**PART IV (3)**

We generated revenues of approximately \$27,499,000 and \$32,346,000 for the years ended December 31, 2017 and 2016. Total sorbent product sales for the year ended December 31, 2017 and 2016 were \$26,050,000 and \$28,920,000, respectively. These decrease from the prior year is primarily due to optimization efforts undertaken by us over the past year with our customers as well as lower capacity factors seen at some customer sites resulting in decreased product needed to keep our customers in MATS compliance.

Net loss for the years ended December 31, 2017 and 2016 was \$2,903,000 and \$15,618,000 respectively. The decrease in net loss is primarily attributed to a non-cash loss on debt restructuring in 2016, offset by reduced revenues in 2017 plus an increase in SG&A expenses.
