## Forward-Looking Statements

This communication contains certain statements about CBS, CBS Radio and Entercom that are forward-looking statements within the meaning of Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. These matters involve risks and uncertainties as discussed in CBS's and Entercom's respective periodic reports on Form 10-K and Form 10-Q and current reports on Form 8-K, filed from time to time with the SEC. The forward-looking statements contained in this communication may include statements about the expected effects on CBS, CBS Radio and Entercom of the proposed separation of CBS's Radio business and merger of CBS Radio with an Entercom subsidiary (collectively, the

Transaction); the anticipated timing and benefits of the Transaction and CBS's, CBS Radio's and Entercom's anticipated financial results; and also include all other statements in this communication that are not historical facts. Without limitation, any statements preceded or followed by or that include the words targets, plans, believes, expects, intends, will, likely, may, anticipates, estimates, projects, should, would, could, positioned, strategy, or terms of similar substance or the negative thereof, are forward-looking statements. These statements are based on the current expectations of the management of CBS, CBS Radio and Entercom (as the case may be) and are subject to uncertainty and to changes in circumstances and involve risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such forward-looking statements. In addition, these statements are based on a number of assumptions that are subject to change. Such risks, uncertainties and assumptions include: the satisfaction of the conditions to the Transaction and other risks related to the completion of the Transaction and actions related thereto; CBS's and Entercom's ability to complete the Transaction on the anticipated terms and schedule, including the ability to obtain regulatory and shareholder approvals and the anticipated tax treatment of the Transaction and related transactions; the ability to obtain or consummate financing or refinancing related to the Transaction upon acceptable terms or at all; risks relating to any unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition, losses, and future prospects; business and management strategies and the expansion and growth of Entercom's operations; price or trading volume of Entercom's common stock; failure to pay dividends to holders of Entercom's common stock; impairment charges for FCC licenses and goodwill; Entercom's ability to integrate CBS's Radio business successfully after the closing of the Transaction and to achieve anticipated synergies; and the risk that disruptions from the Transaction will harm CBS's, CBS Radio's or Entercom's businesses. However, it is not possible to predict or identify all such factors. Consequently, while the list of factors presented here is considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. Unlisted factors may present significant additional obstacles to the realization of forward-looking statements. Forward-looking statements included herein are made as of the date hereof, and none of CBS, CBS Radio or Entercom undertakes any obligation to update publicly such statements to reflect subsequent events or circumstances.
