Item 8.01 Other Events

Acquisitions of Shares of Common Stock of Discovery Offshore S.A.

In June 2013, Hercules Discovery Ltd., a Cayman entity and wholly owned subsidiary of the Company, agreed to purchase additional shares of Discovery's common stock. These share purchases increase the Company's total investment in Discovery to more than 50% of Discovery's outstanding shares. In accordance with the Norwegian Securities Trading Act, chapter 64, on June 24, 2013, the Company announced that it will make a mandatory cash tender offer for all remaining outstanding shares of Discovery. The Company expects to finance its acquisitions of Discovery shares using the net proceeds from the private placement of senior notes disclosed in Item 7.01 above, together with cash on hand (including the proceeds of approximately \$104 million the Company expects to receive from the sales of its inland barge rigs, domestic liftboats and related assets). There can be no assurance that the Company will complete its acquisitions of Discovery shares successfully or complete them on the terms initially offered.

The closing of this transaction is expected to occur in July 2013 and is subject to the completion of certain customary closing conditions. As a result of this transaction, the Company expects to record a non-cash impairment charge of approximately \$4.0 million, subject to adjustment, in the second quarter of 2013.

Additionally, the Company is selling *Hercules 27* to a third party for \$5.0 million under a separate agreement. The Company will also retain working capital within its Inland segment, which totaled approximately \$4.6 million as of May 31, 2013.
