PROXY STATEMENT

Annual Meeting of Stockholders

August 10, 2006

Introduction

This proxy statement contains information about the 2006 Annual Meeting of Stockholders (the Annual Meeting) of ICOP Digital, Inc. (the Company or ICOP) to be held at the Doubletree Hotel Overland Park Corporate Woods, 10100 College Boulevard, Overland Park, Kansas 66210, on August 10, 2006, at 10:00 a.m. local time, and at any postponements or adjournments thereof. The Company's Board of Directors is using this proxy statement to solicit proxies for use at the Annual Meeting. This proxy statement and the enclosed proxy card are being mailed to stockholders on or about July 10, 2006 to stockholders entitled to vote at the Annual Meeting.

Purpose of the Annual Meeting

The purpose of the meeting is to vote on the following matters:

1. To elect Roger L. Mason and Laura E. Owen as Class C directors to serve until their terms expire in 2009, each to serve until his or her successor is duly elected and qualified;
2. To approve an increase of the number of shares reserved for issuance under the Company's 2002 Stock Option Plan (the 2002 Plan) to 1,500,000 shares; and
3. To transact such other business as may properly come before the meeting.

As of the date of this proxy statement, the Company is not aware of any business to come before the meeting other than the items noted above.

Who Can Vote

Stockholders of record as of the close of business on June 30, 2006 (the Record Date) are entitled to receive notice of, to attend, and to vote at the Annual Meeting. As of June 15, 2006, there were 5,900,980 shares of ICOP common stock issued and outstanding. Holders of ICOP common stock are entitled to one vote per share and are not allowed to cumulate votes. The enclosed proxy card shows the number of shares that you are entitled to vote.

How to Vote

You may give instructions on how your shares are to be voted by marking, signing, dating and returning the enclosed proxy card in the accompanying postage-paid envelope.

A proxy, when executed and not revoked, will be voted in accordance with its instructions. If no choice is indicated on the proxy, the shares will be voted FOR each of the nominees of the Board of Directors (Proposal No. 1), FOR an increase of the number of shares reserved for issuance under the 2002 Plan (Proposal No. 2), and as the proxy holders may determine in their discretion with respect to any other matters that properly come before the Annual Meeting.

Revoking a Proxy

A stockholder may revoke any proxy given pursuant to this solicitation by attending the Annual Meeting and voting in person, or by delivering to the Company's Corporate Secretary at the Company's principal executive offices referred to above, prior to the Annual Meeting, a written notice of revocation or a duly executed proxy bearing a date later than that of the previously submitted proxy. Please note that a stockholder's mere attendance at the Annual Meeting will not automatically revoke that stockholder's previously submitted proxy.

Quorum and Voting Requirements

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if stockholders holding a majority of the outstanding shares of common stock entitled to vote are present at the meeting in person or by proxy. If a quorum is present, the affirmative vote of a majority of shares represented in person or by proxy will be required to approve Proposals 1 and 2 and to decide any other matter which may properly be submitted to a vote at the Annual Meeting. Shares that are voted FOR, AGAINST or ABSTAIN in a matter are treated as being present at the Annual Meeting for purposes of establishing the quorum, but only shares voted FOR or AGAINST are treated as shares represented and voting at the Annual Meeting with respect to such matter. Accordingly, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of the quorum for the transaction of business, but will not be counted for purposes of determining the number represented and voting with respect to a proposal. If a quorum is not present, the meeting may be adjourned until a quorum is obtained.

Proxy Solicitation Costs and Methods

The Company will pay all costs of soliciting proxies. In addition to mailing proxy solicitation material, ICOP's management, employees and agents also may solicit proxies in person, by telephone, or by other electronic means of communication.

The Company's Annual Report

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

Audit Committee. Our Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with independent auditors, and audits of financial statements. Specific responsibilities include the following:

appointing, evaluating and terminating our independent auditors;

evaluating the qualifications, independence and performance of our independent auditors;

approving the audit and non-audit services to be performed by the independent auditors;

reviewing the design, implementation, adequacy and effectiveness of our internal controls and critical accounting policies;

overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;

with management and our independent auditors, reviewing any earnings announcements and other public announcements regarding our results of operations; and

preparing the report that the Securities and Exchange Commission requires in our annual proxy statement.

Our Audit Committee is comprised of Messrs. Ashcroft, Koch and Mason. Mr. Ashcroft serves as Chairman of the Audit Committee. The Board has determined that all members of the Audit Committee are independent under the rules of the Securities and Exchange Commission and the Nasdaq Stock Market. The Board has determined that Mr. Ashcroft qualifies as an audit committee financial expert, as defined by the rules of the Securities and Exchange Commission. Our audit committee has adopted a written charter, a copy of which is available on our website at www.ICOP.com. A copy also was filed as Appendix A of our Proxy Statement for the 2005 Annual Meeting of Stockholders.

Compensation Committee. Our Compensation Committee assists our Board of Directors in determining the development plans and compensation of our officers, directors and employees. Specific responsibilities include the following:

Nominating and Governance Committee. Our Nominating and Governance Committee assists the Board by identifying and recommending individuals qualified to become members of our Board of Directors, reviewing correspondence from our stockholders, and establishing, evaluating and overseeing our corporate governance guidelines. Specific responsibilities include the following:

evaluating the composition, size and governance of our Board of Directors and its committees and make recommendations regarding future planning and the appointment of directors to our committees;

determining procedures for selection of the CEO and other senior management; and

evaluating and recommending candidates for election to our Board of Directors.

Our Nominating and Governance Committee is comprised of Messrs. Ashcroft, Koch and Mason. Mr. Koch serves as Chairman of our Nominating and Governance Committee. The Board has determined that all members of the Nominating Committee are independent under the Nasdaq rules.

Copies of our corporate governance documents, including our Corporate Governance Guidelines and committee charters, can be found on our website at www.ICOP.com.

Nomination of Directors Candidates

The Company receives suggestions for potential director nominees from many sources, including members of the Board, advisors and stockholders. Any such nominations, together with appropriate biographical information, should be submitted to the Chairperson of the Company's Nominating and Governance Committee in the manner discussed below. Any candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

Nominating and selection procedures are described in the written charter of the Company's Nominating and Governance Committee, a copy of which is available on the Company's website at www.ICOP.com. Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, minimum qualifications include high level leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. The Nominating and Governance Committee seeks a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board, to the Company and its stockholders.

Candidates whose evaluations are favorable are then chosen by the Nominating and Governance Committee to be recommended for selection by the full Board. The full Board selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual meeting.

A stockholder wishing to nominate a candidate for election to the Company's Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected shall submit a written notice of his or her nomination of a candidate to the Chairperson of the Company's Nominating and Governance Committee (c/o the Corporate Secretary), providing the candidate's name, biographical data and other relevant information together with a consent from the nominee. The submission must be received at the Company's principal executive offices a reasonable time before the Company begins to print and mail its proxy materials so as to permit the Nominating and Governance Committee and, if necessary, the Board of Directors, to evaluate the qualifications of the nominee.

The Company currently does not employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Director Compensation

In fiscal 2005, our independent directors received options to purchase 7,500 shares and warrants to purchase 5,000 shares for their service on the Audit Committee. In addition, they received meeting fees and reimbursement of expenses.

Code of Ethics

We have adopted a code of ethics that applies to our officers (including our principal executive, financial and accounting officers), directors, employees and consultants. The text of our code of ethics can be found on our Internet website at www.ICOP.com.

Certain Relationships and Related Transactions

We borrowed \$100,000 from a limited liability company managed by Mr. Owen in January 2004. The related note payable accrued no interest and was fully repaid in July 2005. In connection with consulting services, we granted options to the entity to purchase 100,000 shares of our common stock. These options may be exercised until December 31, 2012 and have an exercise price of \$5.85 per share.

Edgar Filing: ICOP DIGITAL, INC - Form DEF 14A

In January 2004, we borrowed \$100,000 from the wife of Charles A. Ross, Sr., our Chairman. The related note payable accrued no interest and was fully repaid in July 2005. In October 2004, we borrowed \$9,000 from Mr. Ross which was repaid in February 2005 without interest.

In January 2004, we purchased furniture from a company owned by Mr. Owen for \$50,066 pursuant to a note that accrued no interest and was fully repaid in July 2005.

The Board of Directors believed that each of these loans was made on terms at least as favorable to us as could be obtained from independent third-party lenders.

Under the securities laws of the United States, the Company's directors, its officers and any persons holding more than 10% of the Company's Common Stock (10% holders) are required to file with the Securities and Exchange Commission (SEC) initial reports of beneficial ownership and reports of changes in beneficial ownership of shares of Common Stock and other equity securities of the Company. Specific filing deadlines of these reports have been established and the Company is required to disclose in this Proxy Statement any failure to file by these dates during the fiscal year ended December 31, 2005. To the best of the Company's knowledge, all of these filing requirements have been satisfied. In making this statement, the Company has relied solely on written representations of its directors, officers and 10% holders and copies of the reports that they filed with the SEC.

PROPOSAL NO. 2

APPROVAL OF AMENDMENT TO 2002 STOCK OPTION PLAN

On November 20, 2005, the Board of Directors approved, subject to stockholder approval, an increase to the number of shares of common stock reserved under the Company's 2002 Stock Option Plan (the 2002 Plan) from 552,041 to 1,500,000 shares. The Board approved the increase because it believes that the number of shares currently available under the 2002 Plan is not sufficient to satisfy the Company's incentive compensation needs.

As of May 31, 2006, options to purchase 700,000 shares of common stock had been issued and remained outstanding or were exercised under the 2002 Plan. Options granted in excess of the then-existing pool of reserved shares were granted contingent on obtaining stockholder approval for the increase and, according to the terms of the 2002 Plan, any shares issued upon exercise of such options are to be held in escrow until stockholder approval is obtained.

The Board of Directors has proposed that the number of shares of common stock reserved for issuance under the 2002 Plan be increased to 1,500,000.

Summary of 2002 Stock Option Plan

The following is a brief summary of the 2002 Plan, a copy of which is included as Appendix A to this proxy statement.

Plan Administration

The 2002 Plan will be administered by the Compensation Committee of the Board of Directors (the Committee). The Committee currently consists of our three independent directors. The Committee has the authority to adopt such rules or guidelines as it deems appropriate to implement the 2002 Plan. Any action taken by the Committee with respect to the implementation, interpretation or administration of the 2002 Plan shall be final, conclusive and binding.

Subject to any applicable limitations contained in the 2002 Plan, the Committee has the authority to (a) select the employees, outside directors and consultants who are to receive Awards under the 2002 Plan, (b) determine the type, number, vesting requirements and other features and conditions of such Awards, (c) interpret the 2002 Plan and (d) make all other decisions relating to the operation of the 2002 Plan. Among other things, the Committee has the authority to effect the cancellation and regrant of any or all outstanding Awards.

The 2002 Plan provides that appropriate adjustments shall automatically be made to the 2002 Plan and any outstanding Awards to reflect stock splits, stock dividends, recapitalizations and other similar changes in capitalization. The 2002 Plan also contains provisions addressing the consequences of any change in control, which is defined as (a) the consummation of a stockholder-approved merger or consolidation of the Company in which (i) the Company is not the surviving entity or (ii) securities possessing more than thirty percent (30%) of the total combined voting power of the Company's outstanding securities are transferred to a person or persons different than those holding those securities immediately prior to such transaction; (b) the sale, transfer or other disposition of all or substantially all of the Company's assets; (c) a change in the composition of the Board over an 18-month period, as a result of which fewer than 50% of the incumbent directors are directors who either (i) had been directors of the Company continuously since the beginning of such period or (ii) have been unanimously elected or nominated by the Board for election as directors during such period; or (d) any transaction as a result of which any person becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing at least 30% of the total combined voting power represented by the Company's then outstanding voting securities.

Types of Awards

The 2002 Plan provides for the grant of incentive stock options intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended (the Code), nonqualified stock options, restricted stock and other stock-based awards as described below (collectively, Awards).

Incentive Stock Options and Nonqualified Stock Options. Optionees receive the right to purchase a specified number of shares of Common Stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. An option may be either an incentive stock option (ISO) or a nonqualified stock option (NSO). ISOs may be granted at an exercise price equal to or greater than the fair market value of the Common Stock on the date of grant (but no such restriction exists in the case of an NSO). All ISOs must be exercised within (i) five (5) years of the grant thereof in the case of optionees holding 10% or more of the voting power of the Company, and (ii) ten (10) years of the grant thereof in the case of optionees other than those holding 10% or more of the voting power of the Company. Options may not be granted for a term in excess of ten (10) years. The Committee may at any time and in its discretion accelerate the vesting of any option by giving written notice to the optionee. Furthermore, in the event there is a change of control of the Company, as that term is defined in the 2002 Plan, the vesting of all outstanding options shall automatically accelerate and all such options would become immediately exercisable. The 2002 Plan permits payment of the exercise price of options by cash or cash equivalents, surrender of common stock already owned by the optionee, a cashless exercise, a recourse promissory note, or in any other form of payment that the Committee deems appropriate.

Restricted Stock. An award of Restricted Stock entitles recipients to acquire shares of common stock, subject to the right of the Company to repurchase all or part of such shares from the recipient in the event that the conditions specified in the applicable award are not satisfied prior to the end of the applicable restriction period established for such Award. The award may be subject to vesting requirements and the Committee may accelerate vesting in its discretion. Furthermore, in the event that there is a change of control of the Company, the vesting of all outstanding restricted stock awards shall automatically accelerate.

Amendment and Termination

The Board may, at any time and for any reason, amend, suspend or terminate the 2002 Plan. An amendment of the Plan shall be subject to the approval of the Company's stockholders only to the extent required by applicable laws, regulations or rules. No Awards shall be granted under the Plan after the termination thereof. The termination of the Plan, or any amendment thereof, shall not affect any Award previously granted under the Plan.

Shares Available for Grants

Initially, 500,000 shares were reserved for issuance under the 2002 Plan. However, the number of shares reserved automatically increases on each anniversary of the effective date of the 2002 Plan by an amount equal to 0.5% of the then issued and outstanding shares of the Company's common stock. As of June 30, 2006, 552,041 shares are reserved for issuance under the Plan. Options or other Awards made in excess of this amount were granted contingent on obtaining stockholder approval for the increase that is the subject of this Proposal No. 2; and, according to the terms of the 2002 Plan, any shares of common stock issued in connection with such an Award are to be held in escrow until stockholder approval is obtained. The 2002 Plan requires that no more than 300,000 shares be issued in connection with the exercise of ISOs under the 2002 Plan.

Eligibility

Employees and consultants of the Company or its subsidiaries and the Company's directors are eligible for the Awards. Under current law, however, incentive stock options may only be granted to employees of the Company and its subsidiaries.

Federal Income Tax Consequences

The following is a summary of the United States federal income tax consequences that generally will arise with respect to Awards granted under the 2002 Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. In addition, this summary assumes that all awards are exempt from, or comply with, the rules under Section 409A of the Code regarding nonqualified deferred compensation. The plan provides that no award will provide for deferral of compensation that does not comply with Section 409A of the Code, unless the Board, at the time of grant, specifically provides that the award is not intended to comply with Section 409A. Changes to these laws could alter the tax consequences described below.

Incentive Stock Options

A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by the Company or its corporate parent or 50% or more-owned corporate subsidiary at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under Nonqualified Stock Options. The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the stock. If a participant sells the stock more than two years after the option was granted and more than one year after the option was exercised, then all of the profit will be long-term capital gain. If a participant sells the stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long-term if the participant has held the stock for more than one year and otherwise will be short-term. If a participant sells the stock at a loss (sales proceeds are less than the exercise price), then the loss will be a capital loss. This capital loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

Nonqualified Stock Options

A participant will not have income upon the grant of a nonqualified stock option. A participant will have compensation income upon the exercise of a nonqualified stock option equal to the value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the stock for more than one year and otherwise will be short-term.

Restricted Stock Awards

A participant will not have income upon the grant of restricted stock unless an election under Section 83(b) of the Code is made within 30 days of the date of grant. If a timely 83(b) election is made, then a participant will have compensation income equal to the value of the stock less the purchase price. When the stock is sold, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the date of grant. If the participant does not make an 83(b) election, then when the stock vests the participant will have compensation income equal to the value of the stock on the vesting date less the purchase price. When the stock is sold, the participant will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date. Any capital gain or loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

Other Stock-Based Awards

The tax consequences associated with any other stock-based Award granted under the 2002 Plan will vary depending on the specific terms of such Award. Among the relevant factors are whether or not the Award has a readily ascertainable fair market value, whether or not the Award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant under the Award and the participant's holding period and tax basis for the Award or underlying Common Stock.

Tax Consequences to the Company

There will be no tax consequences to the Company other than the Company being entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

The foregoing is only a summary of the federal income taxation of Awards granted under the 2002 Plan. Reference should be made to the applicable provisions of the Code. The Summary does not purport to be complete, and does not discuss the tax consequences of the participant's death or the provisions of the income tax laws of any municipality, state, or foreign country in which the participant may reside.

Vote Required

An affirmative vote of the majority of shares entitled to vote is required for approval of the proposal.

Recommendation

The Board recommends that stockholders vote FOR an increase of the number of shares reserved for issuance under the 2002 Plan to 1,500,000 shares, as described in Proposal No. 2.

Unless marked otherwise, proxies received will be voted FOR the increase described in Proposal No. 2.

Stockholder Proposals for 2006 Annual Meeting

The Company's bylaws provide that the annual meeting of the Company's stockholders shall be held each year. The Company must receive any ICOP stockholder proposal for the annual meeting of stockholders in 2007 before March 12, 2007, for the proposal to be included in the ICOP proxy statement and form of proxy for that meeting. If notice of a proposal for which a stockholder will conduct his or her own proxy solicitation is not received by the Company by March 12, 2007, proxy holders may use their discretionary voting authority when the matter is raised at the meeting, and there will be no obligation to include any discussion of the matter in the proxy statement.

Other Matters

Management does not know of any other matters to be brought before the annual meeting of stockholders. If any other matters not mentioned in this proxy statement are properly brought before the meeting, the individuals named in the enclosed proxy intend to use their discretionary voting authority under the proxy to vote the proxy in accordance with their best judgment on those matters.

ADMINISTRATION OF THE PLAN

A. Delegation to the Committee. This Plan shall be administered by the Incentive Plan Committee. References herein to the Committee shall mean the Employee Committee and/or the Incentive Plan Committee, as applicable. References herein to the Incentive Plan Committee refer solely to the Incentive Plan Committee.

Members of the Incentive Plan Committee and the Employee Committee shall serve for such period of time as the Board may determine and may be removed by the Board at any time. The action of a majority of the members of the Incentive Plan Committee and the Employee Committee present at any meeting, or acts unanimously approved in writing, shall be the acts of the Incentive Plan Committee and the Employee Committee, respectively.

B. Powers of the Committee. The Incentive Plan Committee shall have full power and authority, subject to the provisions of this Plan, to establish such rules and regulations as it may deem appropriate for proper administration of this Plan and to make such determinations under, and issue interpretations of, the provisions of this Plan and any outstanding Awards as it may deem necessary or advisable. In addition, the Incentive Plan Committee shall have full power and authority to administer and interpret the Plan and make modifications as it may deem appropriate to conform the Plan and all actions pursuant to the Plan to any regulation or to any change in any law or regulation applicable to this Plan.

C. Actions of the Committee. All actions taken and all interpretations and determinations made by the Committee in good faith (including determinations of Fair Market Value) shall be final and binding upon all Participants, the Company and all other interested persons. No director or member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan, and all directors and members of the Committee shall, in addition to their rights as directors, be fully protected by the Company with respect to any such action, determination or interpretation.

D. Awards to Officers and Directors.

1. All Awards to officers shall be determined by the Incentive Plan Committee. If the Incentive Plan Committee is not composed as prescribed in the definition of Incentive Plan Committee in Article III, the Board shall have the right to take such action with respect to any Award to an officer as it deems necessary or advisable to comply with Rule 16b-3 of the Exchange Act and any related rules, including but not limited to seeking stockholder ratification of such Award or restricting the sale of the Award or any shares of Common Stock underlying the Award for a period of six months.

2. Discretionary awards to Non-Employee Directors, if any, shall be determined by the Board.

ARTICLE V

ELIGIBILITY

A. Discretionary Stock Option Grant Program, Restricted Stock Program and Supplemental Bonus Program. The persons eligible to participate in the Discretionary Stock Option Grant Program, the Restricted Stock Program and the Supplemental Bonus Program are as follows:

1. Employees of the Company or a Subsidiary;
2. Members of the Board; and
3. Consultants and other independent advisors who provide services to the Company or a Subsidiary.

B. Selection of Participants. The Committee shall from time to time determine the Participants to whom Awards shall be granted pursuant to the Discretionary Stock Option Grant Program, the Restricted Stock Program and the Supplemental Bonus Program.

ARTICLE VI

SHARES AVAILABLE UNDER THE PLAN

A. **Maximum Number.** The number of shares of Common Stock issued or transferred and covered by outstanding awards granted under this Plan shall not in the aggregate exceed 5,000,000 shares of Common Stock, which may be Common Stock of original issuance or Common Stock held in treasury, or a combination thereof. This authorization shall be increased automatically on each succeeding annual anniversary of the Plan Effective Date by an amount equal to that number of shares equal to one-half of one percent of the Company's then issued and outstanding shares of Common Stock. The shares may be divided among the various Plan components as the Incentive Plan Committee shall determine, except that no more than 3,000,000 shares shall be issued in connection with the exercise of Incentive Stock Options under the Plan. Any portion of the shares added on each succeeding anniversary of the Plan Effective Date which are unused during the Plan year beginning on such anniversary date shall be carried forward and be available for grant and issuance in subsequent Plan years, while up to 100% of the shares to be added in the next succeeding Plan year (calculated on the basis of the current Plan year's allocation) may be borrowed for use in the current Plan year. Shares of Common Stock that may be issued upon the exercise of Stock Options shall be applied to reduce the maximum number of shares remaining available for use under the Plan. The Company shall at all times during the term of the Plan, and while any Stock Options are outstanding, retain as authorized and unissued Common Stock or as treasury Common Stock, at least the number of shares of Common Stock required under the provisions of this Plan, or otherwise assure itself of its ability to perform its obligations hereunder.

B. **Unused and Forfeited Stock.** The following shares of Common Stock shall automatically become available for use under the Plan: (i) any shares of Common Stock that are subject to an Award under this Plan that are not used because the terms and conditions of the Award are not met, including any shares of Common Stock that are subject to a Stock Option that expires or is terminated for any reason; (ii) any shares of Common Stock with respect to which a Stock Option is exercised that are used for full or partial payment of the Option Price; and (iii) any shares of Common Stock withheld by the Company in satisfaction of the withholding taxes incurred in connection with the exercise of a Non-Statutory Option.

C. **Capital Changes.** If any change is made to the Common Stock by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without the Company's receipt of consideration, appropriate adjustments shall be made to (i) the maximum number and/or class of securities issuable under the Plan; (ii) the number and/or class of securities for which grants are subsequently to be made pursuant to Article VI of this Plan; and (iii) the number and/or class of securities then included in each Award outstanding hereunder and the Option Price per share in effect under each outstanding Stock Option under this Plan. Such adjustments to the outstanding Stock Options are to be effected in a manner that shall preclude the enlargement or dilution of rights and benefits under such Stock Options. The adjustments determined by the Committee shall be final, binding and conclusive.

ARTICLE VII

DISCRETIONARY STOCK OPTION GRANT PROGRAM

A. **Discretionary Grant of Stock Options to Participants.** The Committee may from time to time authorize grants to Participants of options to purchase shares of Common Stock upon such terms and conditions as the Committee may determine in accordance with the following provisions (in connection with any grants under this paragraph VII.A to Non-Employee Directors, "Committee" shall mean the entire Board of Directors):

- 1 Each grant shall specify the number of shares of Common Stock to which it pertains.
2. Each grant shall specify the Option Price per share.
3. Each grant shall specify the form of consideration to be paid in satisfaction of the Option Price and the manner of payment of such consideration, which may include (i) cash in the form of currency or check or other cash equivalent acceptable to the Company; (ii) shares of Common Stock that are already owned by the Optionee and

have a Fair Market Value at the time of exercise that is equal to the Option Price; (iii) shares of Common Stock with respect to which a Stock Option is exercised; (iv) a recourse promissory note in favor of the Company; (v) any other legal consideration that the Committee may deem appropriate; and (vi) any combination of the foregoing.

4. Any grant may provide for deferred payment of the Option Price from the proceeds of sale through a broker of some or all of the shares of Common Stock to which the exercise relates.

5. Any grant may provide that shares of Common Stock issuable upon the exercise of a Stock Option shall be subject to restrictions whereby the Company has the right or obligation to repurchase all or a portion of such shares if the Participant's service to the Company is terminated before a specified time, or if certain other events occur or conditions are not met.

6. Successive grants may be made to the same Participant regardless of whether any Stock Options previously granted to the Participant remain unexercised.

7. Each grant shall specify the conditions to be satisfied before the Stock Option or installments thereof shall become exercisable, which conditions may include a period or periods of continuous service by the Optionee to the Company or any Subsidiary, the attainment of specified performance goals and objectives, or the occurrence of specified events; as may be established by the Committee with respect to such grant.

8. All Stock Options that meet the requirements of the Code for incentive stock options shall be Incentive Stock Options unless (i) the option agreement clearly designates the Stock Options granted thereunder, or a specified portion thereof, as a Non-Statutory Option; or (ii) a grant of Incentive Stock Options to the Participant would be prohibited under the Code or other applicable law.

9. Each grant shall specify the Term of the Stock Option, which Term shall not be greater than 10 years from the Date of Grant.

10. Each grant shall be evidenced by an agreement, which shall be executed on behalf of the Company by any officer thereof and delivered to and accepted by the Optionee and shall contain such terms and provisions as the Committee may determine consistent with this Plan.

B. Special Terms Applicable to Incentive Stock Options. The following additional terms shall be applicable to all Incentive Stock Options granted pursuant to this Plan. Stock Options that are specifically designated as Non-Statutory Options shall not be subject to the terms of this paragraph VII.B.

1. Incentive Stock Options shall be granted only to Employees of the Company or a Subsidiary.

2. The Option Price per share shall not be less than the Fair Market Value per share of Common Stock on the Date of Grant.

3. The aggregate Fair Market Value of the shares of Common Stock (determined as of the respective Date(s) of Grant) with respect to which Incentive Stock Options granted to any Employee under the Plan (or any other plan of the Company or a Subsidiary) are exercisable for the first time during any one calendar year shall not exceed the sum of One Hundred Thousand Dollars (\$100,000). To the extent the Employee holds two (2) or more such Stock Options that become exercisable for the first time in the same calendar year, the foregoing limitation on the treatment of such Stock Options as Incentive Stock Options shall be applied on the basis of the order in which such Stock Options are granted.

4. If any Employee to whom an Incentive Stock Option is granted is a 10% Stockholder, then the Option Price per share shall not be less than one hundred ten percent (110%) of the Fair Market Value per share of Common Stock on the Date of Grant, and the Option Term shall not exceed five (5) years measured from the Date of Grant.

ARTICLE VIII

RESTRICTED STOCK PROGRAM

A. Awards Granted. Coincident with or following designation for participation in the Plan, a Participant may be granted one or more Restricted Stock Awards consisting of shares of Common Stock. The number of shares granted as a Restricted Stock Award shall be determined by the Committee.

B. Restrictions. A Participant's right to retain a Restricted Stock Award granted to such Participant under Article VII.A shall be subject to such restrictions, including but not limited to his or her continuous employment by the Company for a restriction period specified by the Committee, or the attainment of specified performance goals and objectives, or the occurrence of specified events, as may be established by the Committee with respect to such Award. The Committee may in its sole discretion require different periods of employment or different performance goals and objectives with respect to different Participants, to different Restricted Stock Awards or to separate, designated portions of the shares constituting a Restricted Stock Award.

C. Privileges of a Stockholder, Transferability. A Participant shall have all voting, dividend, liquidation and other rights with respect to shares of Common Stock in accordance with its terms received by him or her as a Restricted Stock Award under this Article VIII upon his or her becoming the holder of record of such shares; provided, however, that the Participant's right to sell, encumber or otherwise transfer such shares shall be subject to the restrictions established by the Committee with respect to such Award.

D. Enforcement of Restrictions. The Committee may in its sole discretion require a legend to be placed on the stock certificates referring to the restrictions referred to in paragraphs VIII.B. and VIII.C., in order to enforce such restrictions.

ARTICLE IX

SUPPLEMENTAL BONUS PROGRAM

A. Non-Statutory Stock Options. The Committee, at the time of grant or at any time prior to exercise of any Non-Statutory Option, may provide for a Supplemental Bonus from the Company or a Subsidiary in connection with a specified number of shares of Common Stock then purchasable, or which may become purchasable, under such Non-Statutory Option. Such Supplemental Bonus shall be payable in cash upon the exercise of the Non-Statutory Option with regard to which such Supplemental Bonus was granted. A Supplemental Bonus shall not exceed the amount necessary to reimburse the Participant for the income tax liability incurred by him or her upon the exercise of the Non-Statutory Option, calculated using the maximum combined federal and applicable state income tax rates then in effect and taking into account the tax liability arising from the Participant's receipt of the Supplemental Bonus.

B. Restricted Stock Awards. The Committee, either at such time as the restrictions with respect to a Restricted Stock Award lapse or a Section 83(b) election is made under the Code by the Participant with respect to shares issued in connection with a Restricted Stock Award, may provide for a Supplemental Bonus from the Company or a Subsidiary. Such Supplemental Bonus shall be payable in cash and shall not exceed the amount necessary to reimburse the Participant for the income tax liability incurred by him or her with respect to shares issued in connection with a Restricted Stock Award, calculated using the maximum combined federal and applicable state income tax rates then in effect and taking into account the tax liability arising from the Participant's receipt of the Supplemental Bonus.

ARTICLE X

TERMINATION OF SERVICE

A. Incentive Stock Options. The following provisions shall govern the exercise of any Incentive Stock Options held by any Employee whose employment is terminated:

1. If the Optionee's employment with the Company is terminated for any reason other than such Optionee's death, disability or retirement, all Incentive Stock Options held by the Optionee shall terminate on the date and at the time the Optionee's employment terminates, unless the Committee expressly provides in the terms of the

Optionee's Stock Option Agreement that such Stock Options shall remain exercisable, to the extent vested on such termination date, for a period of three (3) months following such termination of employment.

2. If the Optionee's employment with the Company is terminated because of such Optionee's death or disability within the meaning of Section 22(e)(3) of the Code, all incentive Stock Options held by the Optionee shall become immediately exercisable and shall be exercisable for a period of twelve (12) months following such termination of employment.

3. In the event Optionee's employment is terminated due to retirement, all incentive Stock Options held by the Optionee shall remain exercisable, to the extent such Stock Options were exercisable on the date the Optionee's employment terminated, for a period of three (3) months following such termination of employment.

4. In no event may any Incentive Stock Option remain exercisable after the expiration of the Term of the Stock Option. Upon the expiration of any three (3) or twelve (12) month exercise period, as applicable, or, if earlier, upon the expiration of the Term of the Stock Option, the Stock Option shall terminate and shall cease to be outstanding for any shares for which the Stock Option has not been exercised.

B. Non-Statutory Options. The following provisions shall govern the exercise of any Non-Statutory Options:

1. If the Optionee's employment, service on the Board or consultancy is terminated for any reason other than such Optionee's death, disability or retirement, all Non-Statutory Options held by the Optionee shall terminate on the date of such termination, unless the Committee expressly provides in the terms of the Optionee's Stock Option Agreement that such Stock Options shall remain exercisable, to the extent vested on such termination date, for a specified period following such termination.

2. If the Optionee's employment, service on the Board or consultancy is terminated because of such Optionee's death or disability, all Non-Statutory Options held by the Optionee shall become immediately exercisable and shall be exercisable until the expiration of the Term of such Stock Options.

3. If the Optionee's employment service on the Board or consultancy is terminated because of such Optionee's retirement, all Non-Statutory Options held by the Optionee shall remain exercisable, to the extent such Stock Options were exercisable on the date of such termination, until the expiration of the Term of such Stock Options.

4. In no event may any Non-Statutory Option remain exercisable after the expiration of the Term of the Stock Option. Upon the expiration of any specified exercise period following termination of Optionee's employment, service on the Board or consultancy, or if earlier, upon the expiration of the Term of the Stock Option, the Stock Option shall terminate and shall cease to be outstanding for any shares for which the Stock Option has not been exercised.

C. Restricted Stock Awards. In the event of the death or disability (within the meaning of Section 22(e) of the Internal Revenue Code) or retirement of a Participant, all employment period and other restrictions applicable to Restricted Stock Awards then held by him or her shall lapse, and such Awards shall become fully non-forfeitable. Subject to Articles X and XIV, in the event of a Participant's termination of employment for any other reason, any Restricted Stock Awards as to which the employment period or other restrictions have not been satisfied shall be forfeited.

ARTICLE XI

TRANSFERABILITY OF STOCK OPTIONS

During the lifetime of the Optionee, Incentive Stock Options shall be exercisable only by the Optionee and shall not be assignable or transferable. In the event of the Optionee's death prior to the end of the Term, any Stock Option may be exercised by the personal representative of the Optionee's estate, or by the person(s) to whom the Option is transferred pursuant to the Optionee's will or in accordance with the laws of descent and distribution. Upon the prior written consent of the Board and subject to any conditions associated with such consent, a Non-Statutory Option may be assigned in whole or in part during the Optionee's lifetime to one or more members of the Optionee's immediate family.

(as that term is defined in Rule 16a-1(e) of the Exchange Act) or to a trust established exclusively for one or more such family members. In addition, the Board, in its sole discretion, may allow a Non-Statutory Option to be assigned in other circumstances deemed appropriate. The terms applicable to the assigned portion shall be the same as those in effect for the Stock Option immediately prior to such assignment and shall be set forth in such documents issued to the assignee as the Committee may deem appropriate. Notwithstanding any assignment or transfer of a Stock Option, in no event may any Stock Option remain exercisable after the expiration of the Term of the Stock Option.

ARTICLE XII

STOCKHOLDER RIGHTS

The holder of a Stock Option shall have no stockholder rights with respect to the shares subject to the Stock Option until such person shall have exercised the Stock Option, paid the Option Price and become a holder of record of the purchased shares of Common Stock.

ARTICLE XIII

ACCELERATION OF VESTING

The Committee may, at any time in its sole discretion, accelerate the vesting of any Award made pursuant to this Plan by giving written notice to the Participant. Upon receipt of such notice, the Participant and the Company shall amend the agreement relating to the Award to reflect the new vesting schedule. The acceleration of the exercise period of an Award shall not affect the expiration date of such Award.

ARTICLE XIV

CHANGE IN CONTROL

In the event of a Change in Control of the Company, all Awards outstanding under the Plan as of the day before the consummation of such Change in Control shall automatically accelerate for all purposes under this Plan so that each Stock Option shall become fully exercisable with respect to the total number of shares subject to such Stock Option and may be exercised for any or all of those shares as fully-vested shares of Common Stock as of such date, without regard to the conditions expressed in the agreements relating to such Stock Option, and the restrictions on each Restricted Stock Award shall lapse and such shares of Restricted Stock shall no longer be subject to forfeiture.

ARTICLE XV

CANCELLATION AND REGRANT OF OPTIONS

The Committee shall have the authority, at any and from time to time, with the consent of the affected Optionees, to effect the cancellation of any or all outstanding Stock Options and/or any Restricted Stock Awards and grant in substitution new Stock Options and/or Restricted Stock Awards covering the same or different number of shares of Common Stock. In the case of such a regrant of a Stock Option, the Option Price shall be set in accordance with Article VII on the new Date of Grant.

ARTICLE XVI

FINANCING

The Committee may, in its sole discretion, authorize the Company to make a loan to a Participant in connection with the exercise of a Stock Option, and may authorize the Company to arrange or guaranty loans to a Participant by a third party in connection with the exercise of a Stock Option.

ARTICLE XVII

TAX WITHHOLDING

A. Tax Withholding. The Company's obligation to deliver shares of Common Stock upon the exercise of Stock Options under the Plan shall be subject to the satisfaction of all applicable federal, state and local income and employment tax withholding requirements.

B. Surrender of Shares. The Committee may, in its discretion, provide any or all holders of Non-Statutory Options under the Discretionary Stock Option Grant Program with the right to use shares of Common Stock in satisfaction of all or part of the taxes incurred by such holders in connection with the exercise of such Stock Options. Such right may be provided to any such holder in either or both of the following formats:

1. The election to have the Company withhold, from the shares of Common Stock otherwise issuable upon the exercise of such Non-Statutory Option, a portion of those shares with an aggregate Fair Market Value less than or equal to the amount of taxes due as designated by such holder; or

2. The election to deliver to the Company, at the time the Non-Statutory Option is exercised, one or more shares of Common Stock previously acquired by such holder with an aggregate Fair Market Value less than or equal to the amount of taxes due as designated by such holder.

ARTICLE XVIII

EFFECTIVE DATE AND TERM OF THE PLAN

This Plan shall become effective on the Plan Effective Date. This Plan shall terminate upon the earliest of (i) ten (10) years after the Plan Effective Date; or (ii) the termination of all outstanding Awards in connection with a Change in Control. Upon such plan termination, all outstanding Awards shall thereafter continue to have force and effect in accordance with the provisions of the documents evidencing such Awards.

ARTICLE XIX

AMENDMENT OF THE PLAN

A. The Incentive Plan Committee shall have complete and exclusive power and authority to amend or modify the Plan in any or all respects, unless stockholder approval of such amendments or modifications is required under applicable law. No such amendment or modification shall adversely affect the rights and obligations with respect to Awards outstanding under the Plan at the time of such amendment or modification, unless the Participant consents to such amendment or modification.

B. Stock Options in excess of the number of shares of Common Stock then available for issuance may be granted under this Plan, provided any excess shares actually issued under this Plan shall be held in escrow until such further action, necessary to approve a sufficient increase in the number of shares available for issuance under the Plan, is taken. If such further action is not obtained within 12 months after the date the first such excess issuances are made, then (i) any unexercised options granted on the basis of such excess shares shall terminate and cease to be outstanding; and (ii) the Company shall promptly refund to the Optionees the exercise price paid for any excess shares issued under the Plan and held in escrow, together with interest for the period the shares were held in escrow, and such shares shall thereupon be automatically cancelled and cease to be outstanding. If stockholder approval of a sufficient increase in the number of shares subject to the Plan does not occur within twelve (12) months of the grant of any Stock Option intended to be an Incentive Stock Option which is granted pursuant to this Article XIX.B, such Stock Option shall be deemed to be a Non-Statutory Option.

ARTICLE XX

REGULATORY APPROVALS

The implementation of the Plan, the granting of any Award under the Plan and the issuance of any shares of Common Stock under any Award shall be subject to the Company's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the Plan, the Awards granted pursuant to the Plan and the shares of Common Stock issued pursuant to any Award under the Plan. No Stock Option shall be exercisable, no shares of Common Stock or other assets shall be issued or delivered under the Plan, and no transfer of any Non-Statutory Option shall be approved by the Committee, unless and until there shall have been compliance with (i) all applicable requirements of Federal and state securities laws, if applicable, including the filing and effectiveness of a registration statement on Form S-8 under the Securities Act of 1933, as amended, covering the shares of Common Stock issuable under the Plan; and (ii) all applicable listing requirements of any stock exchange or securities market on which the shares of Common Stock are listed or traded.

ARTICLE XXI

NO EMPLOYMENT/SERVICE RIGHTS

Nothing in this Plan shall confer upon any Participant any right to continue in service for any period or specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Subsidiary employing or retaining such person) or of the Participant, which rights are expressly reserved by each, to terminate such person's service at any time for any reason, with or without Cause.
