## **UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS**

### **Introduction**

The following unaudited pro forma condensed combined financial information and related notes present the historical financial statements of Expedia, Orbitz and HomeAway (including their respective subsidiaries) as if the completion of the Orbitz acquisition, the HomeAway acquisition and the issuance of the Notes offered hereby had previously occurred on the dates specified below.

On November 4, 2015, Expedia, HomeAway, and Purchaser entered into the Transaction Agreement, pursuant to which Expedia has agreed to acquire HomeAway, including all of its brands. The transaction has not yet closed. Under the terms of the Transaction Agreement, Expedia is offering to acquire each outstanding share of common stock of HomeAway in exchange for \$10.15 in cash and 0.2065 of a share of Expedia common stock (the transaction consideration). See Summary The Pending HomeAway Acquisition.

The proceeds of this offering are expected to be used, in part, to finance the HomeAway acquisition, but this offering is not conditioned on the consummation of the HomeAway acquisition and we will not be required to redeem the Notes if the HomeAway acquisition does not occur. If the HomeAway acquisition is not consummated for any reason, the net proceeds from this offering will be used for general corporate purposes.

### **Previously consummated Orbitz acquisition**

On September 17, 2015, Expedia completed its acquisition of Orbitz, including all of its brands, including Orbitz, ebookers, HotelClub, CheapTickets, Orbitz Partner Network and Orbitz for Business, for a total purchase consideration of \$1.8 billion. The purchase consideration consisted primarily of \$1.4 billion in cash, or \$12 per share for all shares of Orbitz common stock outstanding as of the purchase date, as well as the settlement of \$432 million of pre-existing Orbitz debt at the closing of the acquisition. Purchase consideration also included \$17 million for certain employee restricted stock unit awards of Orbitz, measured at fair value on the acquisition date and vested based on pre-combination service, which were replaced with Expedia restricted stock awards in conjunction with the acquisition.

### **Pro forma information**

The unaudited pro forma condensed combined balance sheet as of September 30, 2015 and the unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015 and for the year ended December 31, 2014 are based on (i) historical results of operations of Expedia and its subsidiaries (which include the results of Orbitz subsequent to Expedia's September 17, 2015 acquisition of Orbitz); (ii) the historical consolidated results of operations of HomeAway; and (iii) and the historical consolidated results of operations of Orbitz for the year ended December 31, 2014 and for the period January 1, 2015 to September 16, 2015 (which were used solely for the preparation of the unaudited pro forma combined condensed statements of operations for the year ended December 31, 2014 and the nine months ended September 30, 2015).

The unaudited pro forma financial information reflects the estimated aggregate consideration of approximately \$3.7 billion for the HomeAway acquisition, as calculated below (in thousands, except price per share and exchange ratio):

Number of shares of HomeAway common issued and outstanding as of November 6, 2015	96,099
Multiplied by exchange ratio per the transaction agreement	0.2065
Number of shares of Expedia common stock to be issued*	19,845
Multiplied by price of Expedia common stock*	\$ 133.32
Fair value of shares of common stock to be issued to HomeAway stockholders	\$ 2,645,674
Fair value of shares of common stock to be issued to equity award holders	\$ 46,042
Total fair value of shares of Expedia common stock to be issued	\$ 2,691,716
Cash consideration to be paid to HomeAway stockholders and equity award holders	\$ 1,021,379
Estimated replacement equity awards attributable to pre-acquisition service	\$ 19,875
Estimated transaction consideration	\$ 3,732,970

\* The estimated transaction consideration has been determined based on the closing price of Expedia's common stock on November 6, 2015. Pursuant to business combination accounting rules, the final transaction consideration will be based on the number of shares of HomeAway common stock outstanding and the price of Expedia common stock as of the closing date. Amounts within this section are calculated on actual, untruncated numbers.

The unaudited pro forma financial information related to the HomeAway and Orbitz acquisitions was prepared using the acquisition method of accounting and is based on the assumption that the acquisition of HomeAway took place as of September 30, 2015 for purposes of the unaudited pro forma balance sheet and that the acquisitions of both HomeAway and Orbitz took place as of January 1, 2014 for purposes of the unaudited pro forma condensed combined statements of operations. The unaudited pro forma ratio of earnings to fixed charges combines the historical information of Expedia, Orbitz and HomeAway for the year ended December 31, 2014 and nine months ended September 30, 2015, giving effect to the HomeAway and Orbitz acquisitions and the issuance of the Notes offered hereby as if they had occurred on January 1, 2014. In each case, because Orbitz was acquired on September 17, 2015, the results of operations of Orbitz are included in Expedia's consolidated financial results subsequent to that date.

In accordance with the acquisition method of accounting, the actual consolidated financial statements of Expedia will reflect the HomeAway acquisition only from and after the date of the completion of the acquisition. Expedia has not yet undertaken a detailed analysis of the fair value of HomeAway's assets and liabilities and will not finalize the purchase price allocation related to the HomeAway acquisition until after the transaction is consummated. The assignment of fair values to certain of Orbitz's assets and liabilities have not been finalized as of September 30, 2015. Accordingly, the unaudited pro forma adjustments are preliminary and have been made solely for the purpose of providing unaudited pro forma condensed combined financial information. Differences between these preliminary estimates and the final acquisition accounting may occur and these differences could be material. Additionally, the differences, if any, could have a material impact on the accompanying unaudited pro forma condensed combined financial statements and Expedia's future results of operation and financial position.

The unaudited pro forma condensed combined financial information is presented for illustrative purposes only and does not purport to represent what the results of operations or financial position of Expedia would actually have been had the acquisitions occurred on the dates noted above, or to project the results of operations or financial position of

Expedia for any future periods. The unaudited pro forma adjustments are based on available information and certain assumptions that Expedia management believes are reasonable. The unaudited pro forma adjustments are directly attributable to the acquisition and are expected to have a continuing impact on the results of operations of Expedia. In the opinion of Expedia management, all adjustments necessary to present fairly the unaudited pro forma condensed combined financial information have been made.

The accompanying unaudited pro forma condensed combined financial information should be read in conjunction with the notes hereto and with Expedia's, Orbitz' and HomeAway's historical consolidated financial statements and accompanying notes, which are incorporated by reference herein. See [Where You Can Find More Information](#).

## Notes to Unaudited Pro Forma Condensed Combined Financial Information

### Note 1. Basis of Pro Forma Presentation

The unaudited pro forma condensed combined balance sheet as of September 30, 2015 and the unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015 and for the year ended December 31, 2014 are based on (i) historical results of operations of Expedia and its subsidiaries (which include the results of Orbitz subsequent to Expedia's September 17, 2015 acquisition of Orbitz); (ii) the historical consolidated results of operations of HomeAway; and (iii) and the historical consolidated results of operations of Orbitz for the year ended December 31, 2014 and for the period January 1, 2015 through September 16, 2015 (which were used solely for the preparation of the pro forma combined condensed statement of operations for the year ended December 31, 2014 and the nine months ended September 30, 2015).

The pro forma financial information related to the HomeAway and Orbitz acquisitions is based on the assumption that the acquisition of HomeAway took place as of September 30, 2015 for purposes of the unaudited pro forma balance sheet and that the acquisitions of both HomeAway and Orbitz took place as of January 1, 2014 for purposes of the unaudited pro forma condensed combined statements of operations. Because Orbitz was acquired on September 17, 2015, the results of operations of Orbitz are included in Expedia's consolidated financial results subsequent to that date. The historical financial information is adjusted in the unaudited pro forma financial statements to give effect to unaudited pro forma adjustments that are (1) directly attributable to the acquisition, (2) factually supportable, and (3) with respect to the unaudited pro forma statements of operations, expected to have a continuing impact on the combined results.

The unaudited pro forma financial statements are presented solely for informational purposes and are not necessarily indicative of the combined results of operations or financial position that might have been achieved for the periods or dates indicated, nor is it necessarily indicative of the future results of the combined company.

The unaudited pro forma financial statements do not reflect any cost savings from future operating synergies or integration activities, or any revenue, tax, or other synergies that could result from the acquisition.

The following reclassifications have been made to Orbitz's historical consolidated results of operations for the year ended December 31, 2014 to conform to Expedia's presentation:

There were no material reclassifications identified to conform the HomeAway consolidated results of operations for the nine months ended September 30, 2015 or the year ended December 31, 2014 to Expedia's presentation.

## **Note 2. Estimated HomeAway Purchase Consideration and Preliminary Purchase Price Allocation**

The following summarizes the preliminary allocation of the purchase price for HomeAway based on the terms of the Transaction Agreement and Expedia's preliminary estimates of fair value of assets and liabilities as if the acquisition had occurred on September 30, 2015. The final determination of the allocation of the purchase price will be based on the fair value of such assets and liabilities as of the actual closing date.

<b>Total</b>	<b>\$ 3,732,970</b>	

- (1) Represents the estimated acquisition date value of (i) shares of Expedia common stock to be issued to HomeAway stockholders based on 96,099,477 HomeAway shares outstanding as of November 6, 2015 and (ii) vested equity awards, including those that will vest upon a change in control pursuant to existing employment agreements with HomeAway. Each HomeAway share will receive 0.2065 of a share of Expedia common stock, the amount of which was calculated using the assumptions described above.
- (2) Represents anticipated cash consideration of \$10.15 per share to be transferred to (i) HomeAway shareholders in accordance with the terms of the Transaction Agreement and (ii) holders of vested equity awards, including those that will vest upon a change in control pursuant to existing employment agreements with HomeAway.
- (3) Represents the estimated fair value of replacement employee options and restricted stock units that will be granted at the date of acquisition and is attributable to pre-acquisition service.
- (4) Preliminary acquired definite-lived intangible assets primarily consist of partner relationships, customer relationships and developed technology assets with average estimated useful lives ranging from three to ten years.

- (5) As of September 30, 2015, HomeAway had certain deferred revenues on its balance sheet, the majority of which were associated with term-based subscriptions received in advance of services rendered. Business combination rules require Expedia to record these balances at fair value to reflect the value of the post-acquisition performance obligation. Expedia estimates that a fair value adjustment could result in a decrease

of \$0 to \$107 million to the deferred revenue balance with a corresponding decrease to post-acquisition revenue. For the purpose of the unaudited pro forma balance sheet, Expedia assumed that the book value of the deferred revenue balance approximates the estimated fair value given the nature of the deferred revenue, which is subject to change upon the completion of the final purchase price allocation.

- (6) Expedia has estimated the fair value adjustment to increase the outstanding HomeAway warrants to fair value would be \$33 million. Following the consummation of the HomeAway acquisition, the warrant holders will have the right to terminate the warrants at fair value determined in a commercially reasonable manner. For the purpose of the unaudited pro forma financial statements, Expedia has assumed that warrant holders would terminate the warrants and therefore adjusted the warrants to their estimated fair value based on the amount expected to be paid to terminate the warrants as of September 30, 2015, which is included within other current liabilities.
- (7) Expedia has estimated the fair value adjustment to increase the existing convertible senior notes issued by HomeAway (the Convertible Notes) to fair value would be \$72.6 million. Following the consummation of the HomeAway acquisition, each holder of Convertible Notes will have the right to (i) require the Company to repurchase its Convertible Notes for cash at a price equal to 100% of the principal amount of such notes plus accrued and unpaid interest or (ii) convert its Convertible Notes, at a specified conversion rate (which may be increased in accordance with the terms of the indenture governing the Convertible Notes, depending on the price of HomeAway common stock), into HomeAway common stock (which, following consummation of the HomeAway acquisition, will represent the right to receive the transaction consideration). If such holders do not exercise either of these rights, the Convertible Notes would remain outstanding as an obligation of Expedia until maturity or upon a future triggering event. For the purpose of the pro forma financial statements, which assume that the price of HomeAway common stock will be \$37.30 (which was the closing price as of November 6, 2015), the assumption is that the holders of Convertible Notes would require HomeAway to repurchase the Convertible Notes for cash and therefore the Convertible Notes have been reclassified to short-term and adjusted to their estimated fair value based on the redemption amount of \$402.5 million. If the holders of the Convertible Notes instead elect to convert their Convertible Notes (which may happen depending on the price of HomeAway and Expedia common stock), it is expected that Expedia will receive payment under certain Convertible Note hedge transactions in an amount approximately equal to the excess of the value of the consideration such note holders receive upon conversion over the principal amount of the Convertible Notes. If the Convertible Notes remain outstanding, they will be senior obligations of the Company and will rank equally in right of payment with the Notes, and the estimated unaudited pro forma fair value of the notes would be \$375 million, net of a debt discount of \$33 million as of September 30, 2015 and interest expense, including the amortization of the debt discount, would be \$5 million and \$4 million for the year ended December 31, 2014 and nine-months ended September 30, 2015, respectively.

*Estimated Purchase Consideration Sensitivity.* The table below illustrates the potential impact to the total estimated consideration resulting from a 10% increase or decrease in the price of Expedia's common stock of \$133.32 on November 6, 2015. For the purpose of this calculation, the total number of shares and vested equity awards has been assumed to be the same as in the table above:

(in thousands)	Purchase Price	Goodwill
<b>10% increase in Expedia share price</b>		
Stock Consideration	\$ 2,965,445	
Cash Consideration <sup>(a)</sup>	1,027,778	
Replacement Award Consideration	21,352	
	\$ 4,014,575	\$ 3,165,044
<b>10% decrease in Expedia share price</b>		
Stock Consideration	\$ 2,418,270	

Edgar Filing: HOMEAWAY INC - Form 425

Cash Consideration <sup>(a)</sup>	1,014,739	
Replacement Award Consideration	18,411	
	\$ 3,451,420	\$ 2,601,889

- (a) Fluctuations in cash consideration relate to employee withholding tax on vested equity awards which are remitted in cash.

For pro forma purposes, Expedia assumed the cash portion of the transaction will be funded with a combination of available cash, the net proceeds of the Notes offered hereby, as well as a borrowing of approximately \$405 million on its \$1 billion Revolving Credit Facility. Borrowing on the credit facility will fluctuate depending on the timing of the closing of the HomeAway acquisition and the available cash at that time. Expedia anticipates issuing approximately \$500 million of senior unsecured notes with a term of ten years.
