Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.***Grants of Restricted Stock***

On May 19, 2010, our Compensation Committee approved a grant of shares of restricted stock pursuant to our amended and restated 2006 Incentive Plan to our Executive Officers and the other members of our senior management team that are structured to satisfy the ordinary annual awards to senior management through 2012. These shares of restricted stock were issued on May 19, 2010 (the Issue Date) and 100% of the award will vest on the three-year anniversary of the Issue Date if both a time-based and a market-based condition are met. To satisfy the time-based vesting condition, the recipient must continue to be employed by us on the three-year anniversary of the Issue Date (unless otherwise specified in the executive's restated employment agreement). To satisfy the market-based condition, either (i) the volume-weighted average price (VWAP) of our common stock for the period beginning on the first day following the release of our fourth quarter earnings results for the 2012 fiscal year and ending on the three-year anniversary of the Issue Date (the Measurement Period) must meet or exceed the closing price of our common stock on the Issue Date of \$7.88 (the primary market-based condition) or (ii) both (x) the VWAP of our common stock for the Measurement Period is less than \$7.88 per share but greater than or equal to \$7.00 per share and (y) the Company's book value per share at March 31, 2013 is greater than or equal to the Company's book value on March 31, 2010, calculated on a pro-forma basis to include these awards (the secondary market-based condition). Unless both the time-based and market-based (either the primary or secondary) conditions are met, 100% of the restricted stock awards will be forfeited.

Vesting of these stock awards will be accelerated pursuant to the terms of any effective employment agreement between the recipient and the Company in accordance with the terms of the employment agreements (the Employment Agreements). The awards also modified the Employment Agreements, with respect to these awards only, to provide that (i) in no event shall the performance-based vesting condition be accelerated unless such acceleration is a result of death, disability or a Change of Control (as defined in the Employment Agreements), and (ii) in no event shall the time-based vesting condition be accelerated in the case of a voluntary termination of employment, whether or not for Good Reason (as defined in the Employment Agreements) or, in the case of Retirement (as defined in the Employment Agreements).

The restricted stock awards were issued in the following amounts to the Executive Officers:
