Item 1.01. Entry into a Material Definitive Agreement.

\$100.0 Million Secured Credit Facility.

On April 29, 2011, Summit Hotel OP, LP (the “Operating Partnership”), as borrower, Summit Hotel Properties, Inc. (“Company”), as parent guarantor, and Summit Hospitality I, LLC, as subsidiary guarantor, entered into a \$100.0 million senior secured revolving credit facility with Deutsche Bank AG New York Branch, as administrative agent, Deutsche Bank Securities Inc., as lead arranger, and a syndicate of lenders including Deutsche Bank AG New York Branch, Royal Bank of Canada, KeyBank National Association and Regions Bank. We transferred to the \$100.0 million credit facility the outstanding principal balance of \$25.2 million on the existing \$30.0 million unsecured revolving credit facility.

The following is a summary of the indicative terms and conditions for our \$100.0 million credit facility. The Operating Partnership is the borrower under the credit facility. The credit facility is guaranteed by the Company and all of our existing and future subsidiaries that own or lease a “borrowing base asset.”

Outstanding borrowings on the \$100.0 million revolving credit facility are limited to the least of (1) \$100.0 million, (2) 55% of the aggregate appraised value of the properties anticipated to be borrowing base properties under the secured \$100.0 million credit facility and (3) the aggregate adjusted net operating income of the borrowing base properties divided by 150% of the monthly factor shown on a standard level constant payment table for a fully amortizing 25-year loan based on an assumed interest rate equal to the greatest of (x) the ten-year U.S. Treasury rate plus 3.5%, (y) 7.00% and (z) the weighted-average interest rate then applicable to advances outstanding under the credit facility. The availability of the credit facility is also subject to a borrowing base having no fewer than 15 properties.

Payment Terms. We are obligated to pay interest at the end of each selected interest period, but not less than quarterly, with all outstanding principal and accrued but unpaid interest due at maturity, which is April 29, 2014. We may extend the maturity date for 1 year subject to certain criteria being met. We have the right to repay all or any portion of the outstanding borrowings from time to time without penalty or premium, other than customary early payment fees if we repay a LIBOR loan before the end of the contract period. In addition, we will be required to make earlier principal reduction payments in the event of certain changes in the borrowing base availability.

We will pay interest on the periodic advances under the \$100.0 million revolving credit facility at varying rates, based upon, at our option, either (i) 1-, 2-, 3- or 6-month LIBOR, subject to a floor of 0.50%, plus the applicable LIBOR margin or (ii) the applicable base rate, which is the greatest of the administrative agent’s prime rate, 0.50% plus the federal funds effective rate, and 1-month LIBOR (incorporating the floor of 0.50%) plus 1.00%, plus the applicable margin for base rate loans. The applicable LIBOR and base rate margin is expected to depend upon the ratio of our outstanding consolidated total indebtedness to EBITDA, as follows:

| Total Debt to EBITDA Ratio | LIBOR Margin | | Base Rate Margin | |
|----------------------------|--------------|---|------------------|---|
| <3.50x | 2.50 | % | 1.50 | % |
| ≥3.50x and <5.00x | 3.00 | % | 2.00 | % |
| ≥5.00x | 3.50 | % | 2.50 | % |

Financial and Other Covenants. In addition, we are required to comply with a series of financial and other covenants in order to borrow under the \$100.0 million revolving credit facility. The material financial covenants include the following:

a maximum ratio of consolidated indebtedness (as defined in the loan documentation) to consolidated EBITDA (as defined in the loan documentation) as follows:

| Period | Leverage Ratio |
|----------------------------------------------------------------------------------------------|----------------|
| Closing Date through the first anniversary of the Closing Date | 6.25:1.00 |
| The first anniversary of the Closing Date through the second anniversary of the Closing Date | 6.00:1.00 |
| The second anniversary of the Closing Date through the third anniversary of the Closing Date | 5.75:1.00 |
| The third anniversary of the Closing Date and thereafter | 5.25:1.00 |

a minimum ratio of adjusted consolidated EBITDA (as defined in the loan documentation) to consolidated fixed charges (as defined in the loan documentation) of 1.50:1.00;

| Period | Consolidated Fixed Charge Coverage Ratio |
|----------------------------------------------------------------------------------------------|------------------------------------------|
| Closing Date through the second anniversary of the Closing Date | 1.50:1.00 |
| The second anniversary of the Closing Date through the third anniversary of the Closing Date | 1.60:1.00 |
| The third anniversary of the Closing Date and thereafter | 1.75:1.00 |

Edgar Filing: Summit Hotel OP, LP - Form 8-K

a minimum consolidated tangible net worth (as defined in the loan documentation) of not less than \$228,728,000 plus 80% of the net proceeds of subsequent common equity issuances; and a maximum dividend payout ratio of 95% of FFO (as defined in the loan documentation) or an amount necessary to maintain REIT tax status and avoid corporate income and excise taxes.

We are also subject to other customary covenants, including restrictions on investments, limitations on liens and maintenance of properties. The credit facility also contains customary events of default, including, among others, the failure to make payments when due under any of the credit facility documentation, breach of any covenant continuing beyond any cure period and bankruptcy or insolvency.

Borrowing Base Assets. The \$100.0 million credit facility is secured by primarily by a first priority mortgage lien on each borrowing base asset and a first priority pledge of our equity interests in the subsidiaries that hold the borrowing base properties, and a TRS formed in connection with the credit facility, which wholly owns the TRS lessees that lease each of the borrowing base properties. As of the date of the credit facility, mortgage liens were granted on 18 of our hotel properties, including:

Further, to be eligible as a borrowing base property, the anticipated property must: be franchised with a nationally-recognized franchisor; have been in operation a minimum of one year; satisfy certain ownership, management and operating lessee criteria; not be subject to material defects, such as liens, title defects, environmental contamination and other standard lender criteria.

Furthermore, prior to the second anniversary of the \$100.0 million credit facility's closing date we also may elect to increase the amount of the credit facility by up to an additional \$100.0 million, increasing the maximum aggregate amount of the credit facility to \$200.0 million, subject to the identification of a lender or lenders willing to make available the additional amounts, including new lenders acceptable to us and the administrative agent. In addition, on a quarterly basis, we will be required to pay a fee on the unused portion of the senior secured revolving credit facility equal to the unused amount multiplied by an annual rate of either (i) 0.50%, if the unused amount is equal to or greater than 50% of the maximum aggregate amount of the credit facility, or (ii) 0.375%, if the unused amount is less than 50% of the maximum aggregate amount of the credit facility. We will also be required to pay other fees, including customary arrangement, administrative and fronting fees.

Amendment to Unsecured \$30.0 Million Credit Facility.

("Company"), as parent guarantor, entered into an amendment of the Credit Agreement evidencing the Operating Partnership's \$30.0 million unsecured revolving credit facility (the "\$30 Million Facility") with Deutsche Bank AG New York Branch (the "Lender"). The \$30 Million Facility, as amended, was paid off in full and terminated upon entry into the \$100.0 million secured credit facility described above and the aforementioned extension was not exercised.
