Item 8.01 Other Events.

On May 13, 2005, CVD Equipment Corporation (the "Registrant") entered into an agreement with First Nano, Inc., of Carpinteria, California to purchase certain of their Nanotechnology process development and equipment assets. On May 26, 2005, CVD closed on this agreement. The purchase was made with cash funds from the Company and the assumption of certain liabilities, both of which we consider to be insignificant to the overall operations of the business. First Nano develops solutions for single and multiwall nanotube and nanowire synthesis and manufactures chemical vapor deposition process equipment suitable for the synthesis of a variety of carbon nanotubes, one-dimensional and nanostructures and nanomaterials.
