## INTRODUCTION

This Rule 13e-3 Transaction Statement (the *Transaction Statement*) is being filed with the Securities and Exchange Commission (the *SEC*) pursuant to Section 13(e) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), by Callwave, Inc., a Delaware corporation ( *Callwave* or the *Company* ).

On May 5, 2009, the Company commenced a tender offer to purchase shares of its common stock for a purchase price of \$1.15 per share (the *tender offer*). The terms and conditions of the tender offer are set forth in that certain Offer to Purchase filed with the SEC as Exhibit (a)(1) to a Schedule TO filed on May 5, 2009, and all stockholders are directed to the Offer to Purchase and Schedule TO, as amended, in connection therewith for a complete description of these terms and conditions. The tender offer expired on June 5, 2009. At the close of the tender offer, 10,787,579 shares were tendered and accepted for purchase. However, because Company has more than 300 beneficial holders of common stock, the Company is calling a special meeting of the stockholders to consider the stock splits defined below.

The tender offer and the stock splits are referred to collectively as the *going private transaction*. After the going-private transaction, the Company will deregister its shares of common stock, par value \$0.0001 per share (the *common stock*) under the federal securities laws and delist its shares of common stock from the NASDAQ Global Market.

The Company is calling for a special meeting of its stockholders to consider an amendment to the Company's Amended and Restated Certificate of Incorporation to effect a reverse and forward stock splits (the *stock splits*) of the Company's common stock, whereby the Company would first effect a 1-for-5,000 reverse stock split (such that stockholders owning less than 5,000 shares of common stock before the reverse stock split would have such shares cancelled and converted into the right to receive the cash consideration set forth herein), then immediately effect a 5,000-for-1 forward stock split (such that stockholders owning 5,000 or more shares of common stock before the reverse stock split would own the same number of shares of common stock after the forward stock split).

This Transaction Statement or Schedule 13E-3 is being filed with the SEC concurrently with a definitive proxy statement (the *proxy statement*) filed by the Company pursuant to Regulation 14A of the Exchange Act. The information contained in the proxy statement, including all annexes thereto, is hereby expressly incorporated herein by reference.
