Item 8.01 Other Events.

In April 2013, Five Below, Inc. (the "Company") identified a misallocation which was deemed to be immaterial in its disclosure related to Fiscal Year 2012 Compared to Fiscal Year 2011 within Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations included in the Company's annual report on Form 10-K for the fiscal year ended February 2, 2013. The misallocation related to the dollar increase for comparable store sales and had no impact on disclosures relating to the percentage increase in comparable store sales or on the Company's audited financial statements. The Company is providing clarifying disclosure in this Form 8-K.

As previously disclosed, net sales increased to \$418.8 million in fiscal year 2012 from \$297.1 million in fiscal year 2011, an increase of \$121.7 million, and comparable store sales increased 7.1% for fiscal year 2012 compared to fiscal year 2011. The increase was the result of a comparable store sales increase of \$18.5 million (rather than \$98.4 million as previously disclosed) and a non-comparable store sales increase of \$103.2 million (rather than \$23.3 million as previously disclosed). The previously disclosed \$98.4 million refers to the difference between sales at stores included in fiscal year 2012 comparable store sales and sales at stores included in fiscal year 2011 comparable store sales. Similarly, the previously disclosed \$23.3 million refers to the difference between sales at stores not included in fiscal year 2012 comparable store sales and sales at stores not included in fiscal year 2011 comparable store sales.
