SUMMARY OF MINUTES

OF THE

608TH MEETING

Date, time and place: October 1, 2014 at 3.50 p.m. at the company's head office,
Av. Barbacena 1200, 21st Floor, Belo Horizonte, Minas Gerais, Brazil.

Meeting Committee: Chair: Djalma Bastos de Moraes;
Secretary: Anamaria Pugedo Frade Barros

Summary of proceedings:

- 1 Conflict of interest:** The board members listed below said they had no conflict of interest in the matter on the agenda of this meeting.
- 2 The Board approved** the minutes of this meeting.
- 3 The Board authorized:**
 - I)** Provision of a partial, non-joint, surety guarantee by Cemig for the third issue of promissory notes by **Guanhães Energia S.A.** (the Notes) by undertaking stated on the printed Notes, in proportion to the equity interest held in that Company by Cemig Geração e Transmissão S.A. (**Cemig GT**), the characteristics of the issue being as follows:

Issuer: Guanhães Energia S.A.

Lead Manager: A financial institution of the Brazilian securities distribution system, to be contracted to intermediate and coordinate the issue of the Notes.

Surety guarantee: The Notes and all the obligations under them shall have the partial and non-joint surety guarantee of **Cemig** and of **Light S.A.**, together named the Guarantors, in the proportion of the equity interests in the Issuer, of 49% e 51%, respectively held by **Cemig GT** and **Light Energia S.A.**, through guarantee stated on the printed Notes.

The surety, which will be given irrevocably, will comprise the principal and all the accessory debt, with arrears interest, contractual and/or arrears penalty payments and other additions, including such costs provenly incurred by holders of Notes arising from proceedings, procedures and other measures in court or otherwise as are necessary for protection of the rights related to the Notes. The surety shall remain in effect until the full compliance by the Issuer with all the obligations arising from the issue of the Notes.

Use of funds: a) for payment of the debt arising from the Company's 2nd issue of promissory notes and its 1st issue of debentures,

b) the remaining balance (after payment of the debts in a) above) to supply the funding needs of the Issuer's wholly-owned subsidiaries, to be deposited in a linked account and used only after approval by the stockholders of the Issuer of an updated Business Plan of the Guanhães Project, to include detailed proposals for the Project's environmental, EPC and financial issues, and an action plan aiming to recover the original economic and financial conditions of the project approved by Cemig.

Volume of the Issue: Two hundred million Reais.

Number of series:	One single series.
Nominal Unit Value:	Four million Reais, on the Issue Date.
Quantity:	Fifty.
Placement procedure and regime:	The distribution shall be public, with restricted distribution efforts, in accordance with CVM Instruction 476/2009 as amended, under the regime of firm guarantee of placement for the volume of two hundred million Reais, to be exercised only in the event of the demand for and actual financial subscription of the Notes by Qualified Investors being lower than the quantity of Notes actually offered, by the Issue Date.
Issue Date:	Date of the actual subscription, and payment of subscription, of the Notes, as specified on the physical Notes.
Maturity Period:	Up to one hundred eighty days from the Issue Date.
Remuneration:	<p>The nominal unit value of the Notes will not undergo monetary updating.</p> <p>The Notes will pay remuneratory interest equal to 110% of the daily average of the <i>over extra-grupo</i> Interbank Deposit (<i>Depósitos Interfinanceiros</i>, or DI) Rate, expressed in the form of percentage per year, on the two hundred fifty-two business days basis, calculated and published daily by Cetip (Cetip S.A. – Mercados Organizados) in its daily bulletin available on its website (http://www.cetip.com.br)(the Remuneration).</p> <p>The Remuneration will be calculated on an exponential and cumulative basis, <i>pro rata temporis</i> by business days elapsed, on the Nominal Unit Value of each Promissory Note, from the Issue Date up to the Remuneration Payment Date, according to the criteria set out in Cetip Manual of Formulas for Notes and Bonds (CETIP21) which is available for consultation as stated above. These criteria will be printed on the</p>

physical Notes.

Payment of the Remuneration:	In a single payment, on the Maturity Date, or on the Date of Optional Early Redemption, or of early maturity of the Promissory Notes occurring as a result of any of the Default Events described on the printed Notes. Amortization of the Nominal Unit Value: On the same date as the Payment of the Remuneration.
Renegotiation:	None.
Optional early redemption:	The Issuer may, under Paragraphs 2, 3 and 4 of Article 7 of CVM Instruction 134/1990, at its own exclusive option, make total or partial early redemption of the Promissory Notes in circulation at any time as from 30 calendar days from the Issue Date, by payment of the Nominal Unit Value plus the Remuneration, calculated pro rata temporis from the Issue Date up to the date of actual payment, in accordance with the legislation from time to time in force, without payment of any premium to the holders of the Notes.
Place of Payment:	In accordance with the procedures of Cetip, for Notes held in electronic custody at Cetip; for holders of the Notes that are not linked to that system, at the Issuer's head office or in accordance with the procedures of the Mandated Bank, as applicable.
Extension of periods:	If the date of maturity of an obligation coincides with a day that is not a business or banking business day at the location of the head office of the Company, the date of payment of any obligation shall be deemed automatically postponed to the next business day, without any addition to the amount to be paid, except in cases where the payment is to be made through Cetip, in which case the extension will take place only when the date of the payment coincides with a Saturday, Sunday or national public holiday.
Arrears charges:	In the event of non-punctuality in the payment of any amount payable to the holders of the Notes, the debits in arrears shall be subject to: A non-reducible contractual compensatory arrears penalty payment of 2%; and non-compensatory arrears interest at 1% per month or fraction thereof; both being calculated on the amount due and unpaid, from the date of default until the date of actual payment, independently of advice, notification or interpolation through the courts or otherwise.

II) Signature of the legal instruments necessary for making the above-mentioned surety guarantee effective in such a way that the guarantee is existing, valid and efficacious whenever any obligation to be assumed by Issuer is not complied with; and:

III) All action necessary to put the above decisions into effect.

4) The Board re-ratified Board Spending Decision (CRCA) 081/204:

- I)** to adjust the interest rates of Sub-credits B and D, with alteration from TJLP + 2.48 to BNDES Reference Rate (TR BNDES) + 2.48 % p.a., where TR BNDES is equal to the result of linear interpolation of the internal rates of return existing in the secondary market for Series B National Treasury Notes (NTN-Bs) applicable to the average amortization period of each portion of the B and d sub-credits at the time of their utilization; and
- II)** to change the drafting of the item relating to early maturity of the debt to reflect exactly the maturity situations, as defined in the Financing Contract, to:

(g) Conditions of early maturity of the debt:

reduction of the headcount of the Beneficiary without compliance with Item IV of Clause 13;

inclusion, in a stockholding agreement, by-laws or articles of association of the Beneficiary, or of a company controlling it, of a provision that results in restrictions or reduction of payment capacity of the financial obligations arising from this transaction;

non-compliance with any other obligation specified in the Financing Contract; or

renewal of the Concession Contracts not having taken place by February 18, 2016 and the Beneficiary not having settled, by March 15, 2016, all the obligations arising from the Financing Contract.

the other provisions of that CRCA remaining unchanged.

5) The Chair made comments on a subject of interest to the Company.

MATERIAL ANNOUNCEMENT

Conclusion of increase in Cemig's stake in Gasmig

In accordance with CVM Instruction 358 of January 3, 2002, as amended, **Cemig** (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, **hereby informs** the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and the market in general, as follows:

Cemig reports completion of the acquisition, from Petrobras's subsidiary **Gaspetro**, of Gaspetro's 40% equity holding in **Gasmig** (*Companhia de Gás de Minas Gerais*).

This transaction, under the Share Purchase Agreement signed with **Petrobras** (Petróleo Brasileiro S.A.) and approved by the Boards of Directors of Cemig and Petrobras, was reported in Cemig's Material Announcement of July 21, 2014.

On October 10, 2014 **Cemig** made the payment that completed this acquisition, in the amount of R\$570,935,931.26 (five hundred seventy million nine hundred thirty five thousand nine hundred thirty one Reais and twenty six centavos).

This amount is the result of monetary updating, by the IGP-M index, of the purchase price of R\$600 million specified in the Share Purchase Agreement, reported in the prior Material Announcement, less the dividends paid between the base date and the closing date.

The acquisition was completed after approval by the Brazilian Monopolies Authority (*Conselho Administrativo de Defesa Econômica*, or CADE) and consent from the concession-granting power, the State of Minas Gerais.

Gasmig is holder of the exclusive concession for distribution of piped natural gas in the State of Minas Gerais. It currently distributes 4.1 million cubic meters per day of natural gas through a network of more than 850km of gas pipelines.

MARKET ANNOUNCEMENT

CDP rates Cemig

Brazilian leader in climate change management transparency

In accordance with CVM Instruction 358 of January 3, 2002, as amended, **Cemig** (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, **hereby informs** the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&FBovespa S.A.) and the market in general, as follows:

Cemig has received the highest score of all participating Brazilian companies in the 2014 edition of the **Carbon Disclosure Project (CDP)**.

This score reports and reflects excellence in transparency of the information disclosed on management of risks and opportunities, results of measurement and management of emissions, and on the corporate strategy in the management of climate change. This is the third year running that **Cemig** has been recognized by the CDP, and the first year in which it has won the highest score.

Selection and scoring reflects the answers given by 52 large Brazilian companies to the CDP questionnaire, interviews with managers of companies with high scores in previous years, and good practices centered on the structure and adaptation of the companies' businesses to climate change.

Cemig's high score is a reaffirmation of its commitment to a low carbon economy, and informs the Brazilian and international capital markets and the general public of Cemig's efforts and its contribution to reduction of the effects caused by global warming.

The Carbon Disclosure Project is a non-governmental organization based in London which operates a system of worldwide disclosure on behalf of 767 institutional investors, representing more than one third of the total capital invested worldwide.
