## Edgar Filing: CITY NETWORK INC - Form 8-K

On December 16, 2005, City Network, Inc. (the "Company") entered a letter agreement (the "Term Sheet") with Cornell Capital Partners, LP ("Cornell Capital") committing to enter into definitive documents for a proposed transaction. In the transaction, the Company will issue secured convertible debentures (the "Notes") in an aggregate principal amount of up to \$650,000 to Cornell Capital or Highgate House Funds, Ltd. ("Highgate House," and together with Cornell Capital, the "Investor"), an affiliate of Cornell Capital.

The Company plans to use a portion of the Notes to redeem \$250,000 in aggregate principal amount, plus accrued interest, of secured convertible debentures issued pursuant to a Securities Purchase Agreement, dated August 10, 2005, by and between the Company and Highgate House (the "Original Notes").

Under the Term Sheet, the Notes will mature three years after issuance. A 20% redemption premium on the principal amount of the Notes is due when they are redeemed. Additionally, an annual interest rate of 7% (calculated on the basis of a 360-day year) accrues on the outstanding principal amount of the Notes.

The Notes will be secured by substantially all of the assets of the Company and its direct and indirect wholly-owned subsidiaries, City Technology, Inc., City Network, Inc.--Taiwan and City Construction Co., Ltd.; a pledge of the 4,445,455 shares of common stock, par value \$0.001 per share, of the Company

("Common Stock") securing the Original Notes; and a pledge of 2,000,000 additional shares of Common Stock. The 2,000,000 additional shares of Common Stock will be pledged only if Notes exceeding \$275,000 in aggregate principal amount are issued.

The Notes are convertible into Common Stock based on at the lower of (a) \$0.268 per share or (b) ninety-five percent (95%) of the lowest volume weighted average price of the Common Stock, as reported by Bloomberg, LP, for the thirty (30) trading days preceding the conversion.

Upon signing the definitive documents for the transaction, the Company will issue to the Investor a five-year warrant (the "Warrant") to purchase 500,000 shares of Common Stock (the "Warrant Shares") at an exercises price of \$0.001 per share.

The Company will also agree to register the Common Stock underlying the Notes and the Warrant.

Upon signing definitive documents for the transaction, the Standby Equity Distribution Agreement between the Company and Cornell Company, the Investor Registration Rights Agreement between the Company and Cornell Capital, the Escrow Agreement among the Company, Cornell Capital and David Gonzalez, Esq., as escrow agent, and the Registration Rights Agreement between the Company and Cornell Capital, each dated August 10, 2005, will be terminated, and each party to the agreements will release the other parties from all obligations under the agreements.

The aggregate number of shares of Common Stock to be issued pursuant to the definitive agreements for the transaction may not equal or exceed 5,500,000 shares in the aggregate (constituting 20% of the Company's outstanding Common Stock as of August 10, 2005).

The Company expects to enter definitive documents for the transaction no later than February 1, 2006. The transaction is subject to stockholder approval and approval by the American Stock Exchange.

The shares described above are being issued in a transaction not involving
