**TO BE HELD ON TUESDAY, APRIL 29, 2008**

**ABOUT THE ANNUAL MEETING**

We are furnishing this proxy statement to shareholders of record of Spectrum Brands, Inc. ( *Spectrum* or the *Company* ) in connection with the solicitation of proxies for use at the annual meeting of shareholders (the *Annual Meeting* ) to be held on Tuesday, April 29, 2008, at the Westin Atlanta Perimeter North located at 7 Concourse Parkway in Atlanta, GA 30328, at 8:00 a.m., local time, and at any adjournments or postponements thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. The Notice of Annual Meeting of Shareholders, this proxy statement and the enclosed proxy card are first being mailed to shareholders on or about March 24, 2008.

**Matters to be Voted Upon at the Annual Meeting**

At the Annual Meeting you will be voting on the following proposals:

- (1) To elect two Class I directors to the Board of Directors for a three-year term expiring at the 2011 annual meeting;
- (2) To ratify the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending on September 30, 2008 ( *Fiscal 2008* ); and
- (3) To act on a shareholder proposal, described in this proxy statement.

You will also be voting on such other business as may properly come before the meeting or any adjournment thereof.

**Recommendations of Our Board of Directors**

Our Board of Directors recommends that you vote your shares as follows:

- (1) **FOR** the election of two Class I directors to the Board of Directors for a three-year term expiring at the 2011 annual meeting (**PROPOSAL NO. 1**);
- (2) **FOR** the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2008 (**PROPOSAL NO. 2**); and
- (3) **AGAINST** the approval of the shareholder proposal described below (**PROPOSAL NO. 3**).

**Shareholders Entitled to Vote at the Meeting**

***Shareholders of Record***

Only shareholders of record of the *Company*'s common stock, par value \$.01 per share, (the *Common Stock* ) as of March 15, 2008 (the *Record Date* ) are entitled to receive notice of and to vote at the Annual Meeting. You are considered the shareholder of record with respect to your shares if your shares are registered directly in your name with Mellon Investor Services LLC, the *Company*'s stock transfer agent. On the Record

## **Table of Contents**

Date, there were 52,794,352 shares of Common Stock issued and outstanding, constituting all of our issued and outstanding voting securities. Shareholders of record are entitled to one vote for each share of Common Stock they held as of the Record Date.

### ***Shares held with a Bank, Broker, or other Nominee***

If your shares are held in an account with a bank, broker or another third party that holds shares on your behalf, referred to herein as a nominee, then you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker or other nominee. Your bank, broker or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker or other nominee how to vote your shares.

If your shares are held by a bank, broker or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker or other nominee with instructions on how to vote your shares. Brokers, banks and other nominees have the authority under New York Stock Exchange Rules to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposal No. 1 (election of directors) and Proposal No. 2 (ratification of the appointment of independent registered public accounting firm) are considered to be routine matters. Proposal No. 3 (the shareholder proposal) is not considered to be a routine matter. When a proposal is not routine and the bank, broker or other nominee has not received your voting instructions, a bank, broker or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker or other nominee.

### ***Shares held in Company Retirement Accounts***

If you are a company employee, former employee, retiree or other person who is participating or has participated in the Spectrum Brands 401(k) Retirement Savings Plan, or any predecessor thereof (the Plan), then you may be receiving this material in part because of shares held for you in the Plan. Shares of Common Stock held in the Plan (the Plan Shares) are registered in the name of the trustee of the Plan. You, as a participant in the Plan, do not have actual record ownership of the Plan Shares and may not vote the Plan Shares directly at the Annual Meeting. However, as a plan participant, you are allocated interests in the Plan Shares and may instruct the trustee of the Plan how to vote such interests. You may use the enclosed proxy card for Plan Shares (the Plan Shares Proxy Card) to instruct the trustees of the Plan how to vote your Plan Shares. Plan Shares can be voted only by mailing the enclosed Plan Shares Proxy Card in the enclosed addressed envelope; Plan Shares cannot be voted in person at the Annual Meeting and prior voting instructions given for Plan Shares cannot be revoked at the Annual Meeting. If you are a Plan participant, your Plan Shares Proxy Card must be received no later than April 25, 2008.

If you sign and return the Plan Shares Proxy Card but do not provide instructions for any or all of the matters to be voted on at the meeting, the trustee has been instructed *NOT* to vote the shares of Common Stock held in your Spectrum 401(k) account on any matter to be considered at the meeting for which you fail to provide instructions. Should you fail to return your Plan Shares Proxy Card for this Annual Meeting by April 25, 2008, the Plan trustee has been instructed *NOT* to vote the shares of Common Stock held in your Spectrum 401(k)

## **Table of Contents**

account in the absence of your instructions. **In order to ensure that your securities are voted as you wish, please return your Plan Shares Proxy Card by April 25, 2008.**

### **Quorum**

A quorum of shareholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Broker non-votes and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

### **Votes Required to Pass Each Proposal**

To be elected as a Class I director at the Annual Meeting (Proposal No. 1), each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting. In a plurality vote, the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2008 (Proposal No. 2) and to approve the shareholder proposal (Proposal No. 3).

Shares represented by proxies that are marked **WITHHELD** and shares that are not voted with regard to Proposal No. 1 (Election of Directors) will be excluded entirely from the vote and will have no effect on the outcome of this vote because the directors are elected by a plurality vote. Shares represented by proxies that are marked **ABSTAIN** and shares which are not voted with regard to Proposal No. 2 (Ratification of KPMG LLP's Appointment as independent registered public accounting firm) and Proposal No. 3 (Shareholder Proposal) will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against each of these proposals because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

### **Proxies and Voting Procedures**

#### ***What is a Proxy?***

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. For the purposes of the Annual Meeting, if you complete the attached proxy card and return it to us prior to the start of the Annual Meeting, you will be designating the officers of the Company named on the proxy card to act as your proxy and to vote on your behalf at the Annual Meeting in accordance with the instructions set forth on your proxy card.

#### ***Voting by Proxy***

##### ***Shareholders of Record***

If you are a shareholder of record, you may vote in person at the Annual Meeting or by proxy. We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will

## Table of Contents

be counted if you later decide not to or are unable to attend the Annual Meeting. You can always change your vote by either completing another proxy card with a later date and delivering it to us prior to the start of the Annual Meeting or by attending in person and voting at the Annual Meeting.

If you are a shareholder of record, to vote by proxy, you must complete, sign, date and return the attached proxy card in the enclosed envelope. For your proxy to be counted at the Annual Meeting, we must receive your proxy card at the address listed on the attached proxy card prior to the start of the Annual Meeting.

Voting instructions are included on your proxy card. If you properly complete, date and sign your proxy and return it to us in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed on the proxy card. **If you sign and timely return your proxy card, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment KPMG LLP as the Company's independent registered public accounting firm for Fiscal 2008, (3) AGAINST the shareholder proposal and (4) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

### *Shares held with a Bank, Broker, or other Nominee*

If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker or other nominee. Your bank, broker or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker or other nominee on how to vote your shares in the manner that they specify. Your bank, broker or other nominee will be permitted to vote your shares without instruction from you on Proposal No. 1 (Election of Directors) and Proposal No. 2 (Appointment of Independent Registered Public Accounting Firm) but will not be permitted to vote your shares on Proposal No. 3 (the shareholder proposal) without your instructions. As a result, if you do not provide your bank, broker or other nominee with instructions on how to vote your shares with respect to Proposal Nos. 1 and 2, your bank, broker or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker or other nominee, and your vote will not be cast for Proposal No. 3.

### *Shares held in Company Retirement Accounts*

Plan Shares can be voted only by mailing in the attached proxy card; they cannot be voted in person at the Annual Meeting, and prior voting instructions cannot be revoked at the Annual Meeting. **If you are a Plan participant, your proxy card must be received no later than April 25, 2008.** Please see *Shareholders Entitled to Vote at the Meeting* *Shares held in Company Retirement Accounts* above for additional

## **Table of Contents**

information about how your shares will be voted if you fail to return your proxy card or if you mail and sign, but fail to complete your proxy card.

### ***Revoking Your Proxy***

If you are a shareholder of record, you may revoke your proxy before it is voted by:

completing a new proxy with a later date and delivering it to us prior to the start of the Annual Meeting;

notifying the Secretary of the Company in writing prior to the start of the Annual Meeting that you have revoked your proxy; or

voting in person at the Annual Meeting.

If you hold your shares in street name, you must contact your bank, broker or other nominee to revoke your proxy.

If you are a company employee or retiree who holds shares as a participant in the Plan, pursuant to the terms of the Plan you may not revoke your voting instructions once your proxy card has been delivered to the Plan trustee.

### ***Voting in Person***

If you are a shareholder of record and you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting.

If your shares are held in the name of your broker, bank or other nominee, and you plan to attend the Annual Meeting and wish to vote in person, you must bring a legal proxy from your broker, bank or other nominee authorizing you to vote your street name shares held as of the Record Date in order to be able to vote at the Annual Meeting. A legal proxy is an authorization from your bank, broker or other nominee to vote the shares that it holds in its name.

If you hold shares as a participant in the Plan you may not vote those shares in person at the Annual Meeting.

### **Proxy Solicitation**

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. We have engaged Georgeson Inc. to assist us in soliciting proxies for a fee of approximately \$8,000 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers and employees in person or by telephone or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to shareholders.

### **Delivery of Proxy Materials and Annual Report to Households**

The Rules of the Securities and Exchange Commission (the SEC) permit companies and banks, brokers or other nominees to deliver a single copy of an annual report and proxy statement to households at which two or more shareholders reside (commonly referred to as householding).

**Table of Contents**

If you are a beneficial owner and you share an address with another beneficial owner you may have been contacted by the bank, broker or other nominee who holds shares on your behalf about whether or not you would like to participate in householding. Even if you did not respond to this notice, under certain circumstances you may have been deemed to have implicitly consented to householding, pursuant to SEC rules, by not objecting to householding. If you and the other beneficial shareholders residing at your address consented to householding your household will receive only one copy of our annual report to shareholders for our last fiscal year (the Annual Report ) and this proxy statement. Beneficial Owners sharing an address who consent to householding will continue to receive separate proxy cards. Beneficial owners sharing an address who wish to receive separate copies of this proxy statement and Annual Report, or who wish to begin receiving a single copy of such materials, will need to contact their broker, dealer, bank or other nominee to make such request.

If you are a shareholder of record and (i) want to participate in householding, (ii) no longer want to participate in householding, or (iii) are participating in householding but would like additional copies of either our Annual Report or this proxy statement (without charge), you may do so by either sending a written request to Spectrum Brands, Inc., 6 Concourse Parkway, Suite 3300, Atlanta, Georgia 30328, Attention: Vice President, Investor Relations, calling us at (770) 829-6200 or writing to us via electronic mail at [investorrelations@spectrumbrands.com](mailto:investorrelations@spectrumbrands.com). Holders of record sharing an address who consent to householding will continue to receive separate proxy cards.

**Compensation Discussion and Analysis**

The Company's named executive officers for Fiscal 2007 consist of the following persons:

<b>Named Executive</b>	<b>Position</b>
Kent J. Hussey	Chief Executive Officer
David A. Jones	Former Chairman and Chief Executive Officer
Anthony L. Genito	Executive Vice President, Chief Financial Officer and Chief Accounting Officer
Randall J. Steward	Former Executive Vice President and Chief Financial Officer
David R. Lumley	Co-Chief Operating Officer and President - Global Batteries and Personal Care
John A. Heil	Co-Chief Operating Officer and President - Global Pet Supplies
Amy J. Yoder	President United Industries
Kenneth V. Biller	Former President, Global Operations
Remy E. Burel	Former President - Europe/ROW Batteries and Personal Care

Mr. Jones, Mr. Biller and Mr. Steward are no longer employed by the Company and were not executive officers of the Company as of the end of Fiscal 2007. Mr. Burel remained employed by the Company through January 31, 2008; however, he relinquished all of his management responsibilities as of July 26, 2007 and was not an executive officer of the Company as of the end of Fiscal 2007. When we refer to our current named executive officers we are referring to Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Ms. Yoder.

**Table of Contents**

The Company pursues several objectives in determining its executive compensation programs. It seeks to attract and retain highly qualified executives and ensure continuity of senior management for the Company as a whole and for each of the Company's three business segments to the extent consistent with the overall objectives of the Company. It seeks to align the compensation paid to our executives with the overall business strategies of the Company while leaving the flexibility necessary to respond to changing business priorities. It also seeks to align the interests of our executives with those of our shareholders and seeks to reward our executives when they perform in a manner that creates value for our shareholders. The Compensation Committee of our Board of Directors (which we will refer to as the Compensation Committee) is responsible for developing, adopting, reviewing and maintaining the Company's executive compensation programs in order to ensure that they continue to benefit the Company. In order to carry out this function, the Compensation Committee:

Considers the advice of compensation consultants engaged to advise on executive compensation issues and program design, including advising on the Company's compensation program as it compares to similar companies;

Reviews compensation summaries for each named executive officer periodically, including the compensation and benefit values offered to each executive, accumulated value of equity and other past compensation awards, and other contributors to compensation;

Consults with our Chief Executive Officer and other management personnel, including our Vice President of Corporate Human Resources with and without the presence of the Chief Executive Officer, in connection with compensation matters and periodically meets in executive session without management to evaluate management's input; and

Solicits comments and concurrence from other board members regarding its recommendations and actions at the Company's regularly scheduled board meetings.

The Compensation Committee has designed the Company's executive compensation programs so that, at target levels of performance and absent guarantees of minimum payout levels given as retention devices to Mr. Genito with respect to the 2008 Management Incentive Plan and for our current named executive officers with respect to the 2008 Long Term Incentive Plan (described below under the headings *Management Incentive Plan* and *Long Term Incentive Plan*), a significant portion of the value of each executive's annual compensation (consisting of salary and incentive plans) is represented by compensation based on the Company's achievement of performance objectives set by the Compensation Committee. However, in applying these compensation programs to individual circumstances, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee varies by individual, and the Compensation Committee is free to design compensation programs that provide for target-level performance based compensation to be an amount equal to or less than 50% of total annual compensation. For example, for Fiscal 2008, after taking into account certain incentive plan guarantees made for retention purposes as described below under the headings *Management Incentive Plan* and *Long Term Incentive Plan*, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee is as set forth below for each named executive officer who continues to be employed by the Company:

<b>Named Executive</b>	<b>% Performance Based</b>
Kent J. Hussey	50.0%
Anthony L. Genito	31.8%
David R. Lumley	50.0%
John A. Heil	50.0%
Amy J. Yoder	45.8%

## **Table of Contents**

The remainder of each executive's compensation is made up of amounts that do not vary based on performance. For all named executive officers other than Mr. Genito, these non-performance based amounts are set forth in such executive's employment agreement, as described below, subject to review and potential increase by the Compensation Committee. With respect to Mr. Genito, his annual base salary is determined from time to time by the Compensation Committee, but is not set forth in an employment agreement. In all cases these amounts are determined by the Compensation Committee taking into account current market conditions, the Company's financial condition at the time such compensation levels are determined, compensation levels for similarly situated executives with other companies, experience level and the duties and responsibilities of such executive's position, including with respect to Mr. Lumley, Mr. Heil and Ms. Yoder the relative sizes of the business segments they manage.

### ***Employment Agreements***

The Compensation Committee evaluates from time to time the appropriateness of entering into employment agreements or other written agreements with members of the Company's management to govern compensation and other aspects of the employment relationship and has generally favored entering into employment agreements with its executive officers. With respect to the named executive officers who continue to be employed by the Company, other than Mr. Genito, at the direction of the Compensation Committee, the Company during the prior fiscal year entered into Amended and Restated Employment Agreements with Mr. Heil and Mr. Lumley on January 16, 2007; entered into an Employment Agreement with Ms. Yoder as of March 27, 2007; and entered into an Amendment on June 29, 2007 to the Amended and Restated Employment Agreement with Mr. Hussey dated as of April 1, 2005. At the time Mr. Genito became Chief Financial Officer of the Company, the Compensation Committee elected not to direct the Company to enter into an employment agreement with Mr. Genito. However, the Company and Mr. Genito had previously entered into a Severance Agreement dated as of October 1, 2005 that governs any termination of Mr. Genito's employment with the Company and the Compensation Committee continues to evaluate whether any amendments to this agreement, or the entry by the Company into any other written employment agreement with Mr. Genito, would be appropriate. As described below under the heading

*Termination and Change in Control Provisions*, during Fiscal 2007 the Company entered into separation agreements with respect to each of Mr. Jones, Mr. Steward, Mr. Biller and Mr. Burel terminating their then-existing employment agreements in connection with the termination of the employment relationship with each such executive.

The initial term for the agreement for Mr. Hussey expires on May 22, 2008, and the initial terms of the employment agreements for each of Mr. Lumley, Mr. Heil and Ms. Yoder expire on September 30, 2010. Each of these agreements provides that upon expiration of the initial term (and any subsequent renewal term), unless earlier terminated in accordance with such agreement, the agreement will automatically renew for an additional one-year period.

Each employment agreement permits the Company to terminate the executive's employment upon notice in the event of cause (as defined in each such agreement), or to terminate such executive's employment without cause for any reason upon 60 days prior written notice, or upon 30 days notice in the event that the executive is unable to perform his or her duties for a period of at least 6 months by reason of any mental, physical or other disability. Each employment agreement allows the executive to voluntarily terminate his or her employment for any reason upon 60 days prior written notice. Each agreement also terminates immediately upon the death of the executive. In addition, each agreement includes a provision allowing the executive to terminate his or her employment voluntarily in certain circumstances and have such termination be deemed a termination without

## Table of Contents

cause. The agreements with Messrs. Hussey, Lumley and Heil and Ms. Yoder also provide that if the executive officer resigns upon the occurrence of specified circumstances that would constitute good reason, or in the case of Mr. Hussey a constructive termination (as defined in each such agreement), the executive's resignation will be treated as a termination by us without cause and entitle the executive to the payments and benefits due with respect to a termination without cause. The amounts and benefits payable to each such executive upon the termination for his or her employment in accordance with their employment agreements, as well as those applicable upon termination of Mr. Genito's employment pursuant to his severance agreement, are described under the heading *Termination and Change in Control Provisions* beginning on page 37.

### **Compensation Components**

#### *Base Salary*

Annual base salary for each of the named executive officers other than Mr. Genito is set forth in the employment agreement with the named executive officer. In determining the annual base salary reflected in each named executive officer's employment agreement, the Compensation Committee considered current market conditions, the Company's financial condition at the time such compensation levels are determined, compensation levels for similarly situated executives with other companies, experience level and the duties and responsibilities of such executive's position, including with respect to Mr. Lumley, Mr. Heil and Ms. Yoder the relative sizes of the business segments they manage. This base salary level is subject to evaluation from time to time by the Compensation Committee to determine whether any increase in the contractual base salary is appropriate. With respect to Mr. Genito, his annual base salary is determined from time to time by the Compensation Committee based on the same considerations used for the other named executive officers. As of the end of Fiscal 2007 (or in the case of those named executive officers terminated during such year, as of such termination date), the annual base salaries were as set forth below for the named executive officers. Compensation amounts with respect to Mr. Burel were set forth in his employment agreement in Euros and paid in Euros. For purposes of the amounts reflected below, such Euro-denominated amounts are converted to U.S. dollar-denominated amounts using an exchange rate of 1 to \$1.42, the exchange rate as of September 30, 2007.

<b>Named Executive</b>	<b>Annual Base Salary at FYE or earlier Termination</b>
Kent J. Hussey	\$ 750,000
David A. Jones	\$ 900,000
Anthony L. Genito	\$ 325,000
Randall J. Steward	\$ 425,000
David R. Lumley	\$ 525,000
John A. Heil	\$ 450,000
Amy J. Yoder	\$ 400,000
Kenneth V. Biller	\$ 450,000
Remy E. Burel	\$ 532,500

Following the completion of Fiscal 2007, the Compensation Committee evaluated Mr. Genito's annual base salary in light of his performance in the Chief Financial Officer role and his salary level in comparison to other similarly situated Chief Financial Officers of publicly traded companies and determined to increase his annual base salary to \$350,000. In addition to the base salary reflected above for Mr. Jones, prior to his termination he also received additional salary of \$18,500 per annum pursuant to his employment agreement.

**Table of Contents***Management Incentive Plan*

Each of our named executive officers, as well as other management personnel of the Company, participate in the Company's annual performance-based bonus program referred to as the Management Incentive Plan (MIP), which is designed to compensate executives and other managers based on achievement of annual corporate, business segment and/or divisional goals. Under the MIP, each participant has the opportunity to earn a threshold, target or maximum bonus amount that is contingent upon achieving the performance goals set by the Compensation Committee and reviewed by the Board of Directors. The particular performance goals are typically established during the first quarter of the relevant fiscal year and reflect the Compensation Committee's then-current views of the critical indicators of success of the Company in light of the Company's then-current primary business priorities. For Fiscal 2007, the Compensation Committee, focusing on the need to service the interest on the Company's outstanding indebtedness and improve overall profitability in light of declining results during the prior fiscal year, established the performance measurements as adjusted EBITDA and cash flow, with each of these two goals weighted at 50%. For purposes of the 2007 MIP, adjusted EBITDA was measured as earnings (defined as operating income (loss) plus other income less other expenses) before interest, taxes, depreciation and amortization and excluding restructuring and other one-time charges. Cash flow was measured as adjusted EBITDA (as described above) plus or minus changes in current and long term assets and liabilities, less payments for interest and taxes, but excluding payments for cash restructuring and financing fees. For Fiscal 2008, the Compensation Committee, after considering the annual operating plan, the cash requirements imposed by the interest due with respect to the Company's outstanding indebtedness, the financial condition of the Company and the Company's publicly stated intention to explore possible strategic alternatives, including divesting of assets, has again established adjusted EBITDA and cash flow as the performance goals of the Company, again weighted at 50% each. Adjusted EBITDA for the 2008 MIP is measured in the same manner as for the 2007 MIP. In order to emphasize management's and the Board of Directors' intention to minimize restructuring expenditures going forward and ensure that senior management is fully focused on the total cash costs of such expenditures, the Compensation Committee elected to adjust how cash flow is measured for the 2008 MIP. For the 2008 MIP, cash flow will be measured as adjusted EBITDA (as described above) plus or minus changes in current and long term assets and liabilities, less payments for taxes, cash, restructuring and interest (defined as the variance between actual and planned interest payments), but excluding proceeds from dispositions and payments for financing fees (if incurred).

The specific performance targets with respect to each of these performance goals are tied to the Company's annual operating plan, as approved by our Board of Directors. Consistent with the Company's operation of each of its three business segments, Global Batteries and Personal Care, Home and Garden and Global Pet Supplies, as stand alone business segments, the annual operating plan includes performance targets for the Company as a whole as well as for each business segment. In the case of divisional managers within those business segments, divisional level performance targets have also been established.

For Fiscal 2007 the performance targets for each of Mr. Hussey, Mr. Jones, Mr. Genito, Mr. Steward and Mr. Biller were those established for the Company as a whole. With respect to Mr. Lumley and Mr. Heil, the Fiscal 2007 MIP performance targets were based 80% on the performance targets established for their respective business segments and 20% on the performance targets established for the Company as a whole. With respect to Ms. Yoder, the Fiscal 2007 MIP performance targets were based 100% on the performance targets established for Home and Garden, with the target award value prorated at 50% because of Ms. Yoder's April 2, 2007 hire date. With respect to Mr. Burel, the Fiscal 2007 MIP performance targets were based 80% on the performance targets established for the European division of Global Batteries and Personal Care and 20% on the performance targets established for the Company as a whole.

**Table of Contents**

The target MIP award levels achievable by each of the named executive officers other than Mr. Genito (that is to say, the amount achievable if 100% of the applicable performance targets are met) are as set forth in each such named executive officer's employment agreement, expressed as a percentage of annual base salary. Mr. Genito's target MIP award level for Fiscal 2007 was set by the Compensation Committee, also as a percentage of annual base salary. For purposes of the 2007 MIP, the target award percentages for the named executive officers were as follows:

Named Executive	Target as % of Annual Base
Kent J. Hussey	100%
David A. Jones	125%
Anthony L. Genito	75%
Randall J. Steward	75%
David R. Lumley	100%
John A. Heil	100%
Amy J. Yoder	75%
Kenneth V. Biller	75%
Remy E. Burel	60%

It is possible to receive an award amount under the MIP program above or below the target award percentage. For the 2007 MIP, the potential award levels, expressed as a percentage of the target award, range from 50% for achievement of threshold performance levels established by the Compensation Committee, 100% for performance at the target performance levels, increasing from there up to a maximum payout of 200% of the target award if actual performance rises to 133.3% of the target performance levels.

In addition, the Compensation Committee retains the flexibility to increase the MIP award amount for individual management personnel on a case by case basis to the extent it deems appropriate in light of specific performance circumstances. With respect to the 2007 MIP Award, the Compensation Committee elected to exercise this ability and adjust the award for Ms. Yoder. After taking into account the restructuring of the Home and Garden Business led by Ms. Yoder since her hiring in April 2007, which is expected to benefit the Company as a whole going forward together with the extremely unusual weather conditions, which included unusually cold weather around the Easter sales period, followed by extreme drought conditions in most of the southern part of the United States which adversely affected the demand for home and garden products industry-wide and thus the performance of the Home and Garden Business in the 2007 season, the Compensation Committee determined to increase the MIP award payable to Ms. Yoder for Fiscal 2007 by increasing the proration level applicable to her award from 50% to 75%.

**Table of Contents**

The chart below reflects the 2007 MIP award amounts earned by each of the named executive officers, expressed as a percentage of target award amount, based on the Company's performance in light of the performance goals established by the Compensation Committee, taking into account the adjustment for Ms. Yoder described above. The dollar amount of the awards for each named executive are set forth in the *Summary Compensation Table* beginning on page 28. These award amounts were paid in November 2007.

Named Executive	MIP Award as % of Target
Kent J. Hussey	153.1%
David A. Jones	153.1%
Anthony L. Genito	153.1%
Randall J. Steward	153.1%
David R. Lumley	168.8%
John A. Heil	95.5%
Amy J. Yoder	100.0%
Kenneth V. Biller	153.1%
Remy E. Burel	114.3%

Among the named executive officers, only our current named executive officers are eligible to participate in the 2008 MIP, provided that Mr. Burel will participate on a pro-rated basis based on his January 31, 2008 employment end date. As of the date of this report, for purposes of the 2008 MIP, the target award percentages for each participating named executive officers are as follows:

Named Executive	Target as % of Annual Base
Kent J. Hussey	100%
Anthony L. Genito	75%
David R. Lumley	100%
John A. Heil	100%
Amy J. Yoder	75%
Remy E. Burel	60%

The Fiscal 2008 MIP performance targets for each of Mr. Hussey and Mr. Genito will continue to be those established for the Company as a whole and the performance targets for each of Mr. Lumley, Mr. Heil and Ms. Yoder will be based 80% on the performance targets established for their respective business segments and 20% on the performance targets for the Company as a whole. With respect to Mr. Burel, the Fiscal 2008 MIP performance targets were based 80% on the performance targets established for the European division of Global Batteries and Personal Care and 20% on the performance targets established for the Company as a whole. The potential 2008 MIP awards for each of our named executive officers who continue to be employed by the Company under the 2008 MIP program, expressed as a percentage of the target award, range from 50% for achievement of threshold performance levels established by the Compensation Committee, 100% for performance at the target performance levels, increasing from there up to a maximum payout of 200% of the target award if actual performance rises to 120% of the target performance levels. As a retention device, the Compensation Committee has guaranteed to Mr. Genito that he will receive a 2008 MIP award at least equal to 50% of his target award amount.

*Long Term Incentive Plan*

In order to focus our management on the long-term performance of the Company as well as to enhance an ownership culture within the ranks of our senior management, the Company has established a long-term

**Table of Contents**

incentive plan ( LTIP ) based on a combination of equity and non-equity compensation. Such awards are earned based on the performance of the Company over time. With respect to our named executive officers other than Mr. Genito, the target LTIP award level, expressed as a percentage of annual base salary, is specified in their respective employment agreements with the Company. In determining the target LTIP award levels, the Compensation Committee considers each executive's total compensation relative to other similarly situated executives within the Company, long term incentive compensation paid to similarly situated executives in other companies, experience level and the duties and responsibilities of such executive's position. With respect to Mr. Genito, who does not have an employment agreement, the target LTIP award level was established pursuant to the level approved by the Compensation Committee for members of management with Mr. Genito's title based on the same considerations used for the other named executive officers. All of the named executive officers other than Ms. Yoder, who did not join the Company until March 2007, after the time such awards were granted, received restricted stock LTIP awards in Fiscal 2007. Among our named executive officers, only our current named executive officers are eligible to receive LTIP awards for Fiscal 2008.

The equity-based component of the LTIP is implemented through the granting of restricted stock awards at the beginning of the fiscal year for which such award is made that then vests based on continued employment and the achievement by the Company of performance goals established by the Compensation Committee that is tied to the Company's annual operating plan, based on the Compensation Committee's then-current view of the goal or goals the Compensation Committee determines to be most important in measuring achievement of the Company's then-current long-term goals. For LTIP awards for Fiscal 2007, only members of the Company's executive committee and other senior vice presidents of the Company were entitled to receive equity-based awards. For purposes of the 2008 LTIP awards and beyond, the Compensation Committee has established a Company policy of awarding equity-based compensation under the LTIP only to members of the Spectrum Leadership Team, which serves as the Company's executive committee. The current members of the Spectrum Leadership Team are Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Ms. Yoder. All other participants in the LTIP will receive only cash-based awards.

The 2007 LTIP award granted to each of the named executive officers was an award of shares of restricted stock on October 2, 2006, with the number of shares equal to that executive's LTIP target divided by the average of the high and low share prices on the date of grant. The target LTIP award level for each named executive officer, other than Ms. Yoder, at the time the 2007 LTIP awards were granted was:

<b>Named Executive</b>	<b>LTIP Target Level as % of Annual Base</b>
Kent J. Hussey	125%
David A. Jones	225%
Anthony L. Genito	75%
Randall J. Steward	125%
David R. Lumley	125%
John A. Heil	150%
Kenneth V. Biller	125%
Remy E. Burel	100%

The award agreements governing the restricted stock awards provided that the restrictions would lapse based on continued employment and the achievement of the Company-wide performance objectives for Fiscal 2007, which was established as an adjusted EBITDA target tied to the Company's annual operating plan. Adjusted EBITDA is measured in the same manner as was done for the 2007 MIP; however, the adjusted

**Table of Contents**

EBITDA performance target for the 2007 LTIP was higher than the adjusted EBITDA target for the 2007 MIP. Once the performance target is achieved, the restrictions for continued employment lapse in equal annual installments over four years. The award agreements for Fiscal 2007 provided that if 100% of the established performance goals for Fiscal 2007 were met, then 100% of the restricted shares awarded would be eligible for the four-year continued employment vesting. If the Company achieved less than 80% of the Fiscal 2007 LTIP performance goals, then the entire award amount would be forfeited to the Company. If the Company achieved at least 80%, but less than 90% of the Fiscal 2007 LTIP performance goals, then the entire award would not be forfeited, but instead the award would be rolled into the ability to earn such shares, as described below, based on Fiscal 2008 performance. If the Company achieved at least 90%, but less than 100% of the Fiscal 2007 LTIP performance goals, then a certain percentage of the restricted shares awarded, based on the terms of the restricted stock award agreement, would be eligible for the four-year continued employment vesting and the remaining shares of the award would be rolled into the ability to earn such shares, as described below, based on Fiscal 2008 performance. For any restricted shares for which the only remaining restriction, after taking into account Fiscal 2007 performance, is continued employment, the restrictions on 25% of such restricted shares would lapse on each of December 1, 2007, December 1, 2008, December 1, 2009 and December 1, 2010, provided that the recipient's employment with the Company has not been terminated with cause by the Company or voluntarily by the recipient prior to such date. Where the recipient earned less than 100% of the restricted shares based on Fiscal 2007 performance but retained the opportunity to earn the remainder of such shares based on Fiscal 2008 performance, if the Company achieves 102.5% of the Fiscal 2008 LTIP performance goal established by the Compensation Committee, then the restrictions on 25% of the award would lapse annually on each of December 1, 2008, December 1, 2009, December 1, 2010 and December 1, 2011, provided that the recipient's employment with the Company has not been terminated with cause by the Company or voluntarily by the recipient prior to such vesting date. If Fiscal 2008 performance goals are not met, any remaining restricted stock would be forfeited to the Company. Based on actual Fiscal 2007 performance, recipients of the Fiscal 2007 LTIP restricted stock awards earned 90% of the total restricted stock awarded and the remaining 10% will be rolled into the ability to earn such shares based on Fiscal 2008 performance.

For Fiscal 2008, the Compensation Committee, taking into account the remaining number of shares authorized to be issued under the 2004 Rayovac Incentive Plan and the current market value of the Company's stock, has modified its LTIP program applicable to those named executive officers who continue to be employed by the Company such that 50% of such award is an equity-based award and 50% of such award is a cash-based award. As in 2007, for each named executive officer who continues as an employee of the Company (other than Mr. Genito), the target value of such award is established pursuant to the employment agreement for such named executive officer, which in each case provides for a target LTIP award equal in value to a defined percentage of such executive's annual base salary. With respect to Mr. Genito, who does not have an employment agreement, the target value of such award has been established by the Compensation Committee as 100% of Mr. Genito's annual base salary. As of the date of this report, the target LTIP award levels for each named executive officer eligible to receive an LTIP award for Fiscal 2008 is:

<b>Named Executive</b>	<b>LTIP Target Level as % of Annual Base</b>
Kent J. Hussey	150%
Anthony L. Genito	100%
David R. Lumley	150%
John A. Heil	150%
Amy J. Yoder	125%

For Fiscal 2008, the lapsing of the restrictions on the equity-based portion of such LTIP award is based on continued employment and the achievement of the Company-wide performance goal for Fiscal 2008, which is entirely based on achievement of an adjusted EBITDA target tied to the annual operating plan. Adjusted EBITDA will be measured in the same manner as with the 2008 MIP. The Compensation Committee feels that adjusted EBITDA is an appropriate measure for a long term award in light of the Company's ongoing consideration of strategic alternatives for the Company, including the intended sale of Home and Garden and the consideration of other assets sales and the common usage of multiples of EBITDA as a valuation tool in a sale of business context. In light of these considerations, the Compensation Committee has also reduced the period over which, once the performance goals are met, the restrictions for continued employment will lapse to two years, rather than the four-year period used for the 2007 LTIP awards. The award agreements for Fiscal 2008 provided that if 100% of the established performance goals for Fiscal 2008 are met, then 100% of the restricted shares awarded would be eligible for the two-year continued employment vesting. If the Company achieves less than 80% of the Fiscal 2008 LTIP performance goal, then the entire award amount would be forfeited to the Company. If the Company achieves at least 80%, but less than 90% of the Fiscal 2008 LTIP performance goal, then the entire award would not be forfeited, but instead the award would be rolled into the ability to earn such shares, as described below, based on Fiscal 2009 performance. If the Company achieves at least 90%, but less than 100% of the Fiscal 2008 LTIP performance goal, then a certain percentage of the restricted shares awarded, based on the terms of the restricted stock award agreement, would be eligible for the two-year continued employment vesting and the remaining shares of the award would be rolled into the ability to earn such shares, as described below, based on Fiscal 2009 performance. For any restricted shares for which the only remaining restriction, after taking into account Fiscal 2008 performance, is continued employment, the restrictions on 50% of such earned shares would lapse on December 1, 2008, and the restrictions on the other 50% of such earned shares would lapse on December 1, 2009, provided that the recipient's employment with the Company has not been terminated with cause by the Company or voluntarily by the recipient prior to such date. Where the recipient earns less than 100% of the restricted shares based on Fiscal 2008 performance but retains the opportunity to earn the remainder of such shares based on Fiscal 2009 performance, if the Company achieves 102.5% of the Fiscal 2009 LTIP performance goal or goals established by the Compensation Committee, then the restrictions on 50% of such earned shares would lapse on December 1, 2009 and then the restrictions on 50% of such earned shares would lapse on December 1, 2010. If such Fiscal 2009 performance goals are not met, such remaining restricted stock would be forfeited to the Company.

In order to utilize the remaining available shares under the 1997 Rayovac Incentive Plan prior to its expiration on August 31, 2007, a part of the equity-based portion of the 2008 LTIP award for each of Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Ms. Yoder was made on August 27, 2007 in the form of restricted stock awards. The remainder of the equity-based portion of the 2008 LTIP award has been made in Fiscal 2008.

For Fiscal 2008, the cash-based portion of the 2008 LTIP award would be earned based on continued employment and on the achievement of the Company-wide performance goal for Fiscal 2008, which is entirely based on achievement of an adjusted EBITDA target tied to the Company's annual operating plan. If the Company achieves 100% of the Fiscal 2008 LTIP performance goal established by the Compensation Committee, then the executive would be eligible to earn 100% of the target cash-based award amount, payable as described below. If the Company achieves less than 80% of the Fiscal 2008 LTIP performance goal, then the executive would receive no cash-based award under the 2008 LTIP. If the Company achieves at least 80%, but less than 90% of the Fiscal 2008 LTIP performance goal, then the recipient would not earn any of the target cash-based award for Fiscal 2008, but would remain eligible to earn such award, as described below, based on Fiscal 2009 performance. If the Company achieves at least 90%, but less than 100% of the Fiscal 2008 LTIP

**Table of Contents**

performance goal, then the recipient would be eligible to earn a stated percentage of the target cash-based award, payable as described below, and would remain eligible to earn any remaining unearned portion of the award, as described below, based on Fiscal 2009 performance. For performance in excess of the Fiscal 2008 LTIP performance goal, such executive would receive an award in excess of the target cash-based award amount, up to 200% of such target cash-based award amount for achieving 140% of the Fiscal 2008 LTIP performance goal. For any cash-based LTIP award so earned based on Fiscal 2008 performance, 50% of such earned amount would be payable on or before December 31, 2008 and the remaining 50% of such cash award would be payable on or before December 31, 2009, provided that the recipient's employment with the Company has not been terminated with cause by the Company or voluntarily by the recipient prior to such date. Where the recipient earns less than 100% of the target award amount based on Fiscal 2008 performance but retains the opportunity to earn the remainder of such cash-based award amount based on Fiscal 2009 performance, if the Company achieves 102.5% of the Fiscal 2009 LTIP performance goal or goals established by the Compensation Committee, then the executive would be eligible to earn the remainder of such cash-based award, which would then be payable in equal amounts on December 1, 2009 and December 1, 2010. If such Fiscal 2009 performance goals were not met, the executive would lose the ability to earn such remaining cash-based award.

As a retention mechanism, the Compensation Committee has guaranteed that each of Mr. Hussey, Mr. Genito, Mr. Heil, Mr. Lumley and Ms. Yoder, so long as they continue to be employed by the Company, will receive a 2008 LTIP cash-based award equal to 100% of the target cash-based award amount.

*One-Time Performance-Based Restricted Stock Incentive Grant*

As described above, the Compensation Committee continually evaluates the compensation of the Company's senior executives to determine if they are properly attuned to the strategic plan of the business as a whole. In August 2007, the Compensation Committee reviewed the equity ownership of the current senior management team of the Company in light of the following factors (1) the significant equity interest held by former members of the Company's management team, (2) the announcement of the Company's business strategy to pursue one or more strategic asset sales and (3) the desire to increase the tie between the interests of the Company's shareholders generally and that of its current senior management team. As a result of this review, the Compensation Committee determined that it would be in the best interests of the Company to more closely align the interests of senior management with the interests of the Company and its shareholders by increasing such senior management's equity stake in the Company. To this end, the Compensation Committee authorized an additional one-time restricted stock award to each of Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Ms. Yoder with a value at the time of grant on August 27, 2007 equal to 100% of each such executive's annual base salary. This restricted stock will be earned based on continued employment and Company performance in excess of the stated adjusted EBITDA goal in the Company's Fiscal 2008 annual operating plan for, in the case of Mr. Hussey and Mr. Genito, the Company as a whole and, in the case of Mr. Lumley, Mr. Heil and Ms. Yoder, their respective business segments (for each, the 2008 AOP Goal). If the Company achieves a certain percentage of the 2008 AOP Goal, then the restrictions on a percentage of such restricted shares would lapse. To the extent 100% of the restricted shares do not lapse, the executive retains the ability to earn the remaining restricted shares, as described below, based on Fiscal 2009 performance and/or Fiscal 2010 performance. The following chart sets forth the applicable percentages for the 2008 AOP Goals:

<b>% for Achievement of 2008 AOP Goal</b>	<b>Restricted Shares Lapse</b>
less than 104%	0%
at least 104%, but less than 105%	50%
at least 105%, but less than 106%	75%
at least 106%	100%

**Table of Contents**

Pursuant to these awards, any restricted stock not earned based on Fiscal 2008 performance could be earned based on continued employment and the Company performance in excess of the stated adjusted EBITDA goal in the Company's Fiscal 2009 annual operating plan for, in the case of Mr. Hussey and Mr. Genito, the Company as a whole and, in the case of Mr. Lumley, Mr. Heil and Ms. Yoder, their respective business segments (for each, the 2009 AOP Goal). If the Company achieves a certain percentage of the 2009 AOP Goal, then the restrictions on a percentage of such restricted shares would lapse. To the extent 100% of the restricted shares do not lapse, the executive retains the ability to earn the remaining restricted shares, as described below, based on Fiscal 2010 performance. The following chart sets forth the applicable percentages for the 2009 AOP Goals:

<b>% for Achievement of 2009 AOP Goal</b>	<b>Restricted Shares Lapse</b>
less than 104%	0%
at least 104%, but less than 105%	50%
at least 105%, but less than 106%	75%
at least 106%	100%

For any remaining restricted stock with respect to which the restrictions have not lapsed pursuant to the provisions set forth above, the executive would have the opportunity to earn such restricted stock based on continued employment and the Company performance in excess of the stated adjusted EBITDA goal in the Company's Fiscal 2010 annual operating plan, for, in the case of Mr. Hussey and Mr. Genito, the Company as a whole and, in the case of Mr. Lumley, Mr. Heil and Ms. Yoder, their respective business segments (for each, the 2010 AOP Goal). If the Company achieves a certain percentage of the 2010 AOP Goal, then the restrictions on a percentage of such restricted shares would lapse and remaining restricted shares would be forfeited to the Company. The following chart sets forth the applicable percentages for the 2010 AOP Goals:

<b>% for Achievement of 2010 AOP Goal</b>	<b>Restricted Shares Lapse</b>
less than 102%	0%
at least 102%, but less than 104%	50%
at least 104%	100%

*Restricted Stock Grants Upon Execution of Employment Agreements*

Each of Mr. Lumley, Mr. Heil and Ms. Yoder executed new employment agreements during Fiscal 2007 (as described previously under the heading *Employment Agreements*) that provided for initial grants of restricted stock. Each of Mr. Lumley and Mr. Heil were granted 50,000 shares of restricted stock and Ms. Yoder was granted 35,000 shares of restricted stock. All such restricted stock is contingent only upon continued employment and will cliff vest on the third anniversary of the grant date, which for Mr. Lumley and Mr. Heil would be February 1, 2010 and for Ms. Yoder would be April 2, 2010.

*2005 Superior Achievement Program Restricted Stock Grants*

In April 2005, each of Mr. Hussey, Mr. Genito, Mr. Heil, Mr. Steward, Mr. Biller and Mr. Burel received a grant of restricted stock under the 2004 Rayovac Incentive Plan as part of the Company's Superior Achievement Program. At the time these grants were made, the Compensation Committee believed that key measures of the ongoing success of the Company would be its ability to achieve synergy savings associated with the acquisition of United and the pending acquisition of Tetra, growth in the Company's earnings per share and growth in free cash flow. In order to focus senior management on these goals, the Compensation Committee granted restricted

shares the restrictions on which would lapse on the earlier (i) achievement by the Company of synergy savings, earnings per share growth and free cash flow growth performance goals between the time of grant and September 30, 2007 or (ii) February 7, 2012, but only if such executive's employment with the Company is not terminated for any reason prior to such date. The restricted shares granted to Mr. Steward and Mr. Biller pursuant to the Superior Achievement Program were forfeited to the Company in connection with the termination of their employment relationships with the Company. The restricted shares granted to Mr. Burel pursuant to this Superior Achievement Program were forfeited to the Company on January 31, 2008 in connection with the termination of Mr. Burel's employment relationship with the Company. Based on the Company's performance through September 30, 2007, the performance goals described above were not achieved and, as a result, none of the shares of restricted stock awarded pursuant to the Superior Achievement Program will be earned as a result of the performance of the Company.

*Deferral and Post-Termination Rights*

*Retirement Benefits.* The Company has in effect or previously had in effect various retirement and other post-employment programs available to certain executives, including the named executive officers. These consist of the Rayovac Deferred Compensation Plan (the "Deferred Compensation Plan"), the Spectrum Brands, Inc. Supplemental Executive Retirement Plan (the "SERP"), the Company's 401(k) plan, and, in the case of Mr. Burel, a pension plan through the Company's wholly-owned subsidiary Rayovac Europe GmbH.

The SERP is a supplemental executive retirement plan for eligible employees of the Company. The Board of Directors determines which employees are eligible to participate. Pursuant to the SERP, the Company establishes an account for each participant. Each October 1st, the Company credits the account of each participant with an amount equal to 15% of the participant's base salary. In addition, each calendar quarter, the Company credits each account by an amount equal to 2% of the participant's account value as of the first day of the plan year containing such calendar quarter. Each participant vests 20% per year in his account after becoming a participant in the plan, with immediate full vesting occurring upon death, disability or a change in control of the Company. Among the named executive officers, only Mr. Hussey, Mr. Jones, Mr. Steward, Mr. Biller, Mr. Lumley and Mr. Heil are active participants in the SERP. The current account balances for each such active participant are set forth in the table entitled *Non-Qualified Deferred Compensation* starting on page 36.

None of the named executive officers were participants in the Deferred Compensation Plan at the end of Fiscal 2007, and, in fact, the Company had no active participants in the Plan at such time. Each of Mr. Hussey, Mr. Biller, Mr. Genito and Mr. Steward had positive balances in the Deferred Compensation Plan as of the beginning of Fiscal 2007, but the entire balance for each such executive was paid to such executive prior to the end of Fiscal 2007. These amounts so paid to each of Mr. Hussey, Mr. Biller, Mr. Genito and Mr. Steward are included in the Table entitled *Non-Qualified Deferred Compensation* starting on page 36. No contributions to the Deferred Compensation Plan were made by or on behalf of any named executive officer in Fiscal 2007.

Mr. Burel is a terminated vested participant in the VARTA Germany Executive Pension Plan, a defined benefit pension plan maintained by our subsidiary, Rayovac Europe GmbH, through which he is eligible to receive a fixed annual retirement payment. The terms of the plan provide that the annual retirement payment that participants are eligible to receive is computed based on both a fixed and variable component. The variable component is calculated based on the number of years of service a participant provides to the Company. As a result of the termination of Mr. Burel's employment with the Company, pursuant to the terms of the VARTA

## **Table of Contents**

Germany Executive Pension Plan and certain provisions of German law, Mr. Burel will be entitled to receive a pension benefit of \$29,797 upon reaching age 65, the normal retirement age under the Varta Germany Executive Pension Plan.

*Post-Termination Benefits.* As described above, the Company has entered into employment agreements with all its current named executive officers other than Mr. Genito which govern, among other things, post-termination benefits payable to such named executive officers should his or her employment with the Company terminate. As described previously, the Company and Mr. Genito have entered into a severance agreement to govern, among other things, post-termination benefits payable to Mr. Genito should his employment with the Company terminate. In connection with the termination of their employment with the Company, each of Mr. Jones, Mr. Steward and Mr. Biller have entered into Separation Agreement and Releases with the Company to govern the parties relative rights and obligations arising out of such termination of employment. A detailed description of the post-termination rights and benefits pursuant to each of the agreements described in this paragraph is set forth under the heading *Termination and Change in Control Provisions* on page 37.

### *Perquisites and Benefits*

The Company provides certain limited perquisites and other special benefits to certain executives, including the named executive officers. Among these benefits are financial planning services, tax planning services, car allowances or leased car programs, executive medical exams and executive life and disability insurance. In addition, Mr. Hussey, Mr. Steward and Mr. Jones participate in the Company's Medical Expense Reimbursement Plan, which provides for reimbursement for certain annual medical expenses not covered by the Company's health insurance plan, up to a maximum of \$10,000 per year (plus a tax gross-up as described below under *Tax Gross-Ups*). In addition, the Company permitted Mr. Jones and Mr. Biller, prior to the termination of their employment with the Company, and Mr. Hussey to have personal use of the Company's aircraft when it is not being used for business purposes. In addition, in certain circumstances, Mr. Jones, prior to the termination of his employment, was and Mr. Hussey continues to be permitted to travel to outside board meetings on the Company's aircraft, in which case the Company receives some reimbursement from the companies on whose boards Mr. Jones and Mr. Hussey serve.

### *Timing and Pricing of Stock-Based Grants*

Annual grants of restricted stock to our named executive officers are made on the first business day in October each year following approval by the Compensation Committee. In connection with the one-time performance-based grants to Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Ms. Yoder described above under the heading *One-Time Performance-Based Restricted Stock Incentive Grant* and in order to take advantage of remaining shares available under the Company's 1997 Rayovac Incentive Plan, in Fiscal 2007, the Company made certain restricted share grants on August 27, 2007, the same date that such awards were approved by the Compensation Committee. In connection with the restricted stock grants made to Mr. Lumley, Mr. Heil and Ms. Yoder upon the execution of their respective employment agreements, the grant date of February 1, 2007, February 1, 2007 or April 2, 2007, respectively, was set forth in each such executive's employment agreement. For purposes of valuing all grant awards, the grant price is the average of the high and low price of a share on the grant date.

### *Tax Treatment of Certain Compensation*

Pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, the Company may not be able to deduct certain forms of compensation paid to its executives who remain employed at the end of a fiscal year to the extent such compensation exceeds \$1,000,000. This section also includes an exception for certain performance-based compensation awards. While the Compensation Committee believes that it is generally in the Company's best interests to satisfy these deductibility requirements, it retains the right to authorize payments in excess of the deductibility limits if it believes it to be in the interests of the Company and its shareholders. The Company has had in the past, and may have in the future, instances where it has paid compensation to its executives that exceed the deductibility limits. For example, for Fiscal 2007, the compensation paid to Mr. Hussey by the Company included \$3,756,090 in compensation that is not deductible pursuant to Section 162(m).

### *Tax Gross-Ups*

The Company provides increases in payments to named executive officers and other management personnel to cover personal income tax due as a result of imputed income in connection with the provision of the following perquisites: car allowance or company leased car, financial planning and tax planning and executive life and disability insurance. To the extent the use of the Company's plane for permitted personal travel results in imputed income to Mr. Jones, Mr. Biller or Mr. Hussey, the Company provides gross-up payments to cover personal income tax due on such imputed income. In addition, pursuant to Mr. Jones' employment agreement and the separation agreement and release executed with Mr. Jones at the time of his departure as Chief Executive Officer of the Company, the Company agreed that to the extent any payment or distribution to Mr. Jones would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended, or any interest or penalties with respect thereto, then the Company would increase the payments to Mr. Jones in an amount to cover such excise tax and interest and penalties, if any. Beyond these tax gross-up payments, the Company does not make any other payment to the named executive officers to cover personal income taxes.

### *Recoupment Policy*

The Company does not currently have a recoupment policy relating to unearned incentive compensation of executive officers in the event that the Company has to restate all or a portion of its financial statements.

### *Governing Plans*

All outstanding grants of stock options and restricted stock were made pursuant to the 2004 Rayovac Incentive Plan, the 1997 Rayovac Incentive Plan or the Rayovac Corporation 1996 Stock Option Plan. The Rayovac Corporation 1996 Stock Option Plan expired in 2006 and no additional grants may be made pursuant to it. The 1997 Rayovac Incentive Plan expired on August 31, 2007 and no additional grants may be made pursuant to it.

***Termination and Change in Control Provisions***

*Awards under the Company's Incentive Plans*

Each named executive officer has received and currently holds stock options and/or restricted stock awards under the 1997 Rayovac Incentive Plan and the 2004 Rayovac Incentive Plan, including those made under the Company's LTIP incentive program. As described above, Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Ms. Yoder are also participants in the cash-based portion of the Company's 2008 LTIP and Mr. Hussey, Mr. Genito, Mr. Lumley, Mr. Heil and Mr. Burel are participants in the 2008 MIP. Each of these incentive plans contain provisions triggered by a change in control of the Company. For purposes of these incentive plans, change in control generally means the occurrence of any of the following events:

- (i) the acquisition, by any individual, entity or group of beneficial ownership of 20% or more of either the then outstanding shares of Common Stock or the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors;
- (ii) individuals who constituted the Board of Directors at the effective time of either of the plans and directors who are nominated and elected as their successors from time to time cease for any reason to constitute at least a majority of the Board;
- (iii) approval by the stockholders of the Company of a reorganization, merger, share exchange or consolidation; or
- (iv) approval by the stockholders of the Company of either a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company.

In the event of a change in control:

- (i) all stock options and stock appreciation rights outstanding as of the date the change in control occurs will become fully vested and exercisable;
- (ii) the restrictions and other conditions applicable to any restricted stock or other stock-based awards, including vesting requirements, will lapse, and the awards will become free of all restrictions and fully vested;
- (iii) the value of all outstanding stock options, stock appreciation rights, restricted stock and other stock-based awards will, unless otherwise determined by the Compensation Committee at or after grant, will be cashed out on the basis of the change in control price (as described below) as of the date such change in control occurs or such other date as the Compensation Committee may determine prior to the change in control; and

---

**Table of Contents**

- (iv) any incentive awards related to performance cycles prior to the performance cycle in which the change in control occurs that have been earned but not paid will become immediately payable in cash. In addition, each participant who has been awarded an incentive award will be deemed to have earned a pro rata incentive award.

For these purposes, the change in control price is the highest price per share paid in any transaction reported on the New York Stock Exchange-Composite Transactions or paid or offered in any bona fide transaction related to a potential or actual change in control of the Company at any time during the preceding 60-day period as determined by the Compensation Committee, except that, in the case of incentive stock options, unless the Compensation Committee otherwise provides, such price will be based only on transactions reported for the date on which the incentive stock options are cashed out.

***Spectrum Brands, Inc. Supplemental Executive Retirement Plan***

As discussed under the heading *Deferral and Post-Termination Rights* beginning on page 25, Mr. Hussey, Mr. Jones, Mr. Steward, Mr. Biller, Mr. Lumley and Mr. Heil are continuing participants in the Company's SERP. A participant earns a fully vested and nonforfeitable interest in his or her SERP account after five years of service to the Company, becoming 20% vested in each year. However, upon a change of control as defined under the SERP, or the death or disability of such participant, a participant immediately becomes fully-vested. Among the named executive officers that are participants in the SERP, only Mr. Heil and Mr. Lumley are not fully vested. As a result, only Mr. Heil and Mr. Lumley would be affected by this change in control provision. As of September 30, 2007, Mr. Heil was 20% vested and Mr. Lumley was 0% vested. These vesting percentages increased to 40% and 20%, respectively, on October 1, 2007.

Participants in the SERP make irrevocable elections as to when they wish to begin receiving distributions under the SERP. Each of the following NEOs have elected to receive distributions under the SERP following any termination of their employment with the Company: Mr. Jones, Mr. Steward and Mr. Biller.

***Executive-Specific Provisions***

As discussed under the heading *Employment Agreements* beginning on page 15, (i) each of Mr. Hussey, Mr. Lumley, Mr. Heil and Ms. Yoder are parties to continuing employment agreements with the Company that govern various aspects of the employment relationship, including the rights and obligations of the parties upon termination of that employment relationship, (ii) the Company and Mr. Genito have entered into a severance agreement governing the rights and obligations of the parties in the event the employment relationship with Mr. Genito ends; and (iii) in connection with the end of the employment relationships with each of Mr. Jones, Mr. Steward, Mr. Biller and Mr. Burel, the Company and these named executive officers have entered into separation agreements governing the rights and obligations of the parties attending the end of their employment relationships. Set forth below is a brief description of the provisions of those agreements with respect to a termination of employment and/or in the event of a change in control.

***Kent J. Hussey***

The Company and Mr. Hussey, who was appointed Chief Executive Officer of the Company on May 23, 2007, are parties to an amended and restated employment agreement dated as of April 1, 2005, which was

## Table of Contents

amended on June 29, 2007 (as amended Mr. Hussey's employment agreement). Mr. Hussey's employment agreement contains the following provisions applicable upon the termination of Mr. Hussey's employment with the Company or in the event of a change in control of the Company.

*Employment relationship ends for any reason.* Following the end of Mr. Hussey's employment with the Company for any reason, Mr. Hussey is entitled to receive the following benefits: (i) the Company will reimburse Mr. Hussey for the reasonable expenses associated with Mr. Hussey's tax preparation and financial planning services for a period of ten (10) years from the end of his employment and (ii) for a period of ten (10) years from the end of his employment, the Company will arrange to provide Mr. Hussey and his spouse with continuing medical, dental and life insurance benefits substantially similar to those provided to Mr. Hussey and his spouse by the Company immediately prior to the end of his employment with the Company, at no greater cost to Mr. Hussey than the cost to Mr. Hussey immediately prior to such date. The right to receive these benefits was triggered pursuant to Mr. Hussey's employment agreement as then in effect upon his replacement as President and Chief Operating Officer of the Company, prior to the time he was named Chief Executive Officer.

*Termination of Mr. Hussey for Cause or voluntarily by Mr. Hussey.* In the event that Mr. Hussey's employment with the Company is terminated for cause (as defined in Mr. Hussey's employment agreement), or Mr. Hussey voluntarily terminates his employment (except pursuant to a constructive discharge, described below), then Mr. Hussey's right to receive salary and benefits will cease as of the date of such termination, except that Mr. Hussey will be entitled to any of his rights and accrued benefits.

*Termination of Mr. Hussey without Cause or as a result of Death or Disability.* If Mr. Hussey's employment with the Company ends as a result of a termination of his employment by the Company without cause, or as a result of Mr. Hussey's death or disability, and Mr. Hussey executes a separation agreement with a release of claims agreeable to the Company, Mr. Hussey would be entitled to receive the payments and benefits set forth below.

The Company will pay to Mr. Hussey, as severance, an amount in cash equal to two times the sum of (i) Mr. Hussey's base salary then in effect, and (ii) the annual bonus (if any) earned by Mr. Hussey pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year ending immediately prior to the fiscal year in which the termination occurs (the Hussey Cash Severance). Additionally, the Company will pay to Mr. Hussey an amount equal to the pro rata portion of the annual bonus Mr. Hussey actually would have earned for the fiscal year in which termination occurs. These amounts are to be paid to Mr. Hussey in a lump sum payment.

For the greater of the 24-month period immediately following such termination or the period ending on September 30, 2008, the Company will arrange to provide insurance, pension and all other benefits as are generally made available by the Company to its executive officers from time to time, including, without limitation, any SERP and/or medical expenses reimbursement plans, including the MERP, to Mr. Hussey and his dependents on a basis substantially similar to those provided to the Executive and his dependents by the Company immediately prior to the date of termination, at no greater cost to the Executive than the cost to the Executive immediately prior to such date. These benefits cease immediately upon the discovery by the Company of Mr. Hussey's breach of the agreements not to compete, not to solicit customers or employees and to maintain the confidentiality of secret processes and confidential information provisions included in Mr. Hussey's employment agreement, which extend, for a period of two years after his termination. In addition, these benefits will be reduced to the extent benefits of the same type are received by or made available to Mr. Hussey during the 24-month

**Table of Contents**

period following the termination of Mr. Hussey's employment; provided, however, that the Company will reimburse Mr. Hussey for the excess, if any, of the cost of such benefits to Mr. Hussey over such cost immediately prior to the date of termination.

Any outstanding awards made pursuant to the Company's Long Term Incentive Plan will become vested immediately.

*Constructive Termination.* Mr. Hussey's employment agreement permits Mr. Hussey, under certain circumstances, to terminate his employment relationship upon the occurrence of a constructive termination (as defined below). The election by Mr. Hussey to terminate his employment as a result of the occurrence of an event of constructive termination is, for the purposes of Mr. Hussey's employment agreement, as well as any stock option agreements or restricted stock award agreements between the Company and Mr. Hussey, treated as a termination by the Company without cause. As such, it would entitle Mr. Hussey, contingent upon his execution of a separation agreement with a release of claims agreeable to the Company, to receive those benefits described above under *Termination of Mr. Hussey without Cause or as a result of Death or Disability*. Constructive termination under Mr. Hussey's employment agreement is defined as the occurrence of any of the following events without Mr. Hussey's consent:

- (i) any reduction in Mr. Hussey's annual base salary;
- (ii) the required relocation of Mr. Hussey's place of principal employment to an office more than 50 miles from his current office, or the requirement by the Company that Mr. Hussey be based at an office other than the Company's current office on an extended basis;
- (iii) a substantial diminution or other substantive adverse change in the nature or scope of Mr. Hussey's responsibilities, authorities, powers, functions or duties; or
- (iv) a breach by the Company of any of its other material obligations under Mr. Hussey's employment agreement, if not cured within 30 days after written notice of such breach.

*Change in Control.* Under Mr. Hussey's employment agreement, Mr. Hussey may elect to terminate his employment within 60 days following a change in control (as generally defined under the incentive plans), and, if Mr. Hussey executes a separation agreement with a release of claims agreeable to the Company, then such termination by Mr. Hussey will be treated as a termination by the Company without cause, and Mr. Hussey would be entitled to the benefits described above under *Termination of Mr. Hussey without Cause or as a result of Death or Disability*, except that instead of the Hussey Cash Severance, the Company will pay to Mr. Hussey as cash severance an amount in cash equal to double the sum of (i) Mr. Hussey's base salary then in effect and (ii) the annual bonus (if any) earned pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year in which such termination occurs, which will be the full amount of such bonus even if Mr. Hussey terminates his employment before the end of such fiscal year. The Company may require that Mr. Hussey remain employed by the Company for up to a maximum of 3 months following the change in control.

*Anthony L. Genito*

Mr. Genito and the Company have not entered into an employment agreement. However, Mr. Genito and the Company have entered into a severance agreement dated October 1, 2005 that, together with the Company's policies and procedures, govern Mr. Genito's rights in connection with the termination or other end of his employment. Pursuant to Mr. Genito's severance agreement, if his employment is terminated (i) by the Company without cause (as defined in the severance agreement) or (ii) by reason of death or disability, and Mr. Genito

executes a separation agreement with a release of claims agreeable to the Company, then the Company will pay Mr. Genito the amounts, and provide Mr. Genito the benefits, described below:

The Company will pay to Mr. Genito an amount in cash equal to the sum of (i) two times his base salary in effect at the time of such termination, to be paid in equal semi-monthly installments over the two-year period beginning on the date of the termination of Mr. Genito's employment and (ii) two times the annual bonus to which Mr. Genito is entitled with respect to the fiscal year in which the termination occurs under any annual bonus or incentive plan maintained by the Company in an amount determined as if the Company had achieved 100% of the applicable performance goals set by the Board of Directors for such fiscal year, one-half of which will be paid to Mr. Genito on or before the December 31st following the end of such fiscal year and the remaining one-half of which will be paid on or before the following December 31st.

For the 24-month period immediately following such termination, the Company will arrange to provide Mr. Genito and his dependents with insurance benefits substantially similar to those provided to Mr. Genito and his dependents by the Company immediately prior to the date of termination, at no greater cost to Mr. Genito than the cost to Mr. Genito immediately prior to such date. These benefits will cease immediately upon the discovery by the Company of Mr. Genito's breach of the covenants not to compete, not to solicit customers or employees and to maintain the confidentiality of the Company's secret processes, confidential information and trade secrets contained in his severance agreement that extend for a period of two years following his termination. In addition, the benefits will be reduced to the extent benefits of the same type are received by or made available to Mr. Genito from another source during the period, provided that the Company will reimburse Mr. Genito for any amount by which the cost of those benefits exceed the cost of such benefits to Mr. Genito immediately prior to the date of termination.

*Retention/Change in Control.* Mr. Genito is a participant in a Company retention program put in place for certain members of management. No other named executive officers are participants in this retention program. Pursuant to this retention plan, in the event of a change in control (as defined in the incentive plans) prior to September 30, 2008, Mr. Genito would be entitled to receive the following payments and benefits set forth below:

A cash payment in an amount equal to the pro-rata share of Mr. Genito's target MIP award amount, based on the number of whole months completed in the then-current fiscal year prior to the date of such change in control.

A cash payment equal to 100% of Mr. Genito's target 2008 LTIP award, to be paid in two equal installments in November 2008 and November 2009.

An amount in cash equal to 33 1/3% of Mr. Genito's annual base salary plus target MIP award, assuming that Mr. Genito continues his employment with the surviving corporation through December 31, 2008. employment agreement dated as of March 27, 2007. The employment agreements for Mr. Lumley, Mr. Heil and Ms. Yoder contain substantially similar provisions with respect to amounts and benefits payable on a termination of employment and/or in the event of a change in control.

*Termination for Cause or voluntary termination by the executive (other than for good reason).* In the event that the Mr. Lumley, Mr. Heil or Ms. Yoder is terminated for cause (as defined in the applicable employment agreement) or terminates his or her employment voluntarily, other than for good reason (as defined below), the executive's salary and other benefits provided under his or her employment agreement cease at the time of such termination and such executive is entitled to no further compensation under his or her employment agreement. Notwithstanding this, the executive would be entitled to continue to participate in the Company's medical benefit plans to the extent required by law. Further, upon any such termination of employment, the Company would pay to the executive accrued pay and benefits.

*Termination without cause or for death or disability.* If the employment of Mr. Lumley, Mr. Heil or Ms. Yoder with the Company is terminated by the Company without cause or due to the executive's death or disability, the terminated executive is entitled to receive certain post-termination benefits, detailed below, contingent upon execution of a separation agreement with a release of claims agreeable to the Company. In such event the Company will:

pay the executive two times the sum of (i) the executive's base salary in effect immediately prior to the executive's termination and (ii) the annual bonus (if any) earned by the executive pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year ending immediately prior to the fiscal year in which the executive was terminated ratably over the 24-month period immediately following the executive's termination (the LHY cash severance );

pay the executive the pro rata portion of the target annual bonus for the fiscal year in which the termination occurs promptly following the executive's termination; and

for the greater of (i) the 24-month period immediately following such termination or (ii) the time remaining until September 30, 2010, arrange to provide the executive and his dependents with the insurance and other benefits generally made available from time to time by the Company to its executive officers who report to the Chief Executive Officer, on a basis substantially similar to those provided to the executive and his or her dependents by the Company immediately prior to the date of termination at no greater cost to the executive or the Company than the cost to the executive and the Company immediately prior to such date. These benefits will cease immediately upon the discovery by the Company of the executive's breach of the agreement not to compete and secret processes and confidentiality provisions included in his or her employment agreement. Each of the executive's employment agreements includes non-competition and non-solicitation that extend for one year following the executive's termination and confidentiality provisions that extend for two years following the executive's termination.

*Termination in the event that Mr. Heil, Mr. Lumley or Ms. Yoder elects to invoke his or her right to terminate his or her employment for good reason.* The employment agreements for Mr. Lumley, Mr. Heil and Ms. Yoder permit each executive, under certain circumstances, to terminate his or her employment relationship upon the occurrence of an event of good reason. Except as modified by the next paragraph, the election by such executive to terminate his or her employment as a result of the occurrence of an event of good reason is, for the purposes of such executive's employment agreement as well as any stock option agreements or restricted stock

award agreements with the Company, treated as a termination by the Company without cause. As such, it would entitle the executive, contingent upon such executive's execution of a separation agreement with a release of claims agreeable to the Company, to receive the pay and benefits described above under *Termination without cause or for death or disability*. For Mr. Lumley, Mr. Heil and Ms. Yoder, good reason is defined as the occurrence of any of the following events without such executive's consent:

- (i) any reduction in the applicable executive's annual base salary or MIP target level;
- (ii) other than for Ms. Yoder, the required relocation of such executive's place of principal employment to an office more than 75 miles, in the case of Mr. Lumley, or 40 miles, in the case of Mr. Heil, from that executive's current office, or the requirement by the Company that the executive be based at an office other than the such executive's current office on an extended basis;
- (iii) a substantial diminution or other substantive adverse change in the nature or scope of the executive's responsibilities, authorities, powers, functions or duties, provided that, in the case of Ms. Yoder, a reduction in the size or scope of the Home and Garden Business due to divestitures or transfers of assets to third parties does not constitute such a substantial diminution; or
- (iv) a breach by the Company of any of its other material obligations under the executive's employment agreement, if not cured within thirty (30) days after written notice of such breach;
- (v) other than for Mr. Lumley, the failure of the Company to obtain the agreement of any successor to the Company to assume and agree to perform such executive's employment agreement; or
- (vi) As more fully described below, for Mr. Lumley, Mr. Heil or Ms. Yoder, respectively, the sale of Global Batteries and Personal Care, Global Pet Supplies, or the Home and Garden Business, respectively, such executive currently leads.

As described above, one event of "good reason" for Mr. Lumley, Mr. Heil and Ms. Yoder, respectively, is deemed to occur upon the sale of Global Batteries and Personal Care, Global Pet Supplies, or the Home and Garden Business, respectively. However, the right of the affected executive to terminate his or her employment as a result of such a sale is contingent upon the executive electing to exercise that right during the 60 day period preceding the one year anniversary of the closing of the sale or the applicable business segment with the termination of employment to be effective on the one year anniversary date of such closing and that as a further condition executive will have remained employed by the acquirer of the business segment during the full one year period following such closing date. During such one-year period, the executive would be guaranteed an annual bonus of 100% of his or her target bonus amount. Unless the executive is terminated at the time of such sale, the Company is obligated to deposit in escrow on the closing date of the sale an amount equal to double the sum of (i) such executive's annual base salary and (ii) the target MIP award amount such executive would be eligible to receive if the Company met 100% of the applicable performance goals established by the Board of Directors or, if higher, the amount of the MIP award made to such executive for the fiscal year ending immediately prior to the closing of such sale. If such executive's employment is terminated without cause or by reason of death or disability following the closing date of the sale but before the first anniversary of the closing date of the sale or upon the executive's proper election to terminate his or her employment for good reason, then the escrow agent will pay out the escrowed amount to the executive over 24 months in lieu of the LHY Cash Severance. The executive would then also be entitled to receive those benefits described above under *Termination of Mr. Lumley, Mr. Heil, or Ms. Yoder, respectively, without cause, for death or disability* other than the LHY Cash Severance.

***Director Compensation Table***

The Compensation Committee is responsible for approving, subject to review by the Board of Directors as a whole, compensation programs for our non-employee directors. In that function, the Compensation Committee considers market data regarding director compensation and evaluates the Company's director compensation practices in light of that data and the characteristics of the Company as a whole.

Effective at the beginning of Fiscal 2007, directors receive an annual cash retainer of \$40,000. The chairperson of the Audit Committee and the chairperson of the Nominating and Corporate Governance Committee receive an additional annual retainer of \$5,000 and the Presiding Director receives an additional annual retainer of \$10,000. Directors also receive \$1,500 for each Board of Directors meeting attended (\$750 if they participated telephonically) and \$1,500 for each committee meeting attended (\$750 if they participated telephonically). Committee chairs receive an additional \$1,000 per committee meeting attended. The Compensation Committee reviewed these compensation arrangements in August 2007 in connection with the appointment of John Bowlin as Chairman of the Board, a position previously held by an employee of the Company. Effective as of August 31, 2007, directors began to receive an annual cash retainer of \$60,000. The chair of the Audit Committee receives an additional annual retainer of \$10,000 and the chair of the Nominating and Corporate Governance Committee and the chair of the Compensation Committee receive an additional annual retainer of \$5,000. The non-employee chairman of the board receives an additional annual retainer of \$70,000. Directors also receive \$1,500 for each Board of Directors meeting attended with the chairman receiving an additional \$1,000 for each Board of Directors meeting attended (\$750 if they participated telephonically) and

For Fiscal 2007, each director also received a stock grant of \$70,000, and the Presiding Director received an additional stock grant of \$15,000. The number of shares issued is calculated based on the fair market value on the first day of the fiscal year. For Fiscal 2008, all directors other than the non-employee chairman of the board will receive a stock grant equal to the lesser of 8,000 shares or that number of shares with a value at grant of \$70,000 and the non-employee chairman of the board received an annual stock grant equal to the lesser of 10,000 shares or that number of shares with a value at grant of \$85,000. The shares vest 1/3 per year on the first three anniversary dates of the grant. Directors who are employees of the Company receive no additional compensation for their services as directors of the Company. Our current Board of Directors compensation plan does not provide for stock option awards, non-equity incentive plan compensation, pension or nonqualified deferred compensation. The table set forth below, together with its footnotes, provides information regarding compensation paid to the Company's Directors for Fiscal 2007.

**AUDIT COMMITTEE REPORT**

Our Audit Committee consists of John D. Bowlin, William P. Carmichael, Thomas R. Shepherd and Barbara S. Thomas. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed on our website, [www.spectrumbrands.com](http://www.spectrumbrands.com), under Investor Relations Corporate Governance.

The Audit Committee Charter adopted by the Board of Directors incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the New York Stock Exchange ( NYSE ) listing standards. All members of the Audit Committee are independent as defined by SEC rules and NYSE listing standards. At least one member of the Audit Committee is an audit committee financial expert as defined by SEC rules.

Management is responsible for our internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America, evaluating management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG's evaluation of the Company's internal control over financial reporting and issuing their reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed with management and KPMG the audited financial statements for the fiscal year ended September 30, 2007, management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG's evaluation of the Company's internal control over financial reporting. The Audit Committee has discussed with KPMG the matters that are required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication With Audit Committees) as adopted in the rules of the Public Company Accounting Oversight Board (the PCAOB ). KPMG has provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) as adopted in the rules of PCAOB, and the Audit Committee has discussed with KPMG that firm's independence. The Audit Committee has concluded that KPMG's provision of audit and non-audit services to Spectrum and its affiliates is compatible with KPMG's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended September 30, 2007 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also appointed KPMG LLP as our independent registered public accounting firm for Fiscal 2008.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

*Transactions with related persons*

On February 7, 2005, we acquired all of the equity interests of United pursuant to the Agreement and Plan of Merger (as amended, the Merger Agreement) by and among United, Lindbergh Corporation and us dated as of January 3, 2005 and filed as an exhibit to the Current Report on Form 8-K filed by us on January 4, 2005. Pursuant to the terms of the Merger Agreement, Lindbergh Corporation merged with and into United, with United continuing as the surviving corporation (the Merger). The purchase price for the acquisition, excluding fees and expenses, consisted of \$70 million in cash, 13.75 million shares of our Common Stock and the assumption of outstanding United indebtedness, which was \$911.5 million as of January 21, 2005. The purchase price was determined through negotiations between our representatives, who were operating under supervision and direction of an acquisition committee of our Board of Directors, and representatives of United. The acquisition committee consisted of Messrs. Lupo, Bowlin and Carmichael and Ms. Thomas and former director Neil P. Defeo.

Certain affiliates of Thomas H. Lee Partners, L.P. were the majority shareholders of United as of immediately prior to the consummation of our acquisition of United, and as a result of our acquisition of United,

are significant shareholders of our Common Stock. In addition, two of our directors, Messrs. Schoen and Brizius, are members of Thomas H. Lee Advisors, LLC, which is the general partner of Thomas H. Lee Partners, L.P., which is the manager of THL Equity Advisors IV, LLC, which, in turn, is the general partner of each of the Thomas H. Lee related funds that were shareholders of United immediately prior to the Merger and now are significant shareholders of our Common Stock.

Mr. Jones, our former Chairman of the Board and Chief Executive Officer, and trusts for his family members, collectively owned 202,935 shares of United Common Stock as of immediately prior to the Merger, which shares were converted into an aggregate of 36,239 shares of our Common Stock pursuant to the Merger. Mr. Jones was a member of the Board of Directors of United from January 20, 1999 to December 31, 2003 and provided consulting services to United under an agreement that was terminated on September 28, 2004. Mr. Shepherd, a member of our Board of Directors, is an investor in Thomas H. Lee Equity Fund IV, L.P., a large shareholder of United immediately prior to the Merger, and, as a result of the Merger, currently is a large shareholder of our Common Stock.

In connection with the acquisition of United, we entered into certain agreements with UIC Holdings, L.L.C. ( *Holdings* ), the majority stockholder of United as of the date we entered into the definitive agreement to acquire United, Thomas Lee Partners, L.P. and certain of its affiliates and certain former stockholders of United. The agreements are described further below.

On February 7, 2005, we entered into a registration rights agreement (the *Registration Rights Agreement* ) with certain former stockholders of United, including certain affiliates of Thomas H. Lee Partners, L.P. and an affiliate of Banc of America Securities LLC, pursuant to which we agreed to prepare and file with the SEC, not later than nine months following the consummation of the acquisition of United on February 7, 2005, a registration statement to permit the public offering and resale under the Securities Act of 1933 on a continuous basis of shares of Common Stock issued in connection with its acquisition of United (the *Shelf Registration Statement* ). Pursuant to the Registration Rights Agreement, we also granted to the former stockholders of United certain rights to require us, on not more than three occasions, to amend the Shelf Registration Statement or prepare and file a new registration statement to permit an underwritten offering of shares of our stock received by them in the acquisition of United as well as certain rights to include those shares in any registration statement proposed to be filed by us.

On February 7, 2005, we entered into a standstill agreement (the *Standstill Agreement* ) with Thomas H. Lee Equity Fund IV, L.P., THL Equity Advisors IV, LLC, Thomas H. Lee Partners, L.P. and Thomas H. Lee Advisors, LLC (the *Restricted Parties* ). Pursuant to the Standstill Agreement, the Restricted Parties are prohibited until February 7, 2010 from (i) acquiring ownership in excess of 28% of our outstanding voting capital stock, on a fully-diluted basis; (ii) soliciting proxies or consents with respect to our voting capital stock; (iii) soliciting or encouraging third parties to acquire or seek to acquire us, a significant portion of our assets or more than 5% of our outstanding voting capital stock; or (iv) joining or participating in a pooling agreement, syndicate, voting trust or other similar arrangement with respect to our voting capital stock for the purpose of acquiring, holding, voting or disposing of such voting capital stock.

On February 26, 2008, the Company entered into a confidentiality and standstill agreement with Harbinger Capital Partners Master Fund I, Ltd. ( *Harbinger* ) in order to provide Harbinger with confidential information relating to certain of the Company's strategic operating assets in connection with Harbinger's evaluation of a possible acquisition thereof.

**PROPOSAL NO. 1:**

**ELECTION OF DIRECTORS**

At the Annual Meeting, shareholders will elect two Class I directors to hold office until our 2011 annual meeting of shareholders. The directors will serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you sign and return the accompanying proxy card, your shares will be voted for the election of the two nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Shareholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or may withhold the authority to vote for any individual nominee by marking the box under the

WITHHOLD column adjacent to the name(s) of the appropriate director(s) on the attached proxy card. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see Proxies and Voting Procedures beginning on page 3 of this Proxy Statement for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker or other nominee or the Spectrum Brands 401(k) Retirement Savings Plan. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

**Directors**

The following incumbent directors are being nominated for re-election to the Board of Directors as Class I directors: Barbara S. Thomas and John S. Lupo. Please see Nominees for Re-Election to the Board of Directors beginning on page 7 of this proxy statement for information concerning each of the nominees for election as Class I directors.

**Vote Required**

To be elected as a Class I director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

**The Board of Directors recommends that you vote FOR the election of each of Barbara S. Thomas and John S. Lupo as Class I directors of the Company.**

**Table of Contents****PROPOSAL NO. 2:****RATIFICATION OF APPOINTMENT OF****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2008****General**

Our Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for Fiscal 2008. The shareholders are asked to ratify this action. Shareholder ratification of the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2008 is not required by our Amended and Restated By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If shareholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2008, our Board of Directors will consider the matter at its next meeting. KPMG LLP has audited our financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from shareholders who are present.

**Independent Auditor Fees**

The following table summarizes the fees KPMG LLP, our independent auditor, billed to us for each of the last two fiscal years (in millions):

	<b>Audit Fees</b>	<b>Audit-Related Fees</b>	<b>Tax Fees</b>	<b>All Other Fees</b>
2007	\$ 4.7	\$ 1.1	\$	\$
2006	\$ 4.7	\$	\$ 0.1	\$

In the above table, in accordance with the SEC's definitions and rules, **Audit Fees** are fees we paid KPMG LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, such as statutory audits required for certain of our foreign subsidiaries. **Audit-Related Fees** are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. **Tax Fees** are fees for tax compliance, tax advice and tax planning. For both Fiscal 2007 and Fiscal 2006, such fees were attributable to services for tax-compliance assistance and tax advice. **All Other Fees** are fees, if any, for any services not included in the first three categories.

**Pre-Approval of Independent Auditor Services and Fees**

The Audit Committee pre-approved the Fiscal 2007 audit services engagement performed by KPMG LLP. In accordance with the Audit Committee's Pre-Approval Policy, the Audit Committee has pre-approved other specified audit, non-audit, tax and other services, provided that the fees incurred by KPMG LLP in connection with any individual non-due diligence engagement do not exceed \$100,000 in any 12-month period. The Audit Committee must approve on an engagement by engagement basis any individual non-due diligence engagement in excess of \$100,000 in any 12-month period or any individual engagement to perform due diligence services pertaining to potential business acquisitions/dispositions and other transactions and events in excess of

\$1,000,000 in any 12-month period. The Audit Committee has delegated to its Chairman the authority to pre-approve any other specific audit or specific non-audit service which was not previously pre-approved by the Audit Committee, provided that any decision of the Chairman to pre-approve other audit or non-audit services shall be presented to the Audit Committee at its next scheduled meeting.

**Vote Required**

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2008.

**PROPOSAL NO. 3:**

**SHAREHOLDER PROPOSAL REGARDING DECLASSIFICATION OF**

**OUR BOARD OF DIRECTORS**

*A shareholder has informed the Company that it intends to present the following proposal for action at the Annual Meeting. The Company will provide its shareholders with the proponent's name and address and the number of shares of Common Stock held by the proponent promptly upon receipt of an oral or written request.*

**SHAREHOLDER PROPOSAL**

***REPEAL CLASSIFIED BOARD***

**BE IT RESOLVED**, that the stockholders of Spectrum Brands, Inc. request that the Board of Directors take the necessary steps to declassify the Board of Directors and establish annual elections of directors, whereby directors would be elected annually and not by classes. This policy would take effect immediately, and be applicable to the re-election of any incumbent director whose term, under the current classified system, subsequently expires.

**SUPPORTING STATEMENT**

We believe that the ability to elect directors is the single most important use of the shareholder franchise. Accordingly, directors should be accountable to shareholders on an annual basis. The election of directors by classes, for three-year terms, in our opinion, minimizes accountability and precludes the full exercise of the rights of shareholders to approve or disapprove annually the performance of a director or directors.

In addition, since only one-third of the Board of Directors is elected annually, we believe that classified boards could frustrate, to the detriment of long-term shareholder interest, the efforts of a bidder to acquire control or a challenger to engage successfully in a proxy contest.

We urge your support for the proposal to repeal the classified board and establish that all directors be elected annually.

**COMPANY RESPONSE TO SHAREHOLDER PROPOSAL REGARDING DECLASSIFICATION OF OUR BOARD OF DIRECTORS**

Our Board of Directors is organized in a manner that is referred to as a classified board structure. Having a classified board structure means, generally, that the directors who serve a company are divided into two or more classes that serve staggered multiple-year terms. In accordance with our Amended and Restated Articles of Incorporation, our Directors are divided into three classes that serve staggered three-year terms, such that approximately one-third of our Directors stand for election each year.

Our Board of Directors, in conjunction with its Nominating and Corporate Governance Committee, evaluates corporate governance issues affecting the Company on a regular basis, including whether to maintain

## **Table of Contents**

our classified board structure. Our Board of Directors has carefully considered whether our classified board structure is appropriate for the Company on several prior occasions, including in connection with an identical shareholder proposal that was presented by the same shareholder and defeated at last year's annual meeting. Our Board of Directors has once again carefully considered whether to maintain our classified board structure and has again determined that it is in the best interests of the Company and our shareholders to do so for the reasons set forth below. Accordingly, our Board of Directors recommends that you vote AGAINST this proposal.

### **Stability and Continuity**

Our classified board structure is designed to provide stability, prevent sudden disruptive changes to our Board of Directors' composition, enhance long-term planning and ensure that, at any given time, there are Directors serving on our Board of Directors who have substantial knowledge of the Company, its business and its strategic goals. The current classified board structure enables our Directors to build on their own past experience and the experience of continuing Directors for more effective long-term strategic planning. We believe that our classified board structure also benefits the Company and our shareholders because the longer terms of office it provides help the Company attract and retain director candidates who are willing to make long-term commitments of their time and energy. We believe that an experienced and knowledgeable Board of Directors is better equipped to make decisions that are in the best interests of our shareholders and is particularly important in light of the opportunities and challenges that we face as we continue to restructure our business and explore strategic options to sharpen our focus on strategic growth businesses, reduce our outstanding indebtedness and maximize long-term shareholder value.

### **Independence**

We believe that electing Directors to three-year terms, rather than one-year terms, enhances the independence of non-management Directors because a longer period of time between elections protects Directors against pressure from management or special interest groups who might have an agenda contrary to the long-term interests of shareholders. In recent years, hedge funds and other activist investors increasingly have been using the threat of a proxy fight to pressure boards to pursue a sale process or other action that, due to their timing or nature, may produce short-term gains but come at the expense of potential long-term shareholder value. We feel that our classified board structure is an effective means of protecting long-term shareholder interests against such abusive tactics, because directors are able to voice their views without having to continually consider an upcoming nomination for re-election the following year. We believe that Directors who are able to function independently and with a long-term perspective are particularly important as the Company continues its restructuring process and exploration of strategic options.

### **Accountability to Shareholders**

Our Directors continue to be accountable to the Company and our shareholders under our classified board structure. Every director is required to act in accordance with his or her fiduciary duties to the Company and our shareholders, regardless of how often he or she stands for election. The Board of Directors has implemented broad measures to ensure accountability of the Company's Directors, including the adoption of Corporate Governance Guidelines which, among other things, provide for annual evaluations of Director independence and an annual self-assessment of the Board of Directors' performance by the Nominating and Corporate Governance Committee.

## **Table of Contents**

### **Protection Against Abusive Tactics and Enhancing Long-Term Shareholder Value**

Our classified board structure strongly encourages potential acquirers to deal directly with our Board of Directors and better positions our Board of Directors to negotiate effectively on behalf of shareholders to maximize possible shareholder value in a potential transaction. Our classified board structure is designed to safeguard against a potential acquirer unilaterally and rapidly gaining control of our business and assets without paying fair value for them by removing a majority or all of our Directors at a single annual meeting. Because only approximately one-third of the Directors are elected at any annual meeting of shareholders, at least two annual shareholder meetings would be required to effect a change in a majority of the Directors serving on our Board of Directors, providing incumbent Directors substantial leverage to negotiate the best results for our shareholders in a takeover situation. It is important to note that a classified board structure does not preclude a takeover, but may provide a company with time and opportunity to evaluate the adequacy and fairness of a takeover proposal, negotiate on behalf of all shareholders and weigh alternative methods of maximizing shareholder value for all shareholders. Because a potential acquirer could make a tender offer directly to the shareholders of Spectrum (which could be effected without the approval of Spectrum's Board of Directors), a classified board does not preclude an acquisition of the Company on terms acceptable to shareholders. Many S&P 500 and Fortune 500 companies continue to have classified board structures for these reasons and the other factors we have noted above.

### **Commitment to Effective Corporate Governance Practices**

We believe that we have an experienced and well-qualified Board of Directors. Our Board of Directors is committed to utilizing effective corporate governance practices and has adopted Corporate Governance Guidelines (a copy of which is available on our website at [www.spectrumbrands.com](http://www.spectrumbrands.com) under Investor Relations Corporate Governance ) that emphasize this commitment. Further, our Board of Directors, through its Nominating and Corporate Governance Committee and with the assistance of outside counsel and other experts, continually seeks to improve and enhance its corporate governance practices by reviewing the Company's existing practices in light of those of its peers and the current corporate governance environment and retaining or implementing practices that it believes serve the best interests of the Company's shareholders.

### **Procedural Matters**

It is important to note that shareholder approval of this proposal would not by itself eliminate our classified board structure or provide for the annual election of Directors. Approval of this proposal would advise our Board of Directors that a majority of our shareholders voting at the meeting favor a change and request that the Board take the necessary steps to eliminate our classified board structure and to establish annual elections of all Directors. However, under our Amended and Restated Articles of Incorporation and Wisconsin law, a change in the structure of our Board of Directors would require an amendment to our Amended and Restated Articles of Incorporation. Such an amendment would require a resolution from our Board of Directors to adopt the amendment followed by the approval of the holders of a majority of votes entitled to be cast on the amendment. A shareholder proposal identical to this proposal was presented by the same shareholder at last year's annual meeting. At last year's annual meeting, the proposal to declassify our Board of Directors was approved by less than 34% of those voting at the meeting and less than 25% of our outstanding shares.

### **Conclusion**

After careful consideration of this proposal, the Nominating and Corporate Governance Committee and the entire Board of Directors have determined that retention of the classified structure of our Board of Directors

**Table of Contents**

remains in the best interests of the Company and our shareholders. We believe that the benefits of the classified structure of our Board of Directors do not come at the cost of our Directors' accountability to shareholders. The Company and the Board of Directors have a long-standing commitment to sound corporate governance practices for the benefit of the Company and its shareholders. The Board of Directors believes that the current classified board structure is entirely consistent with that commitment, is appropriate for the Company, and will continue to serve and protect shareholders' interests.

FOR THESE REASONS, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE AGAINST PROPOSAL No. 3.

**Vote Required**

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to approve this shareholder proposal.
