- This Registration Statement shall also cover any additional shares of common stock which become issuable under the America's Car-Mart, Inc. Amended and Restated Stock Option Plan (the "Plan") by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration which results in an increase in the number of the outstanding shares of America's Car-Mart, Inc. (the "Registrant") common stock. Calculated solely for the purpose of calculating the registration fee in accordance with Rules 457(c) and (h) under the Securities Act of 1933, as amended, based upon the average of the high and low prices of the common stock of the Registrant on December 3, 2015, as reported on the NASDAQ Global Select Market, which was \$26.71. On August 5, 2015, the Registrant's stockholders approved the Plan, which amended and restated the Registrant's 2007 Stock Option Plan (the "2007 Plan"). The terms of the Plan provide, among other things, that the shares of common stock authorized for issuance under the Plan include all shares available for delivery since the establishment of the 2007 Plan and that if any shares are not delivered to a participant because the stock option award is forfeited, canceled or settled in cash, the shares of common stock under such award will revert to and again become available for issuance under the Plan. The Carried Forward Shares are shares of common stock of the Registrant that were previously registered by the Registrant under the 2007 Plan that, as of the date of this Registration Statement, are subject to outstanding awards granted under the 2007 Plan or are not subject to outstanding awards and remain available for grant under the Plan. An aggregate of 755,250 of the Carried Forward Shares were previously registered by the Registrant under a registration statement on Form S-8 filed on December 7, 2007 (File No. 333-147915), and an aggregate of 500,000 of the Carried Forward Shares were previously registered by the Registrant under a registration statement on Form S-8 filed on December 3, 2010 (File No. 333-170964). The Registrant paid the required fees for the registration of the Carried Forward Shares based on the proposed maximum offering price reported in each of the foregoing registration statements. Pursuant to Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Division of Corporation Finance of the Securities and Exchange Commission (July 1997) and Instruction E to the General Instructions to Form S-8, the Registrant has carried forward the registration fees for the Carried Forward Shares. The Registrant is concurrently filing Post-Effective Amendments No. 1 to the registration statements on Form S-8 filed on December 7, 2007 (File No. 333-147915) and December 3, 2010 (File No. 333-170964), respectively, deregistering the Carried Forward Shares under the 2007 Plan. Therefore, no further registration fee is required with respect to the Carried Forward Shares.
- (1) This Registration Statement shall also cover any additional shares of common stock which become issuable under the America's Car-Mart, Inc. Amended and Restated Stock Option Plan (the "Plan") by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration which results in an increase in the number of the outstanding shares of America's Car-Mart, Inc. (the "Registrant") common stock. Calculated solely for the purpose of calculating the registration fee in accordance with Rules 457(c) and (h) under the Securities Act of 1933, as amended, based upon the average of the high and low prices of the common stock of the Registrant on December 3, 2015, as reported on the NASDAQ Global Select Market, which was \$26.71. On August 5, 2015, the Registrant's stockholders approved the Plan, which amended and restated the Registrant's 2007 Stock Option Plan (the "2007 Plan"). The Carried Forward Shares are shares of common stock of the Registrant that were previously registered by the Registrant under the 2007 Plan that, as of the date of this Registration Statement, are subject to outstanding awards granted under the 2007 Plan or are not subject to outstanding awards and remain available for grant under the Plan. An aggregate of 755,250 of the Carried Forward Shares were previously registered by the Registrant under a registration statement on Form S-8 filed on December 7, 2007 (File No. 333-147915), and an aggregate of 500,000 of the Carried Forward Shares were previously registered by the Registrant under a registration statement on Form S-8 filed on December 3, 2010 (File No. 333-170964). The Registrant paid the required fees for the registration of the Carried Forward Shares based on the proposed maximum offering price reported in each of the foregoing registration statements. Pursuant to Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Division of Corporation Finance of the Securities and Exchange Commission (July 1997) and Instruction E to the General Instructions to Form S-8, the Registrant has carried forward the registration fees for the Carried Forward Shares. An aggregate of 1,800,000 shares of Common Stock are authorized for issuance under the Plan, which includes all shares available for delivery since the establishment of the 2007 Plan. In addition, the terms of the Plan provide, among other things, that if any shares are not delivered to a participant because the stock option award is forfeited, canceled or settled in cash, the shares of Common Stock under such award will revert to and again become available for issuance under the Plan.

The purpose of this Registration Statement is (i) to register 300,000 shares of Common Stock newly reserved under the Plan, and (ii) to carry forward an aggregate of 1,255,250 shares of Common Stock that were previously registered by the Corporation (the "Carried Forward Shares") under the 2007 Plan under registration statements on Form S-8, filed with the Securities and Exchange Commission (the "Commission") on December 7, 2007 (File No. 333-147915) and December 3, 2010 (File No. 333-170964), respectively.

In accordance with the principles set forth in Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Commission's Division of Corporation Finance (July 1997) and Instruction E to the General Instructions to Form S-8, this Registration Statement is hereby filed to carry forward the Carried Forward Shares and the registration fees previously paid with respect to the registration of those shares. A post-effective amendment to each of the foregoing registration statements on Form S-8 to deregister the Carried Forward Shares is being filed contemporaneously with the filing of this Registration Statement.

Item 6. Indemnification of Directors and Officers.

As permitted by Section 7.001 of the Texas Business Organizations Code, the articles of incorporation of the Corporation provide for the elimination of monetary liability of directors of the Corporation, except for (i) any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) any act or omission not in good faith that constitutes a breach of duty of the director to the Corporation or that involves intentional misconduct or a knowing violation of law, (iii) any transaction from which the director derived any improper personal benefit, or (iv) any act or omission where the liability of the director is expressly provided by statute.

The Corporation's bylaws provide that to the extent that a director or officer has been successful in the defense of any proceeding to which he was a party by virtue of his being a director or officer of the Corporation, the Corporation shall indemnify the director or officer for reasonable expenses incurred therewith.

In addition, the Corporation may indemnify a director or officer of the Corporation who is or is threatened to be made a named defendant or respondent in a proceeding because he is or was a director or officer against liability incurred in the proceeding if he acted in his official capacity and in a manner he reasonably believed in good faith to be in or not opposed to the best interests of the Corporation and, in the case of any criminal proceeding, had no reasonable cause to believe his conduct was unlawful; except that, in general, no indemnification shall be made in connection with a proceeding by or in the right of the Corporation in which the director or officer was adjudged liable to the Corporation or in connection with any other proceeding in which a director or officer is adjudged liable on the basis that personal benefit was improperly received by him. If the person is found liable to the Corporation on the basis that personal benefit was improperly received by the person, the Corporation may indemnify that person, but such indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding and shall not be made in respect of any proceeding in which the person shall have been found liable for willful or intentional misconduct in the performance of his duty to the Company.

Chapter 8 of the Texas Business Organizations Code sets forth the applicable terms, conditions, and limitations governing the indemnification of officers, directors and other persons.

The Corporation also maintains insurance on behalf of its directors and officers insuring them against any liability asserted against them in their capacities as directors or officers or arising out of such status.

Item 8. Exhibits.

The index to exhibits attached to this registration statement is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that:

Paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
