ITEM 8.01 OTHER EVENTS.

As of February 24, 2005, Cytogen Corporation (the "Company") and Progenics Pharmaceuticals, Inc., the owners of PSMA Development Company, LLC, a joint venture formed to develop in vivo immunotherapeutic products utilizing prostate-specific membrane antigen ("PSMA"), have not agreed on a work plan and annual budget for 2005. The parties are in the process of negotiating such matters.

The joint venture is funded by equal capital contributions from each of Progenics and the Company in accordance with an annual budget approved by the joint venture representatives from each such party. The Company cannot give any assurances that agreement will be reached on such matters in the near future, if at all. The failure to reach agreement with Progenics on these matters could significantly and adversely affect the development of PSMA technologies and products.
