Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 25, 2016, following Seaboard's annual meeting of stockholders, the Board of Directors acted pursuant to the authority granted to it in Seaboard's Bylaws to increase the number of directors to constitute the full board of directors of Seaboard from four (4) directors to five (5) directors. To fill the vacancy resulting from the increase in the size of the Board, the Board of Directors then elected Paul M. Squires as a director to serve and hold office until the 2017 annual meeting of stockholders and until his successor is duly elected and qualified. There was no arrangement or understanding between Mr. Squires and any other person, pursuant to which Mr. Squires was selected as a director. Mr. Squires was not elected to serve on Seaboard's Audit Committee or any other Committees and it is not anticipated that he will be named to any Committees. There has been no transaction since the beginning of Seaboard's last fiscal year, or any currently proposed transaction, in which Seaboard was or is to be a participant involving more than \$120,000 and in which Mr. Squires had or will have a direct or indirect material interest. There is no material plan, contract or arrangement (whether or not written) to which Mr. Squires is a party that is required to be disclosed pursuant to this item.
