At the 2019 Annual Meeting we will:

2. Conduct a non-binding (advisory) vote on executive compensation (Proposal No. 2);
3. Ratify the appointment of S.R. Snodgrass, P.C. as the Corporation's independent registered public accounting firm for the year ending December 31, 2019 (Proposal No. 3); and

The board of directors recommends that you vote "FOR" each of the proposals.

You are urged to vote your shares by using the Internet at <http://www.investorvote.com/pwod> or by telephone by calling 1-800-652-8683 (toll-free) on a touch-tone phone and using the control number located on the proxy card. You may also vote your shares by promptly returning your proxy card (marked, signed, and dated) in the enclosed postage-paid envelope. The voting of your shares will help in assuring the presence of a quorum. The prompt voting of your shares by Internet, phone, or the return of your proxy card, regardless of the number of shares you hold, will aid the Corporation in reducing the expense of additional proxy solicitation. If your shares are registered in the name of a broker or other nominee, your nominee may be participating in a program provided through ADP Investor Communication Services that allows you to vote via the Internet. If so, the voting form your nominee sends you will provide voting instructions.

PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD TUESDAY, APRIL 23, 2019

Introduction: Date, Time, and Place of Annual Meeting

This proxy statement is being furnished in connection with the solicitation by the board of directors of Penns Woods Bancorp, Inc. (the "Corporation"), a Pennsylvania business corporation, of proxies to be voted at the Annual Meeting (the "Annual Meeting") of holders of the Corporation's common stock (the "Common Stock") to be held on Tuesday, April 23, 2019, at 12:30 P.M., at the Frosty Valley Country Club, 1301 Bloom Road, Danville, PA 17821, and any adjournment or postponement thereof.

The principal executive office of the Corporation is located at 300 Market Street, Williamsport, PA 17701. All inquiries should be directed to Richard A. Grafmyre, Chief Executive Officer of the Corporation, at (570) 322-1111. Jersey Shore State Bank ("JSSB") and Luzerne Bank ("Luzerne", together referred to as the "Banks") are wholly owned subsidiaries of the Corporation.

Solicitation and Revocability of Proxies

This proxy statement and enclosed proxy card are first being sent to shareholders of the Corporation on or about March 22, 2019. Shares properly represented by the proxy will be voted in accordance with the specifications made thereon by the shareholders. Any proxy not specifying to the contrary will be voted "FOR" the Class 1 nominees noted, "FOR" the approval of the advisory vote on executive compensation, and "FOR" the ratification of the appointment of S.R. Snodgrass, P.C. as the independent registered public accounting firm of the Corporation for the year ending December 31, 2019. The execution and return of the enclosed proxy card will not affect the right of a shareholder of record to attend the Annual Meeting and to vote in person if such shareholder gives written notice to the Secretary of the Corporation. Shareholder may also vote by telephone or Internet as provided on the enclosed proxy card.

The cost of assembling, printing, mailing, and soliciting proxies and any additional material that the Corporation may furnish shareholders in connection with the Annual Meeting will be borne by the Corporation. In addition to the solicitation of proxies by use of the mails, directors, officers, and employees of the Corporation and/or the Banks may solicit proxies, without additional compensation, by telephone, telegraph, or personal interview, with nominal expense to the Corporation. The Corporation will also pay the standard charges and expenses of brokerage houses or other nominees or fiduciaries for forwarding proxy soliciting material to the beneficial owners of shares.

A shareholder of record who returns a proxy may revoke the proxy at any time before it is voted (1) by giving written notice of revocation to Richard A. Grafmyre, Chief Executive Officer, Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701, (2) by executing a later-dated proxy and giving written notice thereof to the Secretary of the Corporation, or (3) by voting in person after giving written notice to the Secretary of the Corporation.

If your shares are held in "street name" (that is, through a broker, trustee, or other holder of record), you will receive a proxy card from your broker seeking instructions as to how your shares should be voted. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on certain routine matters. A "broker non-vote" results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. Under the rules of The New York Stock Exchange, only Proposal No. 3 (the ratification of the appointment of the Corporation's independent registered public accounting firm) is a routine matter, and therefore is the only proposal for which your broker or nominee has discretionary authority to vote. Your broker or

nominee does not have discretionary authority to vote on Proposal No. 1 (the election of the five Class 1 directors) and Proposal No. 2 (advisory vote on executive compensation). You may not vote shares held in “street name” at the Annual Meeting unless you obtain a legal proxy from your broker or holder of record.

Quorum

Under the Corporation’s bylaws, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast will constitute a quorum for transaction of business at the Annual Meeting.

Voting Securities

Holders of record of the Common Stock at the close of business on March 1, 2019 will be entitled to notice of and to vote at the Annual Meeting. On March 1, 2019 there were 4,691,947 shares of Common Stock outstanding. Each share of Common Stock outstanding as of the close of business on March 1, 2019, is entitled to one vote on each matter that comes before the meeting, and holders do not have cumulative voting rights with respect to the election of directors.

Under Pennsylvania law and the bylaws of the Corporation, the presence of a quorum is required for each matter to be acted on at the Annual Meeting. For purposes of the Annual Meeting, a quorum consists of the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast. Votes withheld, abstentions and broker non-votes will be counted in determining the presence of a quorum for each matter.

Assuming the presence of a quorum, the five nominees for director receiving the highest number of votes cast by shareholders entitled to vote for the election of directors will be elected. Votes withheld from a particular nominee and broker non-votes will not constitute or be counted as votes cast for such nominee.

The affirmative vote of a majority of votes cast by shareholders at the Annual Meeting is required for approval of the other non-election matters to be considered at the Annual Meeting. Abstentions and broker non-votes will not constitute or be counted as votes cast and will not affect the outcome on the other non-election matters.

All proxies properly executed and not revoked will be voted as specified.

The Audit Committee of the Corporation was composed of all independent directors within the meaning of Nasdaq listing standards. The Audit Committee operates under a written charter, a copy of which is available on our website, www.pwod.com, under Financial Information/Governance Documents and is available upon written request to the President or Chief Executive Officer. The board of directors has designated Daniel K. Brewer as the Audit Committee financial expert. The Audit Committee is responsible for the appointment, compensation, oversight, and termination of the Corporation's independent auditors. The Audit Committee is required to pre-approve audit and certain non-audit services performed by the independent auditors. The Audit Committee also assists the board of directors in providing oversight over the integrity of the Corporation's financial statements, compliance with applicable legal and regulatory requirements, and the performance of our internal audit function. The Audit Committee also is responsible for, among other things, reporting to the board of directors on the results of the annual audit and reviewing the financial statements and related financial and non-financial disclosures included in our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Importantly, from a corporate governance perspective, the Audit Committee regularly evaluates the independent auditors' independence, including approving consulting and other legally permitted, non-audit services provided by the auditors and the potential impact of the services on the auditors' independence. The Audit Committee meets periodically with the independent auditors and the internal auditors outside of the presence of management, and possesses the authority to retain professionals to assist it in meeting its responsibilities without consulting with management. The Audit Committee reviews and discusses earnings releases with management, including the use of pro-forma information. The Audit Committee also discusses with management and the independent auditors the effect of accounting initiatives. The Audit Committee also is responsible for receiving and retaining complaints and concerns relating to accounting and auditing matters.

The board of directors of the Corporation met twenty (20) times during 2018. All directors attended at least 80% of the aggregate of all meetings of the board of directors and the committees of which they were members.

Board Leadership Structure

Our board of directors maintains the freedom to choose whether the roles of Chairman of the Board and Chief Executive Officer should be combined or separated, based on what it believes is best for the Corporation and its shareholders at any given time. The board of directors has determined that it is appropriate to separate the roles of Chief Executive Officer and Chairman of the Board. Accordingly, R. Edward Nestlerode, Jr. serves as Chairman of the Board of the Corporation while Richard A. Grafmyre serves as Chief Executive Officer of the Corporation. The board of directors believes this arrangement provides stronger corporate governance and conforms to industry best practices.

Board Risk Oversight

Each member of the board of directors has a responsibility to monitor and manage risks faced by the Corporation. At a minimum, this requires the members of the board of directors to be actively engaged in board discussions, review materials provided to them, and know when it is appropriate to request further information from management and/or engage the assistance of outside advisors. Furthermore, because the banking industry is highly regulated, certain risks to the Corporation are monitored by the board of directors through its review of the Corporation's and its banking subsidiaries' compliance with regulations set forth by the banking regulatory authorities. Because risk oversight is a responsibility for each member of the board of directors, the board's responsibility for risk oversight is not concentrated into a single committee. Instead, oversight is delegated, to a large degree, to the various board committees with an independent director serving in the capacity of committee chairman. These committees meet formally, as needed, to discuss risks and monitor specific areas of the Corporation's performance with their findings reported at the next scheduled full meeting of the board of directors. In addition, the composition of the board of directors and normal agenda allow for the continuous oversight of risk by providing an environment which encourages the directors to ask specific questions or raise concerns and allots them sufficient time and materials to do so effectively. The overlap of committee membership provides a broad perspective of various risks and the actions undertaken to manage risks in today's environment.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee operates under a written charter, a copy of which is available on our website, www.pwod.com, under Financial Information/Governance Documents and is available upon request to the President or the Chief Executive Officer. All members of the Committee are independent within the meaning of Nasdaq listing standards, and the Committee met once during 2018. The Committee will consider candidates recommended by shareholders. Shareholders desiring to submit a candidate for consideration as a nominee of the board of directors must submit the same information with regard to the candidate as required to be included in the Corporation's proxy statement with respect to nominees of the board of directors in addition to any information required by the bylaws of the Corporation. Shareholder recommendations should be submitted in writing to Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701 (Attention: Chief Executive Officer), on or before December 31 of the year preceding the year in which the shareholder desires the candidate to be considered as a nominee. Although the board of directors at this time does not utilize any specific written qualifications, guidelines, or policies in connection with the selection of director nominees, candidates must have a general understanding of the financial services industry or otherwise be able to provide some form of benefit to the Corporation's business, possess the skills and capacity necessary to provide strategic direction to the Corporation, be willing to represent the interests of all shareholders, be able to work in a collegial board environment, and be available to devote the necessary time to the business of the Corporation. In addition to these requirements, candidates will be considered on the basis of diversity of experience, skills, qualifications, occupations, education, and backgrounds, and whether the candidate's skills and experience are complementary to the skills and experience of other board members. Candidates recommended by shareholders will be evaluated on the same basis as candidates recommended by the independent directors.

Nominations for director to be made at the Annual Meeting by shareholders entitled to vote for the election of directors must be submitted to the Secretary of the Corporation not less than ninety (90) days or more than one hundred fifty (150) days prior to the Annual Meeting, which notice must contain certain information specified in the bylaws. No notice of nomination for election as a director has been received from any shareholder as of the date of this proxy statement. If a nomination is attempted at the Annual Meeting that does not comply with the procedures required by the bylaws or if any votes are cast at the Annual Meeting for any candidate not duly nominated, then such nomination and/or such votes may be disregarded.

(1) Chairman of the Board and the Audit Committee Chairman retainers were increased from \$5,000 to \$7,500 annually following the second quarter of 2018.

The Corporation pays an annual retainer fee to each director of the Corporation of \$28,000. In addition, JSSB and Luzerne pay an annual retainer fee to each director of \$30,000 and \$22,000, respectively. For the Corporation, Mr. Nestlerode received \$6,250 for serving as Chairman of the Board and Mr. Brewer received \$6,250 for serving as the Audit Committee Chairman. Messrs. Furey and Casale received \$2,500 for the period during which each served as Chairman of the Board of JSSB and Mr. Kluger received \$5,000 for serving as Chairman of the Board of Luzerne. Members of the succession planning committee received payment of \$5,000 during 2018. In the aggregate, existing members of the board of directors of the Corporation earned \$772,500 for all board service during 2018. Directors do not receive additional fees for board or committee meeting attendance.

JSSB and Directors Casale, Furey, Rockey, and Walko have entered into director fee agreements pursuant to which each participating director may defer payment of all or a portion of his director's fees earned for service on the boards of directors of the Corporation and JSSB. JSSB has established a deferral account for each participating director on its books. Benefits are payable upon retirement, early termination, disability, death, or the occurrence of a change in control of the Corporation or JSSB. Interest is credited to each deferral account at an annual rate equal to 50% of the Corporation's return on equity for the immediately prior year, compounded monthly. Following termination of service, interest is credited to a deferral account at a rate based on the yield of the 10-year treasury note. Generally, the amounts are payable, at the participating director's prior election, in a lump sum or in 60 equal monthly installments following the director's retirement or termination of service, or the occurrence of a change in control of the Corporation or JSSB. In addition, a participating director may receive a payment of his or her account if the board of directors has determined that, following a request by a participating director, such director has suffered a severe unforeseeable financial hardship. If payments are not triggered until the participating director's death, the benefits will be paid within 90 days following receipt of the director's death certificate.

Luzerne maintains a director deferred fee plan in which all Luzerne directors, including Mr. Kluger, Mr. Nackley and Ms. Schwartz, participate. The plan is a non-qualified deferred compensation plan into which Luzerne directors can

defer up to 100% of the board fees earned during a calendar year. All amounts deferred by a director are fully vested at all times and currently earn an annual interest rate equal to prime plus 3%, with a floor of 6%. Balances accrued in the plan prior to December 31, 2012 earn interest at 10%. Upon cessation of a Luzerne director's service with Luzerne, Luzerne will pay the director all amounts credited to the director's deferred fee account.

Directors who are also employees of the Corporation (currently Mr. Grafmyre and Mr. Knepp) do not receive any separate compensation for serving as a director of the Corporation or the Banks.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Corporation's bylaws provide that the board of directors shall consist of not less than five (5) nor more than twenty-five (25) directors who are shareholders, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors, with the number currently set at fifteen (15). The articles of incorporation and bylaws further provide that the directors shall be divided into three (3) classes, as nearly equal in number as possible, known as Class 1, Class 2, and Class 3. The directors of each class serve for a term of three (3) years and until their successors are elected and qualified. Under Pennsylvania law, directors of the Corporation can be removed from office by a vote of shareholders only for cause. The directors of the Corporation serve as follows:

Nominees for election as Class 1	Class 2 Directors	Class 3 Directors
Directors whose term expires in 2022:	to serve until 2021:	to serve until 2020:
Daniel K. Brewer (age 56)	William J. Edwards (age 47)	James M. Furey, II (age 71)
Michael J. Casale, Jr. (age 67)	Leroy H. Keiler, III (age 55)	Richard A. Grafmyre (age 65)
Joseph E. Kluger (age 55)	Cameron W. Kephart (age 42)	D. Michael Hawbaker (age 51)
R. Edward Nestlerode, Jr. (age 66)	Jill F. Schwartz (age 65)	Brian L. Knepp (age 44)
William H. Rockey (age 72)	Ronald A. Walko (age 72)	John G. Nackley (age 66)

The board of directors has affirmatively determined that all of the directors are independent within the meaning of the Nasdaq listing standards, except for Richard A. Grafmyre, Chief Executive Officer of the Corporation and Brian L. Knepp, President and Chief Financial Officer of the Corporation. The board categorically determined that a lending relationship resulting from a loan made by one of the Corporation's banking subsidiaries (JSSB or Luzerne), to a director would not affect the determination of independence if the loan complies with Regulation O under the federal banking laws. The board also categorically determined that maintaining with the Banks a deposit, savings, or similar account by a director or any of the director's affiliates would not affect the determination of independence if the account is maintained on the same terms and conditions as those available to similarly situated customers.

The proxies solicited hereunder will be voted "FOR" (unless otherwise directed) the five (5) director nominees of the board of directors listed previously for election as Class 1 directors. Each nominee has agreed to serve if elected and qualified. The Corporation does not contemplate that any nominee will be unable to serve as a director for any reason. However, in the event one or more of the nominees should be unable to stand for election, proxies will be voted for the remaining nominees and such other persons selected by the board of directors, in accordance with the best judgment of the proxy holders.

INFORMATION AS TO NOMINEES AND DIRECTORS

Set forth below is the principal occupation and certain other information regarding the nominees and other directors whose terms of office will continue after the Annual Meeting. In addition, below we provide the particular experience, qualification, attributes, or skills that led the board of directors to conclude that each director and nominee should serve as a director. Share ownership information for each director and nominee is included under "Beneficial Ownership and Other Information Regarding Directors and Management."

NOMINEES FOR DIRECTOR

Daniel K. Brewer is a Certified Public Accountant and a principal of McKonly & Asbury, LLP, a private CPA firm. Mr. Brewer has served as a director since 2012. Mr. Brewer's experience and knowledge of financial standards and

reporting is valuable to the Audit Committee of which he serves as the Chairman. Mr. Brewer's business and social involvement in the greater area of Columbia and Montour Counties provides insight into the economic stability of this region. In addition, Mr. Brewer's knowledge of financial statements assists the board in their review of certain loan requests.

Michael J. Casale, Jr. is the principal of Michael J. Casale, Jr., Esq., LLC. Mr. Casale has served as a director since 1999. Because banking is a highly regulated industry and success in the industry is dependent on adequately managing certain lending risks, Mr. Casale's legal, business, and real estate experience is helpful to the board in reviewing the Corporation's legal matters and documentation related to commercial lending matters. In September 2017, Mr. Casale entered voluntary guilty pleas in the Court of Common Pleas of Lycoming County to one count of criminal trespass and one count of wiretapping in connection with a personal domestic matter. Mr. Casale received probation for the offenses, which has been completed, and has paid all costs and fines.

Joseph E. Kluger is Vice Chairman of the Board of the Corporation and is one of two Managing Principals of Hourigan, Kluger & Quinn P.C., where he has practiced law primarily in the fields of banking and finance, real estate, estates, and for-profit and not-for-profit corporate and business law for more than 30 years. Mr. Kluger has served as a director since 2013. Mr. Kluger's experience as an attorney is helpful to the board in reviewing the Corporation's legal matters, real estate affairs, corporate governance issues, and documentation related to lending and workout matters.

R. Edward Nestlerode, Jr. is the Chairman of the Board of the Corporation and is President and Chief Executive Officer of Nestlerode Contracting Co., Inc., which specializes in bridge building. Mr. Nestlerode has served as a director since 1995. Mr. Nestlerode maintains strong community ties in the Clinton County area, which is a region that the Corporation intends to grow its business. Through his business, Mr. Nestlerode has developed knowledge of the construction industry, which provides the board with insight regarding the development of potential customer relationships and opportunities. In addition, Mr. Nestlerode's previous experience as a Chief Financial Officer is valuable as a member of the Audit Committee.

William H. Rockey is a retired former Senior Vice President of the Corporation. He was the president of the former First National Bank of Spring Mills. Mr. Rockey has served as a director since 1999. Mr. Rockey's ties to Centre County, Pennsylvania will assist the Corporation in growing its business in the Centre County region. In addition, Mr. Rockey's former position with the Corporation, along with his long-time professional banking experience in Centre County combined with his knowledge and familiarity of the Corporation's culture and operating procedures, provide the board with significant business development resources and experience.

DIRECTORS CONTINUING IN OFFICE

William J. Edwards is President and owner of JEB Environmental Technologies, Inc., a storage tank construction company. Mr. Edwards has served as a director since 2012. Mr. Edwards, one of our youngest board members, adds to the diversity of the board and helps to ensure that the board will develop board members with a depth of knowledge of the Corporation, in order to avoid knowledge and experience voids as older board members retire. In addition, Mr. Edwards' business involvement in various communities provides insight into the economic health of the communities, while also providing insight into potential customer relationships.

James M. Furey, II is the retired President and former owner of Eastern Wood Products. Mr. Furey has served as a director since 1990. Through Mr. Furey's professional experience in the lumber industry, which is significant in the Williamsport region, he has developed strong ties to the community. From these community relationships, Mr. Furey provides the board with insight as to the growth opportunities and real estate industry within the Williamsport region.

Richard A. Grafmyre has served as Chief Executive Officer of the Corporation since joining the Corporation in October 2010, and he serves on the boards of both JSSB and Luzerne. Mr. Grafmyre served as President, Chief Executive Officer, and Chairman of FNB Bank from 1997 until joining the Corporation. For the efficient operation of the board, the board believes that the Chief Executive Officer should have a position on the board to act as a liaison between the board and management and to assist with the board's oversight responsibilities by ensuring the board receives information from management in a timely and accurate manner to permit the board to carry out its responsibilities effectively. Mr. Grafmyre's extensive professional banking experience within a larger holding company structure enables him to provide the board with insight as to how the Corporation's operations, policies, and implementation of strategic plans compare to those of its peers.

D. Michael Hawbaker is Executive Vice President of Glenn O. Hawbaker, Inc., a provider of heavy construction services and products throughout the company's market area in Centre County, Pennsylvania. Mr. Hawbaker has served as a director since 2007. Mr. Hawbaker is one of our youngest board members, adds to the diversity of the

board, and helps to ensure that the board will develop board members with a depth of knowledge of the Corporation, in order to avoid knowledge and experience voids as older board members retire. Additionally, Mr. Hawbaker understands the community and political landscape of the Centre County area where the board intends to continue to grow the Corporation's business. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and any persons owning ten percent or more of our Common Stock, to file in their personal capacities initial statements of beneficial ownership on Form 3, statements of changes in beneficial ownership on Form 4, and annual statements of beneficial ownership on Form 5 with the Securities and Exchange Commission (the "SEC"). Persons filing such beneficial ownership statements are required by SEC regulation to furnish us with copies of all such statements filed with the SEC. The rules of the SEC regarding the filing of such statements require that "late filings" be disclosed in the Corporation's proxy statement. Based solely on the reports received by us or filed with the SEC and on written representations from reporting persons, we believe all such persons complied with all applicable filing requirements during 2018.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Discussion and Analysis addresses the following issues: members of the Compensation Committee (the "Committee") and their role, compensation-setting process, our philosophy regarding executive compensation, and components of executive compensation.

Committee Members and Independence

The Committee is comprised of four (4) independent directors under the requirements set forth in the Nasdaq listing standards. In determining the independence of members of the Compensation Committee, the Board considers all factors specifically relevant to determining whether the director has a relationship to the Corporation that is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including (i) the source of the director's compensation, including any consulting, advisory or other compensation fees; and (ii) any affiliate relationship between the director and the Corporation or any of its subsidiaries. The members of the Committee are: Michael J. Casale, Jr., William J. Edwards, D. Michael Hawbaker, and R. Edward Nestlerode, Jr.

Role of Committee

The Committee's focus is to establish a compensation policy and philosophy that will enable the Corporation to attract, retain, motivate, and reward executive officers that are critical to the success of the Corporation. In doing so, the

Committee:

• reviews and adjusts the principles guiding the compensation policy to maintain alignment with short and long-term strategic goals and to build shareholder value;

10

- establishes performance objectives including, but not limited to, earnings, return on assets, return on equity, total assets, and quality of the loan portfolio;
- evaluates the performance of the executive officers in comparison to the performance goals;
- determines the compensation of executive officers and the components of the compensation;
- administers the retirement plans of the Corporation, including the defined benefit, defined contribution, and 401(k) plans;
- administers the 2006 Employee Stock Purchase Plan;
- administers the 2014 Stock Option Plan;
- recommends changes to compensation plans, cash or equity, to the full board of directors;
- reviews and recommends changes to succession plans; and
- reviews and recommends changes to director compensation.

Committee Meetings

The Committee meets as often as necessary. The Committee met three times in 2018 to gather input in anticipation of the wage and benefit changes to be approved for the 2019 fiscal year. The Committee maintains a written charter, a copy of which is available on our website, www.pwod.com, under Investor Relations/Financial Information/Governance Documents and is available on request to the President or Chief Executive Officer. The Committee works with the Chief Executive Officer to determine the meeting agenda and material to be reviewed. The materials and inputs utilized may include, but are not limited to, the following:

- financial reports outlining budget to actual performance;
- reports of corporate achievement/recognition by outside parties;
- forecasted financial results as compared to the current budget and actual results;
- peer financial analysis and comparison;
- completion and progress of meeting strategic goals;
- peer equity and cash compensation data;
- national and regional compensation surveys; and
- financial impact of current and proposed compensation programs.

Committee Process

The Committee set the compensation of the executive officers and other employees during the fourth quarter of 2017 for the period covering the 2018 fiscal year. Although the decisions are made at a point in time, the Committee continuously monitors the performance of the Corporation and executives throughout the year as part of the routine full board of directors meetings.

The Committee utilizes the input and assistance of management when making compensation decisions. Management input includes:

- employee performance evaluations and compensation recommendations;
- reporting actual and forecasting future results;
- establishing performance objectives;
- review and recommendations of non-cash employee compensation programs; and
- assistance with Committee meeting agendas.

The Chief Executive Officer has direct involvement with the Committee during the meetings in order to provide status updates on the attainment of strategic goals, discuss performance evaluations, and make recommendations on executive officer compensation packages for the named executive officers other than himself. The Chief Executive Officer does not participate in meetings of the Committee during which his compensation is discussed.

Annually, the Committee meets to evaluate the performance of the executive officers and to set the compensation for the fiscal year.

Compensation Elements

Base Salary

The Committee believes that the base salary of the named executive officers is the cornerstone of the compensation package and is the primary source of compensation to the executive. The base salary provides a consistent level of pay to the executive, which the Committee feels decreases the amount of executive turnover, promotes the long-term goals of the Corporation, and is a tax deductible expense. The factors used in determining the level of base salary include the executive's qualifications and experience, tenure with the Corporation, responsibilities, attainment of goals and objectives, past performance, and peer practices. A review of past performance and the attainment of goals and objectives are reviewed annually as part of the formal annual performance review. During the review, objectives and goals for the current and following year and upcoming milestones related to the corporate

strategic plan were discussed. Peers for the Corporation are bank holding companies headquartered within Pennsylvania, Maryland, New Jersey, New York, Ohio, and West Virginia with assets between \$1 billion and \$2 billion and include the following:

1st Constitution Bancorp	ACNB Corporation	Ameriserv Financial, Inc.
Chemung Financial Corp.	Citizens and Northern Corp.	Citizens Financial Services, Inc.
Clifton Bancorp, Inc.	Codorus Valley Bancorp	Community Financial Corporation
DNB Financial Corporation	ESSA Bancorp, Inc.	Farmers & Merchants Bancorp
First Keystone Corporation	First United Corp.	FNCB Bancorp, Inc.
Franklin Financial Services Co.	Heartland Bancorp	Marlin Business Services Corp.
Middlefield Banc Corp.	MVB Financial Corp.	Norwood Financial Corp.
Orrstown Financial Services, Inc.	Premier Financial Bancorp, Inc.	QNB Corp.
Shore Bancshares, Inc.	Unity Bancorp, Inc.	

Data for these peers is gathered from various sources including, but not limited to, SEC filings, Federal Reserve filings, and other information publicly released by the peer companies. The Committee utilizes such comparative information as a component in determining base salary for such executives. Other components considered by the Committee include the factors described above. The Committee does not assign relative weights to any one component but considers the entire mix of information. The Committee does not consider such comparative information in connection with other elements of the overall compensation of such executives.

Annual Bonus Program

The Committee administers a Performance-Based Cash Incentive Plan in which certain executive officers of the Corporation, including the named executive officers, participate. The plan provides at-risk compensation awards to eligible employees, which include full-time employees of the Corporation (except employees whose compensation is commission based) and part-time employees. To be eligible to receive payments employees must have been employed for a minimum of three months and be actively employed at time of payment. In addition, the employee must receive an overall rating of “Proficient” or higher on his or her most recent individual performance appraisal for the period covered by the performance appraisal. The plan is designed to support organizational objectives and financial goals set forth in the Corporation’s strategic business plan and financial plan. The plan further aligns the interests of the Corporation’s shareholders with employees and assists the Corporation in attracting, retaining, and motivating high-quality personnel, who contribute to the success and profitability of the Corporation.

The Committee for 2018 established five target results criteria. Target results are the quarterly and annual goals of the Banks, which are consistent with the Corporation’s strategic business plan and financial plan, which must be met in order to receive a cash award under the plan. The target results integrate industry peer group standards with the goals set forth in the Corporation’s strategic business plan and financial plan. Targets are weighted to reflect the relative importance of each goal to the Corporation’s goals under its strategic business plan and financial plan. Target measures that may be used by the Committee include, but are not limited to, return on equity, gross loan growth, growth in deposits (excluding brokered deposits), net income, and loan delinquency. Target results are set at levels intended to be challenging, but more likely than not to be achieved, or come substantially close to being achieved.

The Committee has the discretion to exclude nonrecurring or extraordinary items of income, gain, expense, or loss, or any other factor it may deem relevant in its determination as to whether the target results have been satisfied. The Committee must conclude that an award, in such a circumstance, would ensure that the best interests of the Corporation’s shareholders are protected and are not in conflict with the interests of the plan’s participants. Cash awards are based upon a maximum fixed amount and are paid quarterly. The higher the eligible employee’s position, the greater the cash award. This reflects the Corporation’s belief that the performance of our named executive officers and other members of upper management has relatively greater impact on the performance of the Corporation. The plan is administered by the Committee, but annual awards determined by the Committee under the plan are subject to the approval of the board of directors of the Corporation. The Committee may only make awards when it deems such awards are in the best interests of the Corporation, the Corporation’s shareholders, and the plan

participants. The Committee or the board may take action to amend, modify, suspend, reinstate, or terminate the plan at any time. Such amendments, modifications, suspensions, reinstatements, or terminations may apply retroactively. For 2018, the Committee established five weighted performance targets under the plan for participating employees, which included Messrs. Grafmyre, Knepp, Carter and Ms. Karas. The performance factors and weightings for each factor for 2018, all of which

12

exclude securities gains or losses where applicable, were as follows: Return on Equity (target: 13.38%; weighting: 20%); Gross Loan Growth (target: \$25.387 million; weighting: 20%); Deposit Growth, excluding brokered deposits (target: \$80.001 million; weighting: 20%); Net Income (target: \$11.889 million; weighting: 20%); and Loan Delinquency (target: 1.34%; weighting: 20%). Actual performance measured against the weighted target performance factors resulted in performance of 100% of targeted goals with the Committee having the ability to increase the amount paid for exceptional service to the Corporation. Based on these factors, bonuses for 2018 were paid as follows: Mr. Grafmyre - \$312,500; Mr. Knepp - \$66,000; Mr. Carter - \$22,000; and Ms. Karas - \$22,000.

Equity Awards

The Committee granted stock options to the named executive officers, except Mr. Grafmyre, during 2018 under the 2014 Penns Woods Bancorp, Inc. Equity Incentive Plan. The Committee feels this tool is needed in order to continue to be able to attract top talent, retain management, and to provide a long-term compensation component. Grants of stock options during during 2018 to named executive officers totaled 27,500 shares at an exercise price of \$46.00 per share and 15,000 shares at an exercise price of \$45.11 per share. Total shares granted to each named executive officer were as follows: Mr. Knepp - 30,700; Mr. Carter - 5,200; and Ms. Karas - 6,600.

Additional Benefits

The named executive officers may participate in other employee benefit programs that are generally available to the other employees of the Corporation. Other perquisites received by the named executive officers are either included in the Summary Compensation Table in this proxy statement or do not exceed \$10,000 in the aggregate annually.

Employment and Change in Control Agreements

We have entered into employment agreements with Messrs. Grafmyre, Knepp, Carter and Ms. Karas. A discussion of these agreements follows.

Richard A. Grafmyre. On September 27, 2018, Mr. Grafmyre, the Corporation and JSSB executed an amended and restated employment agreement. The amended agreement superseded and replaced, effective October 1, 2018, Mr. Grafmyre's then existing employment agreement with the Corporation and JSSB, which was effective November 1, 2014. Under the amended and restated employment agreement, Mr. Grafmyre serves as the Chief Executive Officer of both the Corporation and JSSB. Mr. Grafmyre also serves as President of the Corporation's subsidiary, United Insurance Solutions, LLC.

The term of the amended agreement expires April 30, 2023. The amended agreement renews annually beginning May 1, 2023, provided that either party can terminate the agreement upon ninety days' prior written notice after May 1, 2023. The amended agreement can also be terminated by the Corporation or JSSB at any time for specified events of "cause" or in the event of Mr. Grafmyre's disability.

Mr. Grafmyre's annual base salary under the amended agreement is \$825,000. The amended agreement provides for participation in employee benefit plans and programs maintained by the Corporation and JSSB for the benefit of their executive officers, including bonus programs, participation in health, disability benefit, life insurance, pension, profit sharing, retirement and stock-based compensation plans and certain fringe benefits, including use of an automobile and club dues. Commencing May 1, 2020, Mr. Grafmyre will be employed as a senior executive officer of the Corporation and JSSB in such positions and with such titles as may be designated by the boards of directors of the Corporation and JSSB, with a work schedule of thirty-two hours per week. At such time, Mr. Grafmyre's annual base salary will be reduced to 80% of the amount in effect on May 1, 2020.

The amended agreement provides that if, on or within 24 months following a "change in control" of the Corporation or JSSB, the Corporation or JSSB terminates Mr. Grafmyre for a reason other than cause or disability, or if Mr. Grafmyre resigns after the occurrence of specified circumstances that constitute constructive termination (i.e., "good reason"), Mr. Grafmyre will receive a lump-sum cash payment equal to two times the sum of (i) his then current base salary and (ii) the average of the last three annual bonuses paid to him preceding his termination of employment. He would also be entitled to a continuation of health insurance benefits for a period of twenty-four months. If the

Corporation or JSSB terminates Mr. Grafmyre for a reason other than cause or disability absent a “change in control,” Mr. Grafmyre will continue to receive his then current base salary and health insurance benefits for the greater of the remaining term of the amended agreement or six months.

The amended agreement provides for the reduction of any “change in control” payments to Mr. Grafmyre to the extent necessary to ensure that he will not receive “excess parachute payments” under Section 280G of the Internal Revenue Code which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The amended agreement contains noncompete covenants, which generally prohibit Mr. Grafmyre from engaging in banking activities with an institution headquartered within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania, and

nonsolicitation covenants relating to customers and employees. These covenants generally extend for a period of six months after Mr. Grafmyre's termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by the Corporation and JSSB, in which case these covenants end on the date the amended agreement terminates.

Brian L. Knepp. On December 31, 2018, the Corporation and Mr. Knepp entered into a new employment agreement, which replaced Mr. Knepp's then existing employment agreement, dated October 30, 2017, which prior agreement had an initial term ending December 31, 2018 with automatic annual renewals thereafter absent notice of nonrenewal by either party. The new employment agreement has an initial three-year term ending December 31, 2021 with automatic annual renewals thereafter absent notice of nonrenewal by either party. Under the new agreement, Mr. Knepp serves as President of the Corporation and President of the M Group, Inc. d/b/a The Comprehensive Financial Group, a wholly owned subsidiary of JSSB. Mr. Knepp will also continue to serve as the Corporation's Chief Financial Officer.

Under the new agreement, Mr. Knepp will receive an annual base salary of \$200,000, subject to discretionary increases by the Corporation. Mr. Knepp is also entitled to participate in any employee benefit and incentive compensation plans and arrangements available to employees and executive officers of the Corporation. Mr. Knepp will also be provided with use of an automobile during the employment period under the agreement.

The agreement may be terminated for specified events of cause, in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation will continue to pay Mr. Knepp's then current annual base salary for the greater of six months or the number of months remaining in the term of his employment agreement and will provide Mr. Knepp, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation without cause or Mr. Knepp voluntarily terminates his employment for specified events of good reason, the Corporation will pay Mr. Knepp, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Knepp's then base salary and the average of his bonus amounts over the prior three years. If during the term of the agreement, Mr. Knepp voluntarily terminates employment, retires, dies, or becomes disabled, the obligations of the parties under the agreement will cease, unless Mr. Knepp dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Knepp, or his estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any "change in control" payments to Mr. Knepp to the extent necessary to ensure that he will not receive "excess parachute payments" under Section 280G of the Internal Revenue Code which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompete covenants, which generally prohibit Mr. Knepp from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania, and nonsolicitation covenants relating to customers and employees. These covenants generally extend for a period of one year after Mr. Knepp's termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by the Corporation, in which case these covenants end on the date the agreement terminates.

Aron M. Carter. Mr. Carter is a party to an employment agreement with the Corporation and JSSB. The agreement renews annually for one-year terms ending each December 31 absent notice of nonrenewal by either party. Under the agreement, Mr. Carter serves as Senior Vice President and Chief Risk Officer of the Corporation and JSSB.

Mr. Carter's annual base salary under the agreement is \$115,000, subject to discretionary increases by the Corporation and JSSB. Mr. Carter is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive

officers of the Corporation and JSSB.

The agreement may be terminated for cause (as defined in the agreement), in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Mr. Carter's then current annual base salary for the greater of six months or the number of months remaining in the term of his employment agreement and will provide Mr. Carter, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation or JSSB without cause or Mr. Carter voluntarily terminates his employment for good reason (as defined in the agreement), the Corporation and JSSB will pay Mr. Carter, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Carter's then base salary and the average of his bonus amounts over the prior three years. If during the term of the agreement, Mr. Carter voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless

14

Mr. Carter dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Carter, or his estate, as the case may be, will be entitled to the amounts described above. The agreement provides for the reduction of any “change in control” payments to Mr. Carter to the extent necessary to ensure that he will not receive “excess parachute payments” under Section 280G of the Internal Revenue Code which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompetition covenants, which generally prohibit Mr. Carter from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania, and noncompetition covenants relating to customers and employees. These covenants generally extend for a period of one year after Mr. Carter’s termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by the Corporation and JSSB, in which case these covenants end on the date the agreement terminates.

Michelle M. Karas. Ms. Karas is a party to an employment agreement with the Corporation and JSSB. The agreement renews annually for one-year terms ending each December 31 absent notice of nonrenewal by either party. Under the agreement, Ms. Karas serves as Senior Vice President and Head of Institutional Advancement of the Corporation and JSSB.

Ms. Karas’ annual base salary under the agreement is \$80,000, subject to discretionary increases by the Corporation and JSSB. Ms. Karas is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB.

The agreement may be terminated for cause (as defined in the agreement), in which case the parties’ obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Ms. Karas’ then current annual base salary for the greater of six months or the number of months remaining in the term of her employment agreement and will provide Ms. Karas, at no cost to her, with continuation of health and medical benefits for the period during which she is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation or JSSB without cause or Ms. Karas voluntarily terminates her employment for good reason (as defined in the agreement), the Corporation and JSSB will pay Ms. Karas, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Ms. Karas’ then base salary and the average of her bonus amounts over the prior three years. If during the term of the agreement, Ms. Karas voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Ms. Karas dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Ms. Karas, or her estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any “change in control” payments to Ms. Karas to the extent necessary to ensure that she will not receive “excess parachute payments” under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to her and a loss of deduction to the Corporation.

The agreement contains noncompete covenants, which generally prohibit Ms. Karas from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania, and nonsolicitation covenants relating to customers and employees. These covenants generally extend for a period of one year after Ms. Karas’ termination of employment unless her employment terminates as a result of a delivery of a notice of nonrenewal by the Corporation and JSSB, in which case these covenants end on the date the agreement terminates.

OPTION EXERCISES AND STOCK VESTED

There were no options exercised by or vested for our named executive officers during the 2018 fiscal year.

NONQUALIFIED DEFERRED COMPENSATION

None of our named executive officers participate in a non-qualified deferred compensation plan.

RETIREMENT PLAN

JSSB maintains a noncontributory defined benefit pension plan for all employees hired prior to January 1, 2004, who meet certain age and length of service requirements. Benefits are based primarily on years of service and the average annual compensation earned by an employee, which is the employee's annual compensation averaged over the five highest paid consecutive calendar years within the final ten years of employment. Annual compensation is based upon the employee's W-2 wages, which includes base salary, bonus, personal vehicle mileage for certain executive officers, and life insurance coverage that exceeds \$50,000. JSSB's funding policy is consistent with the funding requirements of federal law and regulations. Plan assets are primarily comprised of common stocks and U.S. Government and corporate debt securities. The plan was amended, effective January 1, 2004, to cease eligibility for employees with a hire date of January 1, 2004 or later and the plan ceased accruing additional benefits as of December 31, 2014. Because Messrs. Grafmyre, Knepp, Carter, and Ms. Karas joined JSSB after termination of the pension plan, they are not eligible to participate in the pension plan. Employees with a hire date of January 1, 2004 or later are eligible to receive, after one year of service, an annual contribution by JSSB equal to a discretionary percentage of an employee's base compensation into an account established for the employee under JSSB's 401(k) plan. The accrued normal retirement benefit under the plan is determined by the following formula: 1.4% of the average annual compensation up to Social Security covered compensation multiplied by the credited service, plus 2% of the average annual compensation that is in excess of Social Security covered compensation multiplied by the number of years of credited service.

CHIEF EXECUTIVE OFFICER – PAY RATIO DISCLOSURE

The following pay ratio information is provided in accordance with the requirements of Item 402(u) of SEC Regulation S-K:

For fiscal 2018, the Corporation's last completed fiscal year:

- the median of the annual total compensation of all employees of the Corporation (other than the Chief Executive Officer) was \$37,359; and
- the annual total compensation of the Corporation's Chief Executive Officer, Richard A. Grafmyre, was \$1,061,642.

Based on this information, the ratio for 2018 of the annual total compensation of the Chief Executive Officer to the median of the annual total compensation of all employees is 28 to 1.

The Corporation identified its median employee for the year ended December 31, 2017. Last year, the Corporation used wages from its payroll records as reported to the Internal Revenue Service on Form W-2 for fiscal 2017 to determine the median of the annual total compensation of all employees (other than the Chief Executive Officer). In making this determination, the Corporation annualized the compensation of approximately 314 full time and part time permanent employees, with no full time equivalent adjustments for part time employees, of which there were approximately 32. There have been no changes in the Corporation's employee population or employee compensation arrangements that the Corporation believes would result in a significant change to the pay ratio information for fiscal 2018 and, accordingly, the Corporation has used the same median employee for fiscal 2018 for the purposes of determining pay ratio information. For 2018:

All elements of the identified median employee's compensation for 2018 were added, resulting in annual total compensation of \$37,359.

The amount reported in the Total column of our 2018 Summary Compensation Table was used for the total annual compensation of the Chief Executive Officer.

POTENTIAL POST-EMPLOYMENT PAYMENTS

Each of the named executive officers would be entitled to certain contractual benefits if their employment terminates under certain circumstances preceding or following a change in control. The agreements are described under the caption "Employment and Change in Control Agreements" included in the Compensation Discussion and Analysis. We calculated the potential post-employment payments due to each of these named executive officers assuming the employment of each named executive officer was terminated either before or after a change in control on December 31, 2018. Actual amounts payable can only be determined

at the time of such executive's termination. The following table summarizes the potential payments to Messrs. Grafmyre, Knepp, Carter, and Ms. Karas.

(1) For severance and welfare continuation payment calculation, and time and form of such payments, see "Employment and Change in Control Agreements." For Mr. Grafmyre, payments resulting from an involuntary termination without cause prior to a "change in control" illustrate continuation of his current base salary and welfare benefits through the remaining term of the contract (April 30, 2023)

and payments resulting from an involuntary termination without cause after a “change in control” illustrate a lump-sum cash payment equal to two times the sum of (i) his current base salary and (ii) the average of his last three annual bonuses.
(2) Assumes no increase in the cost of welfare benefits.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the board of directors who served on the Compensation Committee during the 2018 fiscal year was an officer or employee of the Corporation or any of its subsidiaries. None of our executive officers serves as a member of the board of directors or Compensation Committee of any other entity that has one or more of its executive officers serving on our board of directors or Compensation Committee.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the board of directors, a copy of which is available on our website, www.pwod.com, under Investor Relations/Financial Information/Governance Documents and is available upon request to the President or Chief Executive Officer.

The Audit Committee has reviewed our audited financial statements for the fiscal year ended December 31, 2018, and discussed them with management and our independent registered public accounting firm, S.R. Snodgrass, P.C. The Audit Committee also has discussed with our independent auditor the matters required to be discussed by Auditing Standard No. 1301, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board.

The Audit Committee has received from our independent auditor the written disclosures and letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with management and the independent accountant the accountant's independence.

Based on the review and discussions described above, the Audit Committee recommended to the board of directors that our audited financial statements for the fiscal year ended December 31, 2018 be included in our Annual Report on Form 10-K for that fiscal year for filing with the SEC.

In connection with standards for independence of our external auditors issued by the Public Company Accounting Oversight Board, during the 2019 fiscal year, the Audit Committee will consider in advance of the provision of any non-audit services by our independent accountant whether the provision of such services is compatible with maintaining the independence of our external auditors.

PROPOSAL NO. 2

NON-BINDING (ADVISORY) VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, the Corporation is providing shareholders with a non-binding (advisory) vote on the compensation of its named executive officers.

Shareholders are being asked to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. These disclosures appear in this proxy statement under the "Compensation Discussion and Analysis," in the compensation tables and in the narrative discussion following the compensation tables. Accordingly, shareholders are being asked to approve the following resolution:

“RESOLVED, that the shareholders approve, on a non-binding (advisory) basis, the compensation of the Corporation’s named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this proxy statement.”

The vote is advisory and therefore not binding on the Corporation, any committee of the board of directors, or the board of directors. The board of directors and the Compensation Committee of the board of directors value the opinions of shareholders and to the

extent that there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, shareholder concerns will be considered and the Compensation Committee will evaluate whether any action is necessary to address such concerns. In 2017 our shareholders voted to hold non-binding (advisory) votes to approve executive compensation every year. The next non-binding (advisory) vote to approve the compensation of the Corporation's named executive officers will occur in 2020.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL, ON A NON-BINDING (ADVISORY) BASIS, OF THE COMPENSATION OF THE CORPORATION'S NAMED EXECUTIVE OFFICERS PURSUANT TO THE ABOVE RESOLUTION. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to approve this advisory proposal. All proxies will be voted "FOR" this advisory proposal unless a shareholder specifies to the contrary on such shareholder's proxy card.

PROPOSAL NO. 3

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The board of directors of the Corporation has appointed the firm of S.R. Snodgrass, P.C. (the "Auditors") of Cranberry Township, Pennsylvania, as the Corporation's independent registered public accounting firm for its 2019 fiscal year. The terms of the appointment were reviewed and recommended by the Audit Committee.

Although ratification by the Corporation's shareholders is not required by our bylaws or otherwise, the board of directors is submitting the selection of the Auditors to shareholders for ratification because the Corporation values its shareholders' views on the Corporation's independent registered public accounting firm. If the Corporation's shareholders fail to ratify the selection, it will be considered as notice to the board of directors and the Audit Committee to consider the selection of a different independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Corporation.

A representative from the Auditors is expected to be present at the Annual Meeting. The representative will be given an opportunity to make a statement if he or she desires to do so, and will be available to answer appropriate questions from shareholders.

The Auditors served as the Corporation's independent registered public accounting firm for the 2018 and 2017 fiscal years, provided assistance to the Corporation in connection with regulatory matters and charged the Corporation for such services at its customary hourly billing rates. The fees paid by the Corporation are summarized below. The non-audit services were approved by the Corporation's Audit Committee after due consideration of the effect of the performance thereof on the independence of the Auditors and after the conclusions by the Corporation's board of directors that there was no effect on the independence of the Auditors. The Auditors have advised the Corporation that none of its members have any financial interest in the Corporation.

Audit Fees

The fees for professional services incurred by the Corporation for services rendered by the Auditors in connection with the audit of the Corporation's financial statements for the years ended December 31, 2018 and December 31, 2017, and the review of the Corporation's Forms 10-Q for such fiscal years were \$175,814 and \$175,604, respectively. All such services were performed by permanent, full-time employees of S.R. Snodgrass, P.C.

Audit-Related Fees

Audit-Related fees for the performance of the audits of the financial statements of the Corporation's employee benefit plans for the years ended December 31, 2018 and December 31, 2017, were \$20,231 and \$19,811, respectively.

Tax Fees

Tax fees for the years ended December 31, 2018 and December 31, 2017 resulting from services provided by the Auditors totaled \$27,679 and \$21,200, respectively.

All Other Fees

There were other fees billed to the Corporation by S.R. Snodgrass, P.C. for information technology network security assessments for the years ended December 31, 2018 and December 31, 2017 that totaled \$24,445 and \$14,758, respectively.

Pre-approval of Audit and Permissible Non-Audit Services

The Audit Committee of the board of directors pre-approves all audit and permissible non-audit services provided by the Corporation's independent registered public accounting firm. All of the services provided by S.R. Snodgrass, P.C. set forth above were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF S.R. SNODGRASS, P.C., AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2019 FISCAL YEAR. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to ratify the appointment. All proxies will be voted "FOR" ratification of the appointment unless a shareholder specifies to the contrary on such shareholder's proxy card.

SHAREHOLDER PROPOSALS FOR 2020 ANNUAL MEETING

Applicable SEC regulations permit shareholders to submit proposals for consideration at annual meetings of shareholders. Any such proposals for the Corporation's Annual Meeting of Shareholders to be held in 2020 must be submitted in writing to the President of Penns Woods Bancorp, Inc., at its principal executive office, 300 Market Street, Williamsport, PA 17701, on or before November 23, 2019, and must follow the procedures required by SEC Rule 14a-8 in order to be included in proxy materials relating to that meeting.

A shareholder proposal submitted after November 23, 2019, or which does not otherwise meet the requirements of the SEC, will not be included in the Corporation's proxy statement for the annual meeting to be held in 2020, but may be presented for consideration at the annual meeting, if submitted to the Secretary of the Corporation not less than ninety (90) days or more than one hundred fifty (150) days prior to the annual meeting, which proposal must contain certain information required by the bylaws. If the shareholder intending to present such a proposal has not provided the Corporation written notice of the matter on or before January 24, 2020, the proxy holders of the board of directors will have discretionary authority to vote on such proposal at the meeting. However, if the date of the 2020 annual meeting is changed more than 30 days from April 23, 2020, the anniversary of the 2019 Annual Meeting, the deadline for delivering a notice to the Corporation which would restrict the proxy holders of the board of directors from exercising discretion would be a reasonable time before the Corporation distributes its proxy materials, assuming the notice complies with the requirements of the bylaws.

CERTAIN TRANSACTIONS

Nasdaq rules require that we conduct an appropriate review of related party transactions for potential conflict of interest situations on an ongoing basis, and all such transactions must be approved by our Audit Committee or another independent body of the board of directors.

Our Code of Ethics and Conflicts of Interest Policy requires all directors, officers, and employees who may have a potential or apparent conflict of interest to notify our Human Resource Director. A potential conflict exists whenever an individual has an outside interest - direct or indirect - which conflicts with the individual's duty to the Corporation or any of its affiliates or adversely affects the individual's judgment in the discharge of his or her responsibilities. Prior to consideration, full disclosure of all material facts concerning the relationship and financial interest of the relevant individuals in the transaction is required. The Code of Ethics and Conflict of Interest Policy is available on our website, www.pwod.com, under Investor Relations/Financial Information/Governance Documents and is available on request to the President or the Chief Executive Officer.

To identify related party transactions, each year, we submit and require our directors and officers to complete Director and Officer Questionnaires identifying any transaction with us or any of our subsidiaries in which the officer or director or their family members have an interest.

There have been no material transactions, or any material transactions proposed, between the Corporation and the Banks and any director or executive officer of the Corporation and the Banks, or any associate of the foregoing persons. The Corporation and the Banks have had, and intend to continue to have, banking and financial transactions in the ordinary course of business with directors and officers of the Corporation and their associates on comparable terms and with similar interest rates as those prevailing from time to time for persons not related to or associated with the Corporation.

Total loans outstanding from the Banks at December 31, 2018 to the Corporation's officers and directors as a group, members of their immediate families and companies in which they had an ownership interest of 10% or more was \$17,791,000, or approximately 12.39%, of the total equity capital of the Corporation. Loans to such persons were made in the ordinary course of business, were

made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the Corporation, and did not involve more than the normal risk of collectability or present other unfavorable features.

ANNUAL REPORT
