PROXY STATEMENT

GENERAL INFORMATION

We are providing this proxy statement to you in connection with the solicitation of proxies by the Board of Directors of NorthEast Community Bancorp, Inc. for the 2015 annual meeting of stockholders and for any adjournment or postponement of the meeting. NorthEast Community Bancorp is the holding company for NorthEast Community Bank.

We are holding the 2015 annual meeting at the Westchester Marriott Hotel, 670 White Plains Road, Tarrytown, New York on Wednesday, May 20, 2015 at 9:00 a.m., local time.

We intend to mail this proxy statement and the enclosed proxy card to stockholders of record beginning on or about April 13, 2015.

INFORMATION ABOUT VOTING

Who Can Vote at the Meeting

You are entitled to vote the shares of NorthEast Community Bancorp common stock that you owned as of the close of business on March 27, 2015. As of the close of business on March 27, 2015, a total of 12,249,302 shares of NorthEast Community Bancorp common stock were outstanding, including 7,273,750 shares of common stock held by NorthEast Community Bancorp, MHC (the "MHC"). Each share of common stock has one vote.

Ownership of Shares; Attending the Meeting

You may own shares of NorthEast Community Bancorp in one or more of the following ways:

- Directly in your name as the stockholder of record;
- Indirectly through a broker, bank or other holder of record in “street name;” or
- Indirectly through the NorthEast Community Bank Employee Stock Ownership Plan (“ESOP”).

If your shares are registered directly in your name at our transfer agent, Computershare, Inc., you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the annual meeting. **If you plan to attend the annual meeting you must bring photo identification to be admitted to the meeting.**

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to provide voting instructions by telephone or by the Internet. Please see the voting instruction form provided by your broker, bank or other holder of record that accompanies this proxy statement. **If you hold your shares in street name, you will need photo identification and proof of ownership to be admitted to the annual meeting.** Examples of proof of ownership include a recent brokerage statement or letter from a bank or broker. If you want to vote your shares of NorthEast Community Bancorp common stock held in street name in person at the annual meeting, you must obtain a written proxy in your name from the broker, bank or other holder of record of your shares. If you hold shares through the ESOP or the NorthEast Community Bank 401(k) Plan (the “401(k) Plan”) you will receive a voting instruction card for each plan in which you participate that reflects all shares that you may direct the trustee to vote on your behalf under such plan.

For information on your voting rights as a participant under the ESOP or the 401(k) Plan, see “—*Participants in the Bank’s ESOP or 401(k) Plan.*”

Quorum and Votes Required

Quorum. We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy.

Vote Required for Proposals. At this year’s annual meeting, stockholders will elect three directors to each serve a term of three years. In voting on the election of directors, you may vote in favor of all the nominees for director, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the three nominees receiving the greatest number of votes will be elected.

In voting on the ratification of the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To approve this matter, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote at the annual meeting is required.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Item 1 of this Proxy Statement). Current regulation restricts the ability of your bank or broker to vote your uninstructed shares on this matter on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote on this matter, no votes will be cast on your behalf. These are referred to as broker non-votes. Your bank or broker does, however, have discretion to vote any

uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm (Item 2 of this Proxy Statement).

How We Count Votes. If you return valid proxy instructions or attend the meeting in person, we will count your shares for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes, if any, also will be counted for purposes of determining the existence of a quorum.

In the election of directors, votes withheld and broker non-votes will have no effect on the outcome of the election. In counting votes on the proposal to ratify the appointment of the independent registered public accounting firm, abstentions and broker non-votes will have the same effect as a vote against the proposal.

Because NorthEast Community Bancorp, MHC owns in excess of 50% of the outstanding shares of NorthEast Community Bancorp, Inc. common stock, the votes it casts will ensure the presence of a quorum and control the outcome of the vote on all proposals.

Voting by Proxy

The Company's Board of Directors is sending you this proxy statement to request that you allow your shares of Company common stock to be represented at the annual meeting by the persons named on the enclosed proxy card. All shares of Company common stock represented at the meeting by properly executed and dated proxy cards will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors.

The Board of Directors recommends that you vote:

“FOR” each of the nominees for director; and

“FOR” ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Company common stock may be voted by the persons named in the proxy card on the new annual meeting date, provided you have not revoked your proxy. We do not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not itself constitute revocation of your proxy.

Participants in the Bank's ESOP or 401(k) Plan

If you participate in the NorthEast Community Bank Employee Stock Ownership Plan (the "ESOP") or if you hold Company common stock through the NorthEast Community Bank 401(k) Plan (the "401(k) Plan"), you will receive a voting instruction card for each plan in which you participate that reflects all shares that you may direct the trustee to vote on your behalf under such plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and all allocated shares for which no voting instructions are received in the same proportion as shares for which the trustee has received timely voting instructions. Under the terms of the 401(k) Plan, a participant is entitled to direct the trustee how to vote the shares in the NorthEast Community Bancorp, Inc. Stock Fund credited to his or her account. If the 401(k) Plan trustee does not receive timely voting instructions for the shares of Company common stock held in the 401(k) Plan, the shares will not be voted. **The deadline for returning your voting instructions to each plan's trustee is May 13, 2015.**

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

The Company's Board of Directors currently consists of nine members, all of whom are independent under the listing requirements of The NASDAQ Stock Market, except for Kenneth A. Martinek, Chief Executive Officer of the Company and the Bank, Jose M. Collazo, President and Chief Operating Officer of the Company and the Bank and Charles A. Martinek, Vice President and Chief Compliance Officer of the Bank and brother of Kenneth A. Martinek. In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this proxy statement under the heading "*Transactions with Related Persons*," including: (i) consultant services provided to the Bank by director Kenneth H. Thomas; (ii) legal services provided to the Bank by a law firm in which director Diane B. Cavanaugh's husband is a partner; and (iii) legal services provided to the Bank by Eugene M. Magier.

Board Leadership Structure

The Company's Board of Directors endorses the view that one of its primary functions is to protect stockholders' interests by providing independent oversight of management, including the Chief Executive Officer. However, the Board does not believe that mandating a particular structure, such as designating an independent lead director or having a separate Chairman and Chief Executive Officer, is necessary to achieve effective oversight. The Board of the Company is currently comprised of ten directors, seven of whom are independent directors under the listing standards of The NASDAQ Global Market. The Chairman of the Board has no greater nor lesser vote on matters considered by the Board than any other director, and the Chairman does not vote on any related party transaction. All directors of the Company, including the Chairman, are bound by fiduciary obligations, imposed by law, to serve the best interests of the stockholders. Accordingly, separating the offices of Chairman and Chief Executive Officer would not serve to enhance or diminish the fiduciary duties of any director of the Company.

The Chairman of the Board and Chief Executive Officer positions are held by the same person, due in part to the fact that the Chief Executive Officer is the Director most familiar with the Company's business and industry and is best situated to lead discussions on important matters affecting the business of the Company. Combining the Chief Executive Officer and Chairman positions creates a firm link between the Company's management and the Board and promotes the development and implementation of sound corporate strategy. The Chairman of the Board provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. The Board of Directors does not currently have a lead director position. As a result of the current structure of the Board, the independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through the Audit, Compensation and Nominating/Corporate Governance Committees and, when necessary, special meetings of independent directors.

The Board's Role in Risk Oversight

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Committees of the Board of Directors

The following table identifies the members of our Audit, Compensation, and Nominating/Corporate Governance Committees as of December 31, 2014. All members of each committee are independent in accordance with the listing requirements of The NASDAQ Global Market. Each of the committees operates under a written charter that is approved by the Board of Directors. Each committee reviews and reassesses the adequacy of its charter at least annually. The charters of all three committees are available in the Investor Relations section of the Company's website, www.necommunitybank.com.

Audit Committee

The Audit Committee assists the Board of Directors in its oversight of the Company's accounting and reporting practices, the quality and integrity of the Company's financial reports and the Company's compliance with applicable laws and regulations. The Audit Committee is also responsible for engaging the Company's independent registered public accounting firm and monitoring its conduct and independence. The Board of Directors has determined that Arthur M. Levine is an audit committee financial expert under the rules of the Securities and Exchange Commission. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement. See "*Report of the Audit Committee*."

Compensation Committee

The Compensation Committee approves the compensation objectives for the Company and the Bank and establishes the compensation for the Chief Executive Officer and other executives. Our Chief Executive Officer makes recommendations to the Compensation Committee from time to time regarding the appropriate mix and level of compensation for other executives. Those recommendations consider the objectives of our compensation philosophy and the range of compensation programs authorized by the Compensation Committee. The Compensation Committee reviews all compensation components for the Company's Chief Executive Officer and other highly compensated executive officers' compensation including base salary, annual incentive, long-term incentives and other perquisites. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise the executive's total compensation package. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Compensation Committee also assists the Board of Directors in evaluating potential candidates for executive positions.

Nominating/Corporate Governance Committee

The Company's Nominating/Corporate Governance Committee assists the Board of Directors in identifying qualified individuals to serve as Board members, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board effectiveness and in developing and implementing the Company's corporate governance guidelines. The Nominating/Corporate Governance Committee also considers and recommends the nominees for director to stand for election at the Company's annual meeting of stockholders. Further, when identifying nominees to serve as director, the Nominating/Corporate Governance Committee seeks to create a Board that is strong in its collective knowledge and has a diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge and corporate governance. The procedures of the Nominating/Corporate Governance Committee required to be disclosed by the rules of the Securities and Exchange Commission are set forth below.

Minimum Qualifications For Director Nominees. The Nominating/Corporate Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. A candidate must meet the eligibility requirements set forth in the Company's bylaws, which include a minimum stock ownership requirement and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

Candidates deemed eligible for election to the Board of Directors are evaluated by the Nominating/Corporate Governance Committee using the following criteria for selecting nominees:

- financial, regulatory and business experience and skills;
- familiarity with and participation in the local community;
- integrity, honesty and reputation in connection with upholding a position of trust with respect to customers;
- ability to devote sufficient time and energy to diligently perform duties; and
- independence.

The Nominating/Corporate Governance Committee will also consider any other factors the Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

In addition, before nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's integrity; Board and committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Director Nomination Process. The process that the Nominating/Corporate Governance Committee follows to identify and evaluate individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating/Corporate Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as its knowledge of members of the communities served by the Bank. The Nominating/Corporate Governance Committee will also consider director candidates recommended by stockholders in accordance with the policy and procedures set forth below. The Nominating/Corporate Governance Committee has not previously used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nominating/Corporate Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria described above. If such individual fulfills these criteria, the Nominating/Corporate Governance Committee will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board.

Consideration of Recommendations by Stockholders. It is the policy of the Nominating/Corporate Governance Committee of the Board of Directors of the Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating/Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating/Corporate Governance Committee does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Nominating/Corporate Governance Committee's resources, the Nominating/Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders. To submit a recommendation of a director candidate to the Nominating/Corporate Governance Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the Nominating/Corporate Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;

2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;

- As to the stockholder making the recommendation, the name and address of such stockholder as they appear on the Company's books; provided, however, that if the stockholder is not a registered holder of the Company's common
4. stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and

7

5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received by the Nominating/Corporate Governance Committee at least 120 calendar days before the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Outside Director Retirement Plan. The Bank maintains the NorthEast Community Bank Outside Director Retirement Plan to provide non-employee directors with long standing service with a supplemental retirement benefit. All current non-employee directors are participants in the plan. Participating directors are entitled to receive a retirement benefit calculated based on years of service and director fees paid during the 12 completed calendar months preceding a director's termination of service multiplied by a vesting percentage. Participating directors with less than 10 years of service will receive no benefit under the plan. Participating directors with 10 years but less than 15 years of service will receive a benefit based on 50% of the total directors fees paid during the 12 completed calendar months preceding the director's termination. Participating directors with 15 years but less than 20 years will receive 75% of the total directors fees paid during the 12 completed calendar months preceding the director's termination. Participating directors with 20 or more years of service will receive a benefit calculated using 100% of the director fees paid during the 12 months preceding the directors termination. Participating directors vest in their retirement benefit at a rate of 20% per year for years of service after January 1, 2006. The annual director retirement benefit is generally paid monthly over a 120-month period following the month in which a director terminates his service on the Board of Directors. In the event a participating director dies while in pay status, the director's beneficiary will receive his or her remaining installments beginning in the month immediately following the director's death. In the event a participating director is terminated in connection with a change in control (as defined in the plan), the director will receive a lump sum payment equal to the actuarial equivalent of the director's monthly benefit. In the event a participating director is removed from the Board of Directors for cause, the director will forfeit all rights and benefits under the plan.

Board and Committee Meetings

During 2014, the Board of Directors held 14 meetings. Each of our current directors attended at least 95% of the Board meetings and the committee meetings on which such director served during 2014.

Director Attendance at Annual Meeting of Stockholders

The Board of Directors encourages each director to attend annual meetings of stockholders. Nine of the directors then in office attended the 2014 Annual Meeting of Stockholders.

Code of Ethics and Business Conduct

The Company has adopted a Code of Ethics and Business Conduct that is designed to promote the highest standards of ethical conduct by the Company's directors, executive officers and employees. The Code of Ethics and Business Conduct requires that the Company's directors, executive officers and employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's best interest. Under the terms of the Code of Ethics and Business Conduct, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or

apparent violation of the Code of Ethics and Business Conduct. A copy of the Code of Ethics and Business Conduct can be found in the Investor Relations section of the Company's website, *www.necommunitybank.com*.

REPORT OF THE AUDIT COMMITTEE

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm ("independent accountants") are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent auditors matters required to be discussed pursuant to U.S. Auditing Standards No. 16 (Communications with Audit Committees). In addition, the Audit Committee has received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountants the independent accountants' independence. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with their independence.

The Audit Committee discussed with the Company's independent accountants the overall scope and plans for their audit. The Audit Committee meets with the independent accountants, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent accountants who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent accountants do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent accountants are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission.

The reports of ParenteBeard LLC on the consolidated financial statements of the Company as of and for the fiscal years ended December 31, 2011 and December 31, 2012 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the two most recent fiscal years ended December 31, 2012 and 2011 and through the subsequent interim period preceding August 12, 2013, there were: (1) no disagreements between the Company and ParenteBeard LLC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of ParenteBeard LLC would have caused them to make reference thereto in their reports on the Company's financial statements for such years, and (2) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

On August 13, 2013, the Company engaged BDO USA, LLP its independent certifying accountant. The Audit Committee of the Company's Board of Directors approved the engagement.

In accordance with its charter, the Audit Committee approves, in advance, all audit and permissible non-audit services to be performed by the independent auditor to ensure that the independent auditor does not provide any non-audit services to the Company that are prohibited by law or regulation.

In addition, the Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent auditor. Requests for services by the independent auditor must be specific as to the particular services to be provided. Employment Agreements. The Company and the Bank each maintain employment agreements with Kenneth A. Martinek and Jose M. Collazo. The employment agreements with the Company and the Bank for each executive, which have essentially identical terms, provide that the Company will make any payments not made by the Bank, but the executives will not receive any duplicative payments. Messrs. Martinek and Collazo are also referred to below as the “executives” or the “executive.”

The employment agreements with Messrs. Martinek and Collazo provide for three-year terms, subject to annual renewal by the Boards of Directors. In connection with a review of the executive officers’ job performance, the Board of Directors of the Bank and the Company approved the extension of the employment agreement with Mr. Martinek through July 5, 2018 and the extension of the employment agreement with Mr. Collazo through May 11, 2018. The current base salaries under the employment agreements are \$275,750 for Mr. Martinek and \$181,250 for Mr. Collazo. The agreements also provide for participation in employee benefit plans and programs maintained for the benefit of senior management personnel, including discretionary bonuses, participation in stock-based benefit plans, and fringe benefits.

Under the terms of the agreements, the executives are subject to a one year non-compete if they terminate their employment for good reason (as defined in the agreement) or if they are terminated without cause (as defined in the agreement). This non-compete provision shall not apply if the executives are terminated within one year of a change of control.

See “*Potential Post-Termination Benefits*” for a discussion of the benefits and payments the executives may receive under their employment agreements upon retirement or termination of employment.

Supplemental Executive Retirement Plan. The Bank also maintains a supplemental executive retirement plan in which Kenneth A. Martinek and Jose M. Collazo participate.

See “*Potential Post-Termination Benefits*” for a discussion of the benefits and payments the executives may receive under the supplemental executive retirement plan upon retirement or termination of employment.

Potential Post-Termination Benefits

Payments Made Upon Termination for Cause. Under the employment agreements, an executive who is terminated for cause will receive base salary through the date of termination and retain the rights to any vested benefits subject to the terms of the plan or agreement under which those benefits are provided.

Payments Made Upon Retirement. Under the terms of the employment agreements with the executives, the executives will be entitled to their base salary earned as of the date of retirement, as well as all vested benefits under the Bank-sponsored tax-qualified retirement plans. In addition, the Bank maintains supplemental executive retirement plans for Messrs. Martinek and Collazo. Under the terms of the plans, upon termination of employment on or after the normal retirement age of 60 for Mr. Martinek and 65 for Mr. Collazo, the executives each receive an annual retirement benefit equal to fifty percent (50%) of average base salary over the three-year period preceding termination of employment. Upon termination on or after age 60 and upon completing a minimum of 20 years of service Mr. Collazo may receive an early retirement benefit equal to the normal retirement benefit, reduced by .25% for each month by which Mr. Collazo’s age at termination is less than age 65. The early or normal retirement benefit is payable in equal monthly installments for the greater of the executive’s lifetime or 15 years following retirement. All unvested equity awards granted to the executives will be forfeited upon retirement.

Payments Made Upon Voluntarily Termination and Termination without Cause or for Good Reason. If the Bank and the Company terminate the executives for reasons other than cause, or if the executives terminate voluntarily under certain circumstances outlined in the employment agreements that constitute constructive termination, the executives, or their beneficiaries should they die prior to receipt of payment, each receive an amount equal to their base salary and employer contributions to benefit plans payable for the remaining term of the agreement. The Bank and the Company also agree to continue and/or pay for the executives’ life, health and dental coverage for the remaining term of the agreements. The executives will be entitled to their supplemental benefits under the supplemental executive retirement plan as described under “Payments Made Upon Retirement” depending on their age as of the termination date.

Payments Made Upon Disability. Under the employment agreements, if the executives become disabled, the Bank and the Company agree to provide them with monthly disability pay equal to 75% of their monthly base salaries for a period ending on the earliest to occur of (1) a return to full-time employment with the Bank and the Company; (2) death; (3) attainment of age 65; or (4) the expiration of the employment agreement. The disability payments under the agreement would be reduced, however, by the amount of any short- or long-term disability benefits that would become payable to the executives under the terms of any disability insurance programs sponsored by the Bank and the Company.

In the event of termination due to disability, the executives will receive the early retirement benefit or normal retirement benefit due under the supplemental executive retirement plan if they have reached age 65 (or age 60 in the case of Mr. Martinek), respectively, prior to termination. If they have not attained early retirement age prior to termination due to disability, they will receive a benefit equal to their accrued benefit under the plan as of the date of termination.

Payments Made Upon Death. Upon the death of an executive, the executive's employment agreement terminates and the executive's beneficiary will receive base salary and accrued benefits through the last day of the month of death.

The supplemental executive retirement plan provides that upon the death of the executive while actively employed, they, or their beneficiary, would receive an actuarially equivalent lump sum benefit, calculated as if the executive had attained the normal retirement age prior to his death.

Payments Made Upon a Change in Control. Under the employment agreements, if an executive is involuntarily or constructively terminated within one year of a change in control (as defined in the agreements), the executive will receive a severance payment equal to three times his or her average annual compensation over the five preceding years, as well as continued life, medical and dental benefits for three years following termination of employment.

The benefits provided to the executives under the employment agreements upon a change in control are limited to avoid adverse tax consequences to the Company and the Bank under Section 280G of the Internal Revenue Code of 1986. The "280G Limit" provides that total payments and benefits to the executives that are contingent upon a change in control shall not equal or exceed in the aggregate three times the individual's average annual taxable income over the five preceding years.

The supplemental executive retirement plan provides that upon termination in connection with a change in control Messrs. Martinek and Collazo, or their beneficiary, would receive an actuarially equivalent lump sum benefit, calculated as if they had attained age 60 for Mr. Martinek and age 65 for Mr. Collazo prior to termination of employment.

Under the terms of our employee stock ownership plan, upon a change in control (as defined in the plan), the plan will terminate and the plan trustee will repay in full any outstanding acquisition loan. After repayment of the acquisition loan, all remaining shares of our stock held in the loan suspense account, all other stock or securities, and any cash proceeds from the sale or other disposition of any shares of our stock held in the loan suspense account will be allocated among the accounts of all participants in the plan who were employed by us on the date immediately preceding the effective date of the change in control. The allocations of shares or cash proceeds shall be credited to each eligible participant in proportion to the opening balances in their accounts as of the first day of the valuation period in which the change in control occurred. Payments under our employee stock ownership plan do not count towards the executives' 280G Limits.

OTHER INFORMATION RELATING TO

DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These individuals or entities are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in Company common stock during the fiscal year ended December 31, 2014.

Transactions with Related Persons

The Sarbanes-Oxley Act of 2002 generally prohibits loans by the Company to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by the Bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. The Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees. Notwithstanding this rule, federal regulations permit the Bank to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee, although the Bank does not currently have such a program in place.

SUBMISSION OF BUSINESS PROPOSALS AND

STOCKHOLDER NOMINATIONS

The Company must receive proposals that stockholders seek to include in the proxy statement for the Company's next annual meeting no later than December 15, 2015. Any stockholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's bylaws provide that, in order for a stockholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a stockholder must deliver notice of such nominations and/or proposals to the Secretary not less than 30 days before the date of the annual meeting. However, if less than 40 days' notice or prior public disclosure of the date of the annual meeting is given to stockholders, such notice of stockholder nominations or proposals must be received not later than the close of business of the tenth day following the day on which notice of the date of the annual meeting was mailed to stockholders or prior public disclosure of the meeting date was made.
