**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On October 29, 2007, pursuant to the Combination Agreement and Agreement and Plan of Merger, dated as of January 29, 2007, among AbitibiBowater Inc., a Delaware corporation (formerly named Alpha-Bravo Holdings Inc.) (AbitibiBowater), Abitibi-Consolidated Inc., a corporation amalgamated under the laws of Canada (Abitibi), Bowater Incorporated (Bowater or the Company), Alpha-Bravo Merger Sub Inc., a Delaware corporation (Merger Sub), Bowater Canada Inc. (now named AbitibiBowater Canada Inc.), as amended by the First Amendment, dated as of May 7, 2007 (as amended, the Combination Agreement), the following transactions (as well as additional related transactions) were consummated (collectively, the Combination):

Merger Sub was merged with and into Bowater, with Bowater continuing as the surviving corporation, and each issued and outstanding share of Bowater common stock (excluding shares to be cancelled in accordance with the Combination Agreement) was converted into the right to receive 0.52 shares of AbitibiBowater common stock; and

Articles of Arrangement (as defined in the Combination Agreement) became effective pursuant to which, among other things, each outstanding common share of Abitibi (other than the Abitibi common shares exchanged for AbitibiBowater Canada exchangeable shares) was transferred to AbitibiBowater in exchange for 0.06261 shares of AbitibiBowater common stock.

As a result of these transactions, Abitibi and Bowater became subsidiaries of AbitibiBowater.

In the Combination, all Abitibi and Bowater stock options, stock appreciation rights and other stock-based awards outstanding at the effective time of the Combination, whether vested or unvested were converted into AbitibiBowater stock options, stock appreciation rights or stock-based awards. The number of shares subject to such converted Abitibi or Bowater stock options, stock appreciation rights and stock-based awards was adjusted by multiplying the number of shares subject to such Abitibi or Bowater stock option, stock appreciation right or stock-based award by 0.06261 in the case of Abitibi, and by 0.52 in the case of Bowater. Similarly, the exercise prices of the converted stock options or base prices of the stock appreciation rights were adjusted by dividing such price by 0.06261 in the case of Abitibi, and by 0.52 in the case of Bowater, rounded to the nearest one-hundredth of a cent. The stock options, stock appreciation rights and other stock-based awards to acquire AbitibiBowater common stock are subject to the same terms and conditions as were applicable under the respective Abitibi or Bowater plans pursuant to which each stock option, stock appreciation right or stock-based award was initially issued by taking into account any changes to such terms and conditions, including acceleration thereof, by reason of the Combination Agreement or the Combination.

In connection with the consummation of the Combination, on October 29, 2007, AbitibiBowater Inc. issued a press release, a copy of which is attached as exhibit 99.1 to this Report.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

The Bowater common stock was previously listed on the New York Stock Exchange and registered pursuant to Section 12(b) of the Securities Exchange Act of 1934 (the Exchange Act). In connection with the Combination, Bowater voluntarily delisted the Bowater common stock from the New York Stock Exchange prior to the open of trading on October 29, 2007. Concurrently with the delisting, Bowater filed a Form 15 with the Securities and Exchange Commission (SEC) to deregister the Bowater common stock under Section 12(b) of the Exchange Act and to suspend Bowater's reporting obligations under Section 13 of the Exchange Act. Bowater intends to continue to file reports with the SEC on a voluntary basis as if it were registered under the Exchange Act.
