(1) Represents the number of shares required to be sold by the reporting person to cover tax withholding obligations in connection with the vesting of certain RSUs, previously reported in Table I following the date of grant. This sale is mandated by the Issuer's election under its equity incentive plans to require the satisfaction of tax withholding obligations to be funded by a "sell to cover" transaction and does not represent a discretionary trade by the reporting person.

(2) The shares were sold at prices ranging from \$102.62 to \$103.08. The reporting person will provide upon request to the SEC, the issuer or security holder of the issuer, full information regarding the number of shares sold at each separate price.
