Credit Management Strategy

We have worked to recognize the credit challenges presented by our markets and are actively working to improve our asset quality

As

of

September

30,

2009,

our

loan loss reserve loans held for investment stood at 4.97% Actions Results All Multi-Family and Commercial Business loans have an annual internal asset review regimen completed. CRE loans \$750,000 and larger have an annual internal asset review regimen completed. Diligently complete reviews of Multi-Family, CRE and Commercial Business loans. Net loss on sale and operations of REO acquired in the settlement of loans was \$1.6 million in LTM. Establish appropriate specific valuation allowances. As of September 30, 2009, REO balance was \$12.7 million, never becoming higher than \$16.4 million in LTM. Also, 145 **REOs** were disposed of while 161 **REOs** were obtained in LTM. Quickly dispose of REO. As of September 30, 2009, Restructured Loans were \$52.0 million and 81% reflect a current payment status. Complete loan modifications on a case-by-case basis.

\$60.1 million loan loss provision in LTM while net charge-offs have been \$24.7 million in the same period.

Aggressively build the loan loss reserve.
