Item 1.01.

Entry into a Material Definitive Agreement.

On March 24, 2011, ParkerVision, Inc. (the “Company”) entered into a placement agency agreement (the “Placement Agency Agreement”) with Hudson Securities, Inc. (the “Hudson”). Pursuant to the Placement Agency Agreement, Hudson agreed to act as placement agent on a “best efforts” basis for a proposed placement (the “Offering”) of equity and equity-linked securities of the Company, including shares of the Company’s common stock, par value \$.01 per share (“Common Stock”), and warrants to purchase shares of the Company’s Common Stock. The Company agreed to pay Hudson a fee of 7% of the aggregate purchase price paid by purchasers who are introduced to the Company by Hudson and 4% of the first \$2 million and 7% of the remaining amount of the aggregate purchase price paid by purchasers who are existing investors of the Company (except the fee will be 3% for certain specified investors). The Company also agreed, in the event of a successful Offering, to pay Hudson a non-accountable expense allowance of 1% of the aggregate purchase price, up to \$50,000. The Placement Agency Agreement contains customary representations and warranties of the Company and is subject to customary closing conditions. In addition, the Company has agreed to indemnify Hudson against certain liabilities, including liabilities under the Securities Act of 1933, as amended, and liabilities arising from breaches of the representations, warranties or obligations contained in the placement agency agreement.

On March 25, 2011, the Company also entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with the purchasers in the Offering (the “Investors”). The Securities Purchase Agreement permitted the Investors to purchase either shares of Common Stock (the “Shares”) at \$0.71 per share or units (the “Units”), each Unit consisting one share of Common Stock (the “Unit Shares”) and 0.3 of a warrant to purchase Common Stock (the “Unit Warrants”), at \$0.81 per Unit, or a combination thereof. The Investors elected to purchase, and the Company agreed to sell, an aggregate of 3,332,117 Shares and an aggregate of 2,691,360 Units. The Unit Shares and the Unit Warrants will be issued separately and will be transferable separately immediately upon issuance. The Securities Purchase Agreement contains customary representations and warranties of the Company and is subject to customary closing conditions. In addition, the Company has agreed to indemnify the Investors for liabilities arising out of or relating to (i) any breach of any of the representations, warranties, covenants or agreements made by the Company in the Securities Purchase Agreement or related documents or (ii) any action instituted against an Investor by any of our stockholders (other than stockholders who are affiliated with such Investor) with respect to the offering, subject to certain exceptions.

Each Unit Warrant entitles the holder to purchase one share of Common Stock at an exercise price of \$0.88 per share during the five-year period commencing six months after the closing of the Offering. The exercise price and number of shares of common stock issuable on exercise of the Unit Warrants will be subject to adjustment in the event of any stock dividend, stock split, reverse stock split or recapitalization. The exercise price and the amount and/or type of property to be issued upon exercise of the Unit

Warrants will also be subject to adjustment if the Company engages in a “Fundamental Transaction” (as defined in the Warrant Agreement).

Upon closing of the Offering, net proceeds from the sale of the Shares and the Units, after deducting the placement agent’s fees and other offering expenses, are expected to be approximately \$4.14 million. The Company anticipates that the Offering will close on March 30, 2011.

The Offering was made primarily to institutional investors pursuant to the Company’s “shelf” Registration Statement on Form S-3 (File No. 333- 161903) that was declared effective on September 30, 2009. A prospectus supplement describing the terms of the Offering was filed with the Securities and Exchange Commission on March 25, 2011.

The discussion in this Current Report is only a summary and is qualified in its entirety by reference to the Placement Agency Agreement, the form of Warrant and the form of Securities Purchase Agreement, which are attached to this Current Report as Exhibits 1.1, 4.1 and 10.1, respectively, and are incorporated by reference in this Item.

The Placement Agency Agreement and the Securities Purchase Agreement have been included to provide investors and security holders with information regarding their terms. They are not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Placement Agency Agreement and the Securities Purchase Agreement were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Placement Agency Agreement and the Securities Purchase Agreement.
