Item 1.01. Entry into a Material Definitive Agreement.

On August 9, 2015, CVR Partners, LP (“CVR Partners”), Lux Merger Sub 1 LLC, a direct wholly owned subsidiary of CVR Partners (“Merger Sub 1”), and Lux Merger Sub 2 LLC, a direct wholly owned subsidiary of CVR Partners (“Merger Sub 2”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Rentech Nitrogen Partners, L.P. (“Rentech Nitrogen”) and Rentech Nitrogen GP, LLC (“Rentech Nitrogen GP”), pursuant to which CVR Partners will acquire Rentech Nitrogen and Rentech Nitrogen GP in exchange for a combination of common units representing limited partner interests in CVR Partners (“CVR Common Units”) and cash. The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Merger Sub 1 will be merged with and into Rentech Nitrogen GP, with Rentech Nitrogen GP continuing as the surviving entity and a wholly owned subsidiary of CVR Partners, and Merger Sub 2 will be merged with and into Rentech Nitrogen, with Rentech Nitrogen continuing as the surviving entity and a wholly owned subsidiary of CVR Partners (together, the “Merger”). Under the terms of the Merger Agreement, each outstanding common unit representing a limited partner interest in Rentech Nitrogen (each, a “Rentech Nitrogen Common Unit”), other than certain units held by affiliates of CVR Partners, will be converted into the right to receive 1.04 newly issued CVR Common Units and \$2.57 in cash (the “Merger Consideration”). Phantom units granted and outstanding under Rentech Nitrogen’s equity plans and held by an employee who will continue in the employment of a CVR Partners-affiliated entity upon closing of the Merger will be cancelled and replaced with new incentive awards of substantially equivalent value and on similar terms. Each phantom unit granted and outstanding and held by (x) an employee who will not continue in employment of a CVR Partners-affiliated entity, or (y) a director of Rentech Nitrogen GP will, upon closing of the Merger, vest in full and be entitled to receive the Merger Consideration.

The completion of the Merger is subject to satisfaction or waiver of closing conditions, including (1) the adoption of the Merger Agreement by holders of a majority of the outstanding Rentech Nitrogen Common Units, (2) the effectiveness of a registration statement on Form S-4, (3) the approval for listing of the CVR Common Units issuable as part of the Merger Consideration on the New York Stock Exchange, (4) the sale or spin-off by Rentech Nitrogen of Rentech Nitrogen’s Pasadena facility on terms specified in the Merger Agreement, (5) the absence of certain events of default under the indenture governing Rentech Nitrogen’s 6.500% Second Lien Senior Secured Notes due 2021 and (6) other customary conditions such as expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”).

The Merger Agreement contains customary representations and warranties from both CVR Partners and Rentech Nitrogen, and each party has agreed to customary covenants, including, among others, covenants relating to (1) the conduct of its business during the interim period between the execution of the Merger Agreement and the effective time of the Merger, (2) the obligation to use commercially reasonable efforts to cause the Merger to be consummated and to obtain expiration of the waiting period under the HSR Act, subject to certain exceptions and (3) the obligation of Rentech Nitrogen, subject to certain exceptions, to call a meeting of its unitholders to approve the Merger Agreement and, subject to certain exceptions, to recommend that its unitholders approve the Merger Agreement and the Merger. The Merger Agreement also prohibits Rentech Nitrogen from soliciting alternative acquisition proposals, subject to certain exceptions.

The Merger Agreement contains certain termination rights for both CVR Partners and Rentech Nitrogen and further provides that upon termination of the Merger Agreement, under certain circumstances, either party may be required to make an expense reimbursement payment of \$10,000,000, and Rentech Nitrogen may be required to pay CVR Partners a termination fee equal to \$31,200,000.

The summary of the Merger Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and incorporated by reference herein.

Voting Agreement

On August 9, 2015, CVR Partners also entered into a Voting and Support Agreement (the “Voting Agreement”) with Rentech, Inc. (“RTK”), Rentech Nitrogen Holdings, Inc. (“Rentech Nitrogen Holdings”), and DSHC, LLC (“DSHC” and,

together with RTK and Rentech Nitrogen Holdings, the “Rentech Nitrogen Unitholders”) with respect to the Merger Agreement. The Voting Agreement restricts the Rentech Nitrogen Unitholders from selling or subjecting to a separate voting agreement the Rentech Nitrogen Common Units owned by such Rentech Nitrogen Unitholders. The Voting Agreement generally requires that each of the Rentech Nitrogen Unitholders vote or cause to be voted all Rentech Nitrogen Common Units owned by such Rentech Nitrogen Unitholder in favor of the Merger Agreement and against alternative transactions, subject to certain exceptions. The Rentech Nitrogen Unitholders beneficially own approximately 59.7% of the outstanding Rentech Nitrogen Common Units. The Voting Agreement will terminate upon the earlier to occur of (a) the consummation of the Merger

---

and (b) the termination of the Merger Agreement pursuant to and in compliance with its terms. The Voting Agreement also prohibits the Rentech Nitrogen Unitholders from soliciting alternative acquisition proposals, subject to certain exceptions.

The summary of the Voting Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Voting Agreement, which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

#### Registration Rights Agreement

On August 9, 2015, CVR Partners and Coffeyville Resources, LLC, the sole member of the general partner of CVR Partners (“Coffeyville”), entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with Rentech Nitrogen Holdings and DSHC. Under the Registration Rights Agreement, CVR Partners is required to file or cause to be filed with the Securities and Exchange Commission (the “SEC”) a registration statement with respect to the public resale of the CVR Common Units issued to Rentech Nitrogen Holdings and DSHC as part of the Merger Consideration. CVR Partners is required to file or cause to be filed the registration statement within 30 days following the closing under the Merger Agreement and is required to cause the registration statement to become effective as soon as reasonably practicable thereafter but in no event later than 120 days after the effective time of the Merger. Further, Rentech Nitrogen Holdings and DSHC will have the right to participate in certain future underwritten public offerings of CVR Common Units and to initiate an underwritten offering of the CVR Common Units received by Rentech Nitrogen Holdings and DSHC as Merger Consideration, subject to certain conditions.

The summary of the Registration Rights Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Registration Rights Agreement, which is filed as Exhibit 4.1 hereto and incorporated herein by reference.

#### Transaction Agreements

##### Rentech Nitrogen Unitholders Transaction Agreement

On August 9, 2015, CVR Partners and Coffeyville also entered into a Transaction Agreement (the “Rentech Nitrogen Unitholders Transaction Agreement”) with the Rentech Nitrogen Unitholders pursuant to which the Rentech Nitrogen Unitholders will have the right to appoint two directors (the “Rentech Unitholder Director Appointees”) to the board of directors of CVR GP, LLC, the general partner of CVR Partners (“CVR GP,” and such board, the “CVR GP Board”), subject to certain minimum ownership thresholds based on (i) for the first year following the closing of the Merger Agreement, the combined ownership in CVR Common Units of the Rentech Nitrogen Unitholders and GSO Capital Partners LP (“GSO”) and any of its affiliates or managed funds (the “GSO Funds”), and (ii) during the second year following the closing of the Merger Agreement, the ownership in CVR Common Units of Rentech Nitrogen Unitholders. Under the Rentech Nitrogen Unitholders Transaction Agreement, the size of the CVR GP Board, currently of seven seats, will increase by two seats following the closing of the Merger and may be increased further up to a total of eleven seats. The required increase of two seats represents the addition of two seats for the Rentech Unitholder Director Appointees. The Rentech Nitrogen Unitholders right to appointment will be reduced by one seat when and if their ownership (as calculated above) falls below 15% of the outstanding CVR Common Units, and will terminate when and if their ownership (as calculated above) falls below 7.5% of the outstanding CVR Common Units. It is expected that Coffeyville, the sole member of CVR GP, will add two additional seats to the CVR GP Board and appoint directors to fill those seats, such that the CVR GP Board following the closing of the Merger will have a total of eleven directors.

The Rentech Nitrogen Unitholders Transaction Agreement also contains certain lock-up and standstill provisions to which the Rentech Nitrogen Unitholders are subject. Among other things, these provisions will, subject in each case to exceptions specified in the Rentech Nitrogen Unitholders Transaction Agreement, (i) limit the ability of the Rentech Nitrogen Unitholders to transfer the CVR Common Units received by them in the Merger for 180 days following

closing of the Merger and (ii) place restrictions on the Rentech Nitrogen Unitholders' ability to acquire additional CVR Common Units, propose certain transactions involving CVR Partners and take certain actions to influence the management of CVR Partners for one year following closing of the Merger.

#### GSO Transaction Agreement

On August 9, 2015, CVR Partners also entered into a Transaction Agreement (the "GSO Transaction Agreement" and, together with the Rentech Nitrogen Unitholders Transaction Agreement, the "Transaction Agreements") with the GSO Funds and GSO, pursuant to which the GSO Funds are subject to certain lock-up and standstill provisions in connection with the

---

consummation of the Merger Agreement. Among other things, these provisions will, subject in each case to exceptions specified in the GSO Transaction Agreement, (i) limit the ability of the GSO Funds to transfer the CVR Common Units received by them in the Merger for 180 days following closing of the Merger and (ii) place restrictions on the GSO Funds' ability to acquire additional CVR Common Units, propose certain transactions involving CVR Partners and take certain actions to influence the management of CVR Partners for one year following closing of the Merger.

The summary of the Transaction Agreements in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Transaction Agreements, which are filed as Exhibits 10.2 and 10.3 hereto and incorporated herein by reference.

#### Commitment Letter

On August 9, 2015, CVR Partners entered into a commitment letter (the "Commitment Letter") with Coffeyville, pursuant to which Coffeyville has committed to, on the terms and subject to the conditions set forth in the Commitment Letter, make available to CVR Partners term loan financing of up to \$150 million, which amounts would be available to fund the cash portion of the Merger Consideration and transaction related expenses. Such term loan, if drawn, would have a one year term.

The summary of the Commitment Letter in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Commitment Letter, which is filed as Exhibit 10.4 hereto and incorporated herein by reference.
