ABOUT THE ANNUAL MEETING AND VOTING

Purposes - At the Annual Meeting, you will be asked:

1. To elect five directors to the board of directors to hold office until the next annual meeting of stockholders or until their respective successors are duly elected and qualified;
2. To ratify the Audit Committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015;
3. To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

The Board knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote- Only holders of record of our shares of Common Stock at the close of business on April 24, 2015 will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of Common Stock will be entitled to one vote. As of April 24, 2015, there were 6,059,296 shares of Common Stock outstanding.

Quorum - A majority of the voting power of the outstanding shares of Common Stock entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting.

Vote Required - Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. If more than five nominees are properly presented to the stockholders at the Annual Meeting, the five nominees receiving the highest number of affirmative votes of the shares which are present or represented by proxy at the Annual Meeting and entitled to vote for the election of directors will be elected to our Board. Each of the remaining proposals must be approved by a majority of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon.

Dissenters' Rights - No dissenters' rights are provided under the Delaware General Corporation Law, our Restated Certificate of Incorporation or our Restated bylaws with respect to any of the proposals described in this Proxy Statement.

Board Recommendation - Your Board of Directors has unanimously approved and recommends that an affirmative vote be cast "FOR" each of our director nominees and "FOR" the ratification of our independent registered accounting firm as set forth on the enclosed proxy card.

Voting Your Shares - If you are a registered Stockholder, you may submit your proxy by US Mail, Internet or telephone and following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by Internet or telephone is 11:59 p.m. Eastern Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the annual meeting and vote in person.

If you are a street name Stockholder, your broker or nominee firm may provide you with a Notice. Follow the instructions on the Notice to access our proxy materials and vote by Internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares. Please check your Notice or voting instruction card or contact your broker or other nominee to determine whether you will be able to deliver your voting instructions by Internet or telephone. If you are a street name Stockholder and you want to vote at the annual meeting, you will need to obtain a signed proxy from the broker or nominee that holds your shares, because the broker or nominee is the legal, registered owner of the shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the board's recommendations specified below under "What are the board's recommendations?" and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the annual meeting.

Changing Your Vote by Revoking Your Proxy - If you are a registered Stockholder, you may revoke or change your vote at any time before the proxy is voted by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. If you attend the annual meeting in person, you may ask the judge of elections to suspend your proxy holder's power to vote, and you may submit another proxy or vote by ballot. Your attendance at the annual meeting will not by itself revoke a previously granted proxy.

Table of Contents

If your shares are held in street name or you hold shares through a retirement or savings plan or other similar plan, please check your voting instruction card or contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

How Proxies are Counted - If you return a signed and dated proxy card but do not indicate how your shares are to be voted, those shares will be voted "FOR" each of the listed proposals and in the discretion of the named proxy holders as to any other matter properly brought before the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the Annual Meeting. Only the latest dated proxy you submit will be counted.

Shares voted as abstentions on any matter will be counted for purposes of determining the presence of a quorum at the Annual Meeting and treated as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which a stockholder has abstained. As a result, abstentions with respect to any proposal, other than the election of directors, will have the same effect as a vote against such proposal.

Broker Non-Votes - A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in "street name") but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Only the vote on ratification of our independent registered public accounting firm is considered a routine matter that brokers may cast discretionary votes upon.

ELECTION OF DIRECTORS
(ITEM 1)

The first proposal to be voted on at the Annual Meeting is the election of directors. Directors are elected annually and serve a one-year term or until their successors are duly elected and qualified. The Board has submitted five nominees for election this year. Our Board has nominated each of David Sandberg, Patrick Goepel, Adrian Pertierra, Matthew Behrent, and J. Randall Waterfield for re-election, to serve until the next annual stockholder meeting or until each of their respective successors is elected and qualified. Each of our nominees has consented to being named in this Proxy Statement and has consented to serve as a director of the Company if elected.

Director nominees are recommended for selection by the Nominating Committee.

The Nominating and Governance Committee recommends director nominations, and reviews nominees against the skills and characteristics that are required of our Board members. The Committee focuses on a candidate's expertise in the Company's industry and experience in technology, business, legal matters and finance. We look at a candidate's education, skills, business experience, administration experience and other appropriate factors given the current needs of the Board and the Company. Our goal is to maintain a balance among Board members of industry knowledge, experience and ability to map out successful strategies for the Company's business. Nominees for the Board should have the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of stockholders. They should be forward-thinking, possess critical analysis skills, and exhibit independence and practical judgment on issues. Evaluation of candidates for all nominees, whether submitted by a Board member or a stockholder, generally involves reviewing background materials, internal discussions among committee members, and interviewing selected candidates as appropriate. Upon selecting a qualified candidate, the Committee recommends the candidate for the Board's consideration.

Stockholders may recommend a candidate for our Board by writing to attention of the Corporate Secretary, Asure Software, Inc., 110 Wild Basin Road, Suite 100, Austin, TX 78746, specifying the candidate's name and qualifications for Board membership. All recommendations are submitted to the Nominating Committee. For the Board to consider a candidate for nomination at the 2016 Annual Meeting, stockholders must submit a written recommendation by January 8, 2016. Each submission must include (i) a brief description of the candidate, (ii) the candidate's name, age, business address and residence address, (iii) the candidate's principal occupation, (iv) the number of shares of Common Stock of the Company beneficially owned, and (v) any other information required by the rules of FINRA and the SEC to list the candidate as a nominee for director in a proxy statement. Recommended candidates may be required to provide additional information. While our board of directors has not adopted a formal diversity policy or specific standards with regard to the selection of director nominees, the board of directors believes it is important to consider diversity of race, ethnicity, gender, age, education, cultural background, and professional experiences in evaluating board candidates.

The full Board then selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the Annual Meeting. The Board reviews and considers any candidates submitted by a stockholder or stockholder group in the same manner as all other candidates. Each nominee has consented to serve until the next annual stockholder meeting, if elected, or until his or her successor is elected and qualified.

If any director is unable to stand for re-election after distribution of this Proxy Statement, the Board may reduce its size or designate a substitute. If the Board designates a substitute, proxies voting on the original director candidate will be cast for the substituted candidate. Proxies cannot be voted for a greater number of persons than the number of nominees named on the enclosed form of proxy. A plurality of the votes cast in person or by proxy by the holders of Common Stock represented at the Annual Meeting is required to elect a director. If more than five nominees are properly presented to the stockholders at the Annual Meeting, the five nominees receiving the highest number of

affirmative votes of the shares which are present or represented by proxy at the Annual Meeting and entitled to vote for the election of director will be elected to our Board.

The Board of Directors recommends voting “FOR” each of our five nominees.

Board Leadership Structure and Role in Risk Oversight - Our Board is led by our non-executive Chairman, Mr. Sandberg. The oversight responsibility of the board of directors and its committees is informed by reports from our management team that are designed to provide visibility to the board of directors about the identification and assessment of key risks and our risk mitigation strategies. The full board of directors has primary responsibility for evaluating strategic and operational risk management, and succession planning. Our audit committee has the responsibility for overseeing our major financial and accounting risk exposures and the steps our management has taken to monitor and control these exposures, including policies and procedures for assessing and managing risk. Our audit committee also reviews programs for promoting and monitoring compliance with legal and regulatory requirements. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS
(ITEM 2)

The Audit Committee has appointed Ernst & Young LLP, independent registered public accountants, to audit the Company's consolidated financial statements for the calendar year ending December 31, 2015. We are advised that no member of Ernst & Young LLP has any direct financial interest or material indirect financial interest in the Company or any of its subsidiaries or, during the past three years, has had any connection with the Company or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

Stockholder ratification is not required for the selection of Ernst & Young LLP, since the Audit Committee has the responsibility for the selection of the Company's independent registered public accounting firm. Nonetheless, the selection is being submitted for ratification at the Annual Meeting solely with a view toward soliciting the stockholders' opinion thereon, which opinion will be taken into consideration in future deliberations. Even if the selection of Ernst & Young LLP is ratified by the stockholders, the Audit Committee has the discretion to select a different independent registered public accounting firm at any time if it determines that a change would be in the best interests of the Company and its stockholders.

A representative of Ernst & Young LLP will be attending the Annual Meeting and will be available for questions.

The Board of Directors unanimously recommends voting "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm.

AUDIT COMMITTEE POLICY ON PRE-APPROVAL OF FEES

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of the independent registered public accountants for the next year's audit, management submits an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval. The first category (Audit Services) includes audit work performed in the preparation of financial statements, as well as work that generally only our independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards. The second category (Audit-Related Services) includes assurance and related services that are traditionally performed by our independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements. The third category (Tax Services) includes all services performed by our independent registered public accountants' tax personnel, except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice. The fourth category (All Other Fees) includes items associated with services not captured in the other categories. We generally do not request services other than audit, audit-related and tax services from our independent registered public accounting firm.

Table of Contents

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent registered public accountants and management to report actual fees versus the budget at least annually by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accountants for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging such firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated, reports for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

FEES PAID TO INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Audit Services - The Company incurred aggregate fees in the amount of \$270,000 and \$257,000 for professional audit services rendered by Ernst & Young LLP for the audit of the Company’s annual financial statements and the reviews of the financial statements included in the Company’s 10-Qs, for the calendar years ended December 31, 2014 and December 31, 2013, respectively. The work was for Audit Services as described above.

Audit-Related Services - The Company incurred no fees for assurance and related services rendered by Ernst & Young LLP that are reasonably related to the performance of the audit or review of the Company’s financial statements and not reported under “Audit Services” above for the calendar years ended December 31, 2014 and December 31, 2013, respectively.

Tax Services - The Company incurred no fees for professional services rendered by Ernst & Young LLP for tax compliance, tax advice, and tax planning for the calendar years ended December 31, 2014 and December 31, 2013, respectively.

All Other Fees - All fees paid to Ernst & Young LLP by the Company are reported under the fee categories listed above. There were no other products or services provided by Ernst & Young LLP for calendar years ended December 31, 2014 and 2013, respectively.

The Audit Committee has determined that the provision of services covered by the four preceding paragraphs is compatible with maintaining our independent registered public accounting firm’s independence from the Company.

APPROVAL OF TRANSACTIONS WITH RELATED PARTIES

The Board of Directors reviews all transactions involving the Company in which any of our directors, director nominees, significant Stockholders and executive officers and their immediate family members are participants to determine whether such person has a direct or indirect material interest in the transaction. All directors, director nominees and executive officers must notify us of any proposed transaction involving us in which such person has a direct or indirect material interest. Such proposed transaction is then reviewed by either the Audit Committee or a special committee of independent directors, which determines whether or not to approve the transaction. After such review, the reviewing body approves the transaction only if it determines that the transaction is in, or not inconsistent with, the best interests of the Company and its stockholders. Review and approval of such transactions fall under Section D (2) of the Company's Audit Committee Charter.

STOCKHOLDER PROPOSALS

A stockholder seeking to include a proposal in our proxy statement and form of proxy card for the 2016 Annual Meeting must submit such proposal to us by January 8, 2016. Shareholder proposals for inclusion in our proxy statement must comply with SEC Rule 14a-8 and should be addressed to Brad Wolfe, Corporate Secretary, Asure Software, Inc., 110 Wild Basin Road, Suite 100, Austin, Texas 78746. If the date of the 2016 Annual Meeting is changed by more than 30 days from the date of the 2015 Annual Meeting, then the deadline for inclusion of proposals in our proxy statement is a reasonable time before we begin to print and mail our proxy materials.

A stockholder may also nominate a director or bring other business before the stockholders at the 2016 Annual Meeting but must comply with the advance notice procedures in our Bylaws. In general, the Bylaws require written notice of any stockholder proposals for other business or director nominations to be delivered or mailed to and received by the Corporate Secretary at our principal executive offices between March 10, 2016 and April 9, 2016 and the written notice must contain the specific information required in our Bylaws. Proposals for director nominees and other business submitted through this process will not be included in our proxy materials sent to stockholders prior to the meeting.

Under our Bylaws, the stockholder's notice of a director nomination must set forth (a) as to each person whom the stockholder proposes to nominate for election as director, all information relating to the person that would be required to be disclosed in solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, including such person's written consent to being named as a nominee and to serve as a director if elected; (b) as to the stockholder giving notice, the name and address of the person as they appear on our books and the class and number of shares beneficially owned and owned of record by the person; and (c) as to the beneficial owner, if any, on whose behalf the nomination is made, the name and address of the person and the class and number of share beneficially owned by the person.

PROXY SOLICITATION AND COSTS

Original solicitation of proxies by internet and mail may be supplemented by telephone, facsimile, or personal

solicitation by our directors, officers or other regular employees.

HOUSEHOLDING

Some banks, brokers and other record holders have begun the practice of “householding” proxy statements and annual reports. “Householding” is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure reduces the volume of duplicate information stockholders receive and also reduces a company’s printing and mailing costs. We will promptly deliver an additional copy of either document to any Stockholder who writes or calls us at the following address or phone number: Investor Relations, Asure Software, Inc., 110 Wild Basin Road, Suite 100, Austin, Texas 78746, (512) 437-2678. Stockholders may also use the above contact information for requests from (i) individual Stockholders in households currently receiving a single copies of annual reports and proxy statements who wish to receive separate copies in the future and (ii) two or more Stockholders in households receiving multiple copies of annual reports and proxy statements who wish to receive a single copy of annual reports and proxy statements in the future.
