**Item 1.01 Entry into a Material Definitive Agreement.**

On April 16, 2019 (the “Closing Date”), Sugarmade, Inc., a Delaware corporation (the “Company”), entered into an Investment Agreement (the “Equity Line”) with K & J Funds, LLC., an accredited investor (“Investor”) pursuant to which Investor committed to purchase up to \$20,000,000 of the Company’s common stock (the “Financing”). In connection with the Financing, the Company and Investor also entered into a Registration Rights Agreement (collectively, together with the Equity Line, the “Transaction Documents”).

Capitalized terms not defined herein shall have the meaning set forth in the Transaction Documents which are attached hereto as Exhibits 10.1 and 10.2 and incorporated by reference into this Item 1.01.

Pursuant to the Financing, upon filing and effectiveness of a Registration Statement on Form S-1 and provided other closing conditions are met, the Company shall have the right, but not the obligation, to direct the Investor to purchase shares (“Put Amount”) of the Company’s common stock (the “Put Shares”) equal to up to either (i) two hundred percent (200%) of the average daily volume (U.S. market only) of the Common Stock for the ten (10) Trading Days prior to the applicable Put Notice Date preceding the Put Date or (ii) an amount not to exceed five hundred thousand dollars (\$500,000). The common stock identified in the Put Notice shall be purchased for a price equal to the Purchase Price. Subject to the Company’s acceptance, the Investor may agree to an increase in the number of Put Shares over the Put Amount.

At any time and from time to time during the term of the Equity Line (two (2) years from the date of an effective Registration Statement on Form S-1 for resale by Investor of the Put Shares), the Company may deliver a notice to Investor (the “Put Notice”) and shall deliver the Put Shares to Investor within two (2) trading days after the Put Date. The Purchase Price for the Put Shares is 85% of the average of the three (3) lowest traded prices (as reported by Bloomberg Finance L.P.) during the ten (10) trading days prior to the Put Date associated with the applicable Put Notice (the “Valuation Period”). The closing of a Put Notice shall occur within two (2) trading day following the end of the Put Date, whereby (i) the Investor shall deliver the investment amount to the Company by wire transfer of immediately available funds and (ii) Investor shall return surplus Put Shares if the value of the Put Shares delivered to the Investor causes the Company to exceed the maximum commitment amount. The Company shall not deliver another Put Notice to Investor within seven (7) trading days of a prior Put Notice.

The right of the Company to issue and sell the Put Shares to the Investor is subject to the satisfaction of certain closing conditions, including, but not limited to, (i) an effective Registration Statement on Form S-1 for resale by Investor of the Put Shares, (ii) accuracy of the Company’s representations and warranties, (iii) the Company’s performance under the Equity Line in all material respects, (iv) no suspension of trading or delisting of common stock, (v) limitation of Investor’s beneficial ownership to no more than 4.99%, (vi) the Company maintains its DWAC-eligible status, and (vii) the Company maintains a sufficient share reserve.

Pursuant to the terms of the Registration Rights Agreement, within twenty-one (21) days from the Closing Date, the Company must file the Registration Statement which relates to the resale by Investor of the Put Shares.

On the date hereof, the Company will reserve 138,461,538 shares of Common Stock from its authorized and unissued Common Stock to provide for all issuances of Common Stock under the Transaction Documents and is required to reserve and keep available out of its authorized and unissued shares of common stock a sufficient number of shares of common stock for the balance of the Purchase Price. Neither the Investor, nor any affiliate of the Investor acting on its behalf or pursuant to any understanding with it, will execute any short sales.

The foregoing summary description of the terms of the Transaction Documents may not contain all information that is of interest to the reader. For further information regarding the terms of the Transaction Documents, reference is made to such Transaction Documents, which are filed hereto as Exhibits 10.1 and 10.2, and are incorporated herein by this reference.
