Item 2.06. Material Impairments.

On February 26, 2007, the Audit Committee of Hovnanian Enterprises, Inc. (the Company) concluded that material charges for impairment to certain assets are required because of the continued decline in sales pace and general market conditions, as well as increasing cancellation rates, in the Fort Myers-Cape Coral, Florida market during the first quarter ended January 31, 2007. The Company estimates that it will record a pretax impairment charge of approximately \$50 million, comprising the entire remaining balance of intangibles associated with the acquisition of the Company's Fort Myers-Cape Coral operations in August of 2005, as well as additional pretax inventory impairment charges in the range of \$40 million related to inventories in this market, a portion of which may have to be paid in cash. Other than the charges related to the Company's Fort Myers-Cape Coral operations, the Company estimates that it will incur approximately \$8 million of charges related to land impairment and write-offs of predevelopment costs and land deposits during the first quarter. A copy of the press release is attached as Exhibit 99.1.

Item 2.02. Results of Operations and Financial Condition.

On February 27, 2007, the Company issued a press release announcing its preliminary operating results for the first quarter ended January 31, 2007. A copy of the press release is attached as Exhibit 99.1.
