PROXY STATEMENT

for

**ANNUAL MEETING OF SHAREHOLDERS
TREDEGAR CORPORATION**

To be held May 18, 2006

Approximate date of mailing--March 23, 2006

VOTING INFORMATION

The Board of Directors (the Board) of Tredegar Corporation, a Virginia corporation (Tredegar), is soliciting your proxy for the annual meeting of shareholders to be held on Thursday, May 18, 2006. This proxy statement and proxy form contain information about the items you will be voting on at the annual meeting.

Who may vote?

You may vote if you owned shares of Tredegar common stock on March 14, 2006, the date established by the Board for determining shareholders entitled to vote at the annual meeting. On that date, there were 38,791,338 outstanding shares of Tredegar common stock. Each share of Tredegar common stock is entitled to one vote.

What are the proposals shareholders will be voting on at the annual meeting?

You will be voting on the following:

The election of three directors;

The ratification of the appointment of PricewaterhouseCoopers LLP (PwC) as Tredegar s independent registered public accounting firm for the fiscal year ending December 31, 2006; and

Any other business properly raised at the annual meeting or any adjournments thereof.

How do I vote my shares?

You may vote your shares as follows:

1. You may vote in person at the annual meeting. Even if you plan to attend the annual meeting, we encourage you to vote your shares by proxy.
2. You may vote by mail by completing, signing, dating and returning the enclosed proxy in the self-addressed, stamped envelope provided.

What constitutes a quorum for the annual meeting?

A quorum is a majority of the outstanding shares of Tredegar common stock, present in person or represented by proxy at the annual meeting. Abstentions, withheld votes and shares held of record by a broker or its nominee that are voted on any matter at the annual meeting are included in determining the number of shares present. Shares held of record by a broker or its nominee that are not voted on any matter at the annual meeting will not be included in determining whether a quorum is present. A quorum is necessary to conduct business at the annual meeting.

What are my voting choices when voting on the director nominees?

In the vote on the election of Tredegar's director nominees, you may:

1. vote for all nominees;
2. withhold votes as to all nominees; or
3. withhold a vote as to one or more specific nominees.

A nominee is elected to the Board if a plurality of votes cast in the election of directors is cast for the nominee. Signing and returning your proxy card will constitute a vote for all of the nominees unless your proxy specifies that you are withholding authority to vote for any of the nominees. Any votes withheld will not be counted in determining the number of votes cast. In the event that any nominee for director is unavailable for election, the Board may either reduce the number of directors or choose a substitute nominee. If the Board chooses a substitute nominee, the shares represented by a proxy will be voted for the substitute nominee, unless other instructions are given in the proxy.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR ALL OF THE NOMINEES.

What are my voting choices when voting on the ratification of the appointment of PwC as Tredegar's independent registered public accounting firm?

In voting on the ratification of the appointment of PwC as Tredegar's independent registered public accounting firm for the fiscal year ending December 31, 2006, you may:

1. vote for the ratification of the appointment of PwC;
2. vote against the ratification of the appointment of PwC; or
3. abstain from voting on the ratification of the appointment of PwC.

The ratification of the appointment of PwC as Tredegar's independent registered public accounting firm requires that the number of votes cast for the ratification exceeds the number of votes cast against the ratification.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS TREDEGAR'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

Will my shares be voted if I do not return my proxy?

If you are a Tredegar shareholder whose stock is registered directly in your name with National City Bank, Tredegar's transfer agent, your shares will only be voted if National City Bank receives specific voting instructions from you.

If you are a Tredegar shareholder whose stock is held in street name with a brokerage firm, your broker may or may not vote your shares in its discretion if you have not provided voting instructions to the broker. Whether the broker may vote your shares depends on the proposals before the meeting. Under the rules of the New York Stock Exchange, your broker may vote your shares in its discretion on routine matters. We believe that the election of directors and the ratification of the appointment of the independent registered public accounting firm are routine matters on which brokers are permitted to vote on behalf of their clients if no voting instructions are furnished.

The rules of the New York Stock Exchange, however, do not permit your broker to vote your shares on proposals that are not considered routine. When a proposal is not a routine matter and your broker has not received your voting instructions with respect to that proposal, your broker cannot vote your shares on that proposal. This is called a broker non-vote.

Can I change or revoke my vote?

Anyone giving a proxy may change or revoke it at any time before it is voted. A proxy can be changed or revoked by (i) voting in person at the annual meeting, (ii) delivering another later dated proxy, or (iii) notifying Tredegar's Corporate Secretary in writing that you want to change or revoke your proxy. Attendance at the annual meeting will not itself revoke a proxy. All signed proxies that have not been revoked will be voted at the annual meeting. If your proxy contains any specific instructions, they will be followed.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means you have multiple accounts with our transfer agent, National City Bank, or with one or more brokerage firms and to vote all your shares you will need to sign and return all proxy cards. We encourage you to consolidate your accounts with the same name and address with National City Bank in a single account whenever possible. Please contact our transfer agent at 1-800-622-6757 for additional information.

Who pays for the solicitation of proxies?

Tredegar will pay the cost of soliciting proxies and may use employees to solicit proxies by mail, in person or by telephone. The Altman Group, Inc. (Altman) has been engaged to solicit proxies from brokers, nominees, fiduciaries and other custodians. Tredegar will pay Altman \$5,000 for its services and will reimburse Altman for its out-of-pocket expenses, including mailing, copying, phone calls, faxes and other matters, and will indemnify Altman against any losses arising out of that firm's proxy soliciting services on behalf of Tredegar.

How may I obtain Tredegar's Form 10-K and other financial information?

A copy of Tredegar's 2005 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 (the 2005 Form 10-K), is enclosed.

Shareholders may request additional copies of the 2005 Form 10-K (including the financial statements and financial statement schedules), without charge, from:

ELECTION OF DIRECTORS

The Board is divided into three classes of directors. Each class of directors serves for three years. The term for each class is staggered so that one class is elected at each annual meeting. Certain circumstances could cause the terms of the directors to vary and the classes of directors to change if a director is elected for less than a three-year term.

The terms of three of Tredegar's present directors, Messrs. Austin Brockenbrough, III, William M. Gottwald and Richard L. Morrill, will expire at the 2006 annual meeting. Upon the recommendation of the Nominating and Governance Committee, each of these directors has been nominated by the Board for re-election at the 2006 annual meeting for terms expiring at the 2009 annual meeting.

Should all the nominees be elected to the Board of Tredegar, the director classes after the 2006 annual meeting will be as follows:

<i>Class I</i>	<i>Class II</i>	<i>Class III</i>
Terms expiring at 2008 annual meeting	Terms expiring at 2009 annual meeting	Terms expiring at 2007 annual meeting

Horst R. Adam
Austin Brockenbrough, III
Donald T. Cowles
Richard L. Morrill
R. Gregory Williams

The Board has adopted, as part of Tredegar's Governance Guidelines, categorical standards to assist it in making these independence determinations. All of the directors and the nominees identified as independent in this proxy statement meet these categorical standards, which are attached to this proxy statement as Annex A. A copy of the Governance Guidelines are published on Tredegar's website at www.tredegar.com. Copies are also available in print to any shareholder upon request by directing the request to Tredegar Corporation, 1100 Boulders Parkway, Richmond, Virginia, 23225, Attention: Corporate Secretary.

COMPENSATION OF DIRECTORS

Each member of the Board who was not an employee of Tredegar or any of its subsidiaries was paid \$1,500 for attendance at each of the Board meetings held in 2005. Each director who is a member of Tredegar's Audit Committee, Executive Committee (non-employee directors only), Executive Compensation Committee and Nominating and Governance Committee (the Committees), including the chairperson of each such Committee, received \$1,250 for attendance at each meeting of each Committee on which such director serves. Each director who is a member of the Investment Policy Committee is paid \$500 for each meeting attended. No meetings of the Investment Policy Committee were held during 2005. A director who participated in a Board or Committee meeting by telephone was paid \$500 for each meeting in 2005, with the exception of a Committee chairperson who received \$750 for telephonic participation.

In addition to individual meeting fees, the non-employee directors and chairpersons of the Committees received the following annual retainers for 2005, payable in equal quarterly installments:

Board of Directors*	\$ 21,836

Nominating and Governance Committee Chairperson	2,000

* Includes quarterly payments of \$4,000 plus one hundred shares of Tredegar common stock (aggregate value of equity compensation was \$5,836 in 2005).

Effective March 1, 2006, the Nominating and Governance Committee, in light of the fact that Tredegar will have a non-executive/non-employee Chairman of the Board, established an additional annual

retainer for the Chairman of the Board in the amount of \$8,000 (payable quarterly) plus additional meeting fees for the Chairman of the Board in the amount of \$500 per Board meeting.

Retainers for the Chairman of the Board and Committee chairpersons commence after their election to such positions by the Board.

During the past three years, Mr. John D. Gottwald did not receive compensation in the form of retainers and meeting fees. As compensation for his advisory role to Tredegar, as well as in consideration of his service as Chairman of the Board, Mr. Gottwald received the following base salary and equity awards:

The Executive Compensation Committee Report on Executive Compensation on page 24 of the proxy statement contains additional information on the compensation of Messrs. Gottwald and Scher.

BOARD MEETINGS AND MEETINGS OF NON-MANAGEMENT DIRECTORS

There were five meetings of the Board held in 2005. Each director attended all five Board meetings, except Mr. William M. Gottwald, who was unable to attend one meeting, and Mr. Adam, who attended all Board meetings held after his election to the Board at Tredegar's 2005 annual meeting of shareholders. Each director attended all meetings held in 2005 of Board committees of which the director was a member.

Tredegar's non-management directors meet regularly in private session. The Board has determined that Tredegar's Chairman of the Board should chair all meetings of non-management directors, as provided in Tredegar's Governance Guidelines. During these meetings, the chairperson has the power to lead the meeting, set the agenda and determine the information to be provided, but all non-management directors are encouraged to and do suggest topics for discussion and identify materials and other information for review. In addition, Tredegar's independent members also meet as a group from time to time. The chairperson of the Nominating and Governance Committee chairs the meetings of independent directors.

Shareholders and other interested persons may contact the non-management directors (as a group) or the chairman (individually) in writing c/o Tredegar Corporation, 1100 Boulders Parkway, Richmond, Virginia, 23225, Attention: Corporate Secretary, or by submitting an e-mail to directors@tredegar.com. All such correspondence will be forwarded to the intended recipients, although Tredegar screens mail for security purposes.

Audit Committee Matters

As noted above, Tredegar's Audit Committee currently consists of Messrs. R. Gregory Williams (Chairman), Austin Brockenbrough, III, and Donald T. Cowles. The functions of the Audit Committee are more fully described under *Report of the Audit Committee* below and in the Audit Committee Charter. Upon the recommendation of the Nominating and Governance Committee, the Board has determined that each of Tredegar's Audit Committee members is independent of management and free of any relationships that, in the opinion of the Board, would interfere with the exercise of independent judgment and is independent, as that term is defined under the enhanced independence standards for audit committee members in the Securities Exchange Act of 1934 and rules thereunder, as amended, as incorporated into the listing standards of the New York Stock Exchange and in accordance with Tredegar's Audit Committee Charter.

The Board has determined that Mr. R. Gregory Williams is an audit committee financial expert, as that term is defined in the rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002. The Board has further determined that each of the members of the Audit Committee is financially literate and that, as required by the New York Stock Exchange listing standards, at least one member of the Committee has accounting or related financial management expertise, as such terms are interpreted by the Board in its business judgment.

The Audit Committee has adopted procedures for pre-approving certain audit and permissible non-audit services provided by Tredegar's independent registered public accounting firm. These procedures include reviewing a budget for audit and permissible non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of audit and permissible non-audit services that are recurring in nature and therefore anticipated at the time the budget is submitted. Audit Committee approval is required to exceed the budget amount for a particular category of audit and permissible non-audit services and to engage the independent registered public accounting firm for any audit and permissible non-audit services not included in the budget. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the Securities and Exchange Commission rules on auditor independence. The Audit Committee may delegate pre-approval authority to the Chairperson of the Audit Committee. The Audit Committee periodically monitors the services rendered and actual fees paid to the independent registered public accounting firm to ensure that such services are within the parameters approved by the Audit Committee.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the quality and integrity of Tredegar's financial reporting processes and its systems of internal accounting controls. Management is responsible for Tredegar's financial statements, including its system of internal accounting controls, and the independent registered public accounting firm is responsible for performing an independent audit of those financial statements and Tredegar's internal control over financial reporting. The Audit Committee operates under a written Charter that has been adopted by Tredegar's Board.

The Audit Committee has met and held discussions with management and PricewaterhouseCoopers LLP (PwC), Tredegar's independent registered public accounting firm, regarding Tredegar's audited 2005 consolidated financial statements. Management represented to the Audit Committee that Tredegar's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and PwC.

The Audit Committee has discussed with PwC the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended. In addition, the Audit Committee has received the written disclosures and the letter from PwC relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) as may be modified or supplemented, and has discussed with PwC that firm's independence from Tredegar.

In reliance upon the Audit Committee's discussions with management and PwC, and the Audit Committee's review of the representation of management and the report of PwC to the Audit Committee, the Audit Committee recommended that the Board include the audited consolidated financial statements in Tredegar's Annual Report on Form 10-K for the year ended December 31, 2005 to be filed with the Securities and Exchange Commission.

AUDIT FEES

The following table lists fees billed to Tredegar by its independent registered public accounting firm, PwC, for services rendered in fiscal years 2004 and 2005.

	<u>2004</u>	<u>2005</u>
Audit Fees	\$ 1,666,160	\$ 1,021,320
Audit-Related Fees	-0-	-0-
Tax Fees	28,636	-0-
All Other Fees	<u>1,400</u>	<u>1,500</u>
Total Fees	<u>\$ 1,696,196</u>	<u>\$ 1,022,820</u>

Audit Fees include fees billed for services performed to comply with the standards of the Public Company Accounting Oversight Board (PCAOB), including the recurring audit of Tredegar's consolidated financial statements and of its internal control over financial reporting. This category also includes fees for audits provided in connection with statutory filings or services that generally only the principal auditor reasonably can provide and assistance with and review of documents filed with the Securities and Exchange Commission.

Audit-Related Fees include fees associated with audit services not required by statute or regulation.

Tax Fees primarily include fees associated with tax audits, tax compliance, tax consulting, as well as domestic and international tax planning and assistance.

All Other Fees include software licensing for online accounting research.

The Audit Committee has concluded that the provision of the non-audit services listed above as All Other Fees is compatible with maintaining the auditor's independence.

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed PwC as Tredegar's independent registered public accounting firm for the fiscal year ending December 31, 2006, and has further directed that management submit such appointment of PwC for ratification by the shareholders at the annual meeting. Representatives of PwC are expected to be present at the meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Shareholder ratification of the Audit Committee's appointment of PwC as Tredegar's independent registered public accounting firm is not required by Tredegar's By-laws or otherwise. If the shareholders fail to ratify the appointment, the Audit Committee will take such failure into consideration in future years. If the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it is determined that such a change would be in the best interests of Tredegar and its shareholders.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS TREDEGAR'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

CORPORATE GOVERNANCE

Board of Directors

Tredegar's Board is currently comprised of nine directors, five of whom have been determined by the Board to be independent under the corporate governance listing standards of the New York Stock Exchange and Tredegar's Governance Guidelines (see *Tredegar's Board of Directors* above). The primary mission of the Board is to represent and protect the interests of Tredegar's shareholders. Tredegar's Board has a non-executive Chairman whose duties and responsibilities are separate and distinct from those of the Chief Executive Officer. The responsibilities of the Board's standing committees are addressed separately in this proxy statement.

In addition to charters for each of the Board's standing committees, Tredegar's corporate governance structure is enhanced with a set of Governance Guidelines and a comprehensive Code of Conduct, each as described below.

Code of Conduct

Tredegar's Code of Conduct applies to Tredegar's officers, employees and directors, including its chief executive officer, chief financial officer, chief accounting officer and controller. Tredegar has always conducted its business in accordance with the highest standards of conduct. Full compliance with the letter and spirit of the laws applicable to its businesses is fundamental to Tredegar. Equally important are honesty, integrity and fairness in its business operations and in its dealings with others.

Diligently applying these standards makes good business sense and allows Tredegar to earn the trust and respect of its shareholders, employees, customers, suppliers, regulators and the communities in which Tredegar operates. Tredegar has provided employees, customers and suppliers with a number of avenues for the reporting of ethics violations or similar concerns, including an anonymous telephone hotline provided by a third-party vendor. The Code of Conduct reflects the foregoing principles.

Tredegar intends to satisfy the disclosure requirement under Item 5.05 of Form 8-K relating to amendments to or waivers from any provision of the Code of Conduct applicable to Tredegar's chief executive officer, chief financial officer, chief accounting officer and controller, if any are made, by posting such information on Tredegar's website at www.tredegar.com.

Governance Guidelines

The Board has also adopted a set of Governance Guidelines that reflect Tredegar's governance principles and its long-standing commitment to maintaining high corporate governance standards.

The Nominating and Governance Committee is responsible for periodically reviewing the Governance Guidelines and the Code of Conduct and for considering and, as necessary, making recommendations on governance issues that should be addressed by the Board.

Tredegar's Governance Guidelines, Code of Conduct and the Charter of each of the Audit, Executive Compensation and Nominating and Governance Committees are available on Tredegar's website at www.tredegar.com. Copies are also available in print to any shareholder upon request by directing the request to Tredegar Corporation, 1100 Boulders Parkway, Richmond, Virginia, 23225, Attention: Corporate Secretary.

Director Attendance at Annual Meeting of Shareholders

Our policy is that directors attend the annual meeting of shareholders. All of our directors attended the 2005 annual meeting of shareholders.

Director Continuing Education

Tredegar supports the attendance of its directors at director education programs. Typically, director education programs focus on issues and current trends affecting directors of publicly-held companies. Tredegar reimburses its directors for tuition and expenses associated with attending these programs. During calendar year 2005, all of Tredegar's outside directors attended at least one director education program. Of the programs attended, all but one were director education programs accredited by Institutional Shareholder Services.

(b) Some of the shares may be considered to be beneficially owned by more than one person or group listed and are included in the table for each.

(c) Austin Brockenbrough, III, disclaims beneficial ownership of 18,525 shares of Tredegar common stock.

(d) John D. Gottwald disclaims beneficial ownership of 183,996 shares of Tredegar common stock. See also Note (a) to the *Security Ownership of Certain Beneficial Owners* table that follows.

(e) William M. Gottwald disclaims beneficial ownership of 174,293 shares of Tredegar common stock.

(f) Thomas G. Slater, Jr., disclaims beneficial ownership of 3,200 shares of Tredegar common stock.

(g) R. Gregory Williams disclaims beneficial ownership of 1,100 shares of Tredegar common stock.

(h) The directors and executive officers have sole voting and investment power over their shares, except for those listed under the heading *Number of Shares with Shared Voting and Investment Power*, which are held by or jointly with spouses, by children or in partnerships or trusts. Any shares of Tredegar common stock held under Tredegar's benefit plans for any director or executive officer are included in the number of shares over which that person has sole voting or investment power. Shares held by the trustees of those plans for other employees are not included. See Note (d) to the table *Security Ownership of Certain Beneficial Owners* that follows.

(i) Two directors, Messrs. John D. Gottwald and William M. Gottwald, share voting and investment power for 13,506 shares. This overlap in beneficial ownership has been eliminated in calculating the total number of shares and the percentage of class owned by management as a group.

The table below lists any person (including any group as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) known to Tredegar that beneficially owned more than 5% of the shares of Tredegar's common stock on March 7, 2006.

(a) Floyd D. Gottwald, Jr., John D. Gottwald and William M. Gottwald (the Gottwalds), together with members of their immediate families, may be deemed to be a group for purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, although there is no agreement among them with respect to the acquisition, retention, disposition or voting of Tredegar common stock.

(b) The Gottwalds, individually or together, have sole voting and investment power over all of the shares of Tredegar common stock disclosed except for 2,861,608 shares held by their respective wives and children, and in trusts, some of which might be deemed to be beneficially owned by the Gottwalds under the rules and regulations of the Securities and Exchange Commission, but as to which the Gottwalds disclaim beneficial ownership. Shares owned by the adult children of Floyd D. Gottwald, Jr., are not included in the group holdings of the Gottwalds.

(c) This amount includes 245,645 shares of Tredegar common stock owned of record by Frank Russell Trust Company, Tacoma, Washington (the Trustee), as trustee of the Tredegar Corporation Retirement Savings Plan (the Tredegar Savings Plan), for the benefit of John D. Gottwald. This amount does not include shares held by the Trustee of the Tredegar Savings Plan for the benefit of other employees.

(d) This amount includes 245,645 shares of Tredegar common stock owned of record by the Trustee of the Tredegar Savings Plan for the benefit of John D. Gottwald. Shares of Tredegar common stock held under the Tredegar Savings Plan are voted by the Trustee according to instructions obtained from employees participating in the plan. If a participating employee does not give the Trustee voting instructions, his or her shares are voted by the Trustee according to the Board's recommendations to the shareholders (as long as doing so is consistent with the Trustee's fiduciary duties). Because members of the

Gottwald family are directors and the largest shareholders of Tredegar, they may be considered to be control persons of Tredegar and have the ability to control the recommendations of the Board.

Retirement Benefits

All of the executive officers named in the Summary Compensation Table participate in the Tredegar Corporation Retirement Income Plan (the Pension Plan). The Pension Plan's typical retirement benefit equals 1.1% of the participant's final average earnings (as defined in Note (c) to the table that follows) up to his or her Social Security covered compensation, multiplied by his or her years of pension benefit service, plus 1.5% of final average earnings in excess of covered compensation, multiplied by his or her years of pension benefit service. There is no deduction for Social Security benefits. Estimated annual benefits under the Pension Plan upon retirement at age 65, determined as of December 31, 2005, to persons with specified earnings and years of pension benefit service are set forth in the table that follows.

The Internal Revenue Code limits (a) the annual retirement benefit that may be paid under the Pension Plan and (b) the earnings that may be used in computing a benefit. The maximum benefit and earnings limitations are adjusted each year to reflect changes in the cost of living. For 2005, the maximum benefit limitation was \$165,209 (based on a five-year certain and life annuity payable at age 65) and the earnings limitation was \$210,000.

Messrs. Scher and Giancaspro also participate in the Tredegar Corporation Retirement Benefit Restoration Plan (the Restoration Plan). They are the only individuals appearing in the Summary Compensation Table who are also participants in the Restoration Plan (Mr. John D. Gottwald, Chairman of the Board in 2005, is also a participant). The Restoration Plan restores benefits that cannot be paid under the Pension Plan due to the Internal Revenue Code maximum benefit limitation, the earnings limitation, or both. The benefit payable under the Restoration Plan is calculated by subtracting the amount actually payable under the Pension Plan from the amount that would have been payable under the Pension Plan if not for the Internal Revenue Code limitations. Effective December 31, 2005, further participation in the Restoration Plan was terminated and benefit accruals for existing participants were frozen.

(a) The estimated benefits assume retirement at age 65 and payment for the lifetime of the participant, with five years of payments guaranteed (the normal form of payment under the Pension Plan and the Restoration Plan). The table assumes reaching age 65 in 2005 and covered compensation of \$48,696.

(b) The estimated benefit set forth in the table was determined using the Internal Revenue Code limitation on earnings that may be used in computing a benefit. The earnings limitation is subject to a transition rule that preserves benefits accrued as of December 31, 1993 based on higher compensation levels. Mr. Scher has an annual accrued benefit of \$13,571 under that transition rule.

(c) Final average earnings is the average of the highest three consecutive calendar years earnings (base earnings plus 50% of incentive bonuses) during the ten consecutive years immediately preceding the date of determination. The chart below indicates the final average earnings under the Pension Plan for each of the executive officers named in the Summary Compensation Table as of December 31, 2005 and years of pension benefit service for each:

Name	Credited Years of Service	Final Average Earnings
Norman A. Scher	16	\$ 205,000
Nancy M. Taylor	14	\$ 205,000
W. Hildebrandt Surgner, Jr.	3	\$ 205,000
D. Andrew Edwards	13	\$ 204,167
Tammy H. Cummings	3	\$ 165,597
Michael W. Giancaspro	21.76	\$ 199,861

As of December 31, 2005, the final average earnings considered under the Restoration Plan are as follows: Norman A. Scher, \$443,972; and Michael W. Giancaspro, \$212,900.

EXECUTIVE COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Tredegars Executive Compensation Committee (the Committee) is comprised of three directors, all of whom are non-employee directors (within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended), outside directors (within the meaning of Section 162(m) of the Internal Revenue Code) and independent directors (within the meaning of the current New York Stock Exchange listing standards and Tredegars Governance Guidelines). No Committee member is a current or former employee of Tredegar or any of its subsidiaries. The Committees primary role is to develop and oversee the implementation of Tredegars philosophy with respect to the compensation of Tredegars officers and other key employees, including the named executive officers listed in this proxy statement. The Committee has the overall responsibility of evaluating the performance of and determining the compensation of the Chief Executive Officer (CEO) and approving the compensation structure for senior management and other key employees. The Committee reports regularly to the Board of Directors on matters relating to the Committees responsibilities.

Compensation Philosophy

The Committee's philosophy is that executive compensation plans should be designed and administered to attract, motivate and retain highly qualified executives. Base salaries are targeted at competitive market levels and any incentives are linked closely to financial performance and enhanced shareholder value. Tredegar maintains a strong pay-for-performance culture, where a portion of executive compensation is linked to performance. This emphasis on at-risk compensation supports Tredegar's goal to control fixed costs, which is critical to Tredegar's continued success. Tredegar's executive compensation program consists of the core elements described below.

Base Salaries

Tredegar determines base salaries using relevant survey data to identify an appropriate range around the median salary for comparable executive positions. Officer salaries are generally set within this range based on individual performance, experience and level of responsibility. Annual salary increases are determined based on a variety of factors including individual performance, competitiveness of the officer's salary, Tredegar's financial condition, operating results and other variable components of compensation.

2006

On February 17, 2006, the Committee determined a base salary of \$285,000 for Mr. John D. Gottwald, which became effective upon his assuming the role of CEO on March 1, 2006 (Mr. Gottwald's prior base salary as Chairman was \$50,000 per year, effective August 1, 2005 and, prior to that date, was \$250,000 per year). The Committee also approved base salary increases for the other named executive officers, also effective as of March 1, 2006, in an amount equal to 2.5% of their respective base salaries. The Committee determined such increases to be appropriate based on Tredegar and individual 2005 performance. Mr. Scher's base annual salary was reduced to \$150,000 effective March 1, 2006, as a result of his retirement from the position of CEO, his assumption of the role of Vice Chairman and his continued work with Tredegar on special projects.

2005

In 2005, the Committee approved base salary increases, effective as of March 1, 2005, for the CEO and other named executive officers. These increases, which were 3% for Mr. Scher, Ms. Taylor, and Mr. Surgner, 10% for Mr. Edwards and 20% for Ms. Cummings, were based upon a review of individual 2004 performance and competitive market data. These adjustments were deemed appropriate by the Committee in light of each officer's current compensation as compared to the market median for comparative positions, tenure in office and other considerations. The Committee itself engaged a consulting firm, the representatives of which attended at least one Committee meeting, to advise the Committee in making these determinations.

2004

There were no salary increases for the named executive officers in 2004 (other than an increase for Ms. Taylor that resulted from a promotion and an associated increase in responsibilities). Tredegar's named executive officers, including the CEO, received lump sum payments in lieu of salary increases for 2003 performance. The lump sum payments were in an amount equal to 4% of the executives' respective salaries and are disclosed in the Summary Compensation Table.

Annual Incentives

Historically, the economic profit added of Tredegar and its subsidiaries was used as a key measure in determining whether executives would receive annual incentive awards. Specific award amounts were determined in accordance with pre-determined formulas and payout amounts. Annual incentive awards in more recent years, by contrast, have been discretionary in nature with the focus being on individual performance and the overall competitiveness of Tredegar's executive compensation program. Beginning in 2005, Tredegar re-established annual cash incentive programs with specifically identified payouts dependent upon pre-determined financial performance targets and personal performance metrics.

2006

Tredegar has adopted an annual incentive compensation plan for 2006 (payable in early 2007) for executive officers and certain other key employees of Tredegar and its subsidiaries (the 2006 Cash Incentive Plan). The Committee reviewed the annual financial performance targets for the 2006 Cash Incentive Plan as part of its review and approval of that plan. Specifically, corporate level executive officers, including the CEO, and certain other key corporate level employees can earn incentive payments under the 2006 Cash Incentive Plan on the basis of 2006 consolidated earnings before interest and taxes (EBIT). Ms. Taylor and key employees in Film Products can earn incentive payments on the basis of 2006 division or segment operating profit reported by Film Products (depending on position), while key employees in Aluminum Extrusions can earn incentive payments on the basis of 2006 economic profit added reported by Aluminum Extrusions. In addition to these financial performance targets, individual performance metrics are included in determining an executive's ability to earn incentive payments under the 2006 Cash Incentive Plan.

Under the 2006 Cash Incentive Plan, each executive officer (including the CEO and the other named executive officers listed in this proxy statement) is eligible for a cash performance incentive payment payable in 2007 if 2006 financial performance targets and individual performance metrics are satisfied. Payment amounts would fall within the ranges set forth below; placement within the range depending on the extent to which the applicable company financial performance targets and individual performance metrics are satisfied.

Mr. Gottwald	0% and 150% of his base salary
Ms. Taylor	0% and 60% of her base salary
Other named executive officers	0% and 52.5% of such executive's base salary

In the event the minimum 2006 performance targets are met (the threshold trigger for payment), the applicable payments will equate to 50% of base salary in the case of the CEO, 20% of Ms. Taylor's salary and 17.5% of the salary of the other named executive officers' respective salaries.

2005

Tredegar had in place a 2005 incentive compensation plan for executive officers and certain other key employees of Tredegar and its subsidiaries (the 2005 Cash Incentive Plan). The 2005 Cash Incentive Plan contemplated cash incentive payments based upon Tredegar's attainment of annual financial performance targets in 2005 as well as subjective factors related to the individual participant's performance. There will be no payouts in 2006 under the 2005 Cash Incentive Plan because none of the applicable performance targets were satisfied.

2004

The cash awards paid to Mr. Scher (CEO) and other named executive officers in 2005 (as disclosed in the Summary Compensation Table) were discretionary based upon 2004 individual performance. Mr. Gottwald did not receive a cash award in this year.

Long-Term Incentives

Long-term incentives, primarily equity-based awards, are an important element of Tredegar's compensation program. Tredegar believes these awards better align the interests of executives and employees with those of shareholders.

2006

On March 7, 2006, the Committee granted to certain executive officers the following stock option awards under Tredegar's 2004 Equity Incentive Plan, which was approved by Tredegar's shareholders at the 2004 annual meeting of shareholders (the 2004 Plan). The 2004 Plan allows for the granting of stock options, restricted stock, stock appreciation rights and other equity awards based on Tredegar's common stock as well as performance based long-term incentive cash awards. Tredegar believes long-term incentives, such as those permitted by the 2004 Plan, promote Company success by focusing employee efforts on achieving performance goals over multiple-year periods. The March 7, 2006 stock option awards were issued at a price of \$15.11 (the closing market price of Tredegar stock on the day of grant). The specific awards were as follows:

Mr. Gottwald	No Award
Mr. Scher	No Award
Ms. Taylor	Options exercisable for 22,500 shares
Other named executive officers	Options exercisable for 15,000 shares

The 2004 Plan reserved 2,000,000 shares for use by the Committee in providing equity-based long-term incentive awards to executive officers, employees, and other individuals providing valuable services to Tredegar or its subsidiaries. In addition, to recognize the different economic impact of certain option awards and non-option awards, no more than an aggregate of 600,000 shares (30% of the shares reserved) may be granted under the 2004 Plan in the form of non-option awards. Following the March 7, 2006 grants, 1,548,700 shares remain available for grant under the 2004 Plan, which amount includes 581,000 shares identified for possible non-option awards.

2005

There were no equity-based awards in 2005 for Mr. Scher or any of Tredegar's other named executive officers.

Mr. Gottwald received a stock award of 12,000 shares on August 31, 2005, at a price of \$12.42 per share, which price was the closing market price of Tredegar stock on the award date. This award was made under the 2004 Plan.

2004

In March 2004, the Committee granted equity awards under Tredegar's former Amended and Restated Incentive Plan (the Former Plan) in the form of restricted stock to Tredegar's executives and certain employees of Tredegar's operating companies. Specific information concerning the size and value of these restricted stock awards granted to the CEO and other named executive officers under the Former Plan is included in the Summary Compensation Table. The grant-date value of the awards was reflected as compensation expense over the vesting period in Tredegar's financial statements. The restricted stock awards vest five years from the award date, but permit accelerated vesting on the second and third anniversaries of the award date if pre-determined performance goals are achieved. There will be no accelerated vesting on the second anniversary of the award date (March 2006) because such goals were not achieved.

Share Ownership Guidelines

On February 17, 2006, the Committee approved share ownership guidelines for the CEO, other executive officers and certain key employees. Pursuant to the guidelines, the CEO, each executive officer and certain other key employees will be required to own a number of Tredegar shares with a market value equal to a specified percentage of such individual's base salary. Executives will have three years to satisfy one-half of the requirement and six years to satisfy the requirement in total. Compliance with this ownership requirement will be determined based on actual shares owned including any restricted shares. These ownership guidelines replaced the share retention policy adopted by the Committee in 2004.

CEO Compensation

Effective March 1, 2006, the Committee established a base salary for Mr. Gottwald of \$285,000. Mr. Gottwald is also eligible to receive significant cash incentive awards, as described in *Annual Incentives* above, and future equity awards. Consequently, a significant portion of Mr. Gottwald's potential compensation is at-risk, which the Committee deems appropriate. The Committee believes that Mr. Gottwald's salary approximates 50% of the median salary for executives in comparable positions and that his potential total cash compensation (base salary plus the potential annual incentive payments described in *Annual Incentives* above) falls below the median total cash compensation of individuals in comparable executive positions. In determining Mr. Gottwald's 2006 base salary and other compensation, the Committee considered the factors described under *Base Salaries* above as well as other corporate goals and objectives.

In determining future compensation for Mr. Gottwald, the Committee will consider the factors described under *Base Salaries* above as well as other corporate goals and objectives and Mr. Gottwald's performance against those goals and objectives. In this regard, the Committee will consider a number of factors, including Tredegar's performance in areas such as financial and operational results, development and implementation of strategy, and financial planning and controls. The Committee will also review all components of Mr. Gottwald's compensation, including base salary, bonus, equity and long-term incentive compensation, accumulated realized and unrealized stock option and restricted stock gains and the dollar value to Mr. Gottwald and the cost to Tredegar of any perquisites and other personal benefits received.

Regarding Mr. Scher's compensation as CEO for 2005, the Committee considered the factors described above and also determined based on its review that such compensation was reasonable and not excessive. In March 2005, the Committee increased Mr. Scher's salary by 3% to \$439,192 and awarded to him a discretionary incentive payment of \$50,000 based on 2004 performance. Mr. Scher did not receive an annual incentive award in 2004, but did receive a lump sum payment (based on 2003 performance) in the amount of \$17,056 in lieu of a base salary increase. Also in 2004, Mr. Scher received an equity award in

the form of 14,000 shares of restricted stock. Effective March 1, 2006, Mr. Scher's base annual salary was reduced to \$150,000 as a result of his retirement from the position of President and CEO, his assumption of the role of Vice Chairman and his continued work with Tredegar on special projects.

Other Benefits for CEO and Executive Officers

In addition to the cash and equity compensation discussed above, Tredegar provides its CEO and other named executives with the same benefit package available to all Tredegar salaried employees. The package includes:

Health and dental insurance (portion of costs)

Basic life insurance

Long-term disability insurance

Savings Plan and Savings Plan Benefit Restoration Plan (401(k) plan)

Retirement Income Plan (pension plan)

Tredegar has also historically provided to a limited number of key executives, including Messrs. Gottwald, Scher and Giancaspro, a supplemental executive retirement program, or SERP, known as the Tredegar Corporation Retirement Benefit Restoration Plan. See *Retirement Benefits* on page 23 of this proxy statement for additional information. Effective December 31, 2005, however, further participation in Tredegar's SERP was terminated and benefit accruals for existing participants were frozen.

Tredegar does *not* provide executives with additional perquisites that have been utilized by many companies as additional compensation, such as:

Executive employment contracts upon entering into employment with the company

Company cars or vehicle allowances

Personal use of corporate assets

Company-funded deferred compensation programs

Corporate Tax Considerations

The Internal Revenue Code disallows corporate tax deductions for executive compensation in excess of \$1 million for any of the CEO or the next four most highly-compensated officers of Tredegar. Internal Revenue Code Section 162(m) allows certain exemptions to the deduction cap, including pay programs that depend on formulas and, therefore, are performance-based.

The Committee considers the deductibility of compensation when reviewing and approving pay levels and pay programs, but reserves the right to award compensation that is not deductible under 162(m) if it is determined to be in the best interests of Tredegar and its shareholders. At the present time, Tredegar is not at risk of losing a deduction under 162(m) because no individual covered by the law receives compensation in excess of \$1 million.

PROXY FOR ANNUAL MEETING OF SHAREHOLDERS

This proxy is solicited on behalf of the Board of Directors for the Annual Meeting of Shareholders to be held on May 18, 2006.

The undersigned hereby appoints D. Andrew Edwards, Norman A. Scher and W.
