Item 1.01 Entry into a Material Definitive Agreement.

Newfield Acquisition Agreement. On August 2, 2007, Constellation Energy Partners LLC (the Company) entered into a definitive purchase agreement with Newfield Exploration Mid-Continent Inc. to acquire certain oil and gas properties and related assets in Oklahoma for an aggregate purchase price of approximately \$128 million, subject to purchase price adjustments. The Company borrowed \$13 million under its revolving credit facility to fund an escrow deposit associated with the purchase agreement. The Company expects this acquisition to close in September 2007, subject to customary closing conditions. There can be no assurance that all of the conditions to closing the acquisition will be satisfied. The Company's obligation to close the acquisition is not conditioned upon the receipt of financing.

Unit Purchase Agreement. On August 2, 2007, the Company also entered into a Common Unit Purchase Agreement (the Purchase Agreement) with certain unaffiliated third-party investors (the Purchasers) to sell 2,470,592 common units representing Class B limited liability company interests in the Company (the New Common Units) in a private placement for an aggregate purchase price of approximately \$105 million. The negotiated purchase price is \$42.50 per unit. The Company believes that the proceeds from this equity private placement, together with funds available under the Company's revolving credit facility, will fully fund the purchase price of the Newfield acquisition described above. The Company anticipates that the private placement will close simultaneously with the Newfield acquisition described above. The private placement of the New Common Units pursuant to the Purchase Agreement is being made in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof.

The closing of the private placement is subject to customary closing conditions as well as certain other conditions, including (i) the closing of the Newfield acquisition described above, (ii) the execution by the Company and the Purchasers of a registration rights agreement that will require the Company to file a shelf registration statement for the benefit of the Purchasers within 90 days after the closing of the private placement and (iii) adopting an amendment to the Company's operating agreement.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 above is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On August 3, 2007, the Company issued a press release relating to the Newfield acquisition and Purchase Agreement. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The press release is being furnished pursuant to General Instruction B.2 of Form 8-K and is not deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), nor is it subject to the liabilities of that section or deemed incorporated by reference in any filing by the Company under the Exchange Act.

The Company has made certain statements in this Current Report on Form 8-K, and the press release furnished herewith, that are considered forward-looking statements within the meaning of the Exchange Act. These forward-looking statements are largely based on the Company's expectations, which reflect estimates and assumptions made by the Company's management.
