Item 1.01. Entry into a Material Definitive Agreement
The Amended and Restated Business Combination Agreement

On May 5, 2015, Globe Specialty Metals, Inc., a Delaware corporation (the Company), Grupo Villar Mir, S.A.U., a public limited company (sociedad anónima) incorporated under the laws of Spain (Grupo VM), Grupo FerroAtlántica, S.A.U., a Spanish public limited liability company in the form of a sociedad anónima and a wholly owned subsidiary of Grupo VM (FA), VeloNewco Limited PLC, a private UK holding company and a wholly owned subsidiary of Grupo VM (VeloNewco), and Gordon Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of VeloNewco (Merger Sub), entered into an Amended and Restated Business Combination Agreement (the Amended and Restated BCA). The Amended and Restated BCA amends and restates the Business Combination Agreement, dated as of February 23, 2015 (the Original BCA), among the Company, Grupo VM, FA, VeloNewco and Merger Sub.

The Amended and Restated BCA reflects technical amendments to the Original BCA, including to, among other things, (i) clarify the UK corporate law actions required to convert VeloNewco to a public limited company, (ii) clarify certain exceptions to the standstill provisions in the Grupo VM Shareholder Agreement and (iii) clarify the board approvals required under the VeloNewco Articles of Association if the VeloNewco board of directors sought to establish a trust into which to transfer VeloNewco's interest in the R&W Insurance Policy (as defined in the Amended and Restated BCA).

The representations and warranties included in the Amended and Restated BCA were made by the parties to the Amended and Restated BCA for their respective contractual benefit. These representations and warranties are made as of specific dates, only for purposes of the Amended and Restated BCA and for the benefit of the parties thereto. These representations and warranties are subject to important exceptions and limitations agreed upon by the parties, including being qualified by confidential disclosures, made for the purposes of allocating contractual risk between the parties rather than establishing these matters as facts, and were made subject to a contractual standard of materiality that may differ from the standard generally applicable under federal securities laws. The Amended and Restated BCA is filed with this report only to provide investors with information regarding its terms and conditions, and not to provide any other factual information regarding the Company or its business. Information concerning the subject matter of the representations and warranties may have changed, and may continue to change, since the date of the Amended and Restated BCA, and such subsequent information may or may not be fully reflected in the Company's public reports. Investors should not rely on the representations and warranties contained in the Amended and Restated BCA or any description thereof as characterizations of the actual state of facts or condition of the Company, its subsidiaries or affiliates. The information in the Amended and Restated BCA should be considered together with the Company's public reports filed with the Securities and Exchange Commission.

The Amended and Restated BCA is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to such document.
