Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 15, 2014, the Human Resources Committee (the “Committee”) of the Board of American Electric Power Company Inc. (the “Company”) adopted the American Electric Power Executive Severance Plan (the “Plan”). The Plan provides severance benefits to selected officers of the Company, including our executive officers. Benefits under the Plan would be triggered by “Good Reason Resignation” or “Involuntary Termination” (other than for death, “Disability”, “Cause”, “Change In Control” or “Mandatory Age 65 Retirement”, as each of those terms are defined in the Plan).

If benefits under the Plan are triggered, our executive officers (who are Tier I participants under the Plan) would receive a lump sum cash payment equal to two times their base salary and target annual incentive. In addition, a pro-rated portion of their outstanding performance units and restricted stock units would vest. Any severance benefits payable under the Plan are subject to execution of an agreement by the executive officer releasing claims against the Company and containing a noncompetition obligation. Participants are also obligated to comply with the confidentiality, non-solicitation and non-disparagement provisions under the Plan.

The foregoing summary is qualified in its entirety by the complete text of the Plan, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
