Mr. Srinivasan, age 56, served as Chief Executive Officer of Ooyala, a provider of video publishing, analytics and monetization services, from January 2016 to November 2016. Prior to that, he was President and Chief Executive Officer of Innotrak Corporation, an ecommerce fulfillment provider, from March 2015 to November 2015, and President and Chief Executive Officer of Bally Technologies Inc. from December 2012 until May 2014. From April 2011 until December 2014 he was President and Chief Operating Officer of Bally Technologies Inc., where he started as Executive Vice President of Bally Systems in March 2005. From 1998 to 2005, Mr. Srinivasan held several positions including Executive Vice President of Warehouse Management Systems at Manhattan Associates, Inc., a global leader in software solutions to the supply chain industry.

Mr. Srinivasan holds a Post-Graduate Diploma in Management (MBA equivalent) from the Indian Institute of Management, Bangalore, India, and a degree in engineering from the Indian Institute of Technology (Banaras Hindu University), Varanasi, India. He attended the Advanced Management Program at the Harvard Business School in 2010.

In connection with Mr. Srinivasan’s appointment, the Company entered into an employment agreement (the “Employment Agreement”) with Mr. Srinivasan on December 6, 2016. In accordance with the Employment Agreement, Mr. Srinivasan will serve as the Chief Executive Officer and President for a three-year initial term beginning on January 3, 2017. The term of employment will automatically extend for successive periods of one year unless either the Company or Mr. Srinivasan provides written notice of non-renewal at least 90 days before the end of the then-current employment term. If a Change in Control (as defined in the Employment Agreement) of the Company occurs, the term of employment will expire no earlier than the second anniversary of the Change in Control.

Mr. Srinivasan will receive a base salary of \$600,000 per year, subject to annual review and adjustment by the Company’s Board of Directors (the “Board”), and will be eligible to receive a bonus at an annual target amount of \$450,000 with a maximum bonus of up to \$750,000 per year, which bonus will be payable in shares of common stock that will vest based upon attainment of annual performance goals as determined by the Board. Also, effective January 3, 2017 (the “Grant Date”), Mr. Srinivasan will receive a grant of 630,000 stock settled appreciation rights (SSARs) at an exercise price equal to the closing price of the Company’s common stock on the Grant Date. One third of the SSAR grant vests on January 3, 2018, and the remainder vests in pro rata monthly portions thereafter over the next two years, provided that Mr. Srinivasan remains employed by the Company on each vesting date. The annual bonus performance shares and the SSARs are subject to the terms and conditions of the Company’s 2016 Stock Incentive Plan.

In addition, pursuant to the Employment Agreement, Mr. Srinivasan will be entitled to receive the Company’s current customary employee benefits and up to \$20,000 in relocation benefits.

Effective January 3, 2017, Mr. Srinivasan will be appointed as a member of the Board. Pursuant to the Employment Agreement, he will be nominated for re-election as a director for the duration of his employment as Chief Executive Officer of the Company.

If the Employment Agreement is terminated by the Company for Cause or by Mr. Srinivasan for Good Reason (in each case as defined in the Employment Agreement), then subject to his execution of a release of claims, Mr. Srinivasan will be entitled to receive severance equal to one year's then-current base salary and target annual bonus, which will be paid during regular pay intervals over the course of one year. In addition, he will also receive (a) a lump sum payment in cash, on the 60th day after the termination date, equal to the total after-tax premiums required to pay for twelve months of COBRA continuation coverage under the Company's medical, dental and vision insurance plans; (b) a pro-rated bonus for the year of termination based on actual performance with no negative discretion by the Board; and (c) twelve (12) months of accelerated vesting of all equity compensation awards outstanding on the termination date. If such termination occurs within three months before or 24 months after a Change in Control, Mr. Srinivasan will receive two times the sum of his then-current base salary and target annual bonus, two times the COBRA payment and 100% vesting (on the 60th day after the termination date) of all outstanding equity awards. In addition,

upon any termination of employment, Mr. Srinivasan will receive accrued but unpaid base salary and payment for any unused vacation and unreimbursed expenses.
