Item 1.01 Entry into a Material Definitive Agreement.

On December 21, 2018, UGI Utilities, Inc. (the "Company"), a wholly owned subsidiary of UGI Corporation, entered into a Note Purchase Agreement (the "Note Purchase Agreement") with certain persons (the "Note Purchasers") relating to the private placement of \$150 million aggregate principal amount of 4.55% Senior Notes due February 1, 2049 (the "Notes"). The private placement of the Notes is exempt from registration under the Securities Act of 1933, as amended. Interest payments on the Notes will be payable semi-annually on February 1st and August 1st of each year. The Notes will be unsecured and unsubordinated obligations of the Company, ranking pari passu in all respects with the Company's existing and future unsecured and unsubordinated indebtedness. If any subsidiary guarantees or otherwise becomes liable for the Company's obligations under a primary credit facility, the subsidiary will provide a guaranty of payment of the Notes and compliance with the Note Purchase Agreement. The net proceeds from the sale of the Notes will be used to pay down short-term borrowings on the Company's revolving credit facility and for other general corporate purposes. The pricing of the Notes occurred on December 14, 2018 and funding is expected to occur on February 1, 2019.

The Note Purchase Agreement includes the usual and customary covenants for note purchase agreements of this type, including, among others, covenants relating to the maintenance of existence, payment of taxes when due, compliance with laws, maintenance of properties in good repair, compliance with the Office of Foreign Assets Control of the United States Department of the Treasury, maintenance of insurance, maintenance of books and records, pari passu ranking, merger and consolidation, line of business, anti-terrorism sanctions, and change in control. The Note Purchase Agreement also contains restrictive and financial covenants, specifying, among other things, that the sale of assets is limited to 15% of consolidated total assets as of the end of any period of twelve consecutive months subject to safe harbors for debt prepayment or property reinvestments and specified exclusions, that indebtedness (excluding certain indebtedness of subsidiaries) plus basket liens will not at any time exceed 10% of consolidated total assets, and that the ratio of total debt to total capitalization will not at any time exceed 0.65 to 1.00.

The Note Purchase Agreement also contains customary events of default, including, without limitation, failure to pay principal and make whole amount when due at maturity or otherwise, failure to pay interest within five business days of the due date, failure to satisfy any financial covenant, failure to comply with the non-financial covenants within a 30-day grace period, default beyond the applicable grace period for payments on other borrowings and cross acceleration for acceleration of other borrowings as a result of non-monetary defaults provided that either of such defaults relates to indebtedness in an aggregate principal amount of more than 2% of consolidated total assets, certain events of bankruptcy or insolvency of the Company and its principal subsidiaries, judgment defaults provided such judgment relates to the payment of money aggregating in excess of 2% of consolidated total assets, and material ERISA defaults.

The Notes are callable by the Company at any time, in whole or in part, at the make-whole price, which is the greater of (i) par plus accrued interest or (ii) the present value of the remaining principal and interest payments due on the Notes discounted by the yield on the U.S. Treasury obligation having a final maturity corresponding to the remaining average life of the Notes plus 50 basis points. Holders of the Notes have a right to require prepayment of the principal amount of the Notes, together with interest accrued thereon, if any person obtains more than 50% of the voting power of the Company (other than the Company's parent, UGI Corporation) or the Company fails to be directly or indirectly wholly-owned by UGI Corporation.

A copy of the Note Purchase Agreement, filed as Exhibit 4.1 to the Company's Form 8-K dated December 21, 2018, is incorporated herein by reference. The summary of the Note Purchase Agreement is qualified in its entirety by reference to the Note Purchase Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure required by this item is included in Item 1.01 above and incorporated herein by reference.
