These forward-looking statements are subject to certain risks and uncertainties. Actual results and trends may differ materially from historical or expected results depending on a variety of factors, including but not limited to fluctuations in cost and availability of raw materials; ability of the Company to achieve and sustain targeted cost reductions; foreign exchange rates; worldwide and local economic conditions; selling prices; impact of legal proceedings, including the U.S. Department of Justice (DOJ) criminal investigation, as well as the European Commission (EC) and Canadian Department of Justice investigations, into industry competitive practices and any related proceedings or lawsuits pertaining to these investigations or to the subject matter thereof (including purported class actions seeking treble damages for alleged unlawful competitive practices, and purported class actions related to alleged disclosure violations pertaining to alleged unlawful competitive practices, which were filed after the announcement of the DOJ investigation, as well as a likely fine by the EC in respect of certain employee misconduct in Europe); impact of epidemiological events on the economy and the Company's customers and suppliers; successful integration of acquired companies, financial condition and inventory strategies of customers; development, introduction and acceptance of new products; fluctuations in demand affecting sales to customers; and other matters referred to in the Company's SEC filings.
