PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD

JUNE 5, 2018

SOLICITATION OF PROXIES

NOTICE OF THE ANNUAL MEETING

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the Board of Directors or the Board) of Citizens, Inc. (the Company) for use at the Annual Meeting of Shareholders to be held Tuesday, June 5, 2018, at 10:00 a.m., Central Daylight Time, (the Meeting) at the **Citizens Inc. Executive Offices located at 2900 Esperanza Crossing, 2nd Floor, Austin, Texas 78758**. We are distributing this Proxy Statement and our 2017 Annual Report to Shareholders on or before April 26, 2018.

In accordance with Rule 14a-16 under the Securities Exchange Act of 1934, a registrant may furnish a proxy statement or annual report to a security holder by sending the security holder a Notice of Internet Availability of Proxy Materials (Notice) forty (40) or more calendar days prior to the Meeting. On or about April 26, 2018, Notice was sent to our shareholders, giving them the option to execute a proxy via an on-line format, or the option to request a paper delivery of a full set of proxy materials (called Full Set Delivery) of this Proxy Statement and our 2017 Annual Report to Shareholders.

HOUSEHOLDING

The Securities and Exchange Commission (SEC) rules allow us, subject to certain conditions, to send only one proxy statement and annual report or Notice to two or more shareholders who share the same last name and address. This householding rule provides greater convenience for our shareholders and cost savings for us by reducing the number of duplicate documents that households receive. Also, this allows us to be more environmentally friendly by reducing the unnecessary use of materials. Please note that each shareholder will continue to receive a separate proxy card, which will allow each individual to vote independently.

If you are a Citizens, Inc. shareholder who resides in the same household with another Citizens, Inc. shareholder with the same last name, or if you hold more than one account with Computershare registered in your name at the same address, and wish to receive a separate or single proxy statement and annual report or Notice for each account, please contact our transfer agent, Computershare.

PROXY SOLICITATION

We bear all expenses incurred in connection with the solicitation of proxies. We will reimburse banking institutions, brokerage firms, custodians, nominees and fiduciaries for their costs in forwarding proxy materials to beneficial owners of our Common Stock. Our directors, officers and employees also may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities. We have not engaged a proxy solicitation firm to solicit investors for this Meeting.

PURPOSES OF THE MEETING

It is very important that you vote in order to play a part in the future of the Company. Shareholders are being asked to vote on the following proposals set forth below at the 2018 Meeting of Shareholders. Each shareholder, regardless of share class, is entitled to one vote per share held by such holder on all matters coming before the Meeting.

Shares represented by properly executed proxies received by us prior to the Meeting will be voted as specified thereon. Unless you instruct otherwise in the proxy, any proxy that is given and not revoked will be voted at the meeting in accordance with the recommendation of the Board of Directors.

PROPOSALS

Item 1. Election of Directors (page 28)

The Board has nominated nine individuals to serve as directors for a one-year term, expiring at the 2019 Annual Shareholders Meeting, or until their successors are duly elected and qualified. Four of the nine nominees will be elected by the Class A shareholders and five of the nine nominees will be elected by the Class B shareholders. The Board believes the director nominees possess the necessary qualifications to provide effective oversight of the business and quality advice and counsel to the Company's management.

Item 2. Advisory Vote to Approve Executive Compensation (page 32)

The Company seeks a non-binding advisory vote from its shareholders to approve the compensation of its Named Executive Officers as described in the Compensation Discussion and Analysis section beginning on page 19 and the Compensation Tables section beginning on page 22. The Board values its shareholders' opinions and the Compensation Committee will take into account the outcome of the advisory vote when considering future executive compensation decisions.

Item 3. Ratification of the Appointment of Deloitte & Touche as the Company's independent registered public accounting firm for 2018 (page 33)

The Audit Committee and the Board believe the retention of Deloitte & Touche LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018 is in the best interests of the Company and its shareholders. Although the Audit Committee has sole authority to appoint the Company's independent auditors, as a matter of good corporate governance, shareholders are being asked to ratify the Audit Committee's appointment.

Voting by proxy will not limit your right to vote at the meeting if you later decide to attend in person. Other than the approval of the matters listed above, we do not anticipate that any other matters will be raised at the meeting.

CITIZENS, INC. STOCK INVESTMENT PLAN PARTICIPANTS

The Company sends or forwards to each participant in the Company's Stock Investment Plan all applicable proxy solicitation materials. Stock Investment Plan participants have the exclusive right to exercise all voting rights respecting shares credited to their respective accounts under the Stock Investment Plan. A participant may vote any of the participant's whole or fractional shares of which he or she is the record holder in person or by proxy. Each participant's proxy card includes the participant's whole or fractional shares of the Company's Class A common stock which he or she has the right to vote. A participant's shares will not be voted unless a participant or the participant's proxy votes them. As described below, the Stock Investment Plan administrator may submit a participant's unvoted shares at a shareholders meeting for purposes of establishing a quorum, unless the participant objects by notifying us in writing. For more information about the Stock Investment Plan, please see the Stock Investment Plan prospectus contained in the Company's Registration Statement on Form S-3, as amended, (Registration No. 333-185618) filed with the SEC.

QUORUM

At the Meeting, a quorum will require the presence, in person or by proxy, of the holders of a majority of the voting power represented by our shares of common stock entitled to vote. Proxies received but marked as abstentions and broker non-votes are counted as present for purposes of determining quorum. Additionally, unless a Stock Investment Plan participant notifies the Company in writing that it elects to withhold the Stock Investment Plan administrator's authority, the plan administrator is deemed to have the written authorization to appear in person or by proxy at any annual or special meeting of shareholders of the Company and to submit the Participant's unvoted shares at the meeting for the sole purpose of determining a quorum.

If a quorum is not present or represented at the meeting, the shareholders entitled to vote have the power to adjourn or recess the meeting without notice, other than announcement at the meeting, until a quorum is obtained. At a reconvened meeting where a quorum is obtained, any business may be transacted which might have been transacted at the meeting as originally noticed.

VOTING REQUIREMENTS

For Proposal No. 1 Election of Directors, you may vote **FOR** or **WITHHOLD** for each nominee, or **ABSTAIN** from voting. Under Colorado law, director nominees with the highest number of votes cast **FOR** their election will be elected to the Board. Cumulative voting is not permitted. Under our Articles of Incorporation and our Amended and Restated Bylaws (the **Bylaws**), the voting rights of our Class A and Class B shareholders are equal in all respects, except that Class B shareholders have the exclusive right to elect a simple majority of the Board, and our Class A shareholders have the exclusive right to elect the remaining directors. Because we have directors elected by two classes of shareholders, Class A director nominees receiving the highest number of votes cast **FOR** their election by Class A shareholders and Class B director nominees receiving the highest number of votes cast **FOR** their election by Class B shareholders will be elected to the Board of Directors. Votes that are withheld or voted in abstention will be excluded entirely from the vote and will have no effect other than for purposes of establishing quorum. According to New York Stock Exchange (**NYSE**) Rule 452, as amended, brokers who have not received instructions from their customers in uncontested elections may not vote shares held in street name in the election of directors, and in certain other matters. Therefore, regardless of the number of shares you hold or whether you cast a vote, providing your properly executed proxy is very important.

For Proposal No. 2 the approval, on a non-binding advisory basis of the compensation of the Company's Named Executive Officers, referred to as Say-on-Pay, you may vote **FOR** or **AGAINST** each proposal or **ABSTAIN** from

voting. Each proposal requires for approval that the votes cast **FOR** the proposal exceed the votes cast **AGAINST** the proposal. For these votes, abstentions and broker non-votes will be disregarded and will have no impact on the vote. Because your votes on executive compensation are advisory, they will not be binding upon the Company or the Board. However, the Compensation Committee will take into account the outcome of the votes when considering future executive pay.

For Proposal No. 3 the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2018, you may vote **FOR** or **AGAINST** such proposal or **ABSTAIN** from voting. Such proposal requires for approval that the votes cast **FOR** the proposal exceed the votes cast **AGAINST** the proposal. For these votes, abstentions and broker non-votes will be disregarded and will have no impact on the vote.

Table of Contents**CONTROL OF THE COMPANY****CONTROLLING SHAREHOLDER**

On September 21, 2017, the Company announced the passing of its founder, Mr. Harold E. Riley, former Chairman and Chief Executive Officer of the Company. He was 89 years old. At the time of his passing, Mr. Riley was not a board member or an executive officer of the Company. Mr. Riley was the beneficial owner of 100% of the Company's Class B common stock, consisting of 1,001,714 shares (the "Class B Shares") held by the Harold E. Riley Trust ("Trust"), of which Mr. Riley served as trustee. The Company's Class A and Class B common stock are identical in all respects, except the Class B common stock elects a simple majority of the Board and receives one-half of any cash dividends paid, on a per share basis, to the Class A shares. The Class A common stock elects the remainder of the Board.

The Trust documents provided that upon Mr. Riley's death, the Class B shares be transferred from the Trust to the Harold E. Riley Foundation, a charitable organization established under section 501(c)(3) of the Internal Revenue Code (the "Foundation"). The Foundation is organized as a public support charity for the benefit of its charitable beneficiaries, Baylor University and Southwestern Baptist Theological Seminary. The Foundation is governed by 11 trustees, consisting of five trustees appointed by Mr. Riley, three trustees appointed by Baylor University and three trustees appointed by Southwestern Baptist Theological Seminary.

The Foundation now beneficially owns 100% of the Class B shares described above; therefore the Foundation controls our Company.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

A related person transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) during the Company's last fiscal year in which the Company (including any of its subsidiaries) was, is or will be a participant, in which the amount involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. A related person means:

any person who is, or at any time during the year was, a director, nominee for director or an executive officer of the Company;

any person who is known to the Company to be the beneficial owner of more than 5% of our outstanding Common Stock;

any immediate family member of any of the persons referenced in the preceding two bullets, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of the director, nominee for director, executive officer or more than 5% beneficial owner of our Common Stock, and any person (other than a tenant or employee) sharing the household of such director, director nominee, executive officer or more than 5% beneficial owner of our Common Stock; and

any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10% or greater beneficial ownership interest.

The Company identifies related persons using known business affiliations, quarterly disclosure meetings and information provided by directors in their annual conflict of interest questionnaires.

We have in place the following process controls to identify and approve transactions with related persons:

Management discusses related persons and affiliates as a standing agenda item during each quarterly disclosure meeting. Management requires that any new related person or affiliate transactions or changes to previously identified related party transactions be reported.

Potential related and affiliated party transactions are reviewed and analyzed at the affiliated entity/subsidiary level (within the Citizens holding company structure) and if deemed to be affiliated transactions, those transactions are evaluated for consolidated financial reporting purposes as part of quarterly financial reporting and entry support is provided for each transaction.

Each director and officer completes an annual report (Conflict of Interest) that identifies any related person transactions. These forms are reviewed by the Board at the following board meeting. Company officers who provide certifications for quarterly and annual SEC reporting review them as well.

All related persons transactions must be approved by the Audit Committee in accordance with the Audit Committee charter.

When a related person transaction is proposed, the Audit Committee reviews: (1) the related person's name and relationship to the Company; (2) the person's interest in the transaction with the Company, including the related person's position or relationship with, or ownership in, a firm, corporation, or other entity that is a party to or has an interest in the transaction; and (3) the approximate dollar value of the amount involved in the transaction, the nature and business purpose of the transaction and the related party's interest in the transaction.

We are not aware of any transaction, or series of transactions, since January 1, 2017, or any currently proposed transactions to which we or any of our subsidiaries is to be a party, in which the amount involved exceeds \$120,000 and in which any director, nominee for director, executive officer, more than 5% shareholder or any member of the immediate family of the foregoing persons had, or will have, a direct or indirect material interest.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent shareholders are required to furnish the company with copies of all Section 16(a) reports they file.

Based solely upon a review of such reports and amendments furnished to us, we believe that during 2017 all Section 16(a) reports were timely filed, with the exception of a Form 3 Initial Statement of Ownership of Securities for Jeffery P. Conklin, which was filed approximately four weeks past the filing deadline for the date of the event requiring the disclosure. Mr. Conklin owned no Citizens, Inc. stock at the time of the filing.

Annual Conflict of Interest Questionnaires for board members and officers

Our Company is a controlled company under the NYSE rules, because more than 50% of the voting power for election of directors is held by an individual, group or another company. As a controlled company, we are exempt from certain corporate governance requirements specified in the following sections of the NYSE Listed Company Manual: (i) Section 303 A.01 Independent Directors; (ii) Section 303A.04 Nominating/Corporate Governance Committee; and (iii) Section 303A.05 Compensation Committee. However, in an effort to establish more rigorous corporate governance practices than required under the NYSE's controlled company exception, we have voluntarily complied with certain requirements, including having a majority of our Board consist of independent directors under the NYSE rules, and a Compensation Committee and Nominating and Corporate Governance Committee composed entirely of independent directors with a written charter governing their responsibilities.

DIRECTOR INDEPENDENCE

Our Board determines whether a director and nominee to be a director is independent in accordance with the NYSE requirements for independent directors (Section 303A of the NYSE's Listed Company Manual). In order to be considered independent, other than in his or her capacity as a member of the Board of Directors or any board committee, a director may not accept any consulting, advisory or other compensation fees from Citizens, and may not be an affiliated person of Citizens or any subsidiary. In addition to compliance with NYSE independence requirements, the Board applies an additional independence standard that requires an affirmative determination that each independent director has no other material relationship with Citizens or its affiliates or any executive officer of Citizens or his or her affiliates that in the judgment of the Board would impair their effectiveness or independent

judgment as a director.

Our Board of Directors has determined that all nine of our directors are independent as set forth in the NYSE independence requirements. In addition, our Board of Directors has determined each member of the committees of our Board of Directors is independent in compliance with the NYSE independence requirements.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our business affairs are conducted under the direction of our Board of Directors. The Board of Directors held seven (7) meetings during 2017, at which all directors were present for at least 75% of the meetings, with the exception of Harold R. Riley and Dottie S. Riley who missed several meetings due to personal issues. Mr. and Mrs. Riley did not stand for reelection at our June 6, 2017 Annual Meeting of Shareholders. We do not have an attendance policy, although our directors are expected to attend Board meetings and our annual meeting of shareholders. In 2017, all of our directors and director nominees attended our annual meeting of shareholders, with the exception of Dottie and Harold Riley, who were not standing for reelection. To promote open discussion, the independent directors hold regularly scheduled executive sessions at our Board meetings, in which those directors meet without management participation and with only independent directors present. The director chosen to preside at these sessions rotates among independent directors in accordance with a rotation schedule approved by the Board of Directors.

Table of Contents

During 2017, our Board of Directors approved the entry into a form of indemnification agreement with each of its executive officers and directors, and adopted amended and restated Bylaws to update and clarify the indemnification provisions of the Bylaws in accordance with the indemnification agreements and Colorado law.

To assist it in carrying out its duties, the Board has delegated certain authority to five separately-designated standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, the Investment Committee and the Executive Committee. As stated above, due to our status as a controlled company under NYSE rules, we are not required to maintain a Compensation Committee or Nominating Committee; however, we do so as a best practice within our Board structure. The specific functions of our committees are described below:

The Executive Committee may exercise all authority of the Board in the management of the business and affairs of the Corporation, unless restricted by the Colorado Business Corporations Act, our Articles of Incorporation or Bylaws, or other applicable law. The Executive Committee approves Company actions by unanimous written consent of the members, and there were thirteen (13) such consents in 2017.

Nominating and Corporate Governance Committee

Members: Directors Gage, Claus, Keating and Shelton

Number of Meetings in 2017: 2

The purposes and responsibilities of the Nominating and Corporate Governance committee are to:

identify, recruit and recommend candidates for our Board of Directors.

develop, recommend to the Board and assess corporate governance policies for the Company;

oversee the evaluation of the Board of Directors;

apprise the Board of corporate governance developments and practices, taking into account the long-term best interests of the Company's shareholders and the Company's controlled-company status under NYSE Rules.

When identifying and evaluating nominees for election to the Board, our Nominating and Corporate Governance Committee looks for individuals who are highly qualified in terms of business experience and both willing and expressly interested in serving on the Board. At a minimum, an individual nominated for consideration by the Board should possess personal and professional integrity, sound judgment and forthrightness. While our Board does not have an express policy with regard to the consideration of diversity in identifying director nominees, the Board has discussed and will be promoting efforts to enhance diversity as pertains to Board composition. Our Board has a policy to consider properly submitted shareholder recommendations for candidates for a Class A director position, which candidates must satisfy the same criteria as those selected by the Nominating and Corporate Governance Committee. A shareholder wishing to propose a candidate for the Board's consideration should follow the procedures in our Bylaws pertaining to shareholder nominations and proposals.

A copy of our Corporate Governance Guidelines, revised January 26, 2018, and a copy of our Nominating and Corporate Governance Committee Charter adopted on June 7, 2016 are posted on our website at www.citizensinc.com. BOARD LEADERSHIP STRUCTURE AND RISK OVERSIGHT

During 2016, our Board of Directors adopted amended and restated Bylaws allowing for the separation of the Chairman and Chief Executive Officer roles and elected an independent Chairman. These changes provided needed flexibility for the Board to select the appropriate leadership structure for the Company and an effective balance between strong executive leadership and appropriate safeguards and oversight by independent directors. Under the amended and restated Bylaws, the Board designates a Chairman from among its members who shall preside at all meetings of the shareholders and the Board. The Board appoints the Chief Executive Officer to have general charge and supervision of the business and affairs of the Company and to perform such other duties as the Board may prescribe from time to time.

All nine of our Directors are independent. At each Board meeting, our independent directors meet in executive session without management present. These sessions allow the independent directors to review key decisions and discuss matters in a manner independent of management.

Table of Contents

Our Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Executive Committee are comprised entirely of independent directors and chaired by independent directors. We do not have a lead independent director.

Effective risk oversight is an important priority for the Board. While it is the job of the CEO and senior management to assess and manage the Company's risk exposure through its enterprise risk management function (ERM), in accordance with NYSE requirements, the Audit Committee of its Board of Directors is charged with discussing guidelines and policies to govern the process by which ERM is handled. The Audit Committee discusses the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.

The categories of risk exposures assessed and managed by senior management include, but are not limited to:

market risk, including credit, interest rate, equity market and foreign exchange;

liquidity and capital requirements of the Company;

insurance risks, including those arising out of catastrophes and acts of terrorism;

legal and compliance risks;

cybersecurity risk; and

any other risk that poses a material threat to the strategic viability of the Company.

Although risk oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees beginning on page 9, the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committees' considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

The Audit Committee meets at least quarterly with our independent registered public accounting firm, our internal auditor and our Chief Financial Officer and receives a comprehensive financial report discussing the Company's risk exposures and the processes in place to monitor and control such exposures.

In addition to the Audit Committee, the Compensation Committee considers the risks and rewards that may be implicated by our executive compensation, philosophy and programs, and the Nominating and Corporate Governance Committee oversees the Company's governance practices, director succession and committee composition and leadership to manage risks associated with corporate governance.

CODE OF ETHICS

Our Board of Directors has adopted a Code of Business Conduct and Ethics (Code), which we have posted on our website located at www.citizensinc.com. You may also obtain a copy of our Code by requesting one copy in writing addressed to Citizens, Inc. at 400 East Anderson Lane, Austin, Texas 78752, Attn: President or General Counsel.

Our Code provides general statements of our expectations regarding ethical standards we expect our directors, officers and employees to adhere to while acting on our behalf. Among other things, the Code provides that:

We will comply with all laws, rules and regulations.

Our directors, officers and employees are to avoid conflicts of interest and are prohibited from competing with us or personally exploiting our corporate opportunities.

Our directors, officers and employees are to protect our assets and maintain our confidentiality;

We are committed to promoting values of integrity and fair dealing.

We are committed to accurately maintaining our accounting records under generally accepted accounting principles and timely filing our periodic reports.

Our Code also contains procedures for our employees to report, anonymously or otherwise, violations of the Code.

ANNUAL CEO CERTIFICATION

The NYSE rules require each listed company CEO to verify each year that he or she is not aware of any violation by the company of NYSE corporate governance listing standards. Accordingly, Geoffrey M. Kolander filed his certification with the NYSE on July 3, 2017, and certified, without qualification, that he was not aware of any violation by the Company of NYSE corporate governance listing standards.

How the Audit Committee Functions:

Regular audit committee meetings generally take place immediately before a Board meeting to maximize interaction with the Board. The Committee also meets before the Company issues its quarterly and annual financial results. The meetings typically include the CEO and CFO, along with other senior management, and the internal auditors.

At each regular committee meeting, the committee conducts a review session at which senior management provides briefings on current issues, trends and developments, and is briefed by the Chief Financial Officer on the financial results. Following a report by the internal auditor, representatives of our Independent Auditor are invited into the meeting to present their findings. The Committee also meets separately with the Independent Auditor representatives and/or the lead audit partner upon request. The Committee reports regularly to the Board of Directors.

Appointment of the Independent Registered Public Accounting Firm:

In determining each year whether to reappoint the Independent Auditor or engage another firm, the Audit Committee considers, among other things:

the historical and recent performance of the Independent Auditor on the Company's audit;

external data relating to the performance of the Independent Audit firm, including recent Public Company Accounting Oversight Board (PCAOB) reports on the Independent Auditor and its peer firms;

the firm's tenure as our Independent Auditor and its familiarity with our operations;

the firm's capability and expertise in handling the complexity of our operations;

the independence of the auditing firm; and

the appropriateness of the Independent Auditor's fees, on both an absolute basis and as compared to its peer firms.

On June 30, 2017, the Company was notified by its former Independent Auditor, Ernst & Young LLP (EY) of EY's decision to resign as the Company's Independent Auditor. EY continued to serve as the Company's Independent Auditor for the duration of its review of the Company's interim financial statements included in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2017. During the fiscal years ended December 31, 2015 and 2016 and through June 30, 2017, there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference to the subject matter of such disagreements in connection with its reports on the financial statements for such years.

EY's reports on the Company's financial statements for the fiscal years ended December 31, 2015 and 2016 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's fiscal years ended December 31, 2015 and 2016 and through June 30, 2017, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K), except that management identified a material weakness in the Company's internal control over financial reporting related to ineffective management review control as it pertained to the Company's tax review of external tax experts' complex documentation for the fiscal year ended December 31, 2015. Management also identified material weaknesses in the Company's internal control over financial reporting related to ineffective data validation and management review controls, ineffective supervision of third-party service organization and ineffective staff competency for the fiscal year ended December 31, 2016. However, there was no disagreement between the Company and EY with respect to these determinations. The Audit Committee authorized EY to respond fully to any inquiries of the Company's successor independent registered public accounting firm concerning these material weaknesses, and EY agreed to provide such information.

On September 8, 2017, the Company announced that following the conclusion of a previously announced auditor selection process led by the Audit Committee, the Company selected and engaged Deloitte & Touche LLP to serve as its independent registered public accounting firm for the year ending December 31, 2017.

Table of Contents**AUDIT COMMITTEE REPORT**

The Audit Committee assists the Board in fulfilling its oversight responsibilities relating to the Company's financial statements, financial reporting process, internal controls, internal audit function and annual independent audit. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. In their oversight role, the members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by our management and the independent registered public accounting firm.

Management is responsible for preparing our financial statements and our independent registered public accounting firm is responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by our management and our independent registered public accounting firm. The Audit Committee is also responsible for establishing procedures to address complaints regarding accounting, internal control or auditing issues, as well as the anonymous submission by employees of concerns regarding accounting or auditing matters. In this context, the Audit Committee routinely meets and holds discussions with management and our independent registered public accounting firm. Management represented to the Audit Committee our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), and the Audit Committee has reviewed and discussed the consolidated financial statements with management and our independent registered public accounting firm.

The Audit Committee has discussed with Deloitte & Touche, LLP, our independent registered public accounting firm for our financial statements, the independent registered public accounting firm's matters required to be discussed by AS No. 1301, *Communications with Audit Committees*, and applicable SEC Rules. In addition, our independent registered public accounting firm provided to the Audit Committee the written disclosures required by Rule 3526 of the Public Company Accounting Oversight Board, *Communication with Audit Committees Concerning Independence*, and the Audit Committee and our independent registered public accounting firm have discussed their independence from us and our management, including the matters in those written disclosures.

The Committee has discussed with our independent registered public accounting firm its evaluations of our internal accounting controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions with management and our independent registered public accounting firm referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved, the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

Principal Accountant Fees and Services

During 2017 and 2016, the following fees were billed to us by our principal accountants:

AUDIT FEES*	2017	2016
Audit Fees	\$ 4,018,725	\$ 3,412,883
Audit-Related Fees	35,220	33,349
Tax Fees	25,500	
All Other Fees		

TOTAL	\$4,079,445	\$3,446,232
--------------	--------------------	--------------------

*The amount of the audit fees and charges billed over the last two years are unusually large by virtue of the previously disclosed failure of information technology general controls which required a detailed substantive audit approach. The fees for 2017 reflect the combined fees and charges from both Ernst & Young and Deloitte.

Table of Contents

To help assure independence of our independent registered public accounting firm, our Audit Committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal accountant or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules. This policy is set forth in our Audit Committee Charter. Of the fees shown in the table which were billed by our principal accountants in 2017 and 2016, 100% were approved by the Audit Committee.

COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

Compensation Philosophy and Objectives. Consistent with the oversight obligations established in its charter, our Compensation Committee undertook a comprehensive review of Citizens' compensation philosophy, objectives, programs and policies. In 2016, 2017 and again in 2018 the Committee engaged a leading independent compensation consulting firm, F.W. Cook & Co., to assist with the evaluation, compared Citizens' compensation practices to other comparable peer group public companies and evaluated alternatives. This evaluation is discussed in more detail below under Compensation Comparables and Comparative Compensation Analysis. Citizens' executive compensation program focuses on:

Providing competitive total compensation that will attract, retain, engage and motivate high-performing executives;

Aligning Citizens' compensation plans with its short- and long-term business strategies and objectives;

Aligning the financial interests of Citizens' executives with its shareholders through a long-term incentive plan and equity awards; and

Instilling a pay for performance culture.

Overview of Compensation Program. In 2017, the Compensation Committee also awarded cash bonuses to its top five executives in recognition of their achievement of certain milestones set forth by the Compensation Committee and approved by the Board, which are reported under Non-equity Incentive Plan Compensation in the Summary Compensation Table. These milestones included, but were not limited to: (1) developing strategic initiatives and specific actions in connection with the analysis and refinement of our international business model; (2) specific improvements in our information technology infrastructure; (3) addressing certain identified regulatory issues; and (4) developing a strategy for the completion of the executive team. As the level of progress toward the milestones in 2017 exceeded the established expectations, and goals beyond those specifically delineated were met, the Compensation Committee elected to make bonus awards in excess of the specified targets.

The Compensation Committee implemented several changes to our compensation program for 2017, including:

Structured total compensation based on three principal components (1) a base salary, (2) an annual incentive bonus opportunity and (3) long-term equity awards. These three components are consistent with the approach taken by many public companies for senior level executives. Although we paid out base salary and cash bonuses to our NEOs in 2017, we did not award any equity awards during the year.

Entered into employment agreements with its top two executive officers that provide for, among other things, a base salary, an annual target bonus opportunity, a cash retention bonus, and certain payments upon termination of employment triggered by a change of control.

Adjusted total compensation levels of our executive officers and non-employee directors to more closely align with the median of Citizens' Comparable Group.

In addition, at our 2017 Annual Meeting of Shareholders, our shareholders approved the Citizens, Inc. Omnibus Incentive Plan (the "Incentive Plan"), which will comprise an important component of the Company's newly redesigned compensation program. Pursuant to the Incentive Plan, the Compensation Committee may award equity compensation to our executive officers, directors or employees, which the Company believes will help recognize the contributions made to the Company by such award recipients, incentivize them to devote themselves to the future success of the Company, and improve the Company's ability to attract, retain, and motivate individuals upon whom the Company's sustained growth and financial success depend. The Compensation Committee did not grant any equity awards under the Incentive Plan during 2017. However, on February 15, 2018, the Compensation Committee made an initial grant of restricted stock units ("RSUs") to each of its officers and directors under the Incentive Plan.

Compensation Performance Analysis. Our executive team is led by several key executive officers: Geoff Kolander, President and Chief Executive Officer, Kay Osbourn, Executive Vice President and Chief Financial Officer, Terry Festervand, Chief Operations Officer, Jeff Conklin, Chief Accounting Officer, Robert Mauldin, Chief Marketing Officer and Jim Eliasberg, Chief Legal Officer. Mr. Kolander and Ms. Osbourn have employment contracts with the Company. The remainder of our executive officers are employed on an at-will basis. On an annual basis, the Compensation Committee, with input from management, establishes milestones against which the performance of the executive team may be evaluated and on which bonus payments are based.

Compensation Comparables. As part of its compensation review, the Compensation Committee assessed the competitiveness of Citizens' compensation program using data compiled by its compensation consultant on a peer group of comparable public companies. This group may differ from peer groups used by shareholder advisory firms. The group, which may be modified from time to time, consists of companies that are generally comparable to us in size, financial profile and scope of operations and, in certain cases, against which we may compete for executive talent. The comparable group data was derived from two survey sources and represented a 50/50 blend of each of Towers Watson General Industry Data, regressed to companies having \$250 million in revenues, and Towers Watson Financial Services Data consisting of companies with revenues greater than \$300 million (the Comparable Group).

Comparative Compensation Analysis. The Compensation Committee generally aims to provide total compensation around the median for like positions at Comparable Group companies, taking into account Citizens' assets, revenues, market capitalization and relatively unique business model relative to other companies in the Comparable Group. The overall results of the comparables study provided additional information for the Compensation Committee to consider. The independent consultant's analysis revealed the amount of base salary and total compensation for our Chief Executive Officer was generally below the median compensation of our Comparable Group. Mr. Kolander's 2017 salary of \$600,000 was below the median CEO base salaries of our Comparable Group and well below the salaries of one of our two previous CEOs, Harold Riley (\$1,000,000). The Compensation Committee approved a base salary increase for Mr. Kolander as Chief Executive Officer to \$700,000 in 2018. The base salary increase plus the target bonus opportunity and retention awards under Mr. Kolander's employment agreement would bring the amount of total compensation for our CEO in 2018 to the 50th percentile of the Comparable Group, which the Compensation Committee, after receiving input from its compensation consultant, believed was appropriate. Working with its compensation consultant, the Compensation Committee conducted a similar analysis of the compensation for Kay Osbourn, our CFO, and our other C-Level executives and made similar adjustments to her compensation for 2018 to align with the median levels of like positions in the Comparable Group.

The Compensation Committee followed a similar, albeit less elaborate, process with respect to comparing the compensation for our other executives. These salaries were not objectively determined, but instead reflect the levels the Compensation Committee concludes were appropriate based upon our compensation philosophy and the experience and tenure of our other senior executives. In addition, the Compensation Committee, in conjunction with senior executive management, performed a review of proposed compensation for all other management personnel.

Non-Employee Director Compensation Changes. In November 2016, the Compensation Committee reviewed the design and competitive positioning of our non-employee director compensation program. Its independent compensation consultant provided a competitive analysis based on compensation benchmarks from industry reports on companies with similar revenues and market capitalization (the Peer Group). The reports used by the compensation consultant included the 2016-2017 NACD Director Compensation Report, consisting of companies between \$50 million and \$500 million in revenue, the Frederic W. Cook 2015 Director Compensation Report, consisting of companies with less than \$1 billion in market capitalization, and the 2015 BDO 600 Survey of Board Compensation Practices, consisting of companies between \$25 million and \$325 million in revenue. The analysis took into account our board and committee structure, board leadership structure, number of meetings held during 2016 and data on director compensation at peer companies. Annual board cash retainer for our Board members is \$105,000 annually, and directors serving as chairman of committees receive an additional \$10,000 in compensation to recognize their Board leadership roles and additional responsibilities. In addition, following shareholder approval of our Citizens, Inc. Omnibus Incentive Plan, the Compensation Committee introduced an equity award component of director and officer compensation to more closely align our director's financial interests with our shareholders. However, no equity awards were paid to our directors in 2017.

Role of the Compensation Committee. Our executive compensation program is administered by the Compensation Committee, which is composed entirely of independent directors. The Compensation Committee is responsible for designing our executive compensation program, including each element of the program, and determining and approving total executive remuneration. Each year, the Compensation Committee reviews a competitive analysis and assessment of the compensation provided to executive officers and approves executive compensation based on this review. Our CEO does not participate in the Compensation Committee's deliberations or decisions with regard to his own compensation, and the Compensation Committee's decisions with respect to our executive officers' compensation are reviewed and approved by the independent members of the Board of Directors as a group. The Compensation Committee may form and delegate authority to subcommittees.

Role of the Independent Compensation Consultant. Under its charter, the Compensation Committee is authorized to engage its own independent advisors to assist in carrying out its responsibilities. In September 2016, the Compensation Committee retained F.W. Cook as its independent compensation consultant to perform work in 2016, 2017 and 2018. F.W. Cook reported directly to the Compensation Committee, and the Compensation Committee oversaw the fees paid for F.W. Cook's services. F.W. Cook provided the Compensation Committee with independent and objective guidance on executive compensation and how our executive compensation program compares to other companies' executive compensation programs, as well as guidance on market trends, evolving regulatory requirements, executive employment agreements, nonemployee director compensation, peer group composition and other matters as requested by the Compensation Committee. F.W. Cook also provided objective guidance regarding management's executive compensation recommendations, with the instruction that F.W. Cook was to advise the Compensation Committee independent of management and to provide such advice for the benefit of the Company and its shareholders. F.W. Cook did not provide any consulting services to us beyond its role as a consultant to the Compensation Committee. The Compensation Committee conducted an assessment of the independence of F.W. Cook pursuant to SEC rules and, following that assessment, concluded that no conflict of interest exists that would prevent F.W. Cook from serving as an independent consultant to the Compensation Committee.

Say-on-Pay and Say-on-Frequency. In 2017, 65.17% of the votes cast were in favor of the non-binding advisory vote to approve executive compensation. The Compensation Committee took into account these results when considering the changes to the Company's compensation program and the Committee's decisions regarding executive compensation. At the 2018 annual meeting of shareholders, we will again hold a Say-on-Pay vote and will consider such voting results in the future.

REPORT OF THE COMPENSATION COMMITTEE

The Board of Directors discussed the Compensation Committee's recommended 2018 compensation and adopted the recommendations as proposed. 2017 executive compensation remained largely unchanged for our top named executive officers while the Compensation Committee conducted its compensation review.

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board the Compensation Discussion and Analysis be included in this Proxy Statement and *incorporated by reference in* the Company's 2017 Annual Report on Form 10-K, which the Board approved unanimously.

EXECUTIVE EMPLOYMENT AGREEMENTS

On January 16, 2017, we entered into employment agreements (individually, an Employment Agreement, and together, the Employment Agreements) with three of our executive officers: Geoffrey M. Kolander, Chief Executive Officer, Kay E. Osbourn, who was then President, and David S. Jorgensen, who was then Vice President, Chief Financial Officer and Treasurer (individually, an Executive and together, the Executives). On September 12, 2017, the Company announced the appointment of David S. Jorgensen as General Manager for International Operations of CICA Life Ltd. (Bermuda). Mr. Jorgensen was succeeded by Kay E. Osbourn as Executive Vice President, Chief Financial Officer and Chief Investment Officer, and Geoffrey M. Kolander, the Company's Chief Executive Officer, succeeded Ms. Osbourn as President. In connection with the change in roles, Mr. Jorgensen's employment agreement as Chief Financial Officer was terminated.

The Employment Agreements generally have similar terms, except for certain differences described herein. Copies of the Employment Agreements were filed as exhibits to our Current Report on Form 8-K, dated January 17, 2017 and are incorporated by reference into exhibits to our Annual Report on Form 10-K for the year ended December 31, 2017.

Term. Each Employment Agreement has an initial term of four (4) years and will automatically renew on each anniversary of the effective date unless either Citizens or the Executive provides at least 90 days' notice not to renew.

Base Salary. The Employment Agreements establish a base annual salary of \$600,000 for Mr. Kolander and \$450,000 for Ms. Osbourn.

Target Bonus Opportunity and Retention Awards. Each Executive will be eligible to receive an annual cash bonus based on a target bonus opportunity of 70% of base salary for Mr. Kolander and 60% of base salary for Ms. Osbourn. The amount of the actual cash bonus awarded each year will be based on the achievement of annual performance objectives to be established by the Board and Compensation Committee. The amount of the actual bonus that the Executive may receive could be below, at or above each Executive's target amount. In addition, each Executive is eligible to receive a cash retention bonus. The retention bonuses (\$600,000 for Mr. Kolander and Ms. Osbourn) are payable in two equal installments on or within 15 days of December 15, 2018 and December 15, 2019, subject to the

Executive's continued employment on the applicable payment date.

Table of Contents

Benefits. Each Executive is eligible to participate in all employee benefit plans and programs available generally to other similarly-situated executives of Citizens, and Citizens will maintain customary liability insurance for the Executives.

Death or Disability. If an Executive's employment is terminated due to the Executive's death or disability, the Executive will be entitled to receive the following payments in equal installments over the twelve (12) month period following the date of termination, referred to as the Severance Period: accrued but unpaid salary, accrued but unused paid time out, any earned but unpaid annual bonus for the prior fiscal year, a pro-rated annual bonus for the year of termination based on the degree to which performance metrics for the fiscal year are attained, and the unpaid portion of any retention award.

Payments upon a Termination without Cause or for Good Reason – No Change in Control. Upon a termination by Citizens without Cause (defined below) or the Executive's voluntary termination with Good Reason (defined below), in each case, other than within the ninety (90) day period prior to the consummation of a Change in Control (defined below) or within one (1) year following a Change in Control, each Executive is entitled to the death and disability benefits described above, an amount equal to a certain number of months of base salary (twenty-four (24) months base salary for Mr. Kolander and eighteen (18) months for Ms. Osbourn) payable over twelve (12) months and an amount intended to approximate the value of the Company's subsidy of the cost of the Executive's participation in the Company's group health care plan.

Payments upon a Termination without Cause or for Good Reason – Change in Control. Upon a termination by Citizens without Cause or the Executive's voluntary termination with Good Reason, in each case, within the ninety (90) day period prior to the consummation of a Change in Control or within one (1) year following a Change in Control, each Executive is entitled to the payments and benefits described above for a termination not in connection with a Change in Control, but the severance multiple will be two and one-half (2.5) times the sum of the base salary and annual bonus for Mr. Kolander and Ms. Osbourn, payable in equal installments over the Severance Period.

Good Reason. The Employment Agreements define "Good Reason" generally to mean:

the Company's failure to pay earned compensation when due and payable;

a material diminution in the Executive's position, duties, or responsibilities, including, without limitation, the Company's failure to reappoint the Executive to their titled position;

the Company's material breach of any other material provision of the Employment Agreement; or

a change of the Executive's principal place of employment to a location more than fifty (50) miles from such principal place of employment as of the Effective Date.

Cause. The Employment Agreements define "Cause" generally to mean:

the continued failure by the Executive to perform the material responsibilities and duties under this Agreement;

the engaging by the Executive in willful or reckless conduct, if such conduct is done or omitted to be done by the Executive not in good faith, and is materially injurious to the Company monetarily or otherwise;

the Executive's conviction of, or pleading of guilty or *nolo contendere* to, a felony;

the commission or omission of any act by the Executive that is materially detrimental to the best interests of the Company and that constitutes common law fraud or a violation of applicable law; or

the Executive's breach of any material provision of the Employment Agreement (including the Restrictive Covenants).

Change in Control. The Employment Agreements define a Change in Control generally to mean:

the dissolution or liquidation of the Company;

the merger, consolidation, or reorganization of the Company with one or more other entities in which the Company is not the surviving entity or immediately following which the persons or entities who were beneficial owners (as determined pursuant to Rule 13d-3 under the Securities Exchange Act of 1934) of voting securities of the Company immediately prior thereto cease to beneficially own more than fifty percent (50%) of the voting securities of the surviving entity immediately thereafter;

a sale of all or substantially all of the assets of the Company to another person or entity;

the transfer of at least a majority of the Company's Class B Common Stock from the Harold E. Riley Trust to an individual other than Harold E. Riley, an entity not beneficially owned by Harold E. Riley or a trust not controlled by Harold E. Riley;

the exercise of a power of attorney granted by Harold E. Riley over the Company's Class B Common Stock;

Table of Contents

any transaction (including without limitation a merger or reorganization in which the Company is the surviving entity) that results in any person or entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (other than persons who are shareholders or affiliates immediately prior to the transaction) owning thirty percent (30%) or more of the combined voting power of all classes of shares of the Company; or

individuals who, as of the Effective Date, constitute the Board (the Incumbent Board) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for trustee, without written objection to such nomination) shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or contests by or on behalf of a person other than the Board.

Upon the death of our founder in September 2017, control of the Company through the Class B common stock was set to transfer from the Harold E. Riley Trust, controlled by Mr. Riley, to a 501(c)(3) charitable foundation. As of the date of the publication of this proxy statement, the Colorado Division of Insurance has yet to approve the transfer of control of the Class B common stock to the Harold E. Riley Foundation as an ultimate control party according to Colorado regulatory provisions.

Restrictive Covenants. The Employment Agreements also include restrictive covenants regarding confidentiality, intellectual property, non-disparagement, non-competition and non-solicitation. With respect to the non-competition and non-solicitation covenants, the Executives agreed for a period during the term of the employment agreements and twelve months thereafter not to in any way, directly or indirectly, for the Executive or on behalf of or in conjunction with any other person or entity, (a) solicit, divert, take away, or attempt to take away any of the Company's customers or the business or patronage of any such customers with whom the Executive had direct or indirect contact while employed by the Company; (b) solicit, entice, or recruit any of the Company's employees for another entity or business, provided that public job postings shall not be deemed to violate this provision; or (c) participate in any activities that are the same or similar in function or purpose to those the Executive provided, managed, or supervised as an employee of the Company under the Employment Agreements on behalf of a Competing Business of the Company, which is defined in the Employment Agreements as National Western Life Insurance Company, Pan American Life Insurance Company and BMI (Best Meridian Life).

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL**

The following table sets forth our payment obligations pursuant to the Employment Agreements for our top two named executive officers, assuming (1) a termination of employment or (2) a change in control followed by a qualifying termination occurred, in each case, on December 31, 2017. Our remaining named executive officers are excluded from the table because they do not have any compensation arrangement that would entitle them to payments upon termination or a change in control. The amounts shown in the table do not include payments and benefits to the extent they are provided generally to all salaried employees upon termination of employment.

- (5) Other than Accrued Amounts, payments are subject to and conditioned upon certain conditions, including but not limited to the execution by NEO of a valid general release and waiver in a form reasonably acceptable to Company.

Q1: NEO is entitled to Pro-Rated Annual Bonus which is equal to the pro-rated Annual Bonus for the year of NEO's termination, based on the degree to which performance metrics for the fiscal year of termination are satisfied. Since the analysis is being done as of 12/31/2017, this amount would be NEO's full Annual Bonus for 2017. The actual Annual Bonus amounts for 2017 should be available.

Q2: NEO is entitled to both Pro-Rated Annual Bonus (described above) as well as 2.5 times the Target Bonus Opportunity established for the year of termination. The Target Bonus Opportunity may be different from the Annual Bonus. For Kolander in FY 2017, the Target Bonus Opportunity shall be not less than 75% of Base Salary. For Osbourn in FY 2017, the Target Bonus Opportunity shall be not less than 60% of Base Salary. The actual Target Bonus Opportunity amounts for 2017 should be available.

Table of Contents**CEO PAY RATIO**

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are disclosing the ratio of annual total compensation of our CEO to the annual total compensation of our median employee (excluding our CEO). The ratio presented below is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K under the Securities Exchange Act of 1934 and should not be used as a comparison with pay ratios disclosed by other companies.

We identified our median employee by examining the 2017 total cash compensation for all 509 employees, excluding the CEO, who were employed by us on December 31, 2017, the last day of our payroll year. We believe the use of total cash compensation for all employees is a consistently applied compensation measure. We included all employees, whether employed on a full-time or part-time basis and did not exclude any non-U.S. employees. We did not make any assumptions, adjustments or estimates with respect to total cash compensation, and we did not annualize the compensation for any full-time or part-time employees who were not employed by us for all of 2017.

As disclosed in the Summary Compensation Table in this proxy statement, the 2017 annual total compensation of our CEO was \$1,242,675. The 2017 annual total compensation of our median employee, calculated in the same manner as our CEO's compensation, was \$36,530. The ratio of our CEO's annual total compensation to our median employee's annual total compensation for fiscal year 2017 is 35 to 1.

PROPOSAL NO. 2

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), the Board of Directors provides shareholders with the opportunity to cast an annual advisory vote on the compensation of the Company s Named Executive Officers. This non-binding advisory shareholder vote, commonly known as Say-on-Pay, gives you, as a shareholder, the opportunity to endorse or not endorse our executive compensation program and policies, as explained in our Compensation Discussion & Analysis beginning on page 19 and in our Summary Compensation Table on page 22. The Compensation Committee and the Board of Directors made significant changes to the executive compensation program in 2017 to align compensation competitively with the Company s peers and to enhance the link between pay and performance.

Because your vote is advisory, it will not be binding upon the Company or the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive pay. Accordingly, we are providing you the opportunity to cast a non-binding advisory vote on the compensation of the Company s Named Executive Officers contained in this proxy, through the following resolution:

RESOLVED, that the compensation of the Company s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and the related disclosures contained in this Proxy Statement is hereby APPROVED.

Proposal No. 2 will be approved if the votes cast **FOR** the proposal exceed the votes cast **AGAINST** it. Abstentions and broker non-votes will be disregarded and have no impact on the vote, other than for establishing a quorum.

Your Board of Directors recommends that you vote FOR the compensation of our named executive officers, as disclosed in this proxy statement.

We are requesting our shareholders ratify the appointment of Deloitte & Touche LLP by our Audit Committee as our independent registered public accounting firm for the fiscal year ending December 31, 2018. One or more members of the firm of Deloitte & Touche are expected to attend the Meeting, will have an opportunity to make a statement if they desire to do so, and will be available to answer appropriate questions.

Proposal No. 3 will be approved if the votes cast **FOR** the proposal exceed the votes cast **AGAINST** it. Abstentions and broker non-votes will be disregarded and have no impact on the vote, other than for establishing a quorum.

The Board recommends a vote FOR Proposal No. 3.
