Amended and Restated 2015 Equity Award Plan (the "Plan"), may become subject to issuance pursuant to the Plan.
- (2) Represents the number of shares of Common Stock available for issuance pursuant to the Plan. This includes 345,890 shares approved for issuance under the Amended and Restated Signature Group Holdings, Inc. 2006 Performance Incentive Plan (the "Former Plan"). the Registrant and the rights agent named therein, includes Series A Junior Participating Preferred Stock purchase rights (the Rights). Prior to the occurrence of certain events, the Rights will not be exercisable or evidenced separately from the Registrant's Common Stock and have no value except as reflected in the market price of the shares to which they are attached.

EXPLANATORY NOTE

This Registration Statement is being filed by Real Industry, Inc., a Delaware corporation (formerly known as Signature Group Holdings, Inc.) to register an aggregate of 1,945,890 shares of Common Stock issuable pursuant to the Plan, as defined above.

The Plan replaces the Former Plan. The Former Plan was originally approved by the Registrant's stockholders on May 18, 2006. An amendment to the Former Plan was approved by Registrant's stockholders on July 24, 2012. No further awards will be made under the Former Plan. According to the terms of the Plan, the number of shares of Common Stock (not to exceed 345,890) that remained available for grant under the Former Plan as of May 28, 2015 and any shares of Common Stock (not to exceed 1,030,070) that otherwise would have been returned to the Former Plan after May 28, 2015 on account of the expiration, cancellation or forfeiture of awards granted thereunder (collectively, the Carryover Shares), are to be included in the reserve of shares of Common Stock available for issuance under the Plan (the Plan Share Reserve).

A total of 345,890 Carryover Shares were includible in the Plan Share Reserve as of June 5, 2015 (the Currently Available Carryover Shares). The Registrant has previously registered the Currently Available Carryover Shares for issuance under the Plan pursuant to a Registration Statement on Form S-8, which was filed with the Securities and Exchange Commission (the SEC) on May 18, 2006, as amended by Post-Effective Amendment No. 1 thereto filed with the SEC on January 10, 2014 (the Prior Registration Statement).

Concurrently with the filing of this Registration Statement, the Registrant is filing a Post-Effective Amendment No. 2 to the Prior Registration Statement, in order to deregister the Currently Available Carryover Shares therefrom. The Prior Registration Statement shall continue to cover those shares of Common Stock which underlie previous grants of stock options or restricted stock to Registrant's employees, consultants, directors or advisors pursuant to the Former Plan.

Please note that, to the extent any additional Carryover Shares that as of June 5, 2015 underlie outstanding awards under the Former Plan, and which otherwise would have been returned to the Former Plan on account of the expiration, cancellation or forfeiture of such outstanding awards if such expiration, cancellation or forfeiture had occurred prior to May 28, 2015, those Carryover Shares instead will be included in the Plan Share Reserve for issuance under the Plan. Accordingly, the Registrant intends to periodically file additional post-effective amendment(s) to its applicable Registration Statements on Form S-8 in order to register such additional Carryover Shares under this Registration Statement, rather than the Prior Registration Statement, as such shares are carried over from the Former Plan to this Plan.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the DGCL) authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances and subject to certain limitations. The terms of Section 145 of the DGCL are sufficiently broad to permit indemnification under certain circumstances for liabilities, including reimbursement of expenses incurred, arising under the Securities Act.

As permitted by the DGCL, our charter contains provisions that eliminate the personal liability of our directors for monetary damages for any breach of fiduciary duties as a director, except liability for the following:

any breach of the director's duty of loyalty to the corporation or its stockholders;

acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

under DGCL Section 174 (regarding unlawful dividends and stock purchases); or

any transaction from which the director derived an improper personal benefit.

As permitted by the DGCL, our charter provides that:

we are required to indemnify our directors and executive officers to the fullest extent permitted by the DGCL, subject to very limited exceptions;

we may indemnify our other employees and agents as set forth in the DGCL;

we are required to advance expenses, as incurred, to our directors and executive officers in connection with a legal proceeding to the fullest extent permitted by the DGCL, subject to very limited exceptions; and

the rights conferred in our charter are not exclusive.

The Registrant entered into indemnification agreements with its directors and executive officers that are similar in scope to the indemnification described above.

We carry liability insurance for our directors and officers.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which

was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

- (iv)

Edgar Filing: Real Industry, Inc. - Form S-8

Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
