Item 7.01 Regulation FD Disclosure

As previously disclosed, on August 13, 2015, Hercules Offshore, Inc. (the “Company”) and certain of its subsidiaries (together with the Company, the “Debtors”) filed voluntary petitions for relief (the “Chapter 11 Cases”) under the provisions of Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”). The Chapter 11 Cases are being jointly administered by the Bankruptcy Court under *In re Hercules Offshore, Inc., et al.* (Case No. 15-11685).

On September 3, 2015, the Debtors filed their initial monthly operating report (the “Monthly Operating Report”) with the Court. The Monthly Operating Report is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information in this Item 7.01 and the exhibits hereto are being furnished, not filed. Accordingly, such information will not be incorporated by reference into any registration statement filed by the Company under the Securities Act of 1933, as amended. By filing this Form 8-K and furnishing this information, the Company makes no statement or admission as to the materiality of any information in Item 7.01 or the exhibits hereto.

Statements above that are not historical fact are forward-looking statements, including the timing of the restructuring and the Chapter 11 cases, and the impact of the Chapter 11 cases on our operations, customers, vendors and employees. Forward-looking statements by their nature involve substantial risks, uncertainties and assumptions, including without limitation, contract renegotiations with customers, early termination or renegotiation by customers or suppliers pursuant to contract or otherwise, government and regulatory actions and other factors described in the risks and uncertainties described in our periodic reports filed with the Securities and Exchange Commission. Many of these factors are beyond our ability to control or predict.

**Cautionary Statement Regarding Monthly Operating Report**

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of the Company. The Monthly Operating Report is limited in scope, covers a limited time period and has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in the Chapter 11 Cases and is in a format acceptable to the U.S. Trustee. The forecasts contained in the Monthly Operating Report reflect estimates and assumptions made by management of the Company with respect to cash receipts and disbursements, as well as numerous other factors. These factors are difficult to predict accurately and in many cases are outside of the Company’s control. Consequently, it is likely that actual results will differ from those reflected in the Monthly Operating Report and such differences may be significant. The Company has not made and does not make any representation to any person regarding the Company’s future results. Furthermore, the Company is not required to publicly update the Monthly Operating Report to reflect more current facts or estimates or the occurrence of future events, including if the facts, estimates and assumptions upon which the Monthly Operating Report is based are erroneous. The Monthly Operating Report was not audited or reviewed by independent accountants, was not prepared in accordance with generally accepted accounting principles in the United States, is in a format prescribed by applicable bankruptcy laws, and is subject to future adjustment (which may be material) and reconciliation. There can be no assurance that, from the perspective of an investor or potential investor in the Company’s securities, the Monthly Operating Report is complete. The Monthly Operating Report also contains information for periods which are shorter or otherwise different from those required in the Company’s reports pursuant to the Exchange Act and such information might not be indicative of the Company’s financial condition or operating results for the period that would be reflected in the Company’s financial statements or in its reports pursuant to the Exchange Act. Results set forth in the Monthly Operating Report should not be viewed as indicative of future results.

**Cautionary Statement Regarding Forward Looking Statements**

Forward-looking statements related to the prepackaged plan of reorganization involve known and unknown risks, uncertainties, assumptions and other factors which may cause our actual results, performance or achievements to be

materially different from any results, performance or achievements expressed or implied by our forward-looking statements, including but not limited to the Company's ability to obtain Court approval with respect to motions in the Chapter 11 cases; the effects of the Court rulings in the Chapter 11 cases and the duration and outcome of the Chapter 11 cases in general; risks associated with third party motions in the Chapter 11 cases, which may interfere with the ability to consummate the plan; increased administrative and restructuring costs related to the Chapter 11 cases; the Company's ability to maintain adequate liquidity to fund operations during the Chapter 11 cases and thereafter; the terms and sufficiency of the "exit" financing contemplated by

the plan and related risks and uncertainties; the occurrence of any event, change, or other circumstance that could give rise to the termination of the restructuring support agreement; and potential adverse effects related to the following: trading of our common stock on OTC; potential effects of the industry downturn on our business, financial condition and results of operations; potential limitations on our ability to maintain contracts and other critical business relationships; requirements for adequate liquidity to fund our operations in the future, including obtaining sufficient financing on acceptable terms; and other matters related to the potential restructuring and our current and future indebtedness. Accordingly, you should not place undue reliance on forward-looking statements. The Company does not intend to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable securities laws.
