At such time, each issued and outstanding Ordinary Share will be entitled to one vote upon each of the matters to be presented at the Meeting.

PROXY PROCEDURE

A form of proxy for use at the Meeting and a return envelope for the proxy are also enclosed. If specification is made by a shareholder on the form of proxy, the Ordinary Shares represented thereby will be voted in accordance with such specification. ITEM A

APPROVAL OF A
COMPENSATION POLICY FOR THE COMPANY'S OFFICE HOLDERS

Background

On December 12, 2012, amendment no. 20 to the Companies Law 5759-1999 ("Amendment 20" and the "Companies Law", respectively) became effective. Amendment 20 revised the approval process of arrangements with "office holders" (i.e. a director, the chief executive officer, the chief financial officer and any officer or manager of a company who is directly subordinated to the chief executive officer, without regard to such person's title) as to their terms of office and employment, including compensation, equity awards, severance and any other benefit, the grant of an exemption from liability, insurance, undertaking to indemnify or indemnification (together: "Terms of Office and Employment").

General

Among its other provisions, Amendment 20 requires the board of directors of a public company, including a company whose shares are publicly-traded outside of Israel, to adopt a policy with respect to the Terms of Office and Employment of office holders, or the Compensation Policy, after considering the recommendation of the compensation committee. Amendment 20 further provides for the approval of the Compensation Policy by a company's shareholders with the "special majority" requirement set forth below. However, if the Compensation Policy is not approved by our shareholders, our compensation committee and our board of directors may override the shareholders' decision and nonetheless approve the policy, following further discussion of the matter and for detailed reasons.

The Compensation Policy must be reviewed from time to time by the board, and adjusted in the event of a material change in the circumstances prevailing during the adoption of the Compensation Policy or for other reasons, and must be re-approved in accordance with the above-mentioned approval process at least every three years.

The Compensation Policy must take into account, among other things, the advancement of the company's targets, its work plan and its policy with a long term perspective, providing proper incentives to the office holders, considering, among others, the risk management policy of the company, the size of the company and the nature of its operations, and – in connection with the Terms of Office and Employment that include variable components – the officer's contribution to achieving corporate objectives and increasing profits, all with a long term view and in accordance with the position of the office holder. In addition, Amendment 20 requires that a Compensation Policy include, among other things, certain provisions and the consideration of certain issues.

Our Executive & Directors Compensation Policy

Our board of directors approved, following the recommendation of the compensation committee, an Executive & Directors Compensation Policy, in accordance with the provisions and requirements of Amendment 20 (the "Policy"), a copy of which is attached to this Proxy Statement as Annex A. The following is a brief overview of the Policy and is qualified by reference to the full text thereof:

Global Strategy Guidelines: Our success in fulfilling our long term vision and strategy is much reliant on the excellence of our people through all levels. Thus, we believe that recruiting, motivating and retaining high quality and experienced personnel is essential for us in order to achieve our goals.

Compensation instruments: Fixed components, which shall include, among others: base salary and benefits; Variable components, which may include: cash incentives and equity based compensation; Separation package; Directors & Officers (D&O) Insurance, indemnification; and other components, which may include, among others: change in control cash payment and relocation benefits.

Base salary and benefits: The Policy provides guidelines and criteria for determining base salary and benefits for office holders.

Cash incentives: The Policy provides for an annual Cash Incentive Plan which sets forth for each executive targets (the "On Target Cash Plan") and the rules or formula for calculation of the On Target Cash Plan payment, once actual achievements are known pursuant to the guidelines and criteria, including caps, all as set forth in the Policy.

Equity based compensation: The Policy provides for the provision of equity based compensation in the form of stock options and/or other equity form, which may be awarded to office holders pursuant to the guidelines and criteria, including minimum vesting period, as set forth in the Policy.

"Clawback": The Policy provides that in the event of an accounting restatement, the Company shall be entitled to seek reimbursement from office holders of any payment made due to erroneous restated data that would not otherwise have been paid.

Separation Package: The Policy provides guidelines for determining separation packages for office holders, including caps thereon.

Indemnification and insurance: The Policy provides guidelines and criteria for providing directors and office holders with indemnification, insurance and exemption.

Directors: The Policy provides guidelines for providing compensation to our directors.

Required Vote

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to approve the Policy. In addition, the shareholders' approval must either include at least a majority of the Ordinary Shares voted by shareholders, who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the Policy, or the total Ordinary Shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than two percent of the outstanding Ordinary Shares. For this purpose, you are asked to indicate on the enclosed proxy card whether you are a controlling shareholder or have a personal interest in the approval of the Policy, otherwise, your vote may not be counted. Under the Companies Law, in general, a person will be deemed to be a controlling shareholder if the person has the power to direct the activities of the company, otherwise than by reason of being a director or other office holder of the company, and you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Camtek, that is affiliated with you, has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, to approve the Executive & Directors Compensation Policy in the form attached as Annex A to the Proxy Statement dated September 11, 2013".

The Board of Directors recommends a vote FOR approval of the proposed resolution.

ITEM B

RE-APPROVAL OF THE EMPLOYMENT AND COMPENSATION STRUCTURE OF THE COMPANY'S ACTIVE CHAIRMAN OF THE BOARD OF DIRECTORS

In the 2010 Annual General Meeting of Shareholders it was resolved that Rafi Amit shall resign from his position as our Chief Executive Officer and be appointed as the Company's Active Chairman of the Board of Directors. It was further resolved that Mr. Amit will decrease his scope of work for the Company from 100% to 75% of his time.

In accordance with the decrease in Mr. Amit's scope of work for the Company, his annual salary was adjusted to \$237,474 (excluding social benefits), his yearly bonus was adjusted to a maximum of \$105,000, and all other benefits forming part of his total compensation were also adjusted accordingly. As Mr. Amit resides in Hong Kong, close to the Company's primary markets in Asia and the Far East, he is entitled to receive benefits granted to employees of the Company, who relocated to Hong- Kong, such as flights, housing and health insurance. All other employment terms remained in effect in accordance with the previous employment agreement between Mr. Amit and the Company.

In the 2010 Annual General Meeting of Shareholders it was further resolved that Mr. Amit's responsibilities in his position as Active Chairman shall be set by the Company's Board of Directors but in general shall include responsibility over strategic planning, acquisitions and strategic ventures and alliances, as well as overall direction of the Asian activity of the Company.

As Mr. Amit may be deemed, together with a third party, to control the Company (as a result of a voting agreement relating to a majority of Priortech's voting equity, Mr. Amit may be deemed to control Priortech), in accordance with the Companies Law, his terms of employment must be approved by the Company's shareholders not less than every three years.

In accordance with the provisions of the Companies Law, our Compensation Committee and Board of Directors (with Mr. Amit and Mr. Stern not participating) resolved, in their separate resolutions respectively dated August 26, 2013 and September 3, 2013, to re-approve Mr. Amit's terms of employment and compensation, subject to shareholder approval. It is now proposed to re-approve Mr. Amit's terms of employment and compensation for a further period of three years, as of the date of the Meeting.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the adoption of the proposal. In addition, the shareholders' approval must either include at least a majority of the Ordinary Shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the adoption of the proposal, or the total Ordinary Shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than two percent of the outstanding Ordinary Shares. For this purpose, you are asked to indicate on the enclosed proxy card whether you are a controlling shareholder or have a personal interest in the re-approval of Mr. Amit's terms of employment term, otherwise, your vote may not be counted.. Under the Companies Law, in general, a person will be deemed to be a controlling shareholder if the person has the power to direct the activities of the company, otherwise than by reason of being a director or other office holder of the company, and you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Camtek, that is affiliated with you, has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

It is proposed that at the Meeting, the following resolution be adopted:

“RESOLVED: that the terms of employment and compensation structure of Rafi Amit, in his position as Camtek's Active Chairman of the Board of Directors, shall be re-approved for an additional period of three (3) years, all upon the terms described in Item B of the Proxy Statement, dated September 11, 2013”.

The Board of Directors recommend a vote FOR the re-approval of Mr. Amit's employment terms. As both Mr. Amit and Mr. Stern are deemed to have a personal interest in the foregoing proposed resolution, they both refrained from making a recommendation with respect to such resolution.

ITEM C

APPROVAL OF GRANT OF CASH BONUS AND EQUITY COMPENSATION TO OUR ACTIVE CHAIRMAN OF THE BOARD OF DIRECTORS FOR 2013

Pursuant to Amendment 20, arrangements regarding the compensation of our Active Chairman of the Board of Directors require approval of our shareholders.

Subject to the re-approval of Mr. Amit's employment terms and compensation structure, as detailed in Item B above, we now seek our shareholders' approval for the cash bonus plan and equity grant to our Active Chairman for 2013.

2013 Active Chairman Cash Bonus Plan:

Following the approval of our Compensation Committee, our Board of Directors resolved, subject to shareholders' approval, that the 2013 on-target cash bonus payment for our Active Chairman shall be equal to \$105,000, being approximately 44% of his annual base salary ("On Target Bonus"), and be comprised of the following:

1. Two financial measurable targets: (i) Company Non GAAP Net Profit, and (ii) Company sales, both targets to be determined based on the Company's 2013 annual business targets, each having an equal weight of 40% of the On Target Bonus (together: the "Measurable Targets"); and
2. Non-measurable targets comprised of personal performance criteria, which shall have a 20% weight of the On Target Bonus.

Following the end of the calendar year, the actual achievements of the Company for 2013 shall be measured against the Measurable Targets, and the average score of the results shall set the bonus as follows (the "Active Chairman Measurable Achievement"):

(i) Our Compensation Policy sets a threshold with respect to the Active Chairman Measurable Achievement; in the event that the Company's Non GAAP Net Profit shall be less than \$2,000,000, no cash bonus shall be paid (the "Payment Threshold"). Accordingly, if the Payment Threshold is not reached, the Active Chairman will not be entitled to receive any cash bonus.

(ii) Achievement of 100% of the Active Chairman Measurable Achievement, will entitle 100% payment (i.e. the On Target Bonus).

(iii) In any event, the aggregate amount of the 2013 cash bonus for our Active Chairman will be capped at \$125,000.

Equity Compensation:

In addition, the Compensation Committee and Board of Directors have approved that for 2013, the Active Chairman shall be granted an amount of 35,000 options to purchase Ordinary Shares. The terms of the options (including their vesting, and other terms) shall be in accordance with the Company's 2003 Share Option Plan. If approved by our shareholders, the options will be granted on the date of the resolution of the shareholders (the "Date of Grant"). The exercise price of the options shall be the fair market value as determined by the average closing price of the Company's shares listed on the NASDAQ for the period equal to thirty (30) consecutive trading days immediately preceding the Date of Grant. The options shall vest over a total period of four years as follows: 50% of the options shall vest upon the completion of a full 24 (twenty-four) months of continuous service and remaining portion shall vest in 48 equal portions upon the lapse of each full additional month of continuous service thereafter, until all the options are vested,

i.e. 100% of the grant will be vested after 4 years. As of September 8, 2013, the aggregated value of the options to be granted to our Active Chairman is equal to approximately \$35,000 (compounded using Black-Scholes pricing equation based upon the average closing price of the Company's shares listed on the NASDAQ for the period equal to thirty (30) consecutive trading days immediately preceding September 8, 2013).

Our Compensation Committee and Board of Directors believe that such grant of cash payments and equity to our Active Chairman are in the Company's best interests and are in line with the compensation philosophy and objectives as set forth in the Company's Compensation Policy. When reaching their conclusion, our Compensation Committee and Board of Directors considered several factors, including comparable industry data, data of peer companies in our industry, the responsibilities and duties performed by our Active Chairman, the compensation for comparably situated Active Chairmen of the Board of Directors, as applicable, and the estimation of the Active Chairman's expected contributions to the future growth and profitability of the Company. In addition, the Compensation Committee and the Board of Directors considered other factors prescribed by the Companies Law including each and every required and suggested element under Amendment 20 and our Compensation Policy, as described in Item A above.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to grant the 2013 cash bonus and equity compensation to our Active Chairman. In addition, the shareholders' approval must either include at least a majority of the Ordinary Shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the proposal, or the total Ordinary Shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than two percent of the outstanding Ordinary Shares. For this purpose, you are asked to indicate on the enclosed proxy card whether you are a controlling shareholder or have a personal interest in the approval of the grant of cash bonus and/or equity compensation, otherwise, your vote may not be counted. Under the Companies Law, in general, a person will be deemed to be a controlling shareholder if the person has the power to direct the activities of the company, otherwise than by reason of being a director or other office holder of the company, and you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Camtek, that is affiliated with you, has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, to approve the 2013 cash bonus to our Active Chairman as specified above, and to approve the grant, to our Active Chairman, of options to purchase 35,000 ordinary shares of the Company, all upon the terms described in Item C of the Proxy Statement, dated September 11, 2013".

The Board of Directors recommends a vote FOR the approval of the proposed resolution. As both Mr. Amit and Mr. Stern are deemed to have a personal interest in the foregoing proposed resolution, referring to the cash bonus and equity compensation of Mr. Amit, they both refrained from making a recommendation with respect to such resolution.

ITEM D

APPROVAL OF GRANT OF CASH BONUS AND EQUITY COMPENSATION FOR OUR CEO

Pursuant to Amendment 20, arrangements regarding the compensation of Roy Porat, our Chief Executive Officer ("CEO") require approval of our shareholders.

Under his existing employment agreement, Mr. Porat is entitled to a gross annual base salary of \$233,333, excluding customary benefits which include, among others, managers' insurance, education fund, car expenses, long-term disability and life insurance, and a yearly bonus of up to \$116,667. The yearly bonus is a performance based annual cash bonus which target is equal to 50% of Mr. Porat's annual base salary.

We now seek our shareholders' approval for the cash bonus plan to our CEO for 2013.

2013 CEO Cash Bonus Plan:

Following the approval of our Compensation Committee, our Board of Directors resolved, subject to shareholders' approval, that the 2013 on-target cash bonus payment for our CEO shall be equal to \$116,667, being approximately 50% of his annual base salary ("On Target Bonus"), and be comprised of the following:

1. Two financial measurable targets: (i) Company Non GAAP Net Profit, and (ii) Company sales, both targets to be determined based on the Company's 2013 annual business targets, each having an equal weight of 40% of the On Target Bonus (together the "Measurable Targets"); and
2. Non-measurable targets comprised of personal performance criteria, which shall have a 20% weight of the On Target Bonus.

Following the end of the calendar year, the actual achievements of the Company for 2013 shall be measured against the Measurable Targets, and the average score of the results shall set the bonus as follows (the "CEO Measurable Achievements"):

(i) Our Compensation Policy sets a threshold with respect to the CEO Measurable Achievement; in the event that the Company's Non GAAP Net Profit shall be less than \$2,000,000, no cash bonus shall be paid (the "Payment Threshold"). Accordingly, if the Payment Threshold is not reached, the CEO will not be entitled to receive any cash bonus.

(ii) Achievement of 100% of the CEO Measurable Achievements, will entitle 100% payment (i.e. the On Target Bonus).

(iii) In any event, the aggregate amount of the 2013 cash bonus for our CEO will be capped at an amount equal to 9 monthly base salaries.

Equity Compensation:

In addition, the Compensation Committee and Board of Directors have approved that for 2013, the CEO shall be granted an amount of 35,000 options to purchase Ordinary Shares. The terms of the options (including their vesting, and other terms) shall be in accordance with the Company's 2003 Share Option Plan. If approved by our shareholders, the options will be granted on the date of the resolution of the shareholders (the "Date of Grant"). The exercise price of the options shall be the fair market value as determined by the average closing price of the Company's shares listed on the NASDAQ for the period equal to thirty (30) consecutive trading days immediately preceding the Date of Grant;. The options shall vest over a total period of four years as follows: 50% of the options shall vest upon the completion of a full 24 (twenty-four) months of continuous service and remaining portion shall vest in 48 equal portions upon the lapse of each full additional month of continuous service thereafter, until all the options are vested, i.e. 100% of the grant will be vested after 4 years. As of September 8, 2013, the aggregated value of the options to be granted to our CEO is equal to approximately \$35,000 (compounded using Black-Scholes pricing equation based upon the average closing price of the Company's shares listed on the NASDAQ for the period equal to thirty (30) consecutive trading days immediately preceding September 8, 2013).

Our Compensation Committee and Board of Directors believe that such grant of cash payments and equity compensation to our CEO are in the Company's best interests and are in line with the compensation philosophy and objectives as set forth in the Company's Compensation Policy. When reaching their conclusion, our Compensation Committee and Board of Directors considered several factors, including comparable industry data, data of peer companies in our industry, the responsibilities and duties performed by our CEO, the compensation for comparably situated Chief Executive Officers, and the estimation of our CEO's expected contributions to the future growth and profitability of the Company. In addition, the Compensation Committee and the Board of Directors considered other factors prescribed by the Companies Law including each and every required and suggested element under Amendment 20 and our Compensation Policy, as described in Item A above.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to grant the 2013 cash bonus and equity compensation to our CEO.
