PROXY STATEMENT

2017 ANNUAL MEETING OF SHAREHOLDERS

November 16, 2017

INTRODUCTION

This proxy statement and the accompanying proxy card is furnished in connection with the solicitation by the Board of Directors of CVD Equipment Corporation, a New York corporation (the “Company”), of proxies for use at the 2017 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the Company’s headquarters at 355 South Technology Drive, Central Islip, New York 11722 at 10:00 A.M., Eastern Standard Time, on November 16, 2017, or at any adjournment or postponement thereof, for the purposes set forth in this proxy statement and the accompanying Notice of Annual Meeting of Shareholders. This proxy statement and the accompanying proxy card is first being mailed on or about October 6, 2017 to all shareholders of the Company entitled to vote at the Annual Meeting (the “Shareholders”).

VOTING PROCEDURES AND SOLICITATION

Your Vote Is Important

Whether or not you plan to attend the Annual Meeting, please complete and return the enclosed proxy card. Your prompt voting may save the Company the expense of following up with a second mailing. A return envelope (postage paid if mailed in the United States) is enclosed for that purpose. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity, (for example, as an officer of a corporation, guardian, executor, trustee or custodian) you should indicate your name, title or capacity.

Methods of Voting

You may vote by signing, dating and returning the enclosed proxy card, or by voting in person at the Annual Meeting. If you send in a proxy card, and also attend the Annual Meeting in person, the proxy holders will vote your shares as you instructed on your proxy card, unless you inform the Secretary at the Annual Meeting that you wish to vote in person.

Revoking a Proxy

You may revoke your proxy by:

Signing and returning another proxy card at a later date;

Sending written notice of revocation to the attention of the Secretary to:

CVD Equipment Corporation
355 South Technology Drive
Central Islip, NY 11722; or

Informing the Secretary and voting in person at the Annual Meeting.

To be effective, a later-dated proxy or written revocation must arrive at the above address before the start of the Annual Meeting.

Proxy Solicitation

The enclosed proxy card is being solicited on behalf of the Board of Directors of the Company. The Company will pay all costs of preparing, assembling and mailing the proxy materials. In addition to mailing out proxy materials, the Company's directors, officers and employees may, without being additionally compensated, solicit proxies by telephone fax, or other electronic means. The Company has requested brokers, banks and other fiduciaries to forward proxy materials to the beneficial owners of the Company's common stock. No additional compensation will be paid for such solicitation. The Company does not expect to employ anyone else in the solicitation of proxies.

How Proxy Cards Are Voted

The proxy holders named on the proxy card are Leonard Rosenbaum, the Company's Chairman, President and Chief Executive Officer, and Glen R. Charles, the Company's Chief Financial Officer and Secretary. Giving us your proxy means you authorize us to vote your shares at the Annual Meeting in the manner you direct. You may vote for all, some or none of our director nominees. You may also vote for or against the other proposals or abstain from voting. The proxy holders will vote shares according to the shareholder instructions on the proxy card. If a signed proxy card does not contain instructions, then the proxy holders will vote the shares (1) "FOR" the election of each of the director nominees listed on the card; (2) "FOR" ratifying the appointment of MSPC as the Company's independent public accountants for the year ending December 31, 2018; and (3) in their discretion, on any other business that may properly come before the meeting.

Broker Non-Votes

A broker non-vote occurs when a Shareholder holds his or her shares through a broker and the broker does not vote on a particular proposal because the broker does not have discretionary voting power for that particular item, and has not received instructions from the beneficial owner. Broker non-votes count for quorum purposes but not for voting purposes. It is important that you instruct your broker how to vote shares held by you in street name using the voting instruction form provided by your broker.

Quorum and Votes Required

A majority of the outstanding shares of common stock entitled to vote represented at the Annual Meeting in person or by proxy constitute a quorum. Only votes "FOR" or "AGAINST" a proposal count. Abstentions and broker non-votes will count towards the quorum but not for voting purposes.

Directors are elected by a plurality of the votes cast, so the five (5) nominees receiving the most votes will be elected. Shareholders who do not wish to vote for one or more of the individual nominees may withhold authority as directed in the proxy card.

The proposal to ratify the appointment of the independent auditors for the year ending December 31, 2018 requires the affirmative vote of the holders of a majority of shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote.

Voting Rights, Shares Outstanding and Votes Per Share

Holders of common stock at the close of business on the record date of October 2, 2017 are entitled to vote at the Annual Meeting.

As of the close of business on October 2, 2017, there were 6,380,298 shares of common stock outstanding.

Each share of common stock is entitled to one vote on each matter submitted to the Shareholders at the Annual Meeting.

No Dissenter's Rights

Shareholders are not entitled to dissenter's rights of appraisal with respect to the proposals being voted on.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to Shareholders may have been sent to multiple Shareholders in your household. The Company will promptly deliver a separate copy of either document to you if you contact the Secretary at the following address or telephone number: CVD Equipment Corporation, 355 South Technology Drive, Central Islip, NY 11722; telephone: (631) 981-7081. In addition, copies of both documents may be obtained from our website (www.cvdequipment.com, click on the button www.cvdproxy.com). If you want to receive separate copies of the proxy statement or the annual report to Shareholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address or telephone number.

PROPOSAL 1: ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

At the time of the Annual Meeting, the Board of Directors will consist of five (5) incumbent directors, all of which are seeking to be re-elected at the Annual Meeting to serve until the next Annual Meeting or Special Meeting of Shareholders at which a new Board of Directors is elected and until their successors shall have been elected and qualified. The accompanying proxy card will be voted in favor of the persons named below to serve as directors, unless the Shareholder indicates to the contrary on the proxy card. Each of the nominees is currently one of the Company's directors. See "Information Regarding Executive Officers and Directors" for biographical information as to each nominee.

The Nominating, Governance and Compliance Committee of the Board of Directors has nominated **Leonard A. Rosenbaum, Martin J. Teitelbaum, Conrad J. Gunther, Lawrence J. Waldman and Raymond A. Nielsen** for election as the Company's directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 1 TO ELECT AS DIRECTORS THE FIVE NOMINEES PROPOSED BY THE NOMINATING, GOVERNANCE AND COMPLIANCE COMMITTEE OF THE BOARD OF DIRECTORS.

Information Regarding our Board of Directors

Our Certificate of Incorporation and Bylaws provide for our Company to be managed by or under the direction of the Board of Directors. Under our Certificate of Incorporation and Bylaws, the number of directors shall not be less than five (5) nor more than eleven (11), as fixed from time to time by the Board of Directors. Our Board of Directors currently consists of five (5) directors, three (3) of which have been determined to be "independent" as defined by the applicable rules of the NASDAQ Capital Market. These "independent" directors are Messrs. Gunther, Waldman and Nielsen. Consistent with the requirements of the NASDAQ Capital Market, we require that a majority of our Board of Directors be "independent" directors. The Company's common stock is listed on the NASDAQ Capital Market under the trading symbol "CVV". The Company is a "smaller reporting company" within the meaning of Item 10(f)(1) of Regulation S-K.

The primary responsibilities of our Board of Directors are to provide oversight, strategic guidance, counseling and direction to our management. Our Board of Directors meets on a regular basis and additionally as required. Written or electronic materials are distributed in advance of meetings as a general rule and our Board of Directors schedules meetings with, and presentations from, members of our senior management on a regular basis and as may be required from time to time.

Directors are elected at the Annual Meeting and hold office until our next Annual Meeting and until their successors are elected and qualified. Officers are appointed by the Board of Directors and serve at the pleasure of the Board of Directors.

The Board of Directors held ten (10) meetings and acted two (2) times by unanimous written consent in lieu of meeting during the 2016 fiscal year. All of the directors, at that time, attended at least 75% of the meetings of the Board of Directors and of the committees on which they served. We encourage all members of the Board of Directors to attend the Annual Meetings; however, there is no formal policy as to their attendance. At last year's Annual Meeting of Shareholders, all five (5) members of the Board of Directors attended the meeting.

Legal Proceedings Involving Directors

There were no legal proceedings required to be disclosed hereunder involving the nominees to the Board of Directors in the past ten years.

Board Leadership

The Board has no formal policy with respect to separation of the positions of Chairman and CEO or with respect to whether the Chairman should be a member of management or an independent director, and believes that these are matters that should be discussed and determined by the Board from time to time. Currently, Leonard A. Rosenbaum serves as our Chairman, President and CEO. Given the fact that Mr. Rosenbaum, in his capacity as our President and CEO, is tasked with the responsibility of implementing our corporate strategy, we believe he is best suited for leading discussions, at the Board level, regarding performance relative to our corporate strategy, and this discussion accounts for a significant portion of the time devoted at our Board meetings. The Board of Directors believes that the independent directors have been effective in acting collaboratively to provide effective oversight of management. Moreover, in addition to feedback provided during the course of Board and committee meetings, the independent directors have regular executive sessions. Following an executive session, the independent directors communicate any relevant feedback to our CEO and CFO and provide input with regard to any agenda items for Board meetings.

Risk Management Oversight

Our management is responsible for defining the various risks facing the Company, formulating risk management policies and procedures, and managing our risk exposures on a day-to-day basis. The Board's responsibility is to monitor our risk management processes concerning our material risks and evaluating whether management has reasonable controls in place to address the material risks. The Board has played, and continues to play, a very active role in providing on-going oversight to management in identifying and managing the material risks we face.

While the Board periodically reviews and discusses the overall risks we face, as well as risk management and mitigation in the context of specific plans or projects being proposed or implemented, the Board also exercises its

overall responsibility for risk oversight through its committees. The Audit Committee of the Board is primarily responsible for overseeing management's processes for managing financial and operational risk in the Company. The Audit Committee also has primary responsibility at the Board level with respect to overseeing the management of risks relating to the reliability of our financial reporting processes and system of internal controls. In connection with that responsibility, the Audit Committee has sole authority to retain and terminate the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of the independent registered public accounting firm. The Audit Committee meets with management and the independent registered public accounting firm to review and discuss the annual audited and quarterly unaudited financial statements, and reviews the integrity of our accounting and financial reporting processes and audits of our financial statements.

Similarly, the Compensation Committee of the Board oversees risks associated with its areas of responsibility, including the risks associated with our compensation programs, policies and practices with respect to both executive compensation, non-employee director compensation, and compensation generally. The Nominating, Governance and Compliance Committee of the Board oversees the process, qualifications or director candidates, and risks associated with the nomination of members of the Board and committees thereof and periodically analyzes corporate governance practices in order to assist the Board in its risk oversight activities.

All of the members of the Nominating, Governance and Compliance Committee currently qualify as independent under the rules of the NASDAQ Capital Market. During the fiscal year ended December 31, 2016, the Nominating, Governance and Compliance Committee held one (1) meeting. All of the then committee members attended at least 75% of such meetings.

The Nominating, Governance and Compliance Committee may consider candidates recommended by shareholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Nominating Governance and Compliance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the shareholders. The Nominating, Governance and Compliance Committee annually reviews and makes recommendations to the Board regarding the composition and size of the Board so that the Board consists of members with the proper expertise, skills, attributes, and personal and professional backgrounds needed by the Board, consistent with applicable regulatory requirements.

The Nominating, Governance and Compliance Committee believes that all directors, including nominees, should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our shareholders. The Nominating, Governance and Compliance Committee will consider criteria including the nominee's current or recent experience as a senior executive officer, whether the nominee is independent, as that term is defined in existing independence requirements of the NASDAQ Stock Market and the Securities and Exchange Commission, the business, scientific or engineering experience currently desired on the Board, geography, the nominee's industry experience, and the nominee's general ability to enhance the overall composition of the Board.

The Nominating, Governance and Compliance Committee does not have a formal policy on diversity; however, in recommending directors, the Board and the Committee consider the specific background and experience of the Board members and other personal attributes in an effort to provide a diverse mix of capabilities, contributions and viewpoints which the Board believes enables it to function effectively as the Board of Directors of a company with our size and nature of business.

A copy of the Nominating, Governance and Compliance Committee Charter is available on the Company's website at www.cvdequipment.com and will be provided to any person without charge upon written request to the Company's address to the attention of the Secretary.

Our Stock Option Plans

The Company maintains one stock option plan, one share incentive plan and one equity incentive plan.

2001 Stock Option Plan. In November 2006, we registered a non-qualified stock option plan (the “2001 Plan”). Shareholders approved the 2001 Plan in July 2001, covering key employees, officers, directors and other persons that may be considered as service providers to the Company. Options may be awarded under the 2001 Plan by the Board of Directors or by a committee appointed by the Board of Directors. Under the 2001 Plan, an aggregate of 300,000 shares of our common stock were reserved for issuance or transfer upon the exercise of options which are granted. Unless otherwise provided in the option agreement, options granted under the 2001 Plan are exercisable in 25% installments commencing one year from the anniversary date of the grant. The purchase price of the common stock under each option granted under the 2001 Plan was established by the Board of Directors provided, that the exercise price per share could not be less than the closing price of the Company’s common stock on the date the option is granted. The stock options generally expire five to ten years after the date of grant. As of December 31, 2016, there were options to purchase 59,730 shares outstanding under the 2001 Plan. The 2001 Plan terminated on July 22, 2011. No further grants may be made under the 2001 Plan.

2007 Share Incentive Plan. In August 2008, we registered the 2007 Share Incentive Plan (the “2007 Plan”). Shareholders approved the 2007 Plan in December 2007, covering key employees, officers, outside directors or third party consultants to the Company or any of its affiliates. The 2007 Plan authorizes the grant and issuance of two different types of awards: options (“Stock Options”), which can qualify as “incentive stock options” under the Internal Revenue Code (the “Code”), or as “non-qualified stock options”, and restricted stock (“Restricted Stock”), which is stock that is contingent on an employee satisfying conditions, including without limitation continued employment, passage of time or satisfaction of performance criteria. Options may be awarded by the Compensation Committee, although the Board of Directors may exercise any authority of the Committee under the 2007 Plan in lieu of the Committee’s exercise thereof. Under the 2007 Plan, an aggregate of 750,000 shares of our common stock are reserved for issuance or transfer upon the granting of Restricted Stock or upon the exercise of options which are granted. The purchase price of the common stock under each option granted under the 2007 Plan is established by the Board of Directors provided that the exercise price per share shall not be less than the closing price of the Company’s common stock on the date the option is granted. As of December 31, 2016, 578,333 shares have been granted and 171,667 remain available for grant.

2016 Equity Incentive Plan. In April 2017, we registered the CVD Equipment Corporation 2016 Equity Incentive Plan (the “2016 Plan”). Shareholders approved the 2016 Plan in December 2016, covering key employees, officers, outside directors or third party consultants to the Company or any of its affiliates. The 2016 Plan authorizes the grant and issuance of two different types of awards: options (“Stock Options”), which can qualify as “incentive stock options” under the Internal Revenue Code (the “Code”), or as “non-qualified stock options”, and restricted stock (“Restricted Stock”), which is stock that is contingent on an employee satisfying conditions, including without limitation continued employment, passage of time or satisfaction of performance criteria. Options may be awarded by the Compensation Committee, although the Board of Directors may exercise any authority of the Committee under the 2016 Plan in lieu of the Committee’s exercise thereof. Under the 2016 Plan, an aggregate of 750,000 shares of our common stock are reserved for issuance or transfer upon the granting of Restricted Stock or upon the exercise of options which are granted. The purchase price of the common stock under each option granted under the 2016 Plan is established by the Board of Directors provided that the exercise price per share shall not be less than the closing price of the Company’s common stock on the date the option is granted. As of December 31, 2016, no shares have been granted and 750,000 remain available for grant.

CHANGE IN CONTROL OR OTHER ARRANGEMENTS

There are no arrangements for compensation of directors and there are no employment contracts between the Company and its directors or any change in control arrangements.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company’s executive officers, directors and persons who own more than ten percent of a registered class of the equity securities of the Company (“Reporting Persons”) to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission. In addition, Reporting Persons are required to furnish the Company with copies of all Forms 3, 4 and 5 they file. Based solely on the Company’s review of (a) the copies of such reports and amendments thereto furnished to the Company by the Reporting Persons and (b) written representations from the Reporting Persons that no other reports were required, during the Company’s fiscal year ended December 31, 2016, all of the filings for such Reporting Persons were made on a timely basis except for the following: (i) one report filed by Mr. Lawrence Waldman on Form 3 on October 14, 2016 to report a grant of common shares on October 5, 2016; and (ii) one report filed by Mr. Raymond A. Nielsen on Form 3 on October 14, 2016 to report a grant of common shares on October 5, 2016

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our policy is that employees, non-employees, and third parties must obtain authorization from the appropriate department executive manager, for any business relationship or proposed business transaction in which they or an immediate family member has a direct or indirect interest, or from which they or an immediate family member may derive a personal benefit (a “related party transaction”). The maximum dollar amount of related party transactions that may be approved as described above in this paragraph in any calendar year is \$120,000. Any related party transactions that would bring the total value of such transactions to greater than \$120,000 must be referred to the Audit Committee to determine the procedure for approval, and then have the recommendations presented to the Board of Directors for approval.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THIS PROPOSAL 1 TO ELECT AS DIRECTORS EACH OF THE FIVE (5) NOMINEES PROPOSED BY THE NOMINATING, GOVERNANCE AND COMPLIANCE COMMITTEE OF THE BOARD OF DIRECTORS.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee has appointed MSPC as the Company's independent public accountants for the fiscal year ending December 31, 2018. The submission of the appointment of MSPC is not required by law or by the Company's Bylaws and is non-binding. However, the Board of Directors is nevertheless submitting this proposal to the shareholders as a matter of good corporate practice. If the shareholders do not ratify the appointment, the selection of other independent public accountants will be considered by the Audit Committee. Even if MSPC is ratified by the shareholders, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that doing so is in the best interests of the Company and its shareholders. If MSPC shall decline to accept or become incapable of accepting its appointment, or if its appointment is otherwise discontinued, the Audit Committee will appoint other independent public accountants. MSPC has served as the Company's independent public accountants since 2005. The Board of Directors expects that a representative of MSPC will be present at the Annual Meeting to respond to appropriate questions from shareholders, and the Board of Directors will provide this representative with an opportunity to make a statement if he or she desires to do so.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 2 TO RATIFY THE APPOINTMENT OF MSPC AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2018.

The following table sets forth the fees billed to us by MSPC during the years ended December 31, 2016 and 2015 for: (i) the annual audit of the Company, unaudited quarterly reviews of financial statements including the Company's reports on Form 10-Q and services by MSPC normally provided by them in connection with statutory and regulatory filings, for fiscal years 2016 and 2015, (ii) services by MSPC that are not reasonably related to the performance of the audit or review of our financial statements and that are not reported as audit fees, (iii) all other fees for services rendered.

Pre-Approval Policy

The Company pre-approved all of the above described audit and non-audit services provided by MSPC and has pre-approved similar services to be rendered during fiscal year 2017. The Audit Committee believes the rendering of these services is not incompatible with MSPC maintaining their independence.

REPORT OF THE AUDIT COMMITTEE

Our Audit Committee is composed of "independent" directors, as determined in accordance with Rule 10A-3 of the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

The information contained in the “Audit Committee Report” is not to be deemed to be “soliciting material” or to be “filed” with the Securities and Exchange Commission (“SEC”), nor is such information to be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference into such filings.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibilities by overseeing the accounting and financial reporting processes of CVD Equipment Corporation (“CVD”), the audits of CVD’s consolidated financial statements and internal control over financial reporting, the qualifications and performance of the independent registered public accounting firm engaged as CVD’s independent auditor, and the reporting process, including the system of internal controls. Management is responsible for preparation, presentation and integrity of our financial statements as well as our financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. MSPC, CVD’s independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee’s responsibility is to monitor and oversee these processes. The following is the Audit Committee’s report submitted to the Board of Directors for 2016.

The Audit Committee recognizes the importance of maintaining the independence of CVD’s Independent Auditor, both in fact and appearance. Each year, the Audit Committee evaluates the qualifications, performance and independence of CVD’s Independent Auditor and determines whether to re-engage the current Independent Auditor. Based on this evaluation, the Audit Committee has retained MSPC as the Company’s Independent Auditor for 2017. Although the Audit Committee has the sole authority to appoint the Independent Auditors, the Audit Committee will continue to recommend that the Board ask the stockholders, at the Annual Meeting, to ratify the appointment of the Independent Auditors.

In 2016, in fulfilling its responsibilities, the Audit committee, among other things:

- Reviewed and discussed the audited financial statements contained in the 2016 Annual Report on SEC Form 10-K with CVD’s management and with MSPC;
- Discussed with MSPC the matters required to be discussed by Statement on auditing Standards No. 16, Communication with Audit Committees, as amended and adopted by the Public Company Accounting Oversight Board; and
- Received written disclosures and the letter from MSPC required by Public Accounting Oversight Board Rule 3526, “Communication with Audit Committees Concerning Independence,” and discussed with MSPC its independence from CVD and its management.

In reliance on the reviews and discussion noted above, the Audit Committee recommended to the board of Directors (and the Board of Directors has approved) that the audited financial statements be included in CVD’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016, for filing with the SEC.
