Edgar Filing: AMERICAN TECHNICAL CERAMICS CORP - Form 8-K

Item 1.01. Entry into a Material Definitive Agreement.

The disclosure set forth below under Item 2.03 (Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant) is hereby incorporated by reference into this Item 1.01.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 16, 2005, American Technical Ceramics Europe AB ("ATC Europe"), a wholly-owned subsidiary of American Technical Ceramics Corp. (the "Company"), obtained a series of five term loans aggregating 12,000,000 Swedish Krona ("SEK") (approximately \$1,700,000) from Svenska Handelsbanken, AB (the "Bank"). The loans are unsecured and bear interest at fixed rates ranging from 3.56% to 4.59%. The five loans are each for a principal amount of 2,400,000 SEK and are fully amortizing. The loans mature in one to five years with the first maturing on September 30, 2006 and one other maturing on each succeeding September 30th through 2010. In connection with, and as an inducement for, the Bank's making the loans, the Company entered into a Guaranty and Agreement with the Bank whereby the Company has agreed to guarantee the payment of all of ATC Europe's obligations under the loans.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
