to stockholders.

Who can vote in connection with the Annual Meeting?

You may vote if you were the record owner of the Company's common stock as of the close of business on the Record Date. Each share of common stock is entitled to one vote. As of July 29, 2014, there will be 60,037.846 shares and 112,097 shares of common stock and Class A preferred stock, respectively, outstanding and entitled to vote.

1

How do I vote?

There are several ways to cast your vote:

You may vote over the Internet, by going to *www.cstproxyvote.com*. You will need to type in the Control Number indicated on your Proxy Card and follow the instructions.

You may vote over the telephone, by dialing 1-866-894-0537 and follow the recorded instructions. You will need the Control Number indicated on your Proxy Card.

You may vote by mailing in the Proxy Card ballot. To vote by mail using the enclosed Proxy Card (if you received a printed copy of these proxy materials by mail or if you printed a Proxy Card off the Internet), you will need to complete, sign and date your Proxy Card and return it promptly in the envelope provided or mail it to Continental Stock Transfer & Co. 17 Battery Place 8 floor, New York, NY 10004, Attention: Proxy Department.

You may vote in person, at the commencement of the Annual Meeting.

How does the Board recommend that I vote my shares?

Unless you give other instructions through your proxy vote, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. For the reasons set forth in more detail later in the Proxy Statement, the Board recommends the following:

Proposal 1:	The Board recommends a vote FOR ;
Proposal 2:	The Board recommends a vote FOR ;
Proposal 3:	The Board recommends a vote FOR ; and
Proposal 4:	The Board recommends a vote FOR ;

We encourage all stockholders to vote their shares. If you own your shares in street name and do not instruct your broker or other record owner of the shares as to how to vote, such broker or other record owner may vote your shares pursuant to its discretionary authority, at least with respect to Proposal 2.

What types of votes are permitted on each Proposal?

Proposal 1: You may either vote FOR all the nominees to the Board, you may WITHHOLD for all nominees, or you may WITHHOLD your vote from any nominee you specify.

Proposal 2: You may vote FOR, AGAINST or ABSTAIN .

Proposal 3: You may vote FOR, AGAINST or ABSTAIN .

Proposal 4: You may vote FOR, AGAINST or ABSTAIN .

If you vote WITHHOLD (in the case of Proposal 1 above) or ABSTAIN (in the case of Proposals 2, 3, and 4 above) your vote will not be counted towards the vote total for such Proposal.

How many votes are needed to approve each Proposal?

Proposal 1: The four nominees receiving the most FOR votes will be elected.

Proposal 2: There must be a FOR vote from the majority of votes cast.

Proposal 3: There must be a FOR vote from the majority of votes cast.

Proposal 4: There must be a FOR vote from the majority of votes cast.

The Board will be elected by a favorable vote of a plurality of the shares of common stock present and entitled to vote, in person or by proxy, at the Annual Meeting. Accordingly, abstentions and broker non-votes as to the election of directors will not be counted in determining which nominees received the largest number of votes cast.

What constitutes a quorum?

To carry on the business of the meeting, we must have a quorum. A quorum is present when a majority of the outstanding shares, as of the Record Date, is represented in person or by proxy. Shares owned by the Company are not considered outstanding or present at the meeting. Shares that are entitled to vote but that are not voted at the direction of the beneficial owner (called abstentions) and votes withheld by brokers in the absence of instructions from beneficial owners (called broker non-votes) will be counted for the purpose of determining whether there is a quorum for the transaction of business at the meeting.

What are broker non-votes?

Broker non-votes occur with respect to shares held in street name, in cases where the record owner (for instance, the brokerage firm, or bank) does not receive voting instructions from the beneficial owner and the record owner does not have the authority to vote those shares.

Various national and regional securities exchanges, including the rules of the New York Stock Exchange, applicable to brokers, banks, and other holders of record determine whether the record owner (for instance, the brokerage firm, or bank) is able to vote on a proposal if the record owner does not receive voting instructions from the beneficial owner.

The record owner may vote on proposals that are determined to be routine under these rules and may not vote on proposals that are determined to be non-routine under these rules. If a proposal is determined to be routine, your broker, bank, or other holder of record is permitted to vote on the proposal without receiving voting instructions from you. The proposal to ratify the appointment of our independent registered public accounting firm is a routine matter and the record owner may vote your shares on this proposal if it does not get instructions from you.

The proposal to elect directors, the proposal to approve an amendment to our 2011 Stock Incentive Plan, and the proposal to approve, on an advisory basis, the compensation of the named executive officers are non-routine and the record owner may not vote your shares on any of these proposals if it does not get instructions from you. If you do not provide voting instructions on these three matters, a broker non-vote will occur. Broker non-votes, as well as ABSTAIN votes, will each be counted towards the presence of a quorum but will not be counted towards the vote total for any Proposal.

What if my shares are not registered directly in my name but are held in street name ?

If at the Record Date your shares were held in street name (for instance, through a brokerage firm or bank), then you are the beneficial owner of such shares, and such shares are not registered directly in your name. The organization holding your account is considered the stockholder of record for purposes of the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. You will receive the notice and other proxy materials if requested, as well as voting instructions, directly from that organization.

If I am a beneficial owner of Cryoport shares, how do I vote?

If you are a beneficial owner, you will need to follow the voting instructions provided to you by the organization holding your account (for instance, your brokerage firm). To request documents or if you have any questions about voting, you will need to contact your broker. As a beneficial owner, if you would like to vote in person at the Annual Meeting, you must obtain a Legal Proxy from your broker or other applicable registered owner of your shares, in

advance of the meeting.

Can I dissent or exercise rights of appraisal?

Neither Nevada law nor our Amended and Restated Articles of Incorporation or Bylaws provide our stockholders with dissenters' or appraisal rights in connection with any of the proposals to be presented at the Annual Meeting. If the proposals are approved at the Annual Meeting, stockholders voting against such proposals will not be entitled to seek appraisal for their shares.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of our common stock that you owned as of the close of business on the Record Date.

How are the votes counted?

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting who will separately tabulate affirmative and negative votes and abstentions. Any information that identifies a stockholder or the particular vote of a stockholder is kept confidential.

Will stockholders be asked to vote on any other matters?

The Board is not aware of any other matters that will be brought before the stockholders for a vote. If any other matters properly come before the meeting, the proxy holders will vote on those matters in accordance with the recommendations of the Board or, if no recommendations are given, in accordance with their own judgment. Stockholders attending the meeting may directly vote on those matters or they may vote by proxy.

How many Annual Reports and Proxy Statements are delivered to a shared address?

If you and one or more holders of our common stock share the same address, it is possible that only one Proxy Statement and Annual Report was delivered to your address. This is known as householding. We will promptly deliver a separate copy of either document to you if you call or write us at our principal executive offices 20382 Barents Sea Circle, Lake Forest, CA 92630 Attn: Secretary, telephone: (949) 470-2300. If you want to receive separate copies of the Proxy Statement or Annual Report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address and telephone number.

What does it mean if I receive more than one Notice or Proxy Card?

If you receive more than one Proxy Card, your shares are owned in more than one name or in multiple accounts. In order to ensure that all of your shares are voted, you must follow the voting instructions included in each Proxy Card.

Can I change or revoke my vote after I submit my proxy?

Even after you have submitted your Proxy Card or voted by telephone or by Internet, you may change or revoke your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a signed Proxy Card bearing a later date. The powers of the proxy holders will be suspended with respect to your shares if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

PROPOSAL 1 ELECTION OF DIRECTORS

The Board currently consists of five directors. Directors are elected on an annual basis. Four directors will stand for re-election at the 2014 Annual Meeting to serve as a director until the 2015 Annual Meeting of the Stockholders or until their successors are duly elected and qualified or their earlier death, resignation, or removal. Mr. Wasserman decided not to stand for re-election at the 2014 Annual Meeting when his term expires. The decision of Mr. Wasserman not to stand for re-election to the Board is not due to any disagreement with the Company, including with respect to any matter relating to the Company's operations, policies or practices. The persons named on the proxy will vote to elect all of the nominees as directors for terms ending at the 2015 Annual Meeting of the Stockholders unless you withhold authority to vote for any or all of the nominees by voting to that effect or so voting in person. Each nominee has consented to serve as a director for the ensuing year. If one or more of the four nominees becomes unavailable to serve prior to the date of the Annual Meeting, the persons named as proxy holders will vote those shares for the election of such other person(s) as the Board may recommend, unless the Board reduces the total number of directors.

Directors are elected by a plurality of the shares represented at the meeting, whether in person or by proxy. Votes may be cast **FOR** all nominees, **WITHHOLD** for all nominees, or **WITHHOLD** as to specific nominees. The three nominees who receive the greatest number of votes cast **FOR** the election of such nominees shall be elected as directors.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR ELECTION OF EACH OF THE NOMINEES

BOARD INFORMATION AND DIRECTOR NOMINATION PROCESS

How often did the Board meet during the Company's fiscal year 2014?

During the fiscal year ended March 31, 2014 (fiscal 2014), there were ten meetings of the Board as well as several actions taken with the unanimous written consent of the directors. None of our directors attended fewer than 75% of the meetings of the Board held during the director's service or of any Committee on which the director served during fiscal 2014. While the Company has no formal policy on the matter, directors are generally encouraged to attend our Annual Meetings. Two directors who were directors at the time attended our 2013 Annual Meeting of Stockholders.

Do we have independent directors?

Our Board has affirmatively determined that three of the current directors who have been nominated for re-election at the Annual Meeting are independent as such term is defined under NASDAQ Rule 5605(a)(2) and the related rules of the Securities and Exchange Commission (the SEC), with Mr. Mandalam, Mr. Rathmann, and Mr. Zecchini being determined to be independent.

How did the Board make its independence determinations?

The Company is quoted on the OTCQB which is operated by OTC Markets, Inc., which does not have director independence requirements. However, for purposes of determining director independence, we have applied the definitions set forth in NASDAQ Rule 5605(a)(2) which states, generally, that a director is not considered to be independent if he or she is, or at any time during the past three years was an employee of the Company; or if he or she (or his or her family member) accepted compensation from the Company in excess of \$120,000 during any twelve month period within the three years preceding the determination of independence.

What Committees has the Board established?

The Board has established an Audit Committee, a Compensation Committee and Nomination and Governance Committee.

Audit Committee. The functions of the Audit Committee are to (i) review the qualifications of the independent auditors, our annual and interim financial statements, the independent auditor's report, significant reporting or operating issues and corporate policies and procedures as they relate to accounting and financial controls; and (ii) to consider and review other matters relating to our financial and accounting affairs. The Company's Board has a formally established Audit Committee and adopted an Audit Committee charter. The Audit Committee's charter is available on the Company's website at www.cryoport.com under the tab Corporate Governance which is found under the heading Company. Information on the website does not constitute a part of this Proxy Statement.

The current members of the Audit Committee are Mr. Wasserman, who is the Audit Committee Chairman, Mr. Rathmann and Mr. Zecchini. The Company has determined that (i) Mr. Wasserman qualifies as an audit committee financial expert as defined in Item 401(h) of Regulation S-K of the SEC rules and is independent within the meaning of NASDAQ Rule 5605(a)(2) and the related rules of the SEC, and (ii) Mr. Rathmann and Mr. Zecchini meet NASDAQ's financial literacy and financial sophistication requirements and are independent within the meaning of NASDAQ Rule 5605(a)(2) and the related rules of the SEC. During fiscal 2014, the Company's Audit Committee held four meetings during fiscal 2014. In addition, the Audit Committee regularly held discussions regarding the consolidated financial statements of the Company during Board meetings.

Compensation Committee. The purpose of the Compensation Committee is to discharge the Board's responsibilities relating to compensation of the Company's directors and executive officers, to produce an annual report on executive compensation for inclusion in the Company's Proxy Statement, as necessary, and to oversee and advise the Board on the adoption of policies that govern the Company's compensation programs including stock incentive and benefit plans. The Compensation Committee's charter is available on the Company's website at www.cryoport.com under the tab Corporate Governance which is found under the heading Company. Information on the website does not constitute a part of this prospectus.

The current members of the Compensation Committee are Mr. Richard G. Rathmann, who is the Compensation Committee Chairman, Mr. Mandalam, Mr. Wasserman, and Mr. Zecchini, each of whom is independent under applicable independence requirements. Each of the current members of the Compensation Committee is a non-employee director under Section 16 of the Exchange Act and an outside director for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). The Compensation Committee held two meetings during fiscal 2014. Ms. Muller was the Chairperson of the Compensation Committee through September 8, 2013, at which point Mr. Rathmann was appointed the Chairperson.

Nomination and Governance Committee. The function of the Nomination and Governance Committee is to (i) make recommendations to the Board regarding the size of the Board, (ii) make recommendations to the Board regarding criteria for the selection of director nominees, (iii) identify and recommend to the Board for selection as director nominees individuals qualified to become members of the Board, (iv) recommend committee assignments to the Board, (v) recommend to the Board corporate governance principles and practices appropriate to the Company, and (vi) lead the Board in an annual review of its performance. The Nomination and Governance

Committee's charter is available on the Company's website at www.cryoport.com under the tab Corporate Governance which is found under the heading Company. Information on the website does not constitute a part of this Proxy Statement.

The current members of the Nomination and Governance Committee are Mr. Zecchini, who is the Nomination and Governance Committee Chairman, Mr. Mandalam, Mr. Rathmann, and Mr. Wasserman. The Nomination and Governance Committee held two meetings during fiscal 2014.

What are the Nominating Procedures and Criteria?

Director Qualifications. The Nomination and Governance Committee believes that persons nominated to the Board should have personal integrity and high ethical character. Candidates should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a director to the Company and its stockholders. Candidates must be able to represent fairly and equally all stockholders of the Company without favoring any particular stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for director, the Nomination and Governance Committee will assure that:

The three directors currently comprising the Audit Committee satisfy the financial literacy requirements required for service on the Audit Committee; and

At least one of the directors qualifies as an Audit Committee financial expert under the rules of the SEC.

Identifying Director Candidates. The Nomination and Governance Committee utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Nomination and Governance Committee has a policy of re-nominating incumbent directors who continue to satisfy the committee's criteria for membership and whom the Nomination and Governance Committee believes continue to make important contributions to the Board and who consent to continue their service on the Board.

In filling vacancies of the Board, the Nomination and Governance Committee will solicit recommendations for nominees from the persons the committee believes are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The Nomination and Governance Committee may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the Nomination and Governance Committee will oversee the collection of information concerning the background and qualifications of the candidate and determine whether the candidate satisfies the minimum qualifications required by the Committee for election as director and whether the candidate possesses any of the specific skills or qualities that under the Board's policies must be possessed by one or more members of the Board.

The Nomination and Governance Committee does not have a written policy with respect to Board diversity; however, the committee's goal is to assemble a Board that brings to the Company a diversity of knowledge, skills and expertise derived from high quality business and professional experience. We believe a Board with these attributes leads to improved company performance by encouraging new ideas and perspectives and expanding the knowledge base available to management.

The Nomination and Governance Committee may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's chief executive officer and other senior members of management.

Edgar Filing: Cryoport, Inc. - Form DEF 14A

The Nomination and Governance Committee will make their selections based on all the available information and relevant considerations. The Nomination and Governance Committee's selection will be based on who, in the view of the Committee, will be best suited for membership on the Board.

In making its selection, the Nomination and Governance Committee will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the Committee may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company.

The Nomination and Governance Committee may also consider the extent to which the

recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

Stockholder Nominees. The Nomination and Governance Committee will consider director nominee recommendations by stockholders, provided the names of such nominees, accompanied by relevant biographical information, are properly submitted in writing to the Secretary of the Corporation in accordance with the manner described for stockholder nominations under the heading Stockholder Proposals for Next Annual Meeting. The Secretary will forward all recommendations to the Nomination and Governance Committee. The acceptance of a recommendation from a stockholder does not imply that the Nomination and Governance Committee will recommend to the Board the nomination of the stockholder recommended candidate.

How is the Board Structured?

Pursuant to our Bylaws, the Chairman of the Board presides at meetings of the Board. The Chairman of the Board is currently Mr. Rathmann.

In general, the Board has adopted a leadership structure whereby either the Chairman of the Board and Chief Executive Officer positions are separate or a Lead Independent Director is appointed. Currently, the Chairman of the Board and the Chief Executive Officer are positions are separate. If, however, at any time the Chairman of the Board of Directors was also serving as the Chief Executive Officer or was otherwise not independent, then a Lead Independent Director would be appointed. We believe that this approach provides strong leadership for the Board of Directors and helps ensure critical and independent thinking by guiding Board processes and presiding at Board meetings and executive sessions of the independent directors.

We believe that having separated Chairman of the Board and Chief Executive Officer positions and the independent nature of the Audit Committee, the Compensation Committee, and the Nomination and Governance Committee, as well as the practice of the independent directors regularly meeting in executive session without members of the Company's management present, ensures that the Board maintains a level of independent oversight of management that is appropriate for the Company.

What is the Board's Role in Risk Oversight?

The Board oversees an enterprise-wide approach to risk management that is designed to support the achievement of organizational objectives to improve long-term performance and enhance stockholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. In setting the Company's business strategy, the Board assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk for the Company.

While the Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives financial risk assessment reports from management. Risks related to the compensation programs are reviewed by the Compensation Committee. The Board is advised by these committees of significant risks and management's response via periodic updates.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD

The Board allows stockholders to send communications to the Board through its Nomination and Governance Committee. All such communications, except those related to stockholder proposals discussed under the heading Stockholder Proposals for Next Annual Meeting, must be sent to the Chairperson of the Nomination and Governance Committee at the Company's offices at 20382 Barents Sea Circle, Lake Forest, CA 92630.

KMJ Corbin & Company LLP has served in this capacity for each of the ten previous fiscal years, including fiscal 2014, and has reported on the Company's fiscal 2014 consolidated financial statements. However, the Board is submitting the selection of KMJ Corbin & Company LLP to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

PROPOSAL 3 APPROVAL OF AMENDMENT TO THE 2011 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE THEREUNDER

General Information

At the Annual Meeting the Company will seek stockholder approval of a proposed amendment to the Cryoport, Inc. 2011 Stock Incentive Plan (the "2011 Incentive Plan"), to increase the number of shares of common stock authorized for issuance thereunder. The 2011 Incentive Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock rights, restricted stock, performance share units, performance shares, performance cash awards, stock appreciation rights ("SARs"), and stock grant awards. The 2011 Incentive Plan also permits the grant of awards that qualify for the performance-based compensation exception to the \$1,000,000 limitation on the deduction of compensation imposed by Section 162(m) of the Code. The Board has approved the proposed amendment to the 2011 Incentive Plan, which was originally adopted in 2011, and has directed that it be submitted as a proposal for stockholder approval at the Annual Meeting.

The following is a summary of the material terms of the 2011 Incentive Plan that may be of importance to you. The summary is qualified by reference to the full text of the 2011 Incentive Plan, reflecting the proposed amendment, which is attached to this Proxy Statement as Exhibit A. Capitalized terms used but not defined have the meaning given to such term in the 2011 Incentive Plan.

CURRENT PLAN FEATURES

Purpose

The Board believes that the 2011 Incentive Plan will promote the interest and long-term success of the Company and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Company and by motivating such persons to contribute to the continued growth and profitability of the Company.

Administration

The 2011 Incentive Plan will be administered by the Compensation Committee or such other committee as may be designated by the Board (the "Committee"). The Committee must be comprised of at least two (2) members of the Board. Each Committee member must be a non-employee director as defined in Rule 16b-3 of the Exchange Act if required to meet the conditions for exemption from Section 16(b) of the Exchange Act and an outside director as defined in Section 162(m) of the Code. The Committee, by majority action, is authorized to interpret the 2011 Incentive Plan, to prescribe, amend, and rescind rules and regulations relating to the 2011 Incentive Plan, to provide for conditions and assurances deemed necessary or advisable to protect the interests of the Company, and to make all other determinations necessary or advisable for the administration of the 2011 Incentive Plan, to the extent they are not inconsistent with the 2011 Incentive Plan.

The Committee will have the authority, to determine the participants who are entitled to receive awards under the 2011 Incentive Plan, the types of awards, the times when awards shall be granted, the number of awards, the purchase price or exercise price, if any, the period(s) during which such awards shall be exercisable (whether in whole or in part), the restrictions applicable to awards, the form of each award

agreement, and the schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an award and accelerations or waivers thereof, based in each case on such considerations as the Committee deems appropriate. The Committee will not have the authority to accelerate the vesting or waive the forfeiture of any performance-based awards (as described below). Neither the award agreement or the other terms and provisions of any award must be identical for each participant.

The Committee will have the authority to modify existing awards, subject to specified provisions of the 2011 Incentive Plan and the listing requirements of OTCQB which is operated by OTC Markets, Inc., or such other exchange on which the Company stock is traded. The Committee will be prohibited from repricing any previously granted options or SARs without first obtaining stockholder approval.

Stock Subject to 2011 Incentive Plan

A total of 12,400,000 shares of common stock are currently reserved for issuance under the 2011 Incentive Plan and the maximum number of shares of stock that may be issued as incentive stock options under the Plan is currently 12,400,000.

Subject to the express provisions of the 2011 Incentive Plan, if any award granted under the 2011 Incentive Plan terminates, expires, lapses for any reason, or is paid in cash, any stock subject to or surrendered for such award will again be stock available for the grant of an award under the 2011 Incentive Plan. The exercise of a stock-settled SAR or broker-assisted cashless exercise of an option (or a portion thereof) will reduce the number of shares of stock available for issuance pursuant to the 2011 Incentive Plan by the entire number of shares of stock subject to that SAR or option (or applicable portion thereof), even though a smaller number of shares of stock will be issued upon such an exercise. Also, shares of stock tendered to pay the exercise price of an option or tendered or withheld to satisfy a tax withholding obligation arising in connection with an award will not become available for grant or sale under the 2011 Incentive Plan.

The maximum number of shares of common stock that may be granted to a participant, who is a covered employee, during any fiscal year with respect to one or more awards, is currently 1,500,000 shares.

Eligibility

All employees, officers, non-employee directors of, and consultants to, the Company or an affiliate, as determined by the Committee, are eligible to participate in the 2011 Incentive Plan.

Awards Available Under the 2011 Incentive Plan

The following types of awards may be granted pursuant to the 2011 Incentive Plan: options, restricted stock rights, restricted stock, performance shares, performance share units, performance cash awards, stock appreciation rights and stock grant awards.

Stock Options. The Committee may grant incentive stock options and nonqualified stock options under the 2011 Incentive Plan. Incentive stock options will be granted only to participants who are employees. The exercise price of all options granted under the 2011 Incentive Plan will be at least 100% of the fair market value of Company stock on the date granted. No option may be exercised more than ten (10) years from the date of grant. The Committee will determine the methods by which the exercise price of an option may be paid, the form of payment, including, without limitation, cash, promissory note, shares of stock held for longer than six months (through actual tender or by

attestation), any net-issuance arrangement or other property acceptable to the Committee (including broker-assisted cashless exercise arrangements), and how shares of stock will be delivered or deemed delivered to participants. A participant will have no rights as a stockholder with respect to options until the record date of the stock purchase.

Restricted Stock Rights. The Committee may grant restricted stock rights awards under the 2011 Incentive Plan. A restricted stock right award gives the participant the right to receive common stock or a cash payment equal to the fair market value (determined as of a specified date) in the future. Shares of common stock are not issued under the award until specified restrictions lapse. The restrictions typically involve the achievement of specified performance targets and/or the continued employment of the participant until a specified date. Participants holding restricted stock rights have no voting rights with respect to the shares of stock subject to their restricted stock rights award.

Restricted Stock. The Committee may grant restricted stock under the 2011 Incentive Plan. A restricted stock award gives the participant the right to receive a specified number of shares of common stock at a purchase price determined by the Committee (including and typically zero). Restrictions limit the participant's ability to transfer the stock and subject the stock to a substantial risk of forfeiture until specific conditions or goals are met. The restrictions will lapse in accordance with a schedule or other conditions as determined by the Committee. As a general rule, if a participant terminates employment when the restricted stock is subject to restrictions, the participant forfeits the unvested restricted stock. The Committee may, in its discretion, waive the restrictions in whole or in part, unless the restricted stock award is a performance-based award (as described below).

Performance Shares. The Committee may grant performance share awards under the 2011 Incentive Plan. A performance share award gives the participant the right to receive common stock of the Company if the participant achieves the performance goals specified by the Committee during a performance period specified by the Committee. Each performance share will have a value determined by the Committee at the time of grant.

Performance Share Units. The Committee may grant performance share unit awards under the 2011 Incentive Plan. A performance share unit award gives the participant the right to receive common stock of the Company, a cash payment or a combination of stock and cash, if the participant achieves the performance goals specified by the Committee during a performance period specified by the Committee. Each performance share unit will have a value determined by the Committee at the time of grant.

Performance Cash Awards. The Committee may grant performance cash awards under the Plan. A performance cash award gives the participant the right to receive a cash payment if certain performance goals are satisfied during a performance period specified by the Committee.

Stock Appreciation Rights. The Committee may grant SARs under the 2011 Incentive Plan. A SAR gives the participant the right to share in the appreciation in value of one share of common stock of the Company. Appreciation is calculated as the excess of (i) the fair market value of a share of common stock on the date of exercise over (ii) the price fixed by the Committee on the grant date, which may not be less than the fair market value of a share of common stock on the grant date. Payment for SARs shall be made in stock. SARs are exercisable at the time and subject to the restrictions and conditions as the Committee approves, provided that no SAR may be exercised more than ten (10) years following the grant date.

Stock Grant Awards. The Committee may grant stock awards under the Plan. A stock grant award gives the participant the right to receive, or the right to purchase at a predetermined price, shares of Stock free from vesting restrictions. A stock grant award may be granted or sold as consideration for past services, other consideration or in lieu of cash compensation due to any participant.

Performance-Based Awards. When the Committee grants restricted stock, restricted stock rights, performance shares, performance share units, or performance cash awards it may designate the award as a performance-based award. Options and SARs granted pursuant to the 2011 Incentive Plan should, by their terms, qualify as performance-based awards. Performance-based awards are designed to qualify for the performance-based compensation exception to the limitations on the deduction of compensation imposed by Section 162(m) of the Code. Section 162(m) of the Code only applies to covered employees as that term is defined in Section 162(m) of the Code. Therefore, only covered employees are eligible to receive awards that are designated as performance-based awards. The Committee has complete discretion regarding whether to grant awards to covered employees that qualify for the performance-based compensation exception. The Committee may, in its discretion, grant awards under the 2011 Incentive Plan to covered employees that do not qualify for the exception.

The payment of restricted stock, restricted stock rights, performance shares, performance share units, or performance cash awards that are designated as performance-based awards is contingent upon a covered employee's achievement of pre-established performance goals during a specified performance period. Performance goals are based on any one or more pre-established performance criteria. The pre-established performance criteria are limited to the following: revenue; revenue growth; earnings (including earnings before interest, taxes, depreciation and amortization); operating income; operating margin; pre- and after-tax income;

cash flow (before and after dividends); cash flow per share (before and after dividends); net earnings; earnings per share; return on equity; return on capital (including return on total capital or return on invested capital); cash flow return on investment; return on assets or net assets; economic value added; share price performance; total stockholder return; improvement in or attainment of expense levels; improvement in or attainment of working capital levels; market penetration, geographic goals, business expansion goals, development of strategic relationships with customers and/or vendors; and development and execution on strategic acquisitions.

With respect to any performance-based award granted to a covered employee that qualifies for the performance-based compensation exception to the Section 162(m) limitation, the Committee has the discretion to: select the length of the performance period, the type of performance-based awards to be issued, the kind and/or level of performance goal or goals and whether the performance goal or goals apply to the Company, an affiliate or any division or business unit of any of them, or to the individual participant or any group of participants. The Committee has the discretion to decrease the amount of compensation payable pursuant to any performance-based award but may not increase the compensation payable pursuant to any performance-based award.

The performance criteria and other related aspects of the 2011 Incentive Plan will be subject to stockholder approval again in 2015 if (as is currently the case) stockholder approval is then required to maintain the tax-deductible nature of performance-based compensation under the 2011 Incentive Plan.

The maximum amount of any performance-based award that may be granted to a covered employee during any performance period is currently 1,500,000 shares of common stock or the equivalent cash value.

Restrictions

The Committee may impose such restrictions on any awards under the 2011 Incentive Plan as it may deem advisable, including restrictions under applicable federal securities law, under the requirements of any stock exchange upon which the Company's common stock is then listed and under any blue sky or state securities law applicable to the awards.

Change in Control

The Committee, in its sole discretion, may determine that upon a Change in Control (as that term is defined in the 2011 Incentive Plan), all awards, except those awards that qualify as performance-based compensation under Section 162(m), shall become fully vested and exercisable and all restrictions on such outstanding awards shall lapse. If such a determination is made by the Committee, performance-based awards will vest on a pro-rata basis based on the level of achievement of the performance goals applicable to such awards.

Non-transferability

The Committee may, in its sole discretion, determine the right of a participant to transfer any award granted under the 2011 Incentive Plan. Unless otherwise determined by the Committee, no award granted under the 2011 Incentive Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution or pursuant to a domestic relations order (that would otherwise qualify as a qualified domestic relations order as defined in the Code or Title I of the Employee Retirement Income Security Act of 1974, but for the fact that it relates to an award granted under the 2011 Incentive Plan) in favor of a spouse, or, if applicable, until the termination of any restricted or performance period as determined by the Committee.

Adjustment Provisions

If there is a change in the outstanding shares of stock because of a stock dividend or split, recapitalization, liquidation, merger, consolidation, combination, exchange of shares, or other similar corporate change, the aggregate number of shares of stock available under the 2011 Incentive Plan and subject to each outstanding award, and its stated exercise price or the basis upon which the award is measured, will be adjusted by the Committee. Moreover, in the event of such transaction or event, the Committee, in its discretion may provide in substitution for any or all outstanding awards under the 2011 Incentive Plan such

alternative consideration (including cash) as it, in good faith, may determine to be equitable under the circumstances and may require in connection therewith the surrender of all awards so replaced. Any adjustment to an incentive stock option shall be made consistent with the requirements of Section 424 of the Code. Further, with respect to any option or SAR that otherwise satisfies the requirements of the stock rights exception to Section 409A of the Code, any adjustment shall be made consistent with the requirements of the final regulations promulgated pursuant to Section 409A of the Code.

Amendment, Modification and Termination of 2011 Incentive Plan

Subject to the Board's right to amend or terminate the 2011 Incentive Plan at any time, the 2011 Incentive Plan will remain in effect until all awards issued under the 2011 Incentive Plan expire, terminate, are exercised or are paid in full in accordance with the 2011 Incentive Plan provisions and any award agreement. However, no award may be granted under the 2011 Incentive Plan after the tenth anniversary of the date the 2011 Incentive Plan is approved by the Company's stockholders unless the stockholders of the Company vote to approve an extension of the 2011 Incentive Plan prior to such expiration date.

The Board has discretion to terminate, amend or modify the 2011 Incentive Plan. Any such action of the Board is subject to the approval of the stockholders to the extent required by law, regulation or the rules of any exchange on which Company stock is listed. To the extent permitted by law, the Board may delegate to the Committee or the Chief Executive Officer the authority to approve non-substantive amendments to the 2011 Incentive Plan. Except as otherwise provided in the 2011 Incentive Plan, the Board, Chief Executive Officer and the Committee may not do any of the following without stockholder approval: reduce the purchase price or exercise price of any outstanding award, including any option or SAR; increase the number of shares available under the 2011 Incentive Plan; grant options with an exercise price that is below fair market value of a share of Company stock on the grant date; reprice previously granted options or SARs; or cancel any option or SAR in exchange for cash or any other award or in exchange for any option or SAR with an exercise price that is less than the exercise price for the original option or SAR.

Tax Withholding

The Company will have the power to withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state, and local withholding tax requirements on any award under the 2011 Incentive Plan. To the extent that alternative methods of withholding are available under applicable laws, the Company will have the power to choose among such methods.

Federal Income Tax Information

The following is a brief summary of certain of the federal income tax consequences of certain transactions under the 2011 Incentive Plan based on federal income tax laws in effect on January 1, 2011. This summary is not intended to be exhaustive and does not describe state or local tax consequences.

As a general rule, a participant will not recognize taxable income with respect to any award at the time of grant. If a participant who receives a restricted stock grant makes the election permitted by Section 83(b) of the Code, the participant will recognize income on the award at the time of grant.

Upon exercise of a nonqualified stock option, the lapse of restrictions on restricted stock, or upon the payment of SARs, restricted stock rights, performance shares, performance share units, performance cash awards, or stock grant awards the participant will recognize ordinary taxable income in an amount equal to the difference between the amount paid for the award, if any, and the fair market value of the stock or amount received on the date of exercise, lapse of restriction or payment. The Company will be entitled to a concurrent income tax deduction equal to the ordinary income recognized by the participant.

A participant who is granted an incentive stock option will not recognize taxable income at the time of exercise. However, the excess of the stock's fair market value over the option price could be subject to the alternative minimum tax in the year of exercise (assuming the stock received is not subject to a substantial risk of forfeiture or is transferable). If stock acquired upon exercise of an incentive stock option is held for a minimum of two years from the date of grant and one year from the date of exercise, the gain or loss (in an amount equal to the difference between the sales price and the exercise price) upon disposition of the stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any income tax deduction. If the holding period requirements are not met, the incentive stock option will not meet the requirements of the tax and the tax consequences described for nonqualified stock options will apply.

The final regulations promulgated under Section 409A of the Code became effective as of January 1, 2009. If certain awards fail to comply with Section 409A, a participant must include in ordinary income all deferred compensation conferred by the award, pay interest from the date of the deferral and pay an additional 20% tax. The award agreement for any award that is subject to Section 409A may include provisions necessary for compliance as determined by the Committee. The Company intends (but cannot and does not guarantee) that awards granted under the 2011 Incentive Plan will comply with the requirements of Section 409A or an exception thereto and intends to administer and interpret the 2011 Incentive Plan in such a manner.

Special Rules Applicable to Officers

In limited circumstances where the sale of stock that is received as the result of a grant of an award could subject an officer to suit under Section 16(b) of the Exchange Act, the tax consequences to the officer may differ from the tax consequences described above. In these circumstances, unless a special election has been made, the principal difference usually will be to postpone valuation and taxation of the stock received so long as the sale of the stock received could subject the officer or director to suit under Section 16(b) of the Exchange Act, but not longer than six months.

Tax Consequences to the Company or Its Affiliates

To the extent that an grantee recognizes ordinary income in the circumstances described above, the Company or the subsidiary for which the employee performs services will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an excess parachute payment within the meaning of Section 280G of the Code and is not subject to the \$1 million deduction limit for certain executive compensation under Section 162(m) of the Code.

New Plan Benefits Table

Benefits under the 2011 Incentive Plan will depend on the Committee's actions and the fair market value of the Company's stock at various future dates. Consequently, it is not possible to determine the future benefits that will be received by 2011 Incentive Plan participants.

Proposed Amendment to the 2011 Incentive Plan

The Board has reviewed the options currently remaining in the option pool for the 2011 Incentive Plan and has determined that it is appropriate to increase the number of shares of common stock authorized for issuance under the 2011 Incentive Plan. As of July 16, 2014, (i) 664,892 shares have been issued upon exercise of options granted under the 2011 Incentive Plan and (ii) option grants representing 4,442,066 shares were outstanding under the 2011 Incentive Plan. The Board believes that an increase in the number of authorized shares is necessary for the continued optimal use of the 2011 Incentive Plan. Therefore, the Board has approved the proposed amendment to the 2011 Incentive Plan that would increase the number of shares authorized for issuance under the Plan from 12,400,000 to 13,900,000.

Required Vote

Approval of the amendment to the 2011 Incentive Plan requires the affirmative vote of a majority of votes cast. Broker non-votes will not be treated as votes cast for purposes of determining approval of such proposal and will not

be counted as votes for or against such proposal.

FOR APPROVAL OF THE
AMENDMENT TO THE 2011 STOCK INCENTIVE PLAN**

PROPOSAL NO. 4 TO APPROVE, ON AN ADVISORY BASIS, THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN OUR PROXY STATEMENT FOR THE 2014 ANNUAL MEETING OF STOCKHOLDERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 ("Dodd-Frank Act") enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement. This advisory vote is commonly referred to as a "say-on-pay" proposal. Consistent with the mandate of the Dodd-Frank Act, we are seeking our stockholders' approval, on an advisory basis, of the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules (which disclosure includes the related compensation tables in this Proxy Statement).

The Compensation Committee, which is responsible for designing and administering our executive compensation program, has designed our executive compensation program to provide a competitive and internally equitable compensation and benefits package that reflects the Company performance, job complexity, and strategic value of the position while seeking to ensure the individual's long-term retention and motivation and alignment with the long-term interests of our stockholders. We are asking our stockholders to indicate their support for our named executive officers' compensation as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall fiscal 2014 compensation of our named executive officers described in this proxy statement. Accordingly, we are asking our stockholders to vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that our stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in our proxy statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC.

Vote Required; Board Recommendation

Adoption of this resolution will require the affirmative vote of the majority of the shares of common stock represented in person or by proxy at the meeting. Abstentions will not be counted as either votes cast for or against the Proposal.

The results of this advisory vote are not binding upon us. However, the Compensation Committee values the opinions expressed by stockholders in their vote, and will consider the outcome of the vote in deciding whether any actions are necessary to address concerns raised by the vote and when making future compensation decisions for named executive officers.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ADVISORY PROPOSAL ON

We are a smaller reporting company as such term is defined in Rule 405 of the Securities Act of 1933, as amended, and Item 10 of Regulation S-K. Accordingly, and in accordance with relevant SEC rules and guidance, we have elected, with respect to the disclosures required by Item 402 (Executive Compensation) of Regulation S-K, to comply with the disclosure requirements applicable to smaller reporting companies. This Compensation Overview section discusses the compensation programs and policies for our executive officers and the compensation committee's role in the design and administration of these programs and policies in making specific compensation decisions for our executive officers, including our named executive officers.

Our compensation committee has the sole authority and responsibility to review and determine, or recommend to our board of directors for determination, the compensation package of our chief executive officer and each of our other named executive officers, each of whom is identified in the Summary Compensation Table below. Our compensation committee also considers the design and effectiveness of the compensation program for our other executive officers and approves the final compensation package, employment agreements and stock award and option grants for all of our executive officers. Our compensation committee is composed entirely of independent directors who have never served as officers of our company. Our compensation committee is authorized to engage compensation consultants, but did not do so in fiscal 2014 or 2013.

Set forth below is a discussion of the policies and decisions that shape our executive compensation program, including the specific objectives and elements. Information regarding director compensation is included under the heading Director Compensation below.

General Executive Compensation Objectives and Philosophy

The objective of our executive compensation program is to attract, retain and motivate talented executives who are critical for our continued growth and success and to align the interests of these executives with those of our shareholders. To achieve this objective, besides annual base salaries, our executive compensation program utilizes a combination of annual incentives through cash bonuses and long-term incentives through equity-based compensation.

In establishing overall executive compensation levels, our compensation committee considers a number of criteria, including the executive's scope of responsibilities, prior and current period performance and attainment of individual and overall company performance objectives and retention concerns. Our president and chief executive officer and our compensation committee believe that substantial portions of executive compensation should be linked to the overall performance of our company, and that the contribution of individuals over the course of the relevant period to the goal of building a profitable business and shareholder value will be considered in the determination of each executive's compensation.

Generally, our compensation committee reviews and, as appropriate, modifies compensation arrangements for executive officers in the first quarter of each fiscal year, subject to the terms of existing employment agreements with our named executive officers, as discussed below. For the fiscal year ended March 31, 2014, except for our president and chief executive officer's compensation, our compensation committee also considered our president and chief executive officer's executive compensation recommendations. In making such determinations, the compensation committee considered the overall performance of each executive and their contribution to the growth of our company.

and its products, as well as overall company performance through personal and corporate achievements. As we are not yet cash-flow positive, the compensation committee considered each executive officer's contributions for the fiscal year ended March 31, 2014, as well as the retention of our executive officers. Given the Company's limited cash reserves, no cash bonuses were authorized or paid to our executive officers, however, the compensation committee is currently reviewing the issuance of additional stock options to executives to ensure that executive compensation and incentives are at appropriate levels to retain and motivate our executives.

We have reviewed our compensation structures and policies as they pertain to risk and have determined that our compensation programs do not create or encourage the taking of risks that are reasonably likely to have a material adverse effect on the company.
