Item 1.01 Entry into a Material Definitive Agreement

Amendment to Line of Credit for Clean Coal Solutions, LLC

On September 9, 2011, Clean Coal Solutions, LLC, a subsidiary in which we now own a 42.5% interest ("Clean Coal"), entered into an amendment (the "Omnibus Amendment and Reaffirmation Agreement") to its existing Credit Agreement, together with amendments to various related agreements (hereafter collectively the "Line of Credit") with a bank, pursuant to which the maximum amount Clean Coal can borrow under the Line of Credit was increased from \$10 million to \$15 million. Borrowings under the Line of Credit are secured by substantially all assets of Clean Coal (including a specific pledge of the interests it owns in subsidiaries that constitute material subsidiaries). The Line of Credit is available until March 30, 2013 and requires quarterly interest payments, with all amounts borrowed under the Line of Credit to be repaid by no later than March 30, 2013. Borrowings under the Line of Credit bear interest at the higher of the Prime Rate (as defined in the credit agreement) plus one percent (1%) or 5% per annum. As of September 12, 2011, the outstanding balance on the Line of Credit was \$9.4 million and the effective interest rate was 5% per annum. Borrowings under the line of credit are subject to certain financial covenants applicable to Clean Coal.

The information contained in this report is a summary of the terms of the Omnibus Amendment and Reaffirmation Agreement, and reference is made to that agreement for the complete terms thereof. In accordance with the regulations of the United States Securities and Exchange Commission, we will file a copy of the Omnibus Amendment and Reaffirmation Agreement with our Quarterly Report on Form 10-Q for the fiscal quarter ending September 30, 2011.

Amendment to Operating Agreement for Clean Coal Solutions, LLC

Effective as of September 9, 2011, we, NexGen Refined Coal, LLC ("NexGen") and GSFS Investments I Corp. ("GSFS") entered into a First Amendment to Second Amended and Restated Operating Agreement of Clean Coal Solutions, LLC, together with certain related agreements, pursuant to which we and NexGen each transferred our 2.5% member interests in each of Clean Coal's subsidiaries back to Clean Coal in return for an increase in our interest in Clean Coal to 42.5% from 42.1%. GSFS' interest in Clean Coal was decreased to 15% from 15.8%. This restructuring of ownership interests did not change the financial relationships of the parties, and will result in simplified financial and accounting procedures.
