Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 22, 2009, the board of directors (the Board) of Data I/O Corporation (the Company) amended Article IV, Sections (1) and (2) of the Company s bylaws to allow for a range of four (4) to six (6) in the number of directors sitting on the Board, with the number of Board members to be fixed by resolution from time to time by the Board or the Company s shareholders. Additionally, the bylaws were amended to fix an error in Article IV, Section (2) of the previous bylaws that inadvertently referenced Article IV, Section (6) (Regular Meetings) as a way that a director may have their term shortened. This has been updated to correctly reference Article IV, Section (4) (Resignation).

The amended bylaws took effect on April 22, 2009. A copy of the new bylaw sections is attached as Exhibit 3.2 to this Form 8-K. As previously reported, the change in the number of directors actually sitting on the Board is expected to be effective with the Company s Annual Meeting of Shareholders scheduled for May 14, 2009.
