* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

(1) Each performance share represents a contingent right to receive one share of Company common stock (or the cash equivalent).

On December 4, 2013, the reporting person was granted a target number of performance shares, with the payout from 0 to 200% of target based on the Company's total shareowner return compared to the performance of companies in the S&P 500 Index over a three-year period. The payout was determined on October 3, 2016, resulting in the reported number of performance shares received.

Each performance share represents a contingent right to receive one share of Company common stock (or the cash equivalent). The performance shares vest on December 4, 2016, provided the reporting person is still an employee of the Company on that date, subject to limited exceptions.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
