Farmer Mac Announces Issuance of \$35 Million in Preferred Stock

Washington, D.C. -- The Federal Agricultural Mortgage Corporation (Farmer Mac, NYSE: AGM and AGMA) today announced that it has issued \$35 million (700 thousand shares) of fixed rate perpetual preferred stock that is cumulative as to dividends--the Corporation's first-ever preferred stock issuance.

The preferred stock, designated Series A, was offered to investors at \$50 per share with a fixed dividend rate of 6.40%. Dividends will be paid quarterly starting on June 30, 2002, and Farmer Mac will have the option to redeem all or part of the shares at \$50 per share plus accrued dividends at any time on or after June 30, 2012. The offering is structured to be eligible for the "Dividends-Received Deduction" under current federal tax law. Proceeds from the issue will be used for general corporate purposes. Bear, Stearns & Co. Inc. acted as the sole underwriter for the issue.

The issuance, which has been under way for several months, increases Farmer Mac's regulatory core capital from \$134.0 million as of March 31, 2002, to over \$169.0 million, and more than \$56.0 million in excess of its minimum capital requirement.

Farmer Mac President and Chief Executive Officer Henry D. Edelman observed, "While our need for additional regulatory capital is not immediate, we found the current interest rate environment attractive and deemed it an appropriate time to enhance our capital position in anticipation of a continuation of our recent growth trends. The additional equity permits us to expand our capital base while preserving our return on common equity."

This press release does not constitute an offer of sale. Such an offer of sale may only be made by means of an offering circular.

Farmer Mac is a stockholder-owned instrumentality of the United States chartered by Congress to establish a secondary market for agricultural real estate and rural housing mortgage loans, and to facilitate capital market funding for USDA guaranteed farm program and rural development loans. Farmer Mac's Class C and Class A common stocks are listed on the New York Stock Exchange under the symbols AGM and AGMA, respectively.
