unaudited financial information for the three and six months ended June 30, 2006 (the "Release"). A copy of the Release is attached hereto as Exhibit 99.1 and is hereby incorporated in this Current Report by reference. The information contained in this Item 2.02, including Exhibit 99.1, shall not be deemed "filed" with the Securities and Exchange Commission nor incorporated by reference in any registration statement or other document filed by the Company under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

Item 8.01. Other Events.

In the Release, the Company announced that the Audit Committee of its Board of Directors is reviewing the Company's practices relating to its stock option grants. This voluntary review was initiated following a shareholder inquiry and in light of recent reports in the financial media regarding stock option practices. The review is being conducted with the assistance of the Audit Committee's outside legal counsel. Pediatrix does not intend to comment on any aspect of the review or possible outcome until after the Audit Committee completes its review. At that time, Pediatrix expects to provide an update as to the Audit Committee's findings.

As a result of the review, the Company will announce its complete financial results for the second quarter of fiscal 2006 following the completion of the Audit Committee's work. Based on the status of the review to date, Pediatrix believes that it will not be able to report full results for the second quarter of 2006 and file its Form 10-Q for the second quarter by the filing deadline.
