**Item 1.01. Entry into a Material Definitive Agreement.  
Merger Agreement**

On May 15, 2007, Agile Software Corporation, a Delaware corporation ( Agile ), Oracle Corporation ( Oracle ), and Aqua Acquisition Corporation, a Delaware corporation and wholly-owned subsidiary of Oracle ( Merger Sub ), entered into an Agreement and Plan of Merger (the Merger Agreement ), pursuant to which, subject to satisfaction or waiver of the conditions therein, Merger Sub will merge with and into Agile (the Merger ) with Agile surviving as a wholly-owned subsidiary of Oracle.

Subject to the terms of the Merger Agreement, which has been approved by the boards of directors of Agile, Oracle and Merger Sub, upon consummation of the Merger, each holder of common stock of Agile, in each case issued and outstanding immediately prior to the consummation of the Merger, will receive \$8.10 in cash, without interest, per share. Agile stock options (vested and unvested), subject to certain exceptions, will be assumed by Oracle at the closing of the merger. Assumed options will be subject to the same terms and conditions as before the closing, except that: (1) they will be exercisable for a number of shares of Oracle common stock equal to the number of Agile shares subject to the option multiplied by a fraction, the numerator of which is \$8.10 and the denominator of which is the average closing price of Oracle common stock on the Nasdaq Global market for the 5 trading days before closing, and (2) the exercise price of the assumed options will be equal to the current exercise price divided by the same fraction.

The Merger Agreement contains customary representations, warranties and covenants of Agile, Oracle and Merger Sub, including, among others, covenants by Agile to conduct its business in the ordinary course during the interim period between the execution of the Merger Agreement and consummation of the Merger and not to engage in certain kinds of transactions during such period. Agile has also agreed not to solicit proposals relating to alternative business combination transactions or, subject to certain exceptions, enter into discussions concerning, or furnish information in connection with, any proposals for alternative business combination transactions. The board of directors of Agile has adopted unanimously a resolution recommending the adoption of the Merger Agreement by Agile 's stockholders, and has agreed to hold a stockholder meeting to consider and vote upon the adoption of the Merger Agreement.

The Merger is conditioned upon, among other things, approval by the stockholders of Agile, clearance under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, clearance under certain foreign antitrust laws and other customary conditions.

The Merger Agreement contains certain termination rights for both Agile and Oracle, and provides that, upon termination of the Merger Agreement under specified circumstances, Agile may be required to pay Oracle a termination fee of \$16,400,000 or reimburse Oracle for up to \$5,000,000 of its out-of-pocket expenses in connection with the transaction.

The parties currently expect the Merger to close in July, 2007. However, there can be no assurances that the Merger will close in that time period.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is hereby incorporated into this report by reference. The Merger Agreement, which has been included to provide investors with information regarding its terms and is not intended to provide any other factual information about Agile or Oracle, contains representations and warranties of each of Agile, Merger Sub

and Oracle. The assertions embodied in those representations and warranties were made for purposes of the Merger Agreement and are subject to qualifications and limitations agreed to by the respective parties in connection with negotiating the terms of the Merger Agreement, including information contained in confidential disclosure schedules that the parties exchanged in connection with signing the Merger Agreement. Accordingly, investors and security holders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of a specific date and are modified in important part by the underlying disclosure schedules. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for purposes of allocating risk between the respective parties rather than establishing matters of fact. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Agile's or Oracle's public disclosures.

#### **Voting Agreements**

Concurrently with entering into the Merger Agreement, the directors and certain executive officers of Agile entered into a Voting Agreement with Oracle (collectively, the Voting Agreements) pursuant to which they agreed, among other things, to vote their shares of Agile for the adoption of the Merger Agreement. The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the form of Voting Agreement, a copy of which is filed as Exhibit 10.1 hereto and is hereby incorporated into this report by reference.

#### **Amendment to Rights Agreement**

The disclosure in Item 3.03 is incorporated in this Item 1.01 by reference.
