The supplemental indentures were entered into pursuant to previous requirements under the applicable indenture to cause each subsidiary that becomes a guarantor of obligations under the Credit Agreement to also become a guarantor of the Notes.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the supplemental indentures, copies of which are attached to this Current Report on Form 8-K as Exhibit 4.1, Exhibit 4.2 and Exhibit 4.3, respectively, and are incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

To the extent required, the disclosure in Item 2.03 is incorporated into this item by reference.

SECTION 2 Financial Information

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On April 26, 2018, the Company, as borrower, entered into a Credit Agreement (the "Credit Agreement"), with various lenders and JPMorgan Chase Bank, N.A., as administrative agent and lender, with aggregate commitments of \$2,000,000,000, an initial borrowing base of \$3,200,000,000 and an aggregate maximum revolving credit amount of \$3,500,000,000. The Credit Agreement is secured by substantially all of the assets owned by the Company and its subsidiaries. Concurrently, the Company, as borrower, and JPMorgan Chase Bank, N.A., as administrative agent, terminated the Company's existing credit agreements dated December 16, 2013, and June 27, 2016, and the Company repaid the \$1,191,000,000 secured term loan balance under the credit agreement dated June 27, 2016, with cash on hand and borrowings under the new Credit Agreement. The Company's initial borrowings under the new Credit Agreement were \$360,000,000, a portion of which related to other working capital needs. All outstanding letters of

credit under the credit agreement dated June 27, 2016 were converted into letters of credit under the new Credit Agreement.

The Credit Agreement matures on April 26, 2023, provided that if the Company has not amended, redeemed or refinanced at least \$700,000,000 of its 2022 Senior Notes on or before December 14, 2021, the Credit Agreement will mature on December 14, 2021.

Loans under the Credit Agreement are subject to varying rates of interest based on whether the loan is a Eurodollar loan or an alternate base rate loan. Eurodollar loans bear interest at the Eurodollar rate, which is the LIBO Rate for such interest period multiplied by the Statutory Reserve Rate, plus the applicable margin (as those terms are defined in the Credit Agreement). The applicable margin for Eurodollar loans under the Credit Agreement ranges from 1.50% to 2.50% based on the Company's utilization of the borrowing base under the Credit Agreement. Alternate base rate loans bear interest at the alternate base rate plus the applicable margin. The applicable margin for alternate base rate loans under the Credit Agreement ranges from 0.50% to 1.50% based on the Company's utilization of the borrowing base under the Credit Agreement.

The Credit Agreement contains customary representations and warranties and contains covenants including, among others, the following:

a prohibition against incurring debt, subject to permitted exceptions;

a restriction on creating liens on assets, subject to permitted exceptions;

restrictions on mergers and asset dispositions;

restrictions on use of proceeds, investments, transactions with affiliates, or change of principal business; and

maintenance of the following financial covenants, commencing with the fiscal quarter ending June 30, 2018:

1. Minimum Current Ratio (as defined in the Credit Agreement) of no less than 1.00 to 1.00.
2. Maximum Total Net Leverage Ratio (as defined in the Credit Agreement) of no less than (i) with respect to each fiscal quarter ending during the period from June 30, 2018 through March 31, 2019, 4.50 to 1.00, (ii) with respect to each fiscal quarter ending during the period from June 30, 2019 through March 31, 2020, 4.25 to 1.00, and (iii) with respect to each fiscal quarter ending on or after June 30, 2020, 4.00 to 1.00.

The Credit Agreement contains customary events of default that include, among other things, the failure to comply with the financial covenants described above, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, bankruptcy and insolvency events, material judgments and cross-defaults to material indebtedness. If an event of default occurs and is continuing, all amounts outstanding under the Credit Agreement may become immediately due and payable.

The foregoing description of the Credit Agreement is a summary only and is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached as Exhibits 10.1, to this Current Report on Form 8-K and is incorporated herein by reference.
