**(e) 2018 Annual Incentive Bonus Performance Goals**

On March 21, 2018, the Compensation Committee of the Board of Directors of Universal Health Services, Inc. (the "Committee") approved specific bonus formulae for the determination of annual incentive compensation for the Company's executive officers pursuant to the Executive Incentive Plan (the "Plan") for the year ending December 31, 2018. Under the formulae approved by the Committee, each of the Company's executive officers was assigned a percentage of such executive officer's 2018 base salary as a target bonus based upon corporate performance criteria. The corporate performance criteria target bonus award indicated below for Mr. Alan B. Miller is stipulated in his employment agreement dated July 24, 2013.

The following table shows each executive officer's corporate performance criteria target bonus as a percentage of his or her base salary for 2018. The 2018 corporate performance criteria target awards for each of the executive officers are unchanged from the 2017 target awards. With respect to Messrs. Alan B. Miller, Marc D. Miller and Steve G. Filton, 100% of their annual incentive bonus for 2018 will be determined using the corporate performance criteria, as described below. With respect to Ms. Osteen and Mr. Pember, their 2018 annual incentive bonus will be determined utilizing: (i) 25% of their annual salary based upon the achievement of the corporate performance criteria, and; (ii) 75% of their annual salary based upon the achievement of the divisional income targets, as described below.

Name	Title	Target Award
Alan B. Miller	Chief Executive Officer and Chairman of the Board	100%
Marc D. Miller	President	65%
Steve G. Filton	Executive Vice President and Chief Financial Officer	50%
Debra K. Osteen	Executive Vice President and President-Behavioral Health Division	50%

Edgar Filing: UNIVERSAL HEALTH SERVICES INC - Form 8-K

Marvin G. Pember	Executive Vice President and President-Acute Care Division	50%
------------------	---	-----

Pursuant to the Plan and the formulae approved by the Committee, each executive officer will be entitled to receive between 0% and 250% of that executive officer's target bonus based, either entirely or in part, on the

Company's achievement of a combination of: (i) a specified range of target levels of adjusted net income per diluted share attributable to UHS (as set forth in our Proxy Statement), and; (ii) a specified range of target levels of return on capital (adjusted net income attributable to UHS divided by quarterly average net capital) for the year ending December 31, 2018. The adjusted net income per diluted share attributable to UHS generally excludes, among other things, the impact on our provision for income taxes and net income attributable to UHS resulting from the adoption of ASU 2016-09, Compensation-Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting , as well as other amounts, if applicable, that are nonrecurring or non-operational in nature including items such as, but not limited to, the impact of gains/losses on sales of assets and businesses, costs related to extinguishment of debt, reserves for settlements, legal judgments and lawsuits, impairments of long-lived assets and other material amounts that may be reflected in our financial statements that relate to prior years.

The divisional income targets consist of the projected aggregate pre-tax income for our Acute Care and Behavioral Health Services segments, net of deductions for the allocation of corporate overhead expenses and a charge for the estimated cost of capital. The divisional income targets generally exclude, among other things, the impact of amounts that may be nonrecurring or non-operational in nature or amounts that may be reflected in the current year financial statements that relate to prior years. The divisional income targets may be adjusted to include the impact of acquisitions or divestitures made during the year, if material.

To the extent that the actual divisional results exceeded the targets, Ms. Osteen and Mr. Pember are entitled to 75% of the following (as applied to their annual base salary) as the portion of their annual bonus that is based upon divisional income targets: (i) 25% if actual results meet divisional income targets; (ii) 50% if actual results exceed divisional income targets by the greater of 5% or \$10 million; (iii) 75% if actual results exceed divisional income targets by the greater of 10% or \$20 million, and; (iv) 100% if actual results exceed divisional income targets by the greater of 15% or \$30 million.
