ITEM 4. Purpose of Transaction.**Securities Purchase Agreement**

On December 21, 2009, Rho Ventures and the Issuer entered into a Securities Purchase Agreement (the Purchase Agreement) pursuant to which Rho Ventures agreed to acquire from the Issuer (i) 2,786,337 shares of Common Stock at a purchase price of \$1.70 per share (the Initial Shares) at an initial closing on December 21, 2009 (the Initial Closing) and (ii) 6,037,192 shares of Common Stock at a purchase price of \$1.70 per share (the Remaining Shares) at a second closing (the Second Closing) scheduled to occur no later than three trading days following the requisite approval (the Stockholder Approval) of the issuance of the Remaining Shares by the Issuer's stockholders (the Second Closing Date). The source of funds for the purchase at the Initial Closing was the working capital of Rho Ventures.

Registration Rights Agreement*Shelf Registration Statement*

In connection with the Purchase Agreement, Rho Ventures entered into a Registration Rights Agreement, dated December 21, 2009 (the Registration Rights Agreement), with the Company and the Existing Holders (as defined therein). The Registration Rights Agreement provides that the Company will file a shelf registration statement (the Shelf Registration Statement) covering the Shelf Registrable Securities (as defined in the Registration Rights Agreement), within 30 days following the earlier of (i) the Second Closing Date or (ii) the receipt by the Issuer of notice from Rho Ventures that the Second Closing will not occur as a result of failure to (a) obtain the Stockholder Approval or (b) effect the restructuring of the Issuer's board of directors (the Board) pursuant to the Voting Agreement (as defined below). Under the terms of the Registration Rights Agreement, the Company is obligated to maintain the effectiveness of the Shelf Registration Statement until all securities covered therein are sold or otherwise can be sold pursuant to Rule 144 without any restrictions. If the Issuer does not file the Shelf Registration Statement, or if the U.S. Securities and Exchange Commission does not declare the Shelf Registration Statement effective, by the deadlines set forth in the Registration Rights Agreement, the Issuer is required to issue Rho Ventures warrants to purchase shares of Common Stock in an amount equal to 1% of the fully diluted outstanding shares of Common Stock for each 30-day period following the applicable deadline until the Shelf Registration Statement is filed or declared effective, as applicable. The aggregate warrant issuances to Rho Ventures may not exceed 10% of the Issuer's fully diluted outstanding Common Stock. If the Issuer does not obtain the Stockholder Approval and the Shelf Registration Statement is not declared effective by the applicable deadline, in lieu of issuing warrants, the Issuer is required to pay Rho Ventures cash equal to 1% of the aggregate amount invested in the Issuer by Rho Ventures for each 30-day period following such deadline until the Shelf Registration Statement is filed or declared effective, up to a maximum amount of 10% of such invested amount.

Piggy-Back Registration

Under the Registration Rights Agreement, if the Issuer registers any securities in an underwritten public offering, Rho Ventures and the Existing Holders will have the right to include their shares in the registration statement, subject to customary exceptions. The underwriters of any underwritten offering will have the right to limit the number of such shares that may be registered.

Demand Registration

The Registration Rights Agreement also provides that, at any time, subject to certain exceptions, Rho has the right to demand on no more than two occasions that the Company file a registration statement (a Demand)

Registration Statement) within 45 days, covering the offering and sale of the Demand Registrable Securities (as defined in the Registration Rights Agreement). The Company is not obligated to effect more than two Demand Registration Statements at the request of Rho Ventures, effect more than one Demand Registration Statement in any six month period or effect any Demand Registration Statement if the aggregate offering price is less than \$10 million.

The Company may delay the filing of a Demand Registration Statement under specified conditions, such as for a period of time while the Company pursues an underwritten public offering if its board of directors deems it advisable to delay such filing. Such postponements cannot exceed 120 days from the date of the notice from the Company.

The Company will pay all registration expenses, other than underwriting discounts and commissions, related to the Company's performance of the Registration Rights Agreement. The Registration Rights Agreement contains customary cross-indemnification provisions. The registration rights granted under the Registration Rights Agreement have no expiration date.

Voting Agreement

In connection with the Purchase Agreement, Rho Ventures entered into an Amended and Restated Voting Agreement, dated December 21, 2009 (the Voting Agreement), with the Company and the Existing Stockholders (as defined in the Voting Agreement), pursuant to which Rho Ventures and the Existing Stockholders agreed to vote their shares of Common Stock to effect the restructuring of the Board such that the Board shall consist of ten members consisting of three classes with staggered terms, as further specified in the Voting Agreement (the Board Restructuring). In addition, pursuant to the Voting Agreement, (i) Rho Ventures has the right to designate two designees to serve on the Board and the Issuer agreed to cause such designees to be nominated for election at meetings of the stockholders called for the purpose of electing directors (or in connection with any written consent of stockholders in lieu thereof) and (ii) the Existing Stockholders have the right to designate an aggregate of four designees, as specified in the Voting Agreement. The Issuer also agreed in the Voting Agreement to appoint the designees of Rho Ventures and the Existing Stockholders to certain committees of the Board.

Under the Voting Agreement, Rho Ventures and the Existing Stockholders agreed that at any meeting or action by written consent of stockholders at which or pursuant to which directors of the Issuer are to be elected, Rho Ventures and such Existing Stockholders will vote all shares of the Issuer's capital stock owned by them in favor of the designees of Rho Ventures and the designees of the Existing Stockholders. In addition, Rho Ventures agreed that, if Rho Ventures disposes of its capital stock of the Issuer such that Rho Ventures owns less than the greater of (i) 28% of the stock owned by Rho Ventures after the Initial Closing or, if applicable, the Second Closing, or (ii) the minimum amount required under Nasdaq rules to allow Rho Ventures to designate two of its allotted Board designees, then Rho Ventures must cause one director designated by Rho Ventures to resign from the Board. Rho Ventures also agreed that, if Rho Ventures disposes of its capital stock of the Issuer such that Rho Ventures owns less than the greater of (i) 14% of the stock owned by Rho Ventures after the Initial Closing or, if applicable, the Second Closing, or (ii) the minimum amount required under Nasdaq rules to allow Rho Ventures to designate one of its allotted Board designees, then Rho Ventures must cause each of the directors designated by Rho Ventures to resign from the Board. The Existing Stockholders agreed to similar restrictions with respect their Board designees.

Pursuant to the Voting Agreement, the Existing Stockholders agreed that, at any meeting or action by written consent of stockholders at which or pursuant to which the Stockholder Approval or the Board Restructuring are to be voted upon, the Existing Stockholders will appear and vote (or cause to be voted) all Eligible Vote Shares (as defined in the Voting Agreement) in favor of the Stockholder Approval and the Board Restructuring. In addition, Rho Ventures and the Existing Stockholders are subject to lock-up provisions pursuant to which they may not, without the Issuer's prior written consent, sell, hypothecate, pledge or otherwise transfer any shares of

the Issuer's capital stock, directly or indirectly, including through any derivative transaction, or publicly announce an intention thereof, which lock-up period with respect to Rho remains in effect until the one year anniversary of the date of the Initial Closing.

The foregoing descriptions of the Purchase Agreement, the Registration Rights Agreement and the Voting Agreement (collectively, the Agreements) do not purport to be complete and are qualified in their entirety by the terms of each such document, which are attached hereto as Exhibit 2, Exhibit 3 and Exhibit 4, respectively, and are incorporated herein by reference.

As a result of the arrangements described above, including, but not limited, to the Voting Agreement, the Reporting Persons and the Existing Stockholders may be deemed to comprise a group within the meaning of Section 13(d)(3) of the Exchange Act, although neither the fact of this filing nor any of the information contained herein shall be deemed to be an admission by the Reporting Persons that a group exists.

(b) No Conflicts. The execution, delivery and performance by the Purchaser of this Agreement and the other Transaction Documents to which it is a party and the consummation by the Purchaser of the transactions contemplated hereby and thereby will not (i) result in a violation of the formation documents of the Purchaser, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Purchaser is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to the Purchaser, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of the Purchaser to perform its obligations hereunder.

(k) Independent Investment Decision. The Purchaser has independently evaluated the merits of its decision to purchase Shares pursuant to the Transaction Documents. The Purchaser understands that nothing in this Agreement or any other materials presented by or on behalf of the Company to the Purchaser in connection with the purchase of the Shares constitutes legal, tax or investment advice. ARTICLE IV

OTHER AGREEMENTS OF THE PARTIES

4.1 Transfer Restrictions.

(a) Compliance with Laws. Notwithstanding any other provision of this Article IV, the Purchaser covenants that the Shares may be disposed of only pursuant to an effective Registration Statement under, and in compliance with the requirements of, the Securities Act, or pursuant to an available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, and in compliance with any applicable state, federal or foreign securities laws. In connection with any transfer of the Shares other than (i) pursuant to an effective Registration Statement or (ii) to the Company, the Company may require the transferor thereof to provide to the Company and the Transfer Agent, at the transferor's expense, an opinion of counsel selected by the transferor and reasonably acceptable to the Company and the Transfer Agent, the form and substance of which opinion shall be reasonably satisfactory to the Company and the Transfer Agent, to the effect that such transfer does not require registration of such transferred Shares under the Securities Act. As a condition of transfer (other than pursuant to clauses (i) or (ii) of the preceding sentence), any such transferee shall agree in writing to be bound by the terms of this Agreement and shall have the rights of the Purchaser under this Agreement with respect to such transferred Shares to the extent explicitly set forth in the Transaction Documents. Notwithstanding the foregoing, the Company hereby consents to and agrees to register on the books of the Company and with its Transfer Agent, without any such legal opinion, except to the extent that the Transfer Agent requests such legal opinion, any transfer of Shares by the Purchaser to an Affiliate of the Purchaser, provided that the transferee certifies to the Company that it is an "accredited investor" as defined in Rule 501(a) under the Securities Act and provided that such Affiliate does not request any removal of any existing legends on any certificate evidencing the Shares.

(b) Legends. Certificates evidencing the Shares shall bear any legend as required by the "blue sky" laws of any state and a restrictive legend in substantially the following form, until such time as they are not required under Section 4.1(c) or applicable law:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT

BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE OFFER AND SALE OF THE SECURITIES UNDER THE SECURITIES ACT OR (B) AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS OR BLUE SKY LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY AND ITS TRANSFER AGENT OR (II) UNLESS SOLD PURSUANT TO RULE 144 UNDER SAID ACT, IN WHICH CASE THE COMPANY IS ENTITLED TO REQUIRE AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT TO THE EFFECT THAT SUCH SECURITIES CAN BE SOLD OR TRANSFERRED PURSUANT TO RULE 144 UNDER THE 1933 ACT. NO REPRESENTATION IS MADE BY THE ISSUER AS TO THE AVAILABILITY OF THE EXEMPTION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT FOR RESALES OF THESE SECURITIES.

(c) Removal of Legends. The restrictive legend set forth in Section 4.1(b) above shall be removed and the Transfer Agent or the Company, as the case may be, shall issue a certificate without such restrictive legend or any other restrictive legend to the holder of the applicable Shares upon which it is stamped or issue to such holder by electronic delivery at the applicable balance account at the Depository Trust Company (DTC), if (i) such Shares are registered for resale under the Securities Act (provided that, if the Purchaser is selling pursuant to the effective Registration Statement registering the Shares for resale, the Purchaser agrees to only sell such Shares during such time that such Registration Statement is effective and not withdrawn or suspended, and only as permitted by such Registration Statement), (ii) such Shares are sold or transferred pursuant to Rule 144, (iii) such Shares are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such securities and without volume or manner-of-sale restrictions, or (iv) if the holder provides the Company with a legal opinion (and the documents upon which the legal opinion is based) reasonably acceptable to the Company to the effect that the legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the Staff of the Commission). Certificates for Shares subject to legend removal hereunder may be transmitted by the Transfer Agent to the Purchaser by crediting the account of the Purchaser's prime broker with DTC as directed by the Purchaser. Following the effective date that the Registration Statement is first declared effective by the Commission, and provided the Registration Statement referred to in clause (i) above is then in effect, or at such earlier time as a legend is no longer required for certain Shares, the Company will no later than three Trading Days following the delivery by the Purchaser to the Company or the Transfer Agent (if delivery is made to the Transfer Agent a copy shall be contemporaneously delivered to the Company) of (i) a legended certificate representing such Shares (and, in the case of a requested transfer, endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect transfer), and (ii) an opinion of counsel to the extent required by Section 4.1, deliver or cause to be delivered to the Purchaser a certificate representing such Shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section, provided however that, notwithstanding anything to the contrary contained herein, if for any reason the Registration Statement ceases to be available for any period of time for the resale of the Shares, the Company may instruct the Transfer Agent not to permit transfers of the Shares, except for transfers otherwise made in accordance with the provisions of this Section 4.1.

(d) Acknowledgement. The Purchaser hereunder acknowledges its primary responsibilities under the Securities Act and accordingly will not sell or otherwise transfer the Shares or any interest therein without complying with the requirements of the Securities Act. Except as otherwise provided below, while any Registration Statement remains effective, the Purchaser hereunder may sell the Shares in accordance with the plan of distribution contained in such Registration Statement and if it does so it will comply therewith and with the related prospectus delivery requirements unless an exemption therefrom is available. The Purchaser agrees that if it is notified by the Company in writing at any time that the Registration Statement registering the resale of the Shares is not effective or that the prospectus included in such Registration Statement no longer complies with the requirements of Section 10 of the Securities Act, the Purchaser will refrain from selling such Shares until such time as the Purchaser is notified by the Company that such Registration Statement is effective or such prospectus is compliant with Section 10 of the Securities Act, unless the Purchaser is able to, and does, sell such Shares pursuant to an available exemption from the registration requirements of Section 5 of the Securities Act. Both the Company and its Transfer Agent, and their respective directors, officers, employees and agents, may rely on this Section 4.1(d).

4.2 Stockholder Meeting.

(a) The Company shall, as soon as reasonably practicable following the execution of this Agreement, duly call, give notice of, convene, and hold a meeting of its stockholders (the *Company Stockholder Meeting*) for the purpose of satisfying the Stockholder Approval Condition. The Company shall, as soon as practicable following the execution of this Agreement (but in no event later than the thirtieth (30th) day following the Initial Closing Date) (the *Initial Filing Date*), prepare and file with the Commission a preliminary information statement or proxy statement relating to the Stockholder Approval Condition and will use its reasonable best efforts to respond to any comments of the Commission and to cause the definitive information statement or proxy statement relating to the Company Approval Condition (the *Information Statement* and the *Proxy Statement*, respectively) to be mailed to the Company's stockholders as promptly as reasonably practicable after responding to all such comments to the satisfaction of the SEC. The Company shall satisfy the Stockholder Approval Condition, as soon as practicable, but in any event, within forty-five (45) days after the Initial Filing Date (the *Stockholder Meeting Date*), provided that if the Company receives comments from the Commission on the Proxy Statement or Information Statement (as applicable), the Stockholder Meeting Date shall be extended by an additional thirty (30) days or such longer period of time as is reasonably necessary to resolve such comments. The Company shall, through its Board of Directors, recommend to its stockholders that the Stockholder Approval Condition be satisfied by stockholders of the Company entitled to vote at the Company Stockholder Meeting (the *Company Recommendation*). Subject to Section 4.3(c), the Company's obligations pursuant to this Section 4.2 shall not be affected by (i) the commencement, public proposal, public disclosure, or communication to the Company of any Acquisition Proposal or (ii) an Adverse Recommendation Change.

(b) The Company will notify the Purchaser promptly of the receipt of any comments from the Commission and of any request by the Commission for amendments or supplements to the Proxy Statement or Information Statement (as applicable) or for additional information, and will supply the Purchaser with copies of all correspondence between the Company or any of its representatives, on the one hand, and the Commission, on the other hand, with respect to the Proxy Statement or Information Statement (as applicable). If at any time prior to the Company Stockholder Meeting there shall occur any event that should be set forth in an amendment or supplement to the Proxy Statement or Information Statement (as

applicable), the Company will promptly prepare and mail to its stockholders such an amendment or supplement. The Company will not mail any Proxy Statement or Information Statement, or any amendment or supplement thereto, to which the Purchaser reasonably objects after being afforded the opportunity to review the same. The Purchaser shall cooperate with the Company in the preparation of the Proxy Statement or Information Statement (as applicable) and in responding to comments of the Commission, and the Purchaser shall promptly notify the Company if any information supplied by it for inclusion in the Proxy Statement or Information Statement (as applicable) shall have become false or misleading, and shall cooperate with the Company in disseminating the Proxy Statement or Information Statement (as applicable), as so amended or supplemented, to correct any such false or misleading information.

4.3 No Solicitation.

(a) Except as authorized or permitted in this Section 4.3, the Company agrees that it shall not, and that it shall cause its and its directors, officers, Existing Stockholders, employees and agents (the *Representatives*) not to, directly or indirectly, (i) initiate, solicit, or knowingly encourage or knowingly facilitate the submission of any inquiry, indication of interest, proposal or offer that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal, (ii) participate in any discussions or negotiations regarding, or furnish any non-public information to any Person (other than the Purchaser) in connection with an Acquisition Proposal, (iii) enter into any letter of intent or agreement related to an Acquisition Proposal (other than a confidentiality agreement as contemplated by Section 4.3(b)), or (iv) approve or recommend an Acquisition Proposal.

(b) Notwithstanding Section 4.3(a), after the Initial Closing Date and prior to the date on which the Stockholder Approval Condition is satisfied (the *Stockholder Approval Date*), if the Company or its Representatives receive an unsolicited bona fide written Acquisition Proposal that the Board of Directors of the Company determines in good faith, after consultation with its outside legal counsel and financial advisors, constitutes, or is reasonably likely to lead to, a Superior Proposal and the Company's Board of Directors determines in good faith, after consultation with the Company's outside legal counsel and financial advisors, that failure to do so would result in a breach of its fiduciary obligations under applicable law, the Company may take the following actions: (i) furnish information to the third party making such Acquisition Proposal (a *Qualified Bidder*), provided the Company receives from the Qualified Bidder an executed confidentiality agreement (the terms of which are no less favorable to the Company than those contained in the confidentiality agreement between the Company and Purchaser), and (ii) engage in discussions or negotiations with the Qualified Bidder and its Representatives with respect to the Acquisition Proposal.

(c) Except as otherwise provided in Section 4.3(d), neither the Company's Board of Directors nor any committee thereof may withdraw or change in a manner adverse to the Purchaser the Company Recommendation or propose publicly to approve, adopt or recommend any Acquisition Proposal (an *Adverse Recommendation Change*).

(d) Notwithstanding Section 4.3(c), at any time after the Initial Closing date and prior to the Stockholder Approval Date, the Company's Board of Directors may in response to a Superior Proposal that did not result from a breach by the Company of this Section 4.3, (i) effect an Adverse Recommendation Change, and/or (ii) enter into a definitive agreement with respect to such Superior Proposal (an *Acquisition Agreement*) if the Company's Board of Directors determines in good faith, after consultation with the

Company's outside legal counsel and financial advisors, that failure to do so would result in a breach of its fiduciary obligations under applicable law; *provided, however*, that such actions may only be taken at a time that is (A) after the fifth (5th) Business Day following the Purchaser's receipt of written notice from the Company that the Company's Board of Directors is prepared to take such action (the *Subsequent Determination Notice*), which notice will specify the material terms of the applicable Acquisition Proposal and identify the Person making such Superior Proposal (it being understood and agreed that any material amendment to such Superior Proposal, including the financial terms of such Superior Proposal, shall require the delivery of a new Subsequent Determination Notice and the commencement of a new five (5) Business-Day period), and (B) at the end of such period, the Company's Board of Directors determines in good faith, after taking into account all amendments or revisions irrevocably committed to by the Purchaser and after consultation with its outside legal counsel and financial advisors, that such Acquisition Proposal remains a Superior Proposal. During any such five (5) Business-Day period, the Purchaser shall be entitled to deliver to the Company one or more counterproposals to such Acquisition Proposal, and the Company shall give the Purchaser the opportunity to meet and negotiate with the Company and its Representatives.

(e) Any Adverse Recommendation Change shall not change the approval of this Agreement or any other related approval of the Company's Board of Directors, nor shall any Adverse Recommendation Change have the effect of causing any state (including Delaware) corporate takeover statute or other similar statute to be applicable to the transactions contemplated hereby or thereby.

(f) From and after the execution of this Agreement, the Company shall notify the Purchaser promptly (but in any event within one (1) Business Day) of the receipt of any inquiries, discussions, negotiations, proposals or expressions of interest with respect to an Acquisition Proposal (including a summary of the material terms and conditions thereof).

4.4 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Shares may result in dilution of the outstanding shares of Common Stock. The Company further acknowledges that its obligations under the Transaction Documents, including without limitation its obligation to issue the Shares pursuant to the Transaction Documents, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against the Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Company.

4.5 Furnishing of Information. In order to enable the Purchaser to sell the Shares under Rule 144 of the Securities Act, the Company shall use its commercially reasonable efforts to maintain the registration of the Shares under Section 12(b) of the Exchange Act for as long as the Company is required to under applicable law and to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act for as long as the Company is subject to the reporting requirements of the Exchange Act.

4.6 Form D and Blue Sky. The Company agrees to timely file a Form D with respect to the Shares as required under Regulation D. The Company, on or before the Initial Closing Date, shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Shares for sale to the Purchaser at the Initial Closing pursuant to this Agreement under applicable securities or Blue Sky laws of the states of the United States (or to obtain an exemption from such qualification). The Company shall make all filings and reports relating to the offer and sale of the Shares required under applicable securities or Blue Sky laws of the states of the United States following the Initial Closing Date.

4.7 No Integration. The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Shares in a manner that would require the registration under the Securities Act of the sale of the Shares to the Purchaser, or that will be integrated with the offer or sale of the Shares for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

4.8 Securities Laws Disclosure: Publicity. By 9:00 a.m., New York City time, on the Trading Day immediately following the execution of this Agreement, the Company shall issue a press release (*Press Release*) disclosing all material terms of the transactions contemplated hereby. On or before 9:00 a.m., Eastern Standard Time, on or before the fourth Trading Day immediately following the execution of this Agreement, the Company will file a Current Report on Form 8-K with the Commission describing the terms of the Transaction Documents (and including as exhibits to such Current Report on Form 8-K the material Transaction Documents (including, without limitation, this Agreement)). The Purchaser covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company as described in this Section 4.8, the Purchaser will maintain the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction), provided however that the Confidentiality Agreement between the Purchaser and the Company shall continue in full force and effect in accordance with the terms thereof.

4.9 Indemnification.

(a) Indemnification of the Purchaser. The Company will indemnify and hold the Purchaser and its directors, officers, stockholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls the Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, stockholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling person (each, a

Purchaser Party) harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that the Purchaser Party may suffer or incur arising from or relating to any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents. The Company will not be liable to any Purchaser Party under this Agreement to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Purchaser Party's breach of any of the representations, warranties, covenants or agreements made by the Purchaser Party in this Agreement or in the other Transaction Documents.

(b) The Purchaser will indemnify and hold the Company and its directors, officers, stockholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, stockholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling person (each, a *Company Party*) harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys'

fees and costs of investigation that the Company Party may suffer arising from or relating to (i) any of the representations and warranties made by the Purchaser in this agreement or (ii) any failure by the Purchaser to comply with the covenants and agreements contained in Section 4.1 hereof respecting transfers of the Shares.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (the *Indemnified Person*) of notice of any demand, claim or circumstances which would or might give rise to a claim or the commencement of any action, proceeding or investigation in respect of which indemnity may be sought pursuant to Section 4.9(a) or (b), such Indemnified Person shall promptly notify the Company or the Purchaser, as applicable (the *Indemnifying Person*), in writing and the Indemnifying Person shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person, and shall assume the payment of all fees and expenses; *provided, however*, that the failure of any Indemnified Person to so notify the Indemnifying Person shall not relieve the Indemnifying Person of its obligations hereunder except to the extent that the Indemnifying Person is actually and materially and adversely prejudiced by such failure to notify. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless: (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the retention of such counsel; (ii) the Indemnifying Person shall have failed promptly to assume the defense of such proceeding and to employ counsel reasonably satisfactory to the Indemnified Person in such proceeding; or (iii) in the reasonable judgment of counsel to the Indemnified Person, there exists or shall exist a conflict of interest that would make it inappropriate for the same counsel to represent both the Indemnified Person and the Indemnifying Person. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned unless the Indemnifying Person fails to defend any proceeding or fails to promptly respond to a settlement offer. Without the prior written consent of the Indemnified Person, which consent shall not be unreasonably withheld, delayed or conditioned, the Indemnifying Person shall not effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Person from all liability arising out of such proceeding.

4.10 Listing of Common Stock. To the extent required by the Principal Trading Market, the Company shall prepare and file with the Principal Trading Market an additional shares listing application covering all of the Shares in the time and manner required by the Principal Trading Market.

4.11 Use of Proceeds. The Company intends to use the net proceeds from the sale of the Shares hereunder for ordinary working capital purposes.

4.12 Short Sales After The Date Hereof. The Purchaser will not use any of the restricted Shares acquired pursuant to this Agreement to cover any Short Sales in the Common Stock of the Company if doing so would be in violation of applicable securities laws in the holding and sale of the Shares.

4.13 Inspection Rights. The Purchaser agrees that it and its employees, agents and representatives will keep confidential and will not disclose, divulge or use (other than for purposes of monitoring its investment in the Company) any confidential information which the Purchaser may obtain from the Company pursuant to financial statements, reports and other materials submitted by the Company to the Purchaser pursuant to this Agreement granted hereunder, unless such information is known to the public through no fault of the Purchaser or his or its employees or representatives; provided, however, that the Purchaser may disclose such information (i) to its attorneys, accountants and other professionals in

connection with their representation of the Purchaser in connection with the Purchaser's investment in the Company, (ii) to any prospective permitted transferee of the Shares, so long as the prospective transferee agrees in writing to be bound by the provisions of this Section 4.13, or (iii) to any general partner or affiliate of the Purchaser.

4.14 Election of the Purchaser's Board Nominees. Each of the Purchaser's two nominees for election to the Company's Board of Directors pursuant to the Voting Agreement shall be elected to the Company's Board of Directors after the Initial Closing Date. One such nominee shall be elected to the Company's Board of Directors immediately after the Initial Closing Date and the other such nominee shall be elected to the Company's Board of Directors in January 2010.

6.4 Amendments; Waivers; No Additional Consideration. No provision of this Agreement may be waived or amended except in a written instrument signed by the Company and the Purchaser. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

6.5 Construction. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. This Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement or any of the Transaction Documents.

6.6 Successors and Assigns. The provisions of this Agreement shall inure to the benefit of and be binding upon the parties and their successors and permitted assigns. Except as otherwise provided in the Transaction Documents, neither this Agreement, nor any rights or obligations hereunder or under any of the other Transaction Documents, may be assigned by the Company or the Purchaser without the prior written consent of the other party.

6.7 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and, except as set forth in Section 4.1(d) hereof, is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

6.8 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, employees or agents) shall be commenced exclusively in the applicable courts located in the State of New York. Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the applicable courts located in the County of New York, State of New York for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Proceeding, any claim that it is not personally subject to the jurisdiction of any such courts located in the County of New York, State of New York, or that such Proceeding has been commenced in an improper or inconvenient forum. Each party hereto hereby irrevocably waives personal service of process and consents to process being served in any such Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.**

6.9 Survival. Subject to applicable statute of limitations, the representations, warranties, agreements and covenants contained herein shall survive the Second Closing and the delivery of the Remaining Shares.

6.10 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a .pdf format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

6.11 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

6.12 Replacement of Shares. If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company and the Transfer Agent of such loss, theft or destruction and the execution by the holder thereof of a customary lost certificate affidavit of that fact and an agreement to indemnify and hold harmless the Company and the Transfer Agent for any losses in connection therewith or, if required by the Transfer Agent, a bond in such form and amount as is required by the Transfer Agent. The applicants for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs associated with the issuance of such replacement Shares. If a replacement certificate or instrument evidencing any Shares is requested due to a mutilation thereof, the Company may require delivery of such mutilated certificate or instrument as a condition precedent to any issuance of a replacement.

6.13 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, the Purchaser and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agree to waive in any action for specific performance of any such obligation (other than in connection with any action for a temporary restraining order) the defense that a remedy at law would be adequate.

6.14 Payment Set Aside. To the extent that the Company makes a payment or payments to the Purchaser pursuant to any Transaction Document or the Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

6.15 Adjustments in Common Stock Numbers and Prices. In the event of any stock split, subdivision, dividend or distribution payable in shares of Common Stock (or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly shares of Common Stock), combination or other similar recapitalization or event occurring after the date hereof and prior to the Initial Closing, each reference in any Transaction Document to a number of shares or a price per share shall be deemed to be amended to appropriately account for such event.

6.16 Termination. This Agreement may be terminated and the sale and purchase of the Shares abandoned at any time prior to the Initial Closing by either the Company or the Purchaser upon written notice to the other, if the Initial Closing has not been consummated on or prior to 5:00 p.m., Eastern Standard Time, on the Outside Date; *provided, however*, that the right to terminate this Agreement under this Section 6.16 shall not be available to any Person whose failure to comply with its obligations under this Agreement has been the cause of or resulted in the failure of the Initial Closing to occur on or before such time. In addition, after the Initial Closing date, either party may terminate the parties' obligation to effect the Second Closing upon two (2) Business Days prior written notice to the other party hereto if, the Stockholder Approval Condition is not satisfied on or before April 30, 2010. The Purchaser shall have the right to terminate this Agreement upon two (2) Business Days prior written notice to the Company subsequent to an Adverse Recommendation Change. 2. REGISTRATION RIGHTS.

2.1 Termination of Prior Registration Rights; Securities Subject to this Agreement.

2.1.1. Termination of Prior Registration Rights. The Company and the Existing Holders hereby terminate all registration rights granted to the Existing Holders under the Prior Agreements. The Existing Holders hereby agree to accept the registration rights afforded by this Agreement in lieu of the registration rights granted to them under the Prior Agreement. Following the execution hereof, this Agreement shall embody all of the registration rights granted to the Investors.

2.1.2. Securities Subject to this Agreement. For the purposes of this Agreement, Registrable Securities will cease to be Registrable Securities when such Registrable Securities are sold and otherwise transferred pursuant to Rule 144 under the Securities Act or a registration statement covering such Registrable Securities has been declared effective under the Securities Act by the Commission and such Registrable Securities have been disposed of pursuant to such effective registration statement or such Registrable Securities can be sold under Rule 144 without volume limitations.

2.2 Shelf Registration.

2.2.1. The Company shall use its commercially reasonable best efforts to: (i) prepare and file with the Commission a registration statement under the Securities Act (as the same may be amended or supplemented from time to time, the Shelf Registration Statement) with respect to the offer and sale of the Shelf Registrable Securities within thirty (30) days following the first to occur of (x) the Second Closing Date or (y) the date of the Company's receipt of the Rho Notice (such date of receipt being referred to herein as the No Second Closing Notice Date) (or forty-five (45) days following such date if such thirty (30) day deadline falls within the period during which the Company is preparing its audited financial

statements) (the first to occur of subsections (x) and (y) of this Section 2.2.1 shall collectively be referred to as the Filing Deadline) and (ii) cause the Shelf Registration Statement to be declared effective by the Commission, subject to receipt of necessary information from the Shelf Holders, within one hundred and eighty (180) days following (x) the Second Closing Date or (y) the No Second Closing Notice Date, as the case may be (the one hundred and eightieth (180th) day following such date being referred to herein as the Required Effectiveness Deadline). The Company shall use commercially reasonable best efforts to maintain the effectiveness of such Shelf Registration Statement until the earliest to occur of the following (x) all of the Shelf Registrable Securities have been disposed of by Shelf Holders pursuant to the Shelf Registration Statement, (y) all of the Shelf Registrable Securities can be resold, without registration, pursuant to Rule 144 without volume limitations or (z) the Company is no longer a public company subject to the rules and regulations of the Exchange Act.

2.2.2. The Shelf Holders will promptly furnish to the Company in writing all information reasonably requested by the Company for use in connection with the preparation of the Shelf Registration Statement and obtaining the effectiveness thereof. The Shelf Holders hereby severally and not jointly represent and warrant that all such information furnished by it shall be true, accurate and complete. In addition, each Investor covenants and agrees that it will comply with all applicable securities laws when trading the Company's Common Stock.

2.2.3. Notwithstanding anything to the contrary herein, if at any time the Commission takes the position that the offering of some or all of the Shelf Registrable Securities in the Shelf Registration Statement is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 as a result of a characterization by the Commission of the transaction described by the Shelf Registration Statement as a primary offering by the Company, the Company shall use its commercially reasonable best efforts to persuade the Commission that the offering contemplated by the Registration Statement is a valid secondary offering and not an offering by or on behalf of the issuer as defined in Rule 415. In the event that, despite the Company's commercially reasonable best efforts and compliance with the terms of this Section 2.2.3 the Commission refuses to alter its position, the Company shall (i) remove from the Shelf Registration Statement such portion of the Shelf Registrable Securities (the Cut Back Shares) and/or (ii) agree to such restrictions and limitations on the registration and resale of the Shelf Registrable Securities as the Commission may require to assure the Company's compliance with the requirements of Rule 415; provided, however, that the Company shall have no liability to any Investor pursuant to Section 2.2.4 or otherwise as a result of the failure to register any Cut Back Shares as a result of the Commission's application of Rule 415 despite the Company's commercially reasonable best efforts to persuade the Commission that the offering contemplated by the Shelf Registration Statement is a valid secondary offering and not an offering by or on behalf of the issuer as defined in Rule 415. Any Cut-Back Shares required to be removed from the Shelf Registration Statement shall be removed (i) first, from the Soros 2008 Registrable Securities and the Maverick 2008 Registrable Securities covered by such Shelf Registration Statement until all of the Soros 2008 Registrable Securities and the Maverick 2008 Registrable Securities have been removed (and, among them, on a pro rata basis based on the number of Soros 2008 Registrable Securities and Maverick 2008 Registrable Securities outstanding as of the date of this Agreement) and (ii) second, from the Rho Registrable Securities covered by such Shelf Registration Statement. As soon as practicable following such intervening period of time as shall be required by the Commission or Commission guidance prior to the filing thereof, the

Company shall file one or more additional registration statements covering the resale of as many Cut Back Shares allowed by the Commission or Commission guidance to be so registered while maintaining the Company's compliance with Rule 415 (each, an Additional Shelf Registration Statement). Any such Additional Shelf Registration Statement shall cover (i) first, the Rho Registrable Securities until all of the Rho Registrable Securities are covered and (ii) second, the Soros 2008 Registrable Securities and the Maverick 2008 Registrable Securities (on a pro rata basis based on the number of Soros 2008 Registrable Securities and Maverick 2008 Registrable Securities outstanding as of the date of this Agreement). The Company shall use its commercially reasonable best efforts to file each Additional Shelf Registration Statement on or prior to 10 business days after such day that represents the first opportunity that the Commission allows the Additional Registration Statement to be filed without the offering of the shares registered thereunder being deemed a primary offering and cause each Additional Shelf Registration Statement to be declared effective no later than, as applicable (a) five business days after the Company receives notice from the Commission that the Additional Shelf Registration Statement will not become subject to review or (b) if the Additional Shelf Registration Statement becomes subject to review by the Commission, 90 days after the filing thereof. With regard to any such Additional Shelf Registration Statement, all of the provisions of this Section 2.2.3 shall again be applicable to the Cut Back Shares. The Company shall give Rho, Soros and Maverick prompt notice of the amount of Shelf Registrable Securities excluded from each Additional Shelf Registration Statement. Each Additional Shelf Registration Statement shall be on Form S-3 (except if the Company is not then eligible to register for resale the Shares on Form S-3, in which case such registration shall be on another appropriate form in accordance with the Securities Act and the Exchange Act).

2.2.4. If: (i) the Shelf Registration Statement is not filed on or prior to the Filing Deadline or (ii) the Shelf Registration Statement is not declared effective by the Commission (or otherwise does not become effective) on or prior to the Required Effectiveness Deadline (any such failure or breach being referred to as an Event, and the date on which such Event occurs being referred to as Event Date), then, in addition to any other rights available to Rho: (x) on such Event Date the Company shall issue to Rho warrants to purchase shares of Common Stock equal to 1% of the fully diluted outstanding shares of Common Stock for each full 30-day period following the Filing Deadline or the Required Effectiveness Deadline (as applicable) until such time as the Shelf Registration Statement is filed or declared effective by the Commission (or otherwise becomes effective), as applicable; *provided however*, that such warrant issuances shall not exceed, in the aggregate, 10% of the fully diluted outstanding shares of Common Stock; *provided further, however*, if the Stockholder Approval Condition shall not have been satisfied, in lieu of such warrant issuances, the Company shall pay to Rho on such Event Date an amount in cash, as partial liquidated damages and not as a penalty, equal to 1% of the aggregate amount invested by Rho in the Company on each full 30-day period following the Filing Deadline or the Required Effectiveness Deadline (as applicable) until such time as the Shelf Registration Statement is filed or declared effective by the Commission (or otherwise becomes effective), as applicable, up to a maximum amount of 10% of such invested amount. If the Company fails to pay any partial liquidated damages pursuant to this Section 2.2.4 in full within seven days after the date payable, the Company will pay interest thereon at the rate of 10% per annum (or such lesser amount that is permitted to be paid by applicable law) to Rho, accruing daily from the date such partial liquidated damages are due until such amounts, plus all such interest thereon, are paid in full. The partial liquidated damages pursuant to the terms hereof shall apply on a daily pro rata basis prior to the time such Shelf Registration Statement is declared effective by the Commission (or otherwise becomes effective).

2.2.5. In the event that any warrants are issued pursuant to Section 2.2.4, the Company's Board of Directors shall adopt a resolution in accordance with the procedures set forth in Rule 16b-3 promulgated under the Exchange Act so that the acquisition by Rho and its affiliates (and any directors designated by Rho in accordance with the terms of Voting Agreement) of the securities pursuant to this Agreement shall be an exempt transaction for purposes of Section 16 of the Exchange Act.

2.3 Maintenance of Effectiveness of Existing Registration Statement. The Company has on file an effective registration statement on Form S-3 (File No. 333-136866) registering the resale of the Existing Shelf Registrable Securities (the Existing Holders Registration Statement). The Company shall use commercially reasonable best efforts to maintain the effectiveness of the Existing Holders Registration Statement until the earliest to occur of the following (x) all of the Existing Shelf Registrable Securities have been disposed of by the Existing Holders pursuant to the Existing Holder Registration Statement or otherwise, (y) all of the Existing Holder Registrable Securities can be resold, without registration, pursuant to Rule 144 without volume limitations or (z) the Company is no longer a public company subject to the rules and regulations of the Exchange Act.

2.4 Piggy-Back Registration.

2.4.1. Participation. If the Company proposes to file a registration statement under the Securities Act with respect to an underwritten offering by the Company for its own account or for the account of any stockholder of any class of the Company's securities (other than a registration statement on Form S-4 or S-8 or any successor forms thereto) (a Piggy-Back Registration), then the Company shall, at such time, give prompt written notice of such proposed filing to each of the holders of Piggy-Back Registrable Securities, and such notice shall describe in detail the proposed registration and distribution and shall offer such holders the opportunity to register the number of Piggy-Back Registrable Securities as each such holder may request. The Company shall, and shall use commercially reasonable best efforts (within ten (10) days of the notice provided for in the preceding sentence) to cause the managing underwriter or underwriters of a proposed underwritten offering (the Company Underwriter) to, permit the holders of Piggy-Back Registrable Securities who have requested in writing (within ten (10) days of the giving of the notice of the proposed filing by the Company) to participate in the registration for such offering (the Requesting Holders) to include such Piggy-Back Registrable Securities in such offering on the same terms and conditions as the securities of the Company included therein.

2.4.2. Priority for Piggy-Back Registration. In connection with any Piggy-Back Registration by the Company for its own account, the Company shall not be required to include any Piggy-Back Registrable Securities therein unless the holders thereof accept the terms of the underwriting as agreed upon between the Company and the Company Underwriter. If, in the written opinion of the Company Underwriter, the registration of all, or part, of the Piggy-Back Registrable Securities which the Requesting Holders have requested to be included in the Piggy-Back Registration is likely to have a significant adverse effect on such Piggy-Back Registration,

then the Company shall be required to include in such Piggy-Back Registration only that number of Piggy-Back Registrable Securities, if any, which the Company Underwriter believes may be sold without causing such adverse effect, and the amount of securities to be offered in such Piggy-Back Registration shall be (i) first, 100% of the securities that the Company proposes to sell (ii) second, and only if all the securities referred to in clause (i) have been included, the number of Piggy-Back Registrable Securities that, in the opinion of the Company Underwriter, can be sold without having such adverse effect, with such number to be allocated pro rata among the Requesting Holders based on the relative number of Piggy-Back Registrable Securities then held by each such Requesting Holder. If any Requesting Holder would thus be entitled to include more shares than such holder requested to be registered, the excess shall be allocated among other Requesting Holders pro rata based upon their total ownership of Registrable Securities and such other shares of capital stock. In connection with any Demand Registration by the Company for the account of any stockholder of any class of the Company's securities, the priority of the securities to be registered for the benefit of any holder exercising its Piggy-Back Registration rights shall be as set forth in Section 2.5.3.

2.5 Demand Registration.

2.5.1. Request for Registration. At any time after the date hereof, either Rho or Soros (the Demanding Holders) may make a written demand requiring the Company to effect the registration under the Securities Act of all or part of its Demand Registrable Securities in the form of an underwritten offering (a Demand Registration), and, subject to the limitations set forth in Section 2.5.2, the Company shall be required to effect such Demand Registration pursuant to and subject to the terms herein. Any demand for a Demand Registration shall specify the number of Demand Registrable Securities proposed to be sold and the intended methods of disposition thereof. Subject to the limitations set forth in Section 2.5.2., within forty-five (45) days of a request for a Demand Registration, the Company shall file a registration statement relating to such Demand Registration (the Demand Registration Statement), and shall use its commercially reasonable best efforts to cause such Demand Registration Statement to be declared by the Commission.

2.5.2. Limitations on Demand Registrations. The Company shall not be obligated to (i) effect more than two (2) Demand Registrations in respect of the Demand Registrable Securities held by Soros, (ii) effect more than two (2) Demand Registrations in respect of the Demand Registrable Securities held by Rho, (iii) effect more than one (1) Demand Registration in any six (6) month period or (iv) effect any Demand Registration where the aggregate price to the public of the Demand Registrable Securities proposed to be sold is less than \$10 million. The managing underwriter or underwriters of a Demand Registration shall be a nationally recognized investment banking firm selected by the Company with the consent of the Demanding Holders, which consent will not be unreasonably delayed or withheld (the Approved Underwriter). If Soros and/or Rho participates in an offering pursuant to Section 2.4.1, Soros and/or Rho, as applicable, will be deemed to have used one (1) of its Demand Registrations to the extent the conditions set forth in Section 2.5.4 are satisfied and Soros and/or Rho, as applicable, was permitted by the Company Underwriter, in writing, to include in such offering at least 50% of the Registrable Securities owned by Soros and/or Rho, as applicable, as of the date of this Agreement, or such lesser number as was requested by Soros and/or Rho to be included in such offering.

2.5.3. Priority of Securities Registered Pursuant to Demand Registrations. If the Approved Underwriter advises the Company in writing that in its opinion the number of securities requested to be included in a Demand Registration exceeds the number which can be sold in such Demand Registration without being likely to have a significant adverse effect on such Demand Registration, the securities to be included in such Demand Registration (i) first, shall be allocated pro rata among the Demanding Holders who have requested to participate in such Demand Registration based on the relative number of Demand Registrable Securities then held by each such holder, (ii) second, and only if all the securities referred to in clause (i) have been included, the number of securities that the Company proposes to include in such Demand Registration that, in the opinion of the Approved Underwriter, can be sold without having such adverse effect and (iii) next, and only if all the securities referred to in clause (ii) have been included, the number of Piggy-Back Registrable Securities that, in the opinion of the Company Underwriter, can be sold without having such adverse effect, with such number to be allocated pro rata among the Requesting Holders based on the relative number of Piggy-Back Registrable Securities then held by each such Requesting Holder.

2.5.4. Effective Registration. A registration will not count as a Demand Registration until the registration statement filed with the Commission with respect to such Demand Registration has been declared effective and the Company has complied with all of its obligations under this Agreement with respect thereto; *provided, however*, that if, after such registration statement has been declared effective and during the period such registration statement is effective the offering of Demand Registrable Securities pursuant to such Demand Registration is interfered with by any stop order or injunction of the Commission or any other governmental agency or court, such registration statement with respect to such Demand Registration will be deemed not to have been declared effective, unless and until, such stop order or injunction is removed, rescinded or otherwise terminated; *provided, further*, that the Company shall not be obligated to file a second registration statement until a registration statement that has been filed is counted as a Demand Registration or is terminated.

2.5.5. Deferral of Registration. Notwithstanding the foregoing, if, at any time prior to the effective date of the registration statement with respect to a Demand Registration, the Company is (i) pursuing an underwritten offering of shares of its capital stock for its own account, or engaged in or proposes to engage in (A) a material financing, (B) an acquisition of the capital stock or substantially all the assets of any other person (other than in the ordinary course of business) or (C) any disposition of material assets (other than in the ordinary course of business), any tender offer or any merger, consolidation, corporate reorganization or restructuring or other similar transaction; and (ii) the Board of Directors, using good faith, determines that it would be detrimental to the Company for a registration statement to be filed at such time, the Company may defer the filing of a registration statement with respect to any Demand Registration required by this Section 2.5 until a date not later than 120 days from the date of the Deferral Notice (as defined below) (the Deferral Period). If the Board of Directors of the Company makes such determination, the Company shall give written notice (the Deferral Notice) of such determination to the holders of Registrable Securities; *provided*, that, the Company may exercise its right to delay a Demand Registration hereunder only once in any twelve-month period. The Company shall notify the holders of the expiration of the Deferral Period and shall cause the registration statement with respect to the Demand Registration to be filed on the fifth business day following the expiration of the Deferral Period (the Withdrawal).

Period) (or, if registration on such date is not practicable, as promptly as possible thereafter) unless, prior to the expiration of the Withdrawal Period, the holders holding a majority of Demand Registrable Securities to be included in any such Demand Registration, by written notice to the Company, withdraw the request made under this Section 2.5, in which case, such request shall not count as one of the Demand Registrations permitted hereunder and the Company shall pay all Registration Expenses in connection with such registration.

2.6 Blackout Period. If at any time or from time to time after the date of effectiveness of any registration statement that the Company is required to effect or maintain pursuant to this Section 2, the Company notifies the holders of Registrable Securities in writing of the existence of a Potential Material Event (as defined below), such holders shall not offer or sell any of the Registrable Securities covered by any such registration statement, or engage in any other transaction involving or relating to such Registrable Securities, from the time of the giving of notice with respect to a Potential Material Event until such holder receives written notice from the Company that such Potential Material Event either has been disclosed to the public or no longer constitutes a Potential Material Event (such period of time hereinafter referred to as a Blackout Period). As used herein, Potential Material Event means any of the following (i) the possession by the Company of material information not ripe for disclosure in a registration statement, which shall be evidenced by determinations in good faith by the Board of Directors of the Company that disclosure of such information in the registration statement would be detrimental to the business and affairs of the Company or (ii) any material engagement or activity by the Company which would, in the good faith determination of the Board of Directors of the Company, be adversely affected by disclosure in a registration statement at such time, which determination shall be accompanied by a good faith determination by the Board of Directors of the Company that the registration statement would be materially misleading absent the inclusion of such information. No Blackout Period shall exceed thirty (30) consecutive days, and there shall be no more than sixty (60) days (which need not be consecutive) during any twelve-month period in which a Blackout Period is in effect.

3. REGISTRATION PROCEDURES.

3.1 Obligations of the Company. Subject to the registration procedures set forth in Sections 2.2, 2.4 and 2.5, in connection with the Company's registration obligations under Section 2, the Company shall use its commercially reasonable best efforts to effect such registration to permit the sale of such Registrable Securities in accordance with the intended method or methods of distribution thereof as expeditiously as reasonably practicable, and in connection therewith the Company shall:

3.1.1. prepare and file with the Commission a registration statement, and use its commercially reasonable best efforts to cause such registration statement to become effective under the Securities Act; *provided, however*, that before filing a registration statement or prospectus or any amendments or supplements thereto, the Company shall (A) before the filing of such registration statement and the prospectus included therein or any amendments or supplements thereto, provide counsel selected by the holders of a majority of the Registrable Securities being registered in such registration (Holders Counsel) copies of all such documents in substantially the form proposed to be filed, to enable the Investors and Holders Counsel to review such documents prior to the filing thereof, and the Company shall make such

reasonable changes thereto as may be reasonably requested by the Investors and (B) notify the Holders Counsel and each seller of Registrable Securities of any stop order issued or threatened by the Commission and take all reasonable action required to prevent the entry of such stop order or to remove it if entered. Notwithstanding the foregoing, to the extent Rho Registrable Securities are included on a registration statement, with respect to such registration statement, Rho's counsel shall be promptly notified about any events described, and afforded the rights set forth, in subsections (A) and (B) hereof;

3.1.2. prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and in compliance with the provisions of the Securities Act until all Registrable Securities and other securities covered by such Registration Statement have been disposed of in accordance with the intended method(s) of distribution set forth in such registration statement (which period shall not exceed ninety (90) days (or until such earlier date on which the Company Underwriter shall notify the Company that it is unable to sell the balance of the Registrable Securities covered by such registration statement) in the case of a registration statement filed with respect to and used solely for an underwritten offering, and the applicable period set forth in this Agreement in any other case;

3.1.3. furnish to each seller of Registrable Securities, prior to filing a registration statement, copies of such registration statement as is proposed to be filed, and thereafter such number of copies of such registration statement, each amendment and supplement thereto (in each case including all exhibits thereto), the prospectus included in such registration statement (including each preliminary prospectus) and such other documents as each such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

3.1.4. cause its counsel to issue to the Company's transfer agent, within two business days of the effectiveness date of a registration statement with respect to any of the Registrable Securities, an appropriate opinion or opinions (or a letter from the Company acceptable to the transfer agent) substantially to the effect that the Registrable Securities covered by such registration statement are subject to an effective registration statement and can be reissued free of restrictive legend, provided that the Company has not advised the transfer agent orally or in writing that the opinion has been withdrawn;

3.1.5. use reasonable efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any seller of Registrable Securities requests, and to continue such qualification in effect in such jurisdiction for as long as is permissible pursuant to the laws of such jurisdiction, or for as long as any such seller requests or until all of such Registrable Securities are sold, whichever is shortest, and do any and all other acts and things which may be reasonably necessary or advisable to enable any such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller; *provided, however*, that the Company shall not be required to (A) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3.1.4, (B) subject itself to taxation in any such jurisdiction or (C) consent to general service of process in any such jurisdiction;

3.1.6. use reasonable efforts to cause the Registrable Securities covered by such registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary by virtue of the business and operations of the Company to enable the seller or sellers of Registrable Securities to consummate the disposition of such Registrable Securities;

3.1.7. notify each seller of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the happening of any event as a result of which, the prospectus included in such registration statement contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they were made, and the Company shall promptly prepare a supplement or amendment to such prospectus and furnish to each seller a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, after delivery to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they were made;

3.1.8. enter into and perform customary agreements (including an underwriting agreement in customary form with the underwriter, if any, selected as provided herein) and take such other actions as are reasonably required in order to facilitate the disposition of such Registrable Securities;

3.1.9. make available for inspection by any seller of Registrable Securities, any managing underwriter participating in any disposition pursuant to such registration statement, Holders' Counsel and any attorney, accountant or other agent retained by any such seller or any managing underwriter (each, an Inspector and collectively, the Inspectors), during regular business hours and upon reasonable advance notice, all financial and other records, pertinent corporate documents and properties of the Company (collectively, the Records) as shall be reasonably necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees, and the independent public accountants of the Company, to supply all information reasonably requested by any such Inspector in connection with such registration statement;

3.1.10. if such sale is pursuant to an underwritten offering, obtain a "cold comfort" letter from the Company's independent public accountants in customary form and covering such matters of the type customarily covered by "cold comfort" letters as Holders' Counsel or the managing underwriter reasonably requests;

3.1.11. furnish, at the request of any seller of Registrable Securities on the date such securities are delivered to the underwriters for sale pursuant to such registration or, if such securities are not being sold through underwriters, on the date the registration statement with respect to such securities becomes effective, an opinion, dated such date, of counsel representing the Company for the purposes of such registration, addressed to the underwriters, if any, and to the seller making such request, covering such legal matters with respect to the registration in

respect of which such opinion is being given as such seller may reasonably request and are customarily included in such opinions;

3.1.12. cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed, provided, that the applicable listing requirements are satisfied;

3.1.13. cooperate with each seller of Registrable Securities and each underwriter participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the Financial Industry Regulatory Authority (FINRA);

3.1.14. promptly notify each Investor whose shares of Common Stock are covered by such registration statement, and promptly confirm such notice in writing, if such notice was verbally given, (A) when the registration statement covering the Registrable Securities has become effective and when any post effective amendments thereto have become effective, (B) of the receipt of any comments from the Commission with respect to any such document or a document incorporated by reference therein, and (C) of any request by the Commission or any other federal or state securities authority for amendments or supplements to the registration statement or a prospectus or for additional information after the registration statement has become effective, and

3.1.15. use reasonable efforts to take all other steps necessary to effect the registration of the Registrable Securities contemplated hereby.

3.2 Notice to Discontinue. Each holder of Registrable Securities agrees that, upon receipt of any written notice from the Company of the happening of any event of the kind described in Section 3.1.7, such holder shall forthwith discontinue disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3.1.7 and, if so directed by the Company, such holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such holder's possession, of the prospectus covering such Registrable Securities which is current at the time of receipt of such notice. If the Company shall give any such notice, the Company shall extend the period during which such registration statement shall be maintained effective pursuant to this Agreement (including without limitation the period referred to in Section 3.1.2) by the number of days during the period from and including the date of the giving of such notice pursuant to Section 3.1.7 to and including the date when the holder shall have received the copies of the supplemented or amended prospectus contemplated by and meeting the requirements of Section 3.1.7.

3.3 Registration Expenses. The Company shall pay all expenses (other than underwriting discounts and commissions) arising from or incident to the Company's performance of, or compliance with, this Agreement, including without limitation, (i) Commission, stock exchange, NASDAQ and FINRA registration and filing fees, (ii) all fees and expenses incurred by Company in complying with securities or blue sky laws (including reasonable fees, charges and disbursements of counsel in connection with blue sky qualifications

of the Registrable Securities), (iii) all printing, messenger and delivery expenses, and (iv) the fees, charges and disbursements of counsel to the Company and of its independent public accountants and any other accounting and legal fees, charges and expenses incurred by the Company (including without limitation any expenses arising from any special audits incident to or required by any registration or qualification) in connection with any Demand Registration pursuant to the terms of this Agreement, regardless of whether such registration statement is declared effective. All of the expenses described in this Section 3.3 are referred to herein as Registration Expenses.

4. INDEMNIFICATION AND CONTRIBUTION.

4.1 Indemnification by the Company. To the fullest extent permitted by law, the Company will indemnify each holder of Registrable Securities, each of its officers, directors, agents, partners, members, stockholders and employees of each such Person, and each Person, if any, who controls such holder within the meaning of the Securities Act or Exchange Act, with respect to each registration which has been effected pursuant to this Agreement against all claims, losses, damages and liabilities, including, without limitation, fees and other expenses reasonably incurred in connection with any investigation relating to, or defending, any such claims, losses, damages and liabilities (or actions in respect thereof), arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement filed with the Commission in connection with such registration, including any preliminary prospectus or final prospectus contained therein, any amendments or supplements thereto or any issuer free writing prospectus (as defined in Rule 433 under the Securities Act) related thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, that the Company will not be liable in any such case to the extent that any such claim, loss, damage, liability or expense arises out of or is based on any untrue statement or omission based solely upon written information regarding such holder furnished to the Company by such holder expressly for use in such registration statement.

4.2 Indemnification by the Investors. To the fullest extent permitted by law, each of the holders of Registrable Securities will, if Registrable Securities held by it are included in the securities as to which any registration pursuant to this Agreement is being effected, severally and not jointly indemnify the Company, each of its directors and officers, each Person who controls the Company within the meaning of the Securities Act or the Exchange Act, against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement filed in connection with such registration, including any preliminary prospectus or final prospectus contained therein, any amendments or supplements thereto or any issuer free writing prospectus related thereto, or any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements by such holder therein not misleading, and will reimburse the Company, its directors and officers and Persons who control the company for any legal or any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is actually made in such registration statement, including any preliminary or final prospectus contained therein, any amendments or supplements thereto or any

issuer free writing prospectus related thereto, in reliance upon and in conformity with written information regarding such holder furnished to the Company by such holder expressly for use in such registration statement. Notwithstanding the provisions of this Section 4.2, the liability of each Investor (including any transferee of the registration rights) under this Section 4.2 shall not exceed the net proceeds actually received by such Investor in connection with any sale of the Registrable Securities.

4.3 Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder (the Indemnified Party) agrees to give prompt written notice to the indemnifying party (the Indemnifying Party) after the receipt by the Indemnified Party of any written notice of the commencement of any action, suit, proceeding or investigation or threat thereof made in writing for which the Indemnified Party intends to claim indemnification or contribution pursuant to this Agreement; provided, that the failure so to notify the Indemnifying Party shall not relieve the Indemnifying Party of any liability that it may have to the Indemnified Party hereunder unless, and only to the extent that, such failure results in the Indemnifying Party's forfeiture of substantial rights or defenses. If notice of commencement of any such action is given to the Indemnifying Party as above provided, the Indemnifying Party shall be entitled, after written notice to the Indemnified Party, to participate in and, to the extent it may wish, jointly with any other Indemnifying Party similarly notified, to assume the defense of such action at its own expense, with counsel chosen by it and reasonably satisfactory to such Indemnified Party. The Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel (other than reasonable costs of investigation) shall be paid by the Indemnified Party unless (i) the Indemnifying Party agrees to pay the same, (ii) the Indemnifying Party fails to assume the defense of such action within a reasonable period of time and with counsel satisfactory to the Indemnified Party in its reasonable judgment, (iii) the Indemnified Party to any such action (including any impleaded parties) have been advised by such counsel that either (A) representation of such Indemnified Party and the Indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or (B) there may be one or more legal defenses available to the Indemnified Party which are different from or additional to those available to the Indemnifying Party. No Indemnifying Party shall, without the prior written consent of each Indemnified Party, settle, compromise or consent to the entry of any judgment unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability relating thereto. All fees and expenses required to be paid to the Indemnified Party pursuant to this Section 4.3 shall be advanced periodically during the course of the Indemnified Party's investigation or defense; provided, however, that the obligations of any Indemnified Party to advance fees and expenses to an Indemnified Party shall be subject to the receipt by such Indemnified Party of an undertaking by or on behalf of the Indemnified Party to repay the amounts so advanced if (and to the extent) it is subsequently determined that the Indemnified Party is not entitled to indemnification with respect to such investigation or defense. In either of such cases the Indemnifying Party shall not have the right to assume the defense of such action on behalf of such Indemnified Party. No Indemnifying Party shall be liable for any settlement entered into without its written consent, which consent shall not be unreasonably withheld, conditioned or delayed.

4.4 Contribution. If the indemnification provided for in this Section 4 from the Indemnifying Party is applicable by its terms but unavailable to an Indemnified Party hereunder

in respect of any losses, claims, damages, liabilities or expenses referred to therein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall severally and not jointly contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative faults of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Sections 4.1, 4.2, 4.3, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 4.4 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 4, no Investor (including any transferee of the registration rights) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Investor from the sale of the Registrable Securities subject to the claim, loss, damage, liability or action exceeds the amount of any damages that such Investor has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person.

5. UNDERWRITING AND DISTRIBUTION.

5.1 Rule 144. The Company covenants that for so long as it is a public company subject to the rules and regulations of the Exchange Act, it shall take such action as each holder of Registrable Securities may reasonably request (including providing any information necessary to comply with Rules 144 under the Securities Act), all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144 under the Securities Act, as such rules may be amended from time to time, or (b) any similar rules or regulations hereafter adopted by the Commission. The Company shall, upon the request of any holder of Registrable Securities, deliver to such holder a written statement as to whether the Company has complied with such requirements.

5.2 Holdback Agreements.

5.2.1. Restrictions on Public Sale by Holders of Registrable Securities. To the extent not inconsistent with applicable law, and provided that all of the Company's executive officers, directors and, to the extent they are parties to this Agreement, holders of five percent or more of the outstanding capital stock of the Company enter into substantially similar agreements, the Investors agree that, in connection with a registered public offering of the Company's equity

securities, they will not effect any public sale or distribution of any Registrable Securities or of any securities convertible into or exchangeable or exercisable for such Registrable Securities, including a sale pursuant to Rule 144 under the Securities Act, during the 90 days beginning on, the effective date of the Company's registration statement (except as part of such registration), if and to the extent reasonably requested by the Company in writing in the case of a non-underwritten public offering or to the extent reasonably requested by the Company Underwriter or Approved Underwriter in writing in the case of an underwritten public offering.

5.2.2. Restrictions on Public Sale by the Company. The Company agrees not to effect any public sale or distribution of any of its equity securities, or any securities convertible into or exchangeable or exercisable for such equity securities (except pursuant to registrations on Forms S-4 or S-8 of the Securities Act or any successor or other forms not available for registering equity securities for sale to the public) during the ten business days prior to, and during the 30 day period beginning on the effective date of any registration statement in which the holders of Registrable Securities are participating unless such registration statement also relates to securities being offered by the Company. In addition, the Company agrees not to file, without the consent of Rho, any registration statement for an underwritten offering of its securities until a Shelf Registration Statement or one or more Additional Shelf Registration Statements covering all of the Rho Registrable Securities has been declared effective by the SEC.

6. MISCELLANEOUS.

6.1 Term. This Agreement shall terminate with respect to each Investor on the date such Investor no longer owns any Registrable Securities. For the avoidance of doubt, this Agreement shall continue to remain in effect with respect to any other Investor that continues to own Registrable Securities. The provisions of Section 4 and Section 5.1 shall survive any termination.

6.2 Assignment; Binding Effect. This Agreement and the rights, duties and obligations of each Investor hereunder may be assigned (in whole or in part) by such Investor to transferees or assignees of all or any portion of its Registrable Securities, but only if (i) the such Investor (or subsequent transferor) agrees in writing with the transferee or assignee to assign such rights, and a copy of such agreement is furnished to the Company within a reasonable time after such assignment, (ii) the Company is, within a reasonable time after such transfer or assignment, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being transferred or assigned, (iii) at or before the time the Company received the written notice contemplated by clause (ii) of this sentence, the transferee or assignee agrees in writing with the Company to be bound by all of the provisions contained in this Agreement, (iv) the transferee is an accredited investor as that term is defined in Rule 501 of Regulation D and (v) insofar as any assignment covers the Demand Registration Rights, the transferee or assignee is acquiring at least 50% of the Registrable Securities owned by such Investor and its Affiliates immediately prior to such transfer and such Investor and its transferee or assignee allocate the Demand Registration Rights between them so as not to increase the number of unused Demand Registrations available to such Investor and its Affiliates in effect immediately prior to such transfer. This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and their respective successors.

Notwithstanding anything to the contrary contained herein, the Prentice/Maverick Lock-Up Restrictions shall not apply to any sale of Common Stock by the Maverick Parties or the Prentice Parties to Rho or an individual, corporation, partnership, limited liability company, trust, business trust, association, joint stock company, joint venture, sole proprietorship, unincorporated organization, or any other form of entity unaffiliated with Rho (a Rho Co-Investor), if (A) such sale is approved in writing by Rho and, to the extent required under Nasdaq rules and regulations, the Company's shareholders and (B) in the case of a sale to a Rho Co-Investor, the Rho Co-Investor was introduced to Prentice or Maverick (as applicable) by Rho. (ii) The Prentice/Maverick Lock-Up Restrictions shall continue to apply with respect to the Prentice Parties or the Maverick Parties (as the case may be) until the one year anniversary of the Initial Closing (or such earlier date as Rho and/or Soros is permitted to sell securities that are subject to the lock-up set forth in Section 2.2(b) hereof) if Rho and/or a Rho Co-Investor shall have offered, in writing, (and in the case of such a written offer, the Prentice Parties or the Maverick Parties, as the case may be, shall not have accepted such an offer), on or prior to the Prentice/Maverick Initial Lock-Up Termination Date, to purchase for cash at least 50% (or, in the case of Prentice, 100%) of the shares of Common Stock owned by the Prentice Parties or the Maverick Parties (as the case may be) as of the date hereof on pricing terms no less favorable than those included in the Securities Purchase Agreement, with such purchase to be consummated within 20 days of delivery of such written notice. In connection with any such sale to Rho and/or a Rho Co-Investor, neither the Prentice Parties nor the Maverick Parties (as the case may be) shall be required to make any representations or warranties concerning the Company. Notwithstanding anything contained in this Section 2.2(a)(ii) to the contrary, the lock-up restrictions applicable to (1) the Prentice Parties hereunder shall not apply to any transfer by any of the Prentice Parties to any person so long as Prentice Capital Management, L.P. remains the

beneficial owner of the transferred securities; and (2) the Maverick Parties hereunder shall not apply to any transfer by any of the Maverick Parties to any person so long as Maverick Capital, Ltd. remains the beneficial owner of the transferred securities. For purposes of this Section 2.2(a)(ii) only, the term "Prentice Parties" shall not include SAC.

SECTION 5.2 Entire Agreement. This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing herein, express or implied, is intended to or shall confer upon any person not a party hereto any right, benefit or remedy of any nature whatsoever under or by reason hereof, except as otherwise provided herein. In the event that any Stockholder desires to transfer any shares of capital stock (or rights to purchase shares of capital stock) owned by such Stockholder to any affiliate of such Stockholder, then it shall be a condition to such transfer that any such affiliate transferee agree to become a party to, and bound by, this Agreement in the same capacity as the Stockholder that transferred such shares of capital stock (or rights to purchase shares of capital stock) to it.

SECTION 5.4 Term.

(a) The rights and obligations of the Soros Parties hereunder (except with respect to their obligation to cause directors designated by them to resign under Section 1.6(a)) shall automatically terminate upon occurrence of a Soros Termination Event.

(b) The rights and obligations of Rho hereunder (except with respect to their obligation to cause directors designated by them to resign under Section 1.6(b)) shall automatically terminate upon occurrence of a Rho Termination Event.

(c) The rights and obligations of the Maverick Parties hereunder (except with respect to their obligation to cause directors designated by them to resign under Section 1.6(c)) shall automatically terminate upon occurrence of a Maverick Termination Event.

SECTION 5.8 Severability. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

SECTION 5.9 Governing Law; Choice of Forum; Jury Waiver. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS LAW, PROVIDED THAT THE PROVISIONS SET FORTH HEREIN AND ANY CLAIMS OR DISPUTES ARISING OUT OF OR RELATED TO SUCH PROVISIONS OR THE SUBJECT MATTER THEREOF THAT ARE REQUIRED TO BE GOVERNED BY THE DELAWARE GENERAL CORPORATION LAW SHALL BE GOVERNED BY THE DELAWARE GENERAL CORPORATION LAW. The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby may only be brought in the United States District Court for the Southern District of New York or any New York State court sitting in the Borough of Manhattan in New York City, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law (as defined in the Investment Agreement), any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.

SECTION 5.10 Counterparts; Facsimile Signatures. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart. This Agreement may be executed by facsimile, and a facsimile signature shall have the same force and effect as an original signature on this Agreement. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 5.11 Independent Nature of Stockholders' Obligations and Rights. The obligations of each Stockholder this Agreement are several and not joint with the obligations of any other Stockholder, and no Stockholder shall be responsible in any way for the performance of the obligations of any other Stockholder under this Agreement. Nothing contained herein or in any Transaction Document, and no action taken by any party hereto pursuant thereto, shall be deemed to constitute any Stockholder as a partnership, an association, a joint venture or any other kind of entity with any other Stockholder, or create a presumption that the Stockholders are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Stockholder shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Stockholder to be joined as an additional party in any proceeding for such purpose. Each Stockholder has been represented by its own separate legal counsel in their review and negotiation of the Transaction Documents.

SECTION 5.12 Specific Performance. Each of the parties hereto, in addition to being entitled to exercise all of its rights hereunder, including recovery of damages, shall be entitled to specific performance of its rights under this Agreement. Each party agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

SECTION 5.13 No Violations. Each of the parties hereto agree that no party hereto shall be obligated to comply with any provisions of this Agreement relating to the voting of shares of capital stock of the Company if doing so would constitute a violation of law or public policy.
